おろねこ presents 「すんどめ ナマ♡実況」

Maybe we need a little more excitement.

But... getting too used to it won't do.

Oh no... That's her plotting face... ♪

Ugh...

Eehh!? But you wanna do it too, don't you?

That's because you want to do it every single time, Senpai!

Heheh, you've gotten pretty used to broadcast sex, haven't you, Yui-kun?

Did everyone remember to warm up?

The weather looks like it's gonna give us a green light today...
Mine High's sports festival is finally here!

Let's be careful not to hurt anyone and have some fair and nice fun!

Don't forget to stay hydrated either.

Alright then, let's start today's first event...

All the members of the broadcasting committee will be covering today's events.

There are so many people watching, even boys that came just to look at Senpai...

This is kind of dangerous even for her, isn't it!?

I know Senpai said we needed a little more excitement, but...

Heheh, doesn't this make your heart race?

My fate's in your hands, Yui-kun. ♡

...In my hands...

It looks like the white team is leading!

Red team...

M-maybe just a little bit...

Th-that's what she said, right?

Right now, Senpai is

getting ravished by the vibrator,

and I'm the one doing it...

She's moaning so lewdly

in front of this huge crowd.

when she told me teasing me felt good before...

I think I finally get what Senpai meant...

The read team is

pulling with everything they've got. ♡

But the white team won't lose either.

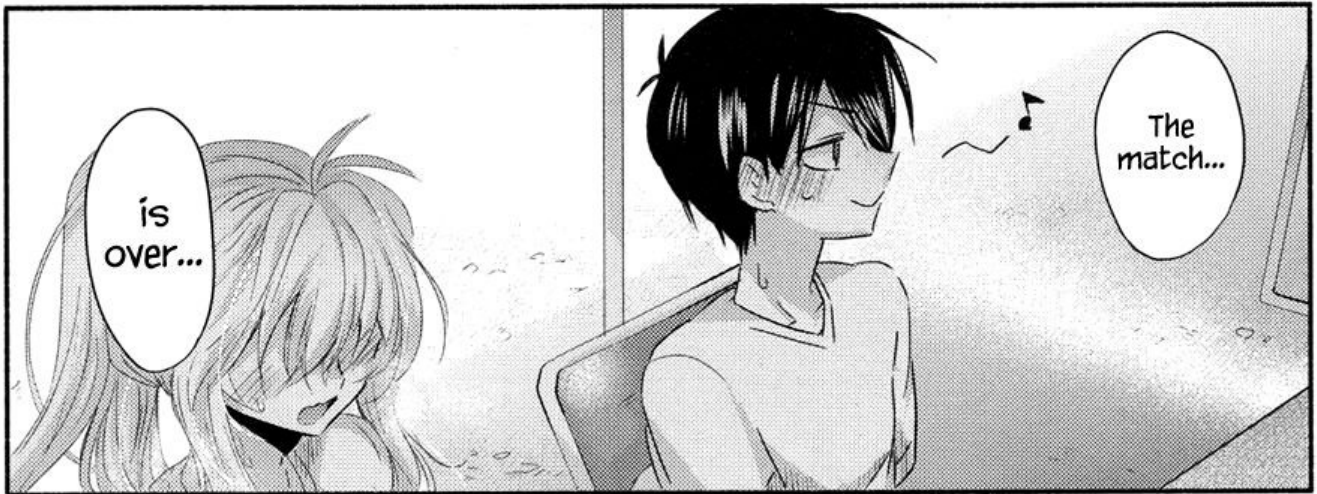

The struggle only gets more violent.

It's all-out war!

almost over. ♡

The remaining time is...

That's because... you're this lewd, Mizuki-senpai...

I can't believe you went inside in one go...

Then... You can cup a good feel to get your energy back. ♥

Wanna go for a second round?
