I think
Rie's is
really
pretty.

Not that
I've seen
anyone
else's
before.

Just
thought
it was
pretty.

Shizuka?
What is it?

But
I really
think that
way.

J-Jeez!
Don't stare at
it so much! It's
embarrassing
for me!

mm
there

ah

It's like there's a straight little stream,

and above it is a cute forest, rustled by the breeze.

Is this why you space out sometimes...

yes! ah

mnn...

The nectar from her stream...

ah!
cum ming!

For my
spring break
during my
first year of
college,
Rie and
I went back
to our
hometown
together.

It's done!

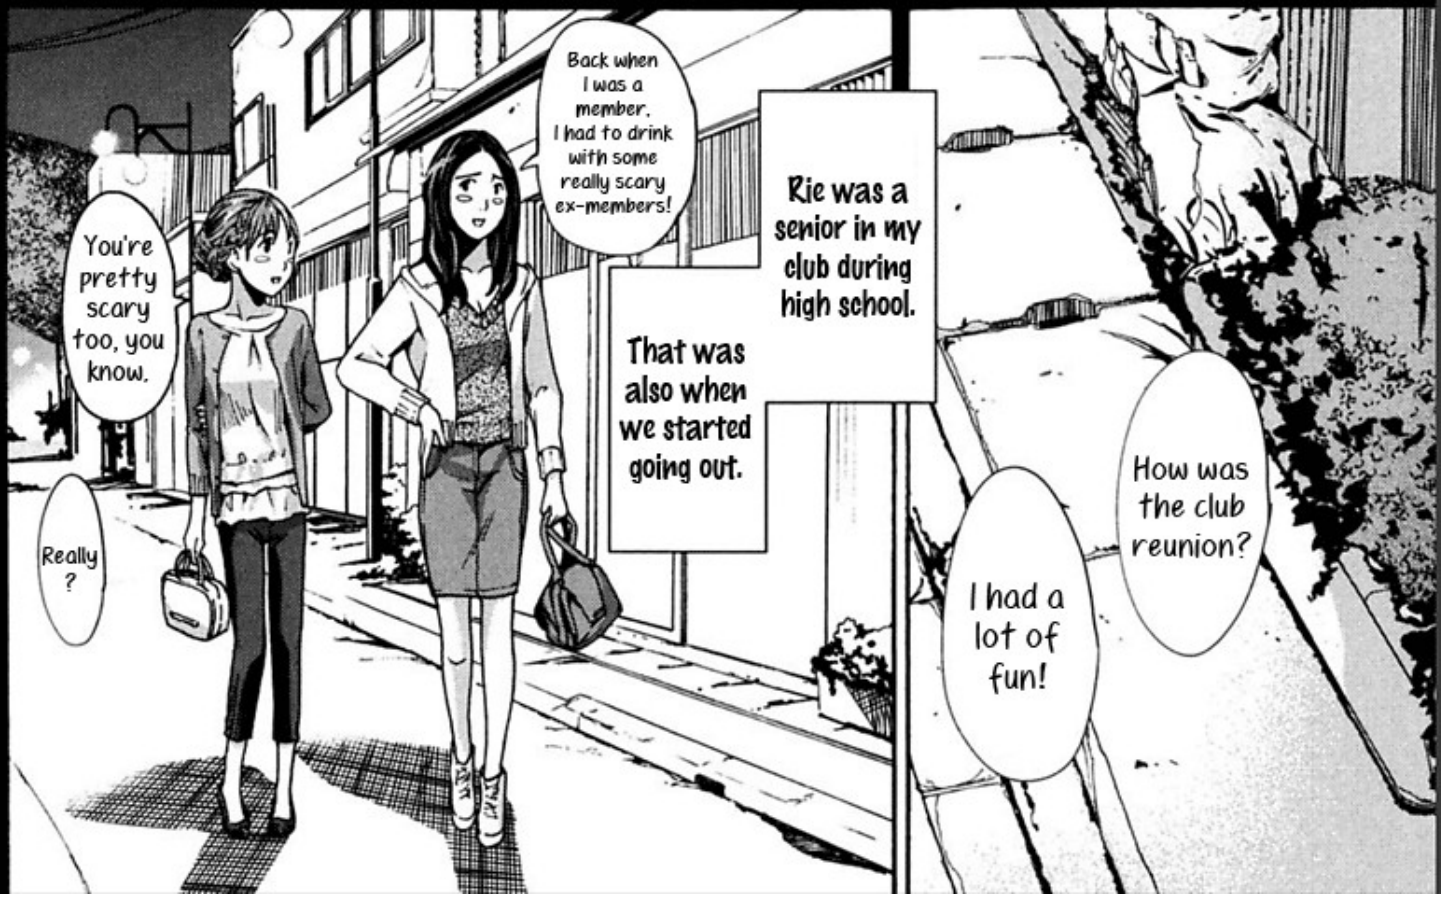

She just happens to go to school near me!

