You don't seem to be that surprised from the size of my dick.

Shepai...!

Shea...

You actually have the nerve to mess with our underclassmen?

Help me...!

I hope you don't think you'll be able to get away with this...

It seems that you'd at least be a better toy than this girl over here.

Well, well... Looks like you actually might be a worthy opponent.

OH? ♥

Go ahead, I'll just go around the building and look for something else to do.

Thanks.

Yeah, yeah. You want to do this on your own, right?

...Daia.

I'll make sure to fuck you up good for what you did to my underclassman.

Anyway, I'll be your opponent.

Oh? You're going to take me on by yourself?

I suppose that's fine, just make sure you don't break on me too easily, okay?

It doesn't look like it's that stiff, but it's probably a big enough dick to at least entertain me for a bit.

たろろ

Yeah? Here's hoping you're not all talk!

Don't get all cocky just cuz your dick is a bit bigger than average.

Ah! Ah!
That's it....

NOM

It feels so good when you reach into the skin like that....!!

Wow

Ahh!
♥
The way your
breasts are
squeezing
me is
amazing!
♥

Ahh...!
You're
sniffing
my dick
from
inside
the
skin!
♥

Mmm...
♥

Ahh!
♥♥

Hahi!
I'm cumming!
I'm cumming!

Ngh...
Your
dick is
twitch-
ing, you
know?

Heh,
that was
easy-

Nya!

I bet you're
close to
cumming.

I'll squeeze you dry from over here next.

With this, I'll be able to thrust my entire dick in without any restraint whatsoever!

What a nice asshole, I just might be able to have a lot of fun with this!

Aaah!

