HARUNA YOSHIMIYA (14)

BIRTHDAY: 6TH OF FEBRUARY

LIKES: SHORTCAKE

HATES: WASABI

BREASTS: THEY'RE THERE

A LITTLE SISTER WITH AMNESIA. THOUGH HER DESIRE TO REGAIN HER MEMORIES IS UNDOUBTEDLY GENUINE, SHE SUBCONSCIOUSLY AVOIDS ANYTHING RELATED TO "THAT MEMORY". LATELY, SHE'S STARTED TO FEEL THAT REGAINING HER MEMORIES MIGHT CAUSE HER TO LOSE SOMETHING, AND SHE HAS MADE PEACE WITH THE IDEA THAT SHE WON'T RECOVER FROM HER AMNESIA FOR THE REST OF HER LIFE. IT'S ALSO POSSIBLE THAT HER MEMORY HAS ALREADY COME BACK, BUT THERE'S NO WAY FOR HER BROTHER TO KNOW THAT.

My first middle schooler book.

Looking at it now, there are so many things I'd like to fix, but what can you do. It was the first book of its kind I made, which explains why I tried to cram so many different ideas into it. Although this book was originally supposed to be a commercial work that got recycled into a doujinshi, the brother was always the cause of the amnesia. That's exactly how I wanted to draw it.

Also, as it was the first book, I tried to make everything as standard as possible. A cute, obedient little sister with long black hair and a sailor uniform! The story was anything but standard though, and I fundamentally preferred grade schoolers over middle schoolers. Nevertheless, sailor uniforms are cute, so I decided to go with it, and ever since then I've been totally addicted to drawing middle schoolers. Good thing there are so many different types of school uniforms! I love the children's clothes grade schoolers wear too, though...

I designed Haruna while drawing the cover so there aren't really any early designs or anything. But, looking at a draft for the cover, she was supposed to wear a headband. She kinda looked like some other character... Yeah, she really did...

Although I had always planned to continue this book, there was a surprising amount of speculation regarding the plot online after it was released, and so I thought simply putting out an answer would have been kinda dumb. Truth be told, I did have plans to continue it even further, but I think stopping here is for the best. I just wanted to show real quick what happened with the boy who confessed to Haruna, Katahira (aka Tooru). I think it would have been better to leave it open-ended, but I suppose I didn't really explain anything anyway, so...

YUZUKI NARAHARA (14)

BIRTHDAY: 8TH OF JANUARY

LIKES: CREAM BUNS

HATES: CORIANDER

BREASTS: AVERAGE

AN AVERAGE YOUNG GIRL LIVING AN ALL AROUND NORMAL LIFE. THOUGH HER BROTHER'S REALLY SMART AND CAN DO BASICALLY ANYTHING, SHE'S THE TYPE OF CHILD WHO TAKES CARE OF HER OWN BUSINESS WITHOUT ASKING OTHERS FOR HELP. AS THE SIBLINGS ARE BOTH THE LOGICAL TYPE, THEY UNDERSTAND THAT THERE'S NO REALISTIC WAY FOR THEM TO BE TOGETHER, AND HAVE PRETTY MUCH ABANDONED THE LOVE THEY HAVE FOR EACH OTHER. STILL, THEY FEEL THAT'S PROBABLY FOR THE BEST.

The World Is Ending So I'm Having Sex With My Little Sister - 2016/10/23

The third book.

I feel like I was thinking "let's alternate between a little sister and not a little sister!" when I published this book. All the books I had drawn previously had been really heavy, and I wanted to make something lighter with no deeper themes. That's why it has that short story feeling.

This book was released at Comitia, and while I've released bunch of stuff there, this was the first adult book. As such, I thought I'd make it sci-fi to fit the Comitia mood, but it ultimately ended up with pretty much zero sci-fi elements. Well, these sorts of worlds where there's something just a little off are pretty good too, right? I love thinking of ways how the world might end.

Also, the title's a bit different from the previous short and snappy ones. I really wanted people to be able to imagine what the contents would be like from the title, and so I just said fuck it, and made a really long title that explained it. Still, I think it's a pretty good title, if I may say so myself. Overall, I really like this book!

I had pretty hard time drawing Yuzuki, and I had to finish this quick before I forgot how to draw her. It was tough. Why doesn't she look like her...? What a mystery...

I just can't break my habit (?) of having a dick come out with a "boing!".

I wish there was some sound effect when I pulled my dick out, like an angel choir~
Wow, I didn't even get to explain the story at all.

Picture I drew for
an announcement.

There were some pages left.

Ending Words

A-Afterword...? I kinda said all I wanted to say already...
Hmm, let's see... Thank you so much for reading up to this point.
Thinking about it, the amount of these middle schooler books I've
made is already in the double digits. Nevertheless, there's still a lot more
stuff I want to draw, and so that number will most certainly keep increasing.
I hope you'll bear with me for years to come.

Speaking of which, I'm sure you've heard how artists come up with their stories
plenty of times, but I personally mostly get my ideas from reading news and Wikipedia.
I see a news story of someone stealing school kid's shoes, and I draw a manga of someone
cumming in them. Simple, huh? (This story will be included in the next collection...)

I always have so much fun drawing.
When the next volume comes out, I hope to see you there!
