Tl Note

Jesus fucking christ, this must have been the most draining thing I've ever had the pleasure of translating. Before you read, here are some heads up:

Because all of the text was handwritten in the Raws, I was often unable to make out the characters, so expect some mistakes here and there. And trust me, the size of the characters didn't help either, given how pixelated they were.

There's a whole lot of "talking with something in your mouth" dialogue in this book, so I tried to emulate that as best I could while still keeping the words understandable.

With that, Enjoy!

アタラクシア [ataraxia]

平静／静安。

幸福は快樂にあるが、

外的なものにとらわれず

欲望を否定した内的な平静こそが

最大の【快樂】であるという。

I'll wake him up in the usual manner.

Haa... Guess it can't be helped.

...That's how it was, but recently, a freeloader has started living here with us too...

Ai, can you go wake him up?

Oh no, look at the time!

I am Yuna Marui. I'm a second-year student at Saimyou Academy. My parents are at a business trip overseas, so only me and my little sister live here right now...

Like al-ways...

Eh~ I don't wanna! You can do it!

That guy, he's a bit of a strange person...

Even though in reality you're interested in him...

He isn't even fat!..

Don't say stuff like that, Ai!

Just let that guy be! That gross perverted fat nerd!

Haa...

...

...That might be why... I have a special way of waking him up.

Someone... very special I don't know why that is, but I definitely feel that way...

Fufu... I wonder about that...

Wha-! That's not true at all!

Someone we need to take care of...

Hey, wake up~!

This is my special way of waking him up.

Chomp

Wake up~

Hey~ please wake up~

Like always...

Thank you for this morning's first milking!

Like this!

Ngh... wait! ...Yuna... ?

Uh!

Ngh... Nghna...

Ngh...

Kh!

Uh!

Put it in your mouth and then go all the way...

Now for a deep-throat!

Put it in your mouth and suck! Put it in your mouth and suck!

First the head.

Lick it! And then again! And again! Carefully suck it!

After teasing the tip a bit...

Lick it all over!

in one go!

You're wrong!

I know that... I am doing something very lewd, but...

Somehow, this feels natural... this is just a usual morning with him.