I wouldn't

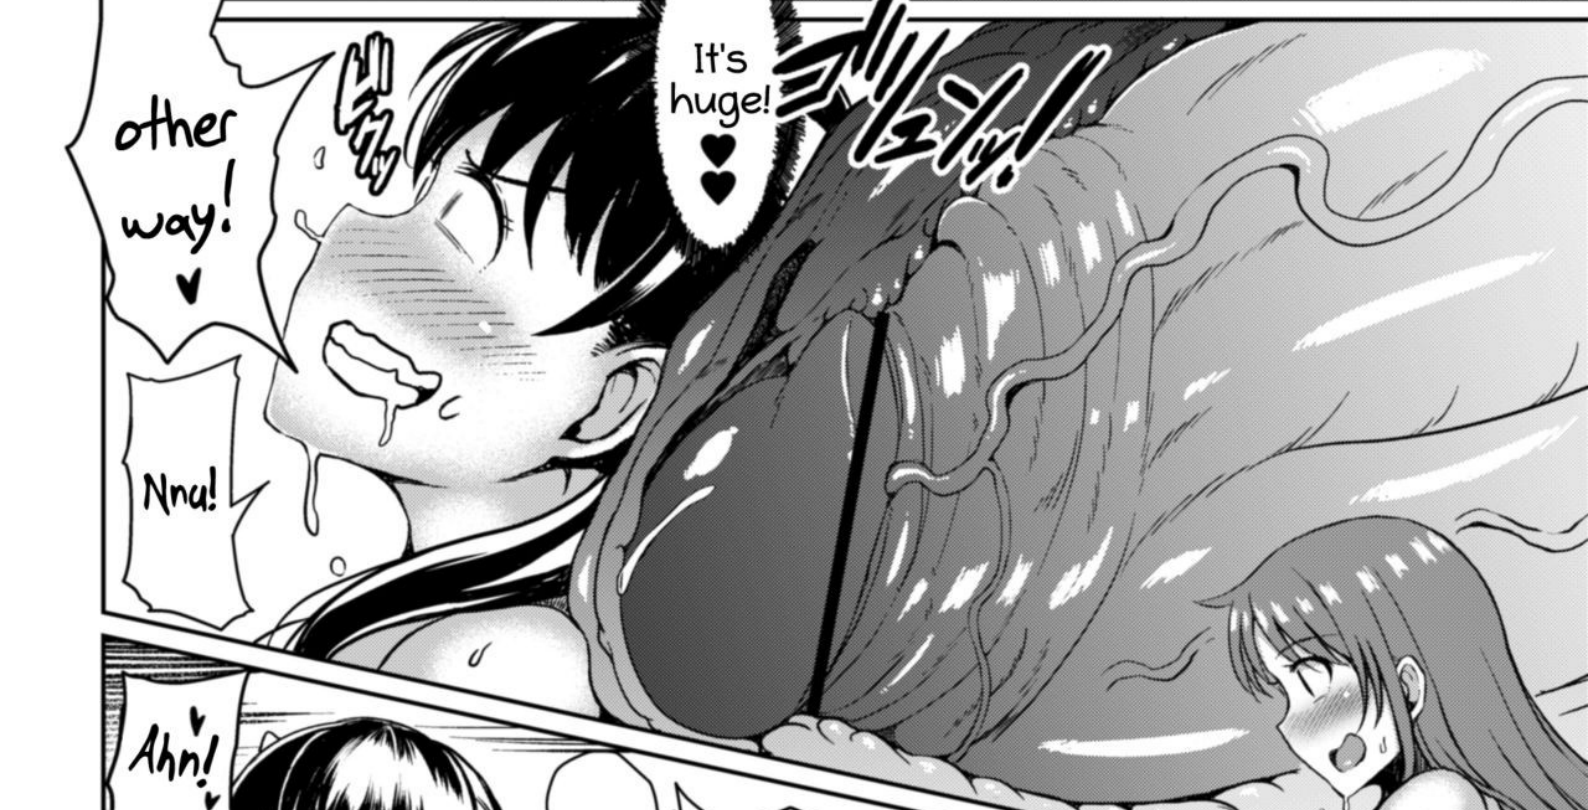

have it...

any

other way!

Nnu!

It's huge!

Ahn!

Ahn!

You're... cumming already? You're such a...!

Ahh This is great! Let's start this off with my first load!!

Shh

This bitch...
Even though
she's
cumming...
she's still
thrusting
it with
such
force...
♥

This load's gonna be a lot bigger than the last one!

Ah!

S-Shit ...!

My asshole's beginning to love her cock!

...I'm gonna cum.

I'm cumming!

Aahh!

IP!!

Handwritten sound effects

That was a close one, she almost got me.

Shit... N-Nah...

...Hahh... Hahh... Fuu... You aren't broken just yet, are you?

Very well.

The battle's just getting started.

I suppose I'll do some modification for our next round.

Ngh

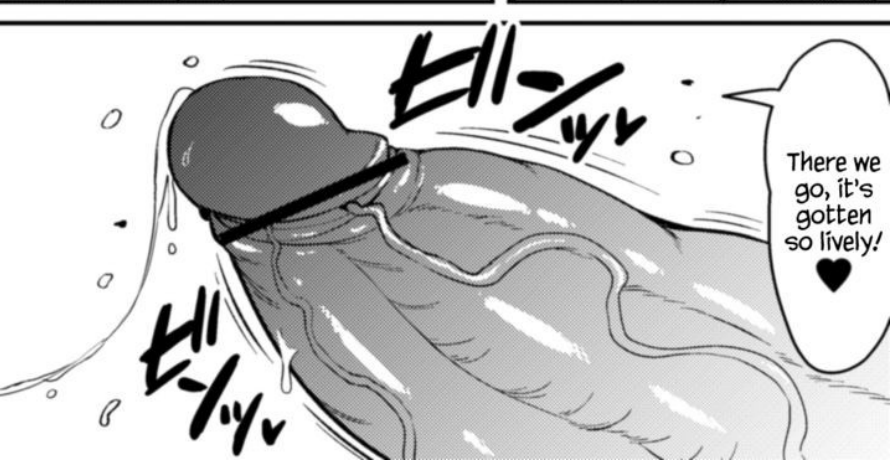

Ah!

N-fah

Now we're ready for Round 2!

There we go, it's gotten so lively!

Of course, I'll be able to get even more turned on if you come at me with enough force to crush me. ♥

Ready to go all out?

All right then.

Don't blame me if you end up regretting this.