You're not bullying Shizuka, right?

Still doing tennis?

Oh... Yeah. I'm not on the team, though.

You're pretty scary too, you know.

Really?

Back when I was a member, I had to drink with some really scary ex-members!

That was also when we started going out.

Rie was a senior in my club during high school.

I had a lot of fun!

How was the club reunion?

Yeah...

Mm.
What
a nice
breeze.

Why do
I feel so
attached
to it?

It's only
been a year
since we left
this town.

Hee hee hee!

Okay...

Just hold still.

You want to shave my forest off!?

It'll be more convenient at the beach.

You were really strict around me, back then.

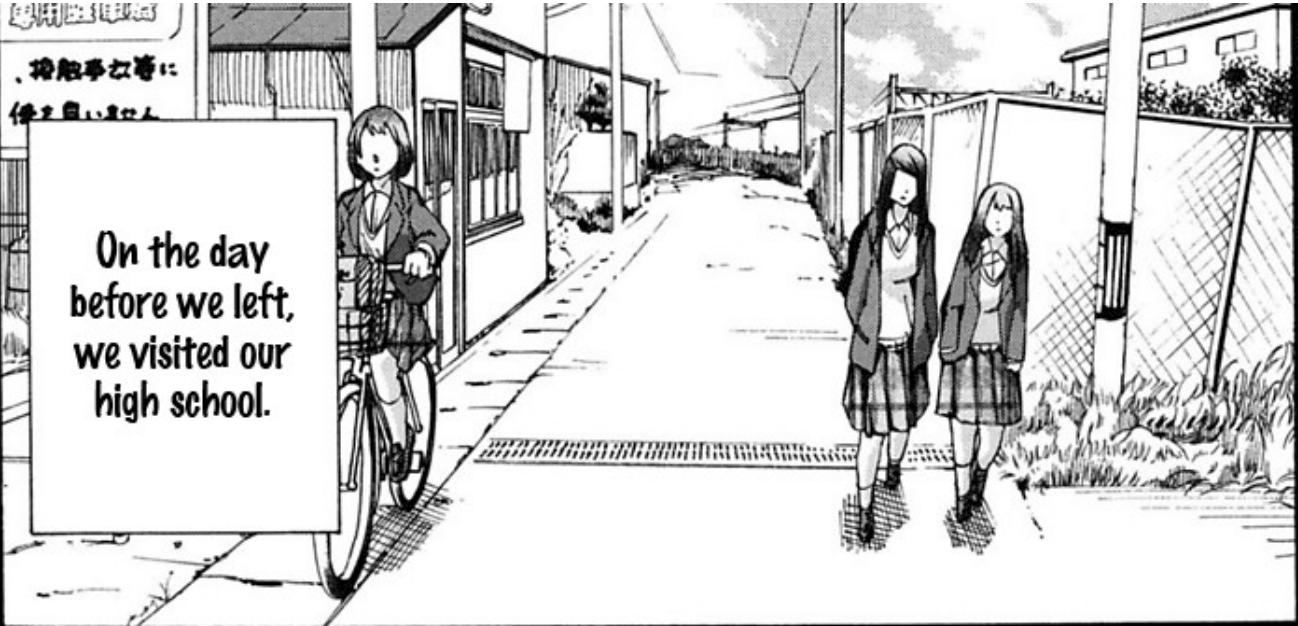

...Giving orders?

That was just like when we were in club together. My heart skipped a beat there.

On the day before we left, we visited our high school.

I always thought it was cute.

Hm? Really?

That uniform's ugly, isn't it?

The hill overlooking the school was our secret spot.

You looked cool!

Didn't match the uniform at all. I worried a lot about that!

My hair was short back then.

Hee hee.

What do you mean?

It hasn't changed.

We were so young then.

mn...

mn...

Rie confessed to me in spring, when I was a high school sophomore...

We had our first kiss here...

her warm
body and
breath,

No?

Hmm...

I remember
the heat
from the
sunlight,

Hm?