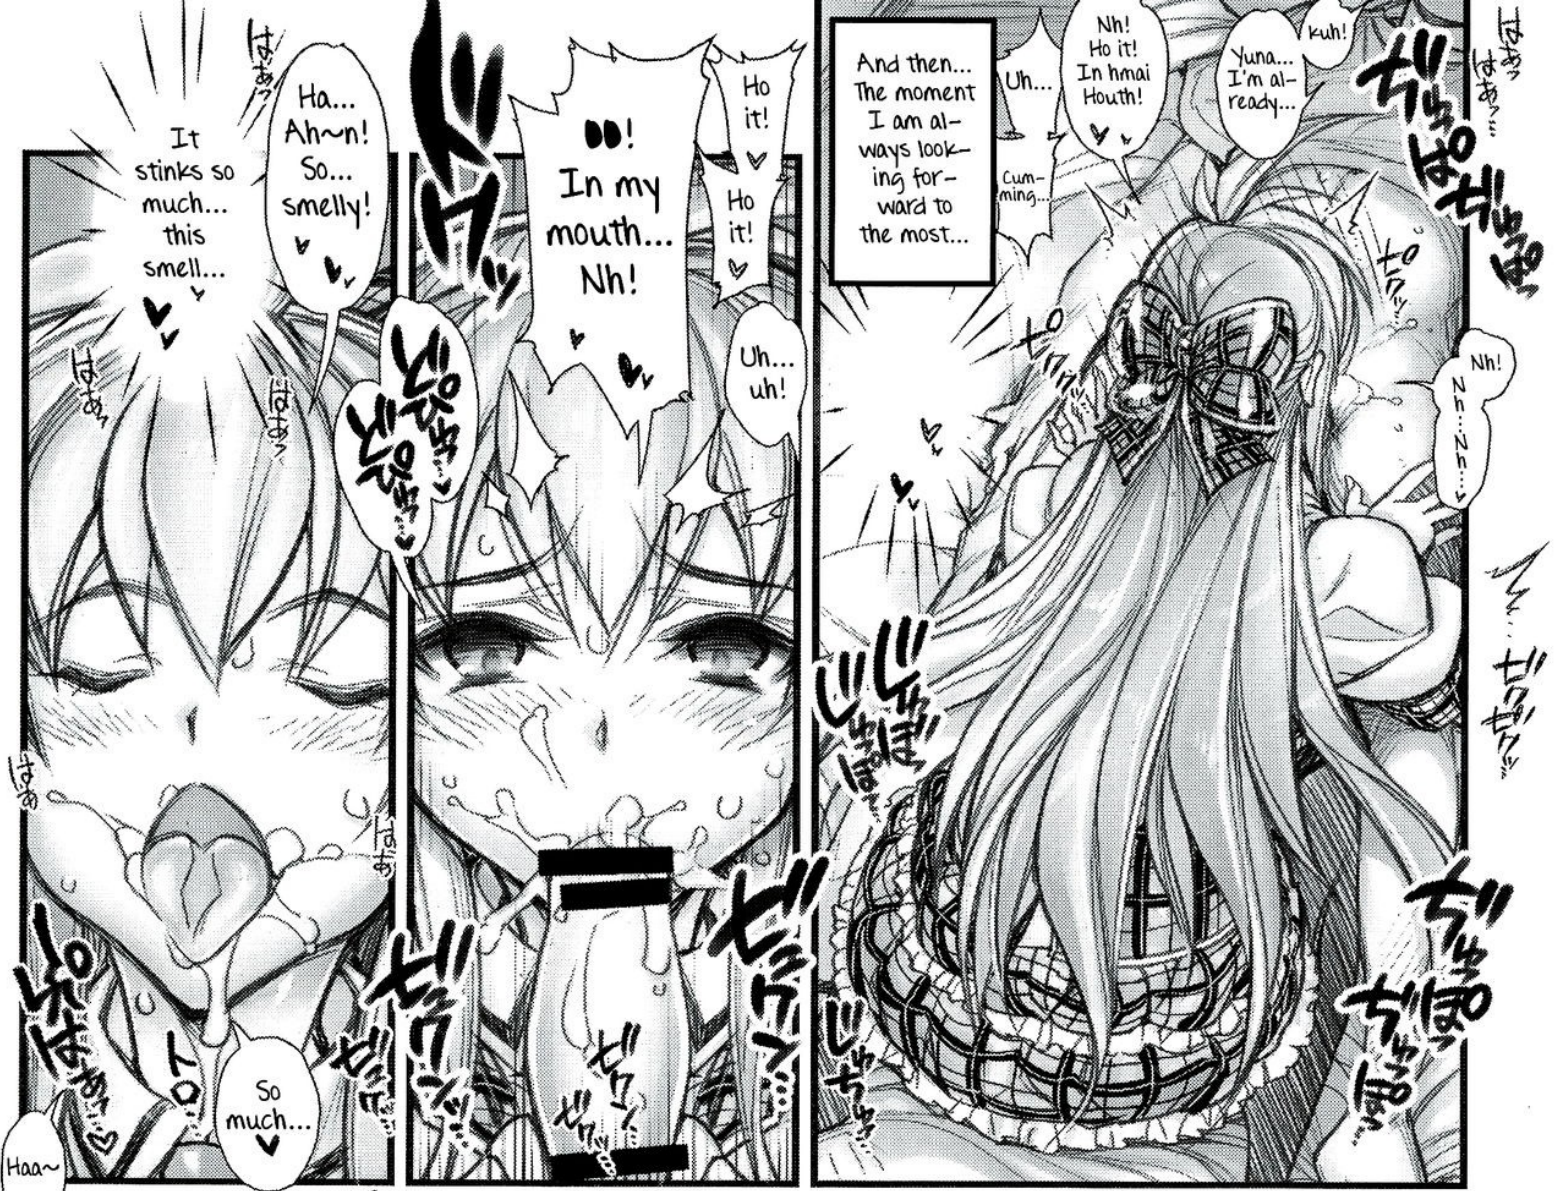

I'm just punishing you for over-sleeping!

You have to wake up down here too!

You're... starting early in the morning again...

You really love this, huh?

Wah! My crown jewels...

It stinks so much... this smell...

Ha... Ah~n! So... smelly!

This is... my every-day life.

Sorry, Ai! YUNA!!

You're so mean~ T- that's...

You're the one that wants a lot of it!

T- that's... because you came so much in the morning...

Ah, right! ...and whose fault is this?

Oh no! !! hurry up!

Hey, Yuna! We'll be late!

I wonder what happened... Since when... did I do such lewd things...?

I have to give him a blowjob without any shame right in front of everyone, so...

You think tho...?

You've... gotten really good at this, huh...

Is that ok...? During the lesson...

Huh?... But... huh?

Uhm, this is...

Oh no, I really think you've mastered it! lol

I won't let you cum that quickly!

I think I've still got a long way to go.

T-the noises are so loud...

I even kind of liked that girl...

Must be nice, getting a blowjob from a girl like her...

Wah, she's taking it in all the way to her throat!