Oh! ♥
Oohh! ♥♥

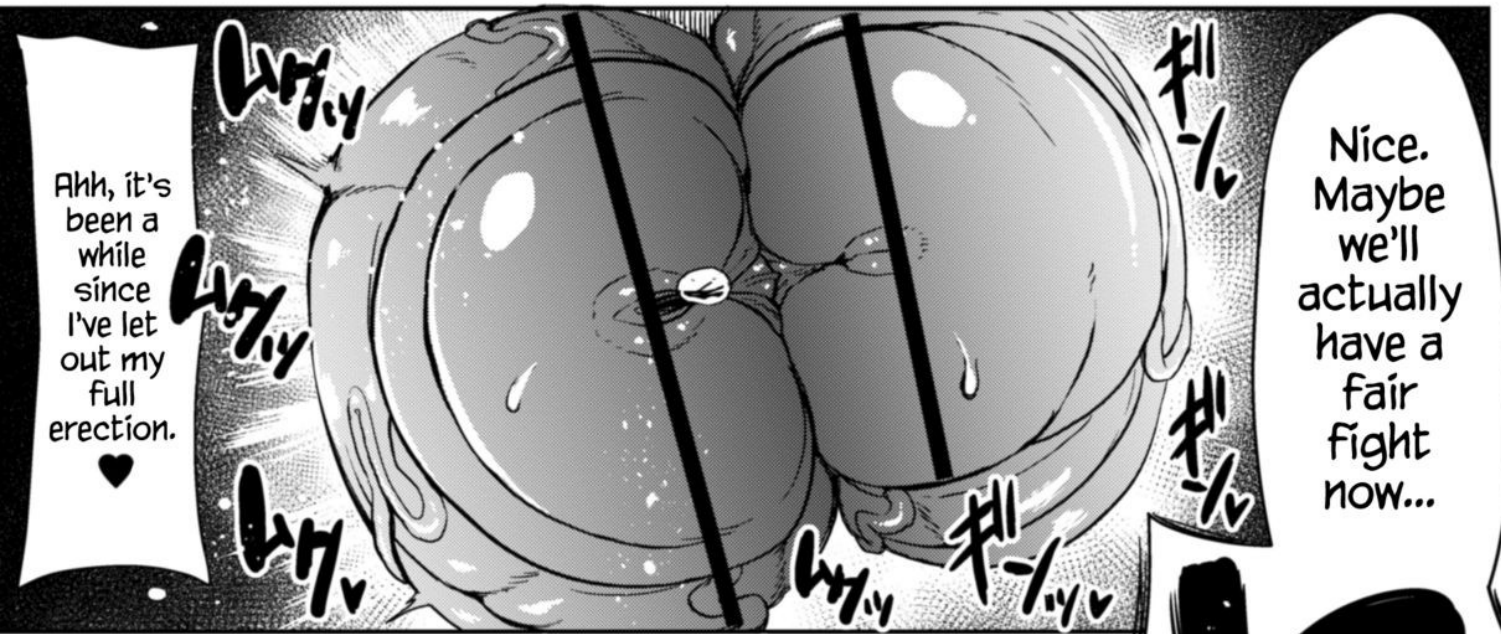

I'm just getting started.

What are you saying?

You think peeling back its skin will make it a match for my ultra-thick cock?

Ahh, it's been a while since I've let out my full erection. ♡

Nice. Maybe we'll actually have a fair fight now...

! ?

Even you'd be taken aback by a dick this big. I can sense your fear through your dick.

N-Not bad, not bad at all...

But now that we've gone this far, I'm not going to be able to hold back anymore. Prepare yourself. ♡

Oh my. You already came. ♡

Ah!

Aah! ♡

Let's have a taste of each other's fully erect dicks. ♡

My fully erect dick is going to cum too now.

Nnauh
♡

Uuh

Eh!!

Eh!!

Eh!!

Oh my...

She stopped moving.

Afterword

Thank you so much for taking the time to read this book.
I'm Teterun.

I was originally going to do a sequel to "The Demon Man",
but a new idea popped up in my head, and this is what it turned out to be.
If I just kept drawing without any proper planning,
the contents would reach to be more than 1 doujin could handle,
so I decided to have the rest of the story in a sequel.

There's a lot of stuff I've done that needs sequels to be honest,
but as long as they're doujins, I'll keep drawing them!
That's why I'll keep moving on at my own pace!