I have a
sheet
with me.

mn
ah...

and the
pleasant
breeze.

Shin

I'm trembling here.

Ooh, bare!

and pushing their blossoms together.

Two girls, spreading their legs

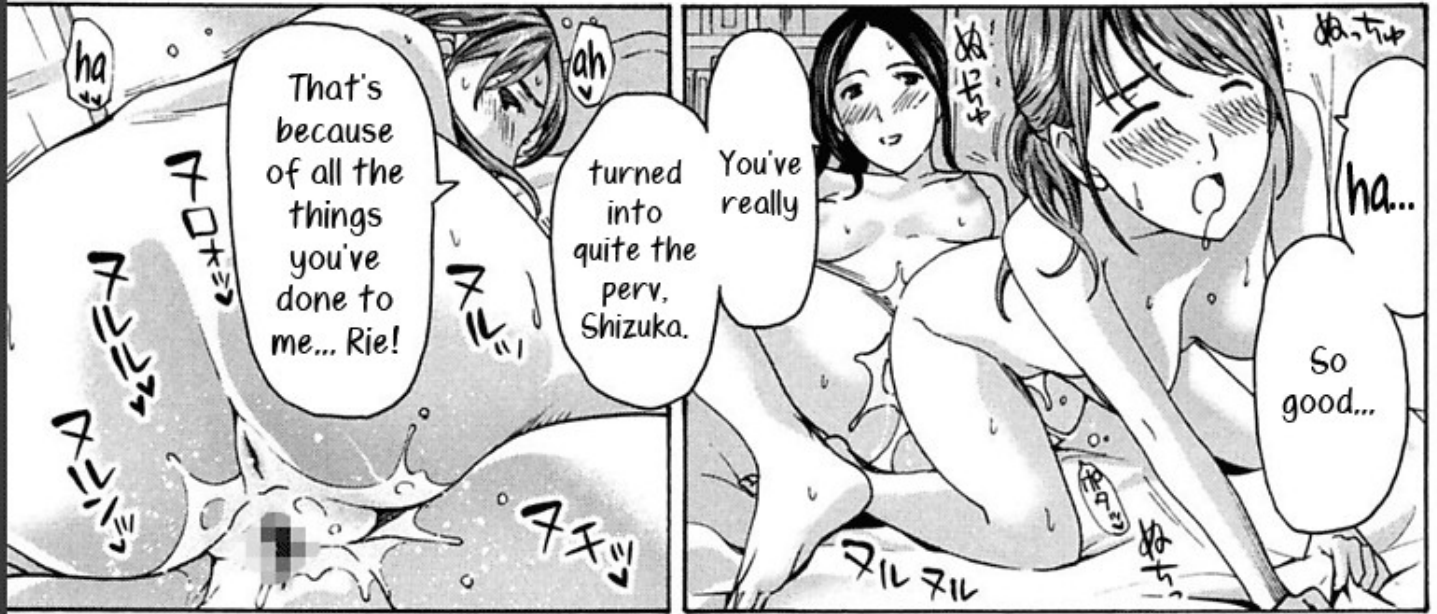

ah! haa...

It makes you feel so hot and dirty.

Just right... It's not like how we used to do it...

Don't worry. I'll change them later.

I'm pretty happy about that, actually.

Sorry about your sheets...

You were so cute.

haa

Rie's so kind.

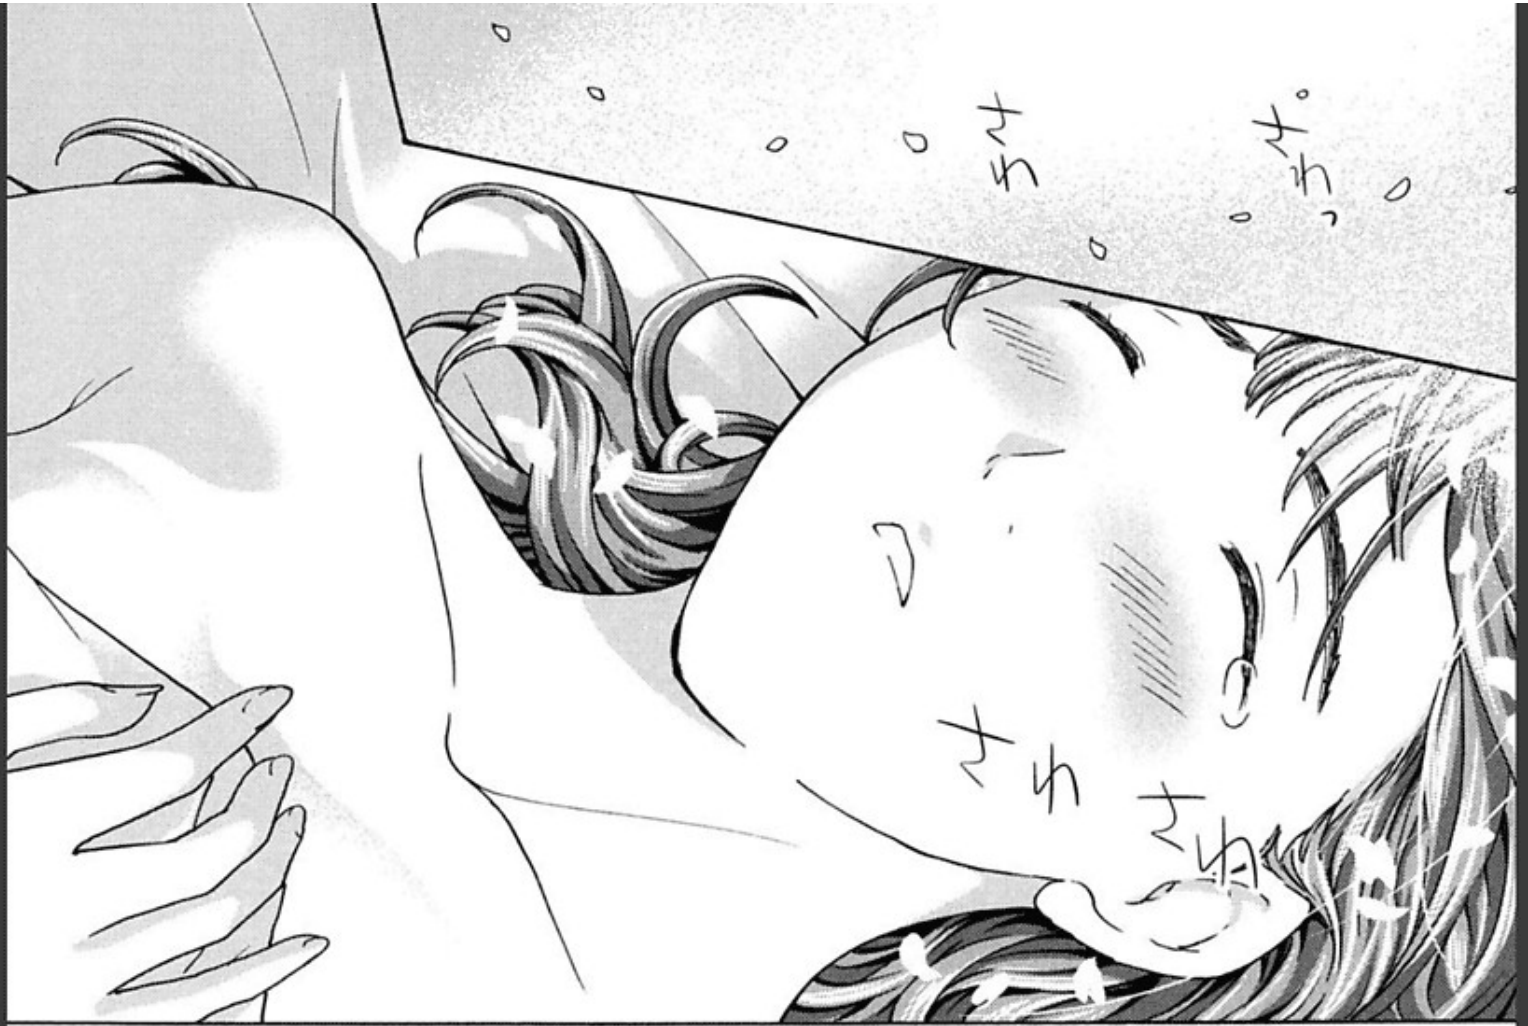

Yeah.

Thirsty?

she came to see me.

The moment I arrived in Tokyo after getting through college admissions,

Rie...

but I feel even happier right now.

Ah!
Hey!

Hm?
Already?

Now hurry up and go to sleep.

Seems like it'll be hot today.

The next morning, the passing breeze held a hint of summer.

I held her hand tightly

Hey, Rie, did you know?

to tell her, "I love you."

After spring, comes summer.