You've really become quite daring, Yuna! lol!

She's really doing it just like that...

Fuh!

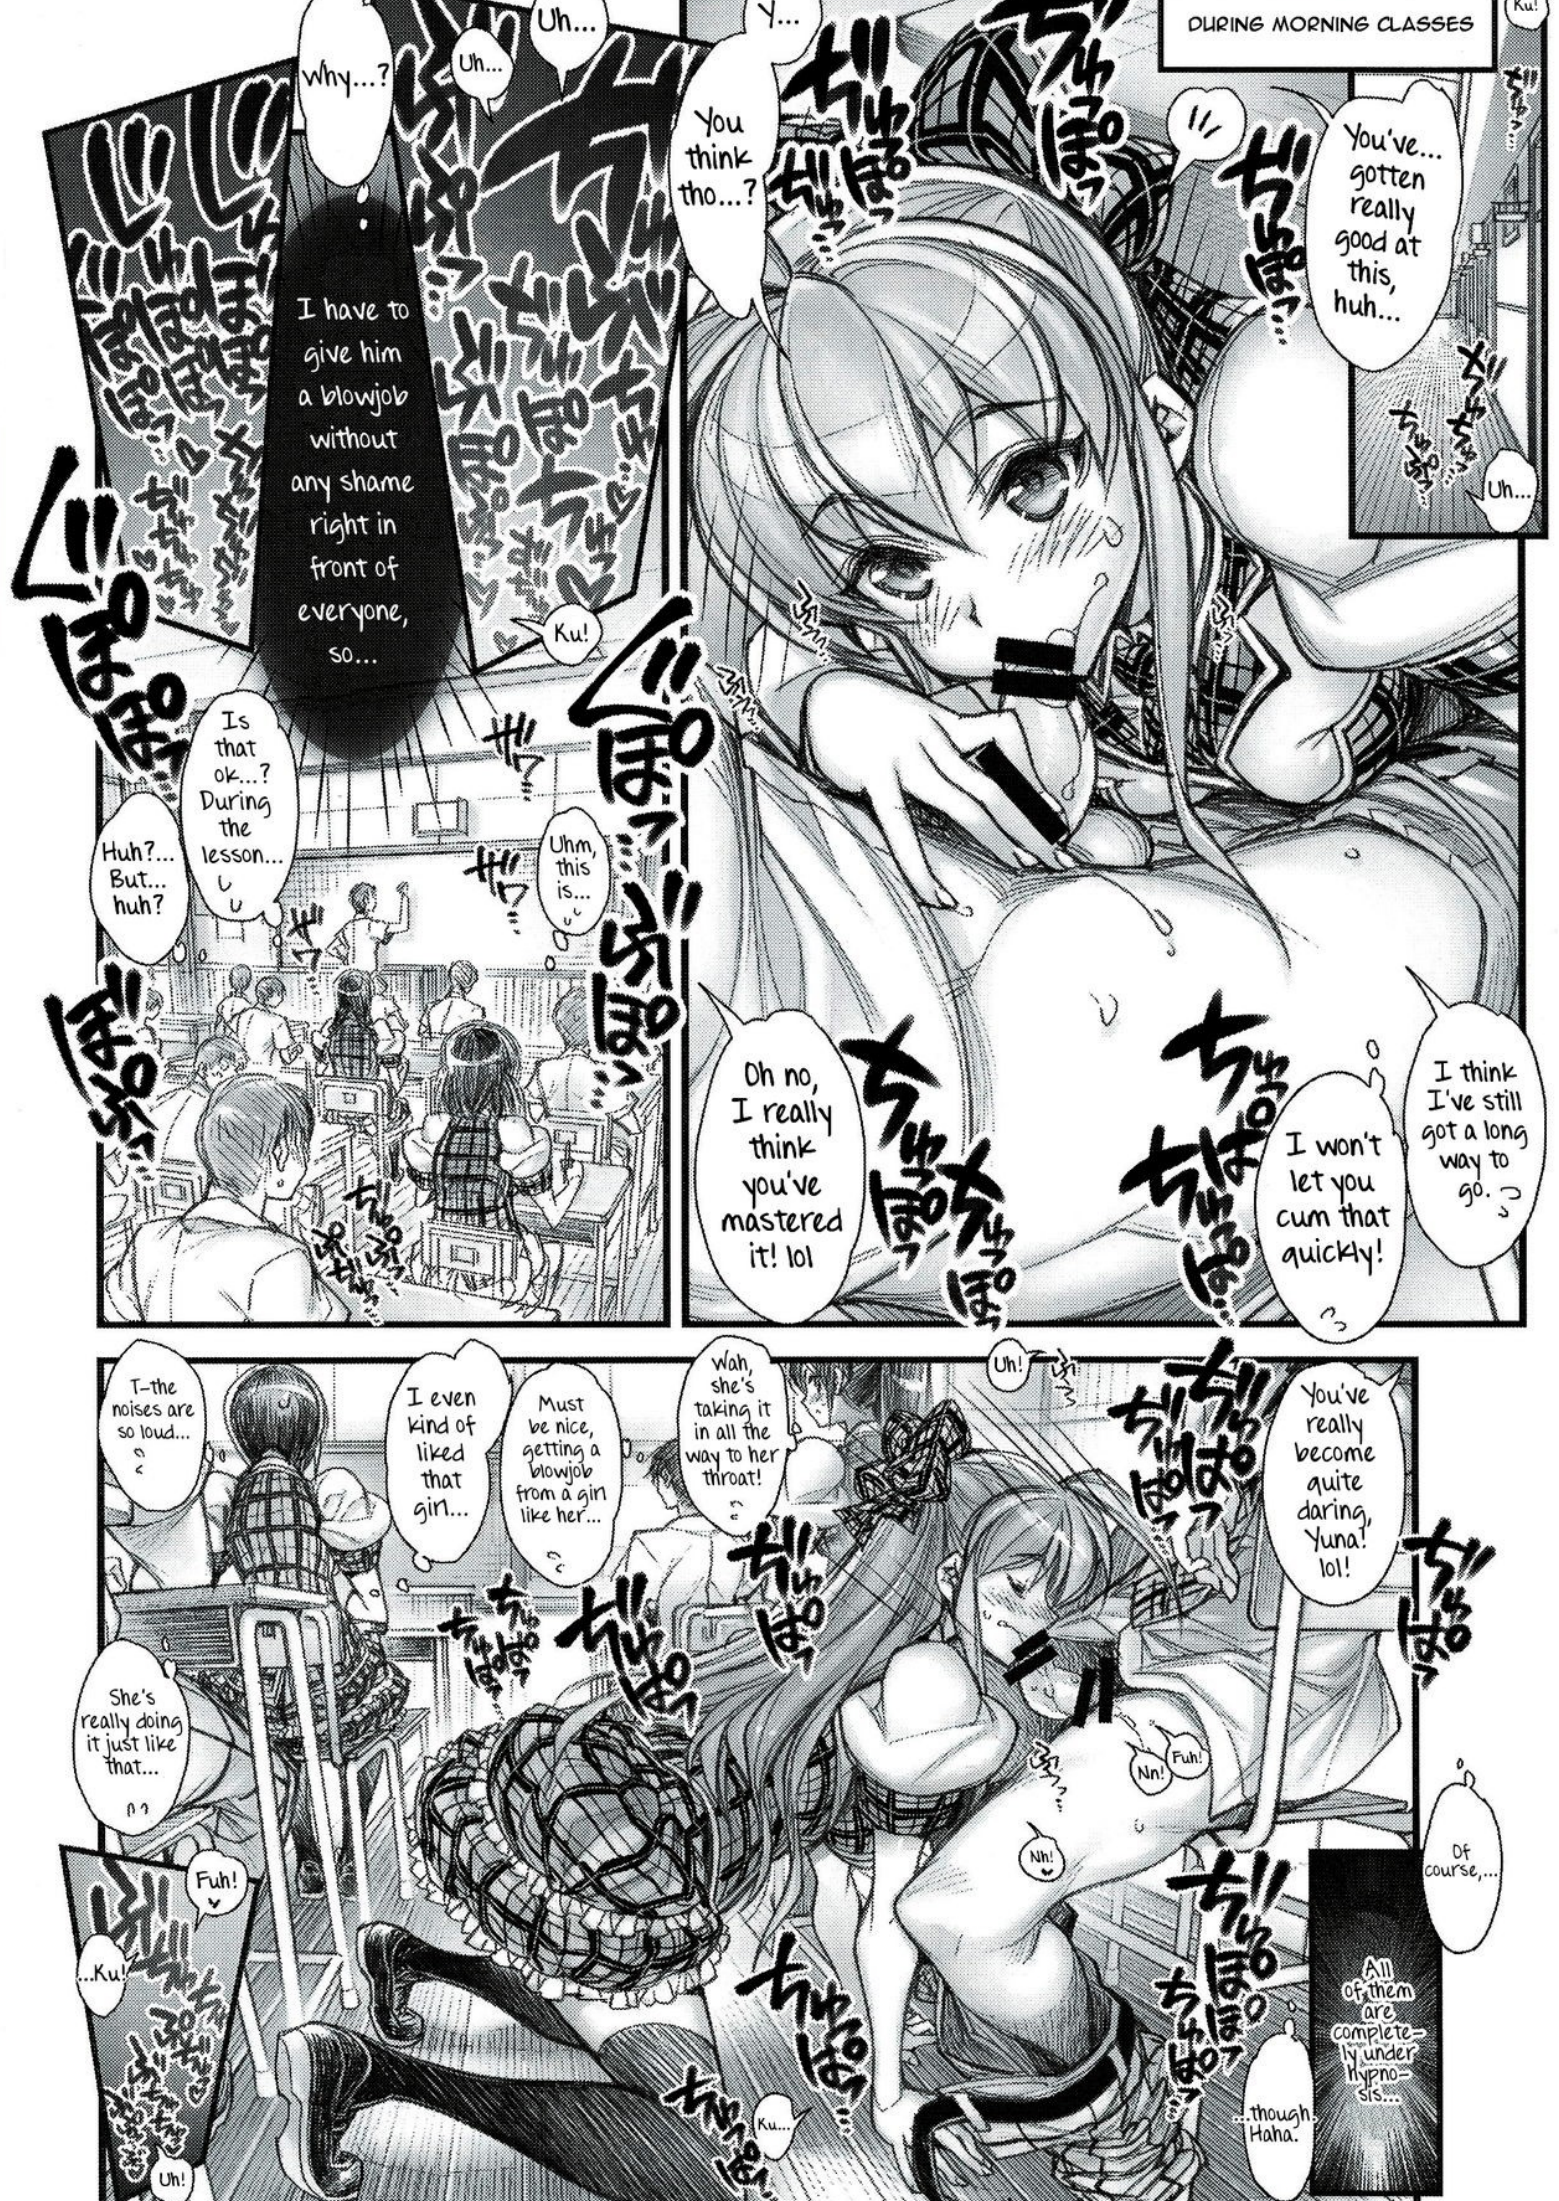

Nni! Fuh!

Nh!

Of course...

All of them are completely under hypnosis...

Afterwards, everyday...

I'll do my best at class duty today again!

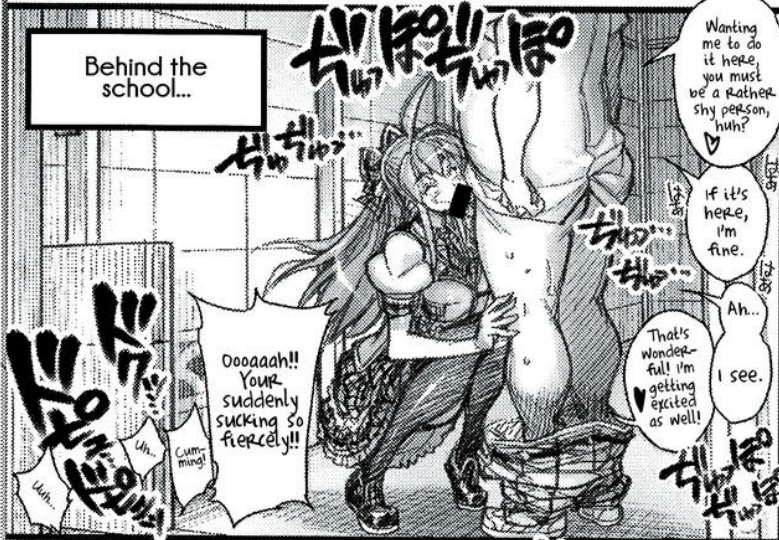

Al-Right!

Sorry you have to do it at a place like this, Yuna...

It's fine! I'm simply doing my job, after all!

Seems like you are in a good mood today as well

Let out a lot, ok?

Behind the school...

Wanting me to do it here, you must be a rather shy person, huh?

If it's here, I'm fine.

That's wonderful! I'm getting excited as well!

Ah... I see.

Oooooah!! Your suddenly sucking so fiercely!!

I'm not really overdoing it yet, but I do feel bad to always rely on...

But... there's no school on Sunday...

Wait!
I can't wait for school tomorrow!

Urfufu, I did my best gulping down semen at work too!
I'm glad I was helpful too!

Yuna, I wanna cum while you look at me!

Hoot hoot a hot!!

Haha makes me happy!

I haven't masturbated for a week just for you, so make sure to drink every single drop of my stored up semen!

I've been waiting for your service this whole time, Yuna!

You really love semen, huh, Yuna?

Woah, you're like a different person!

This does... D... This feel good... around here...?

Geez, why do we have to do this too...!!

Yes, I'd rather have it in my phussy!

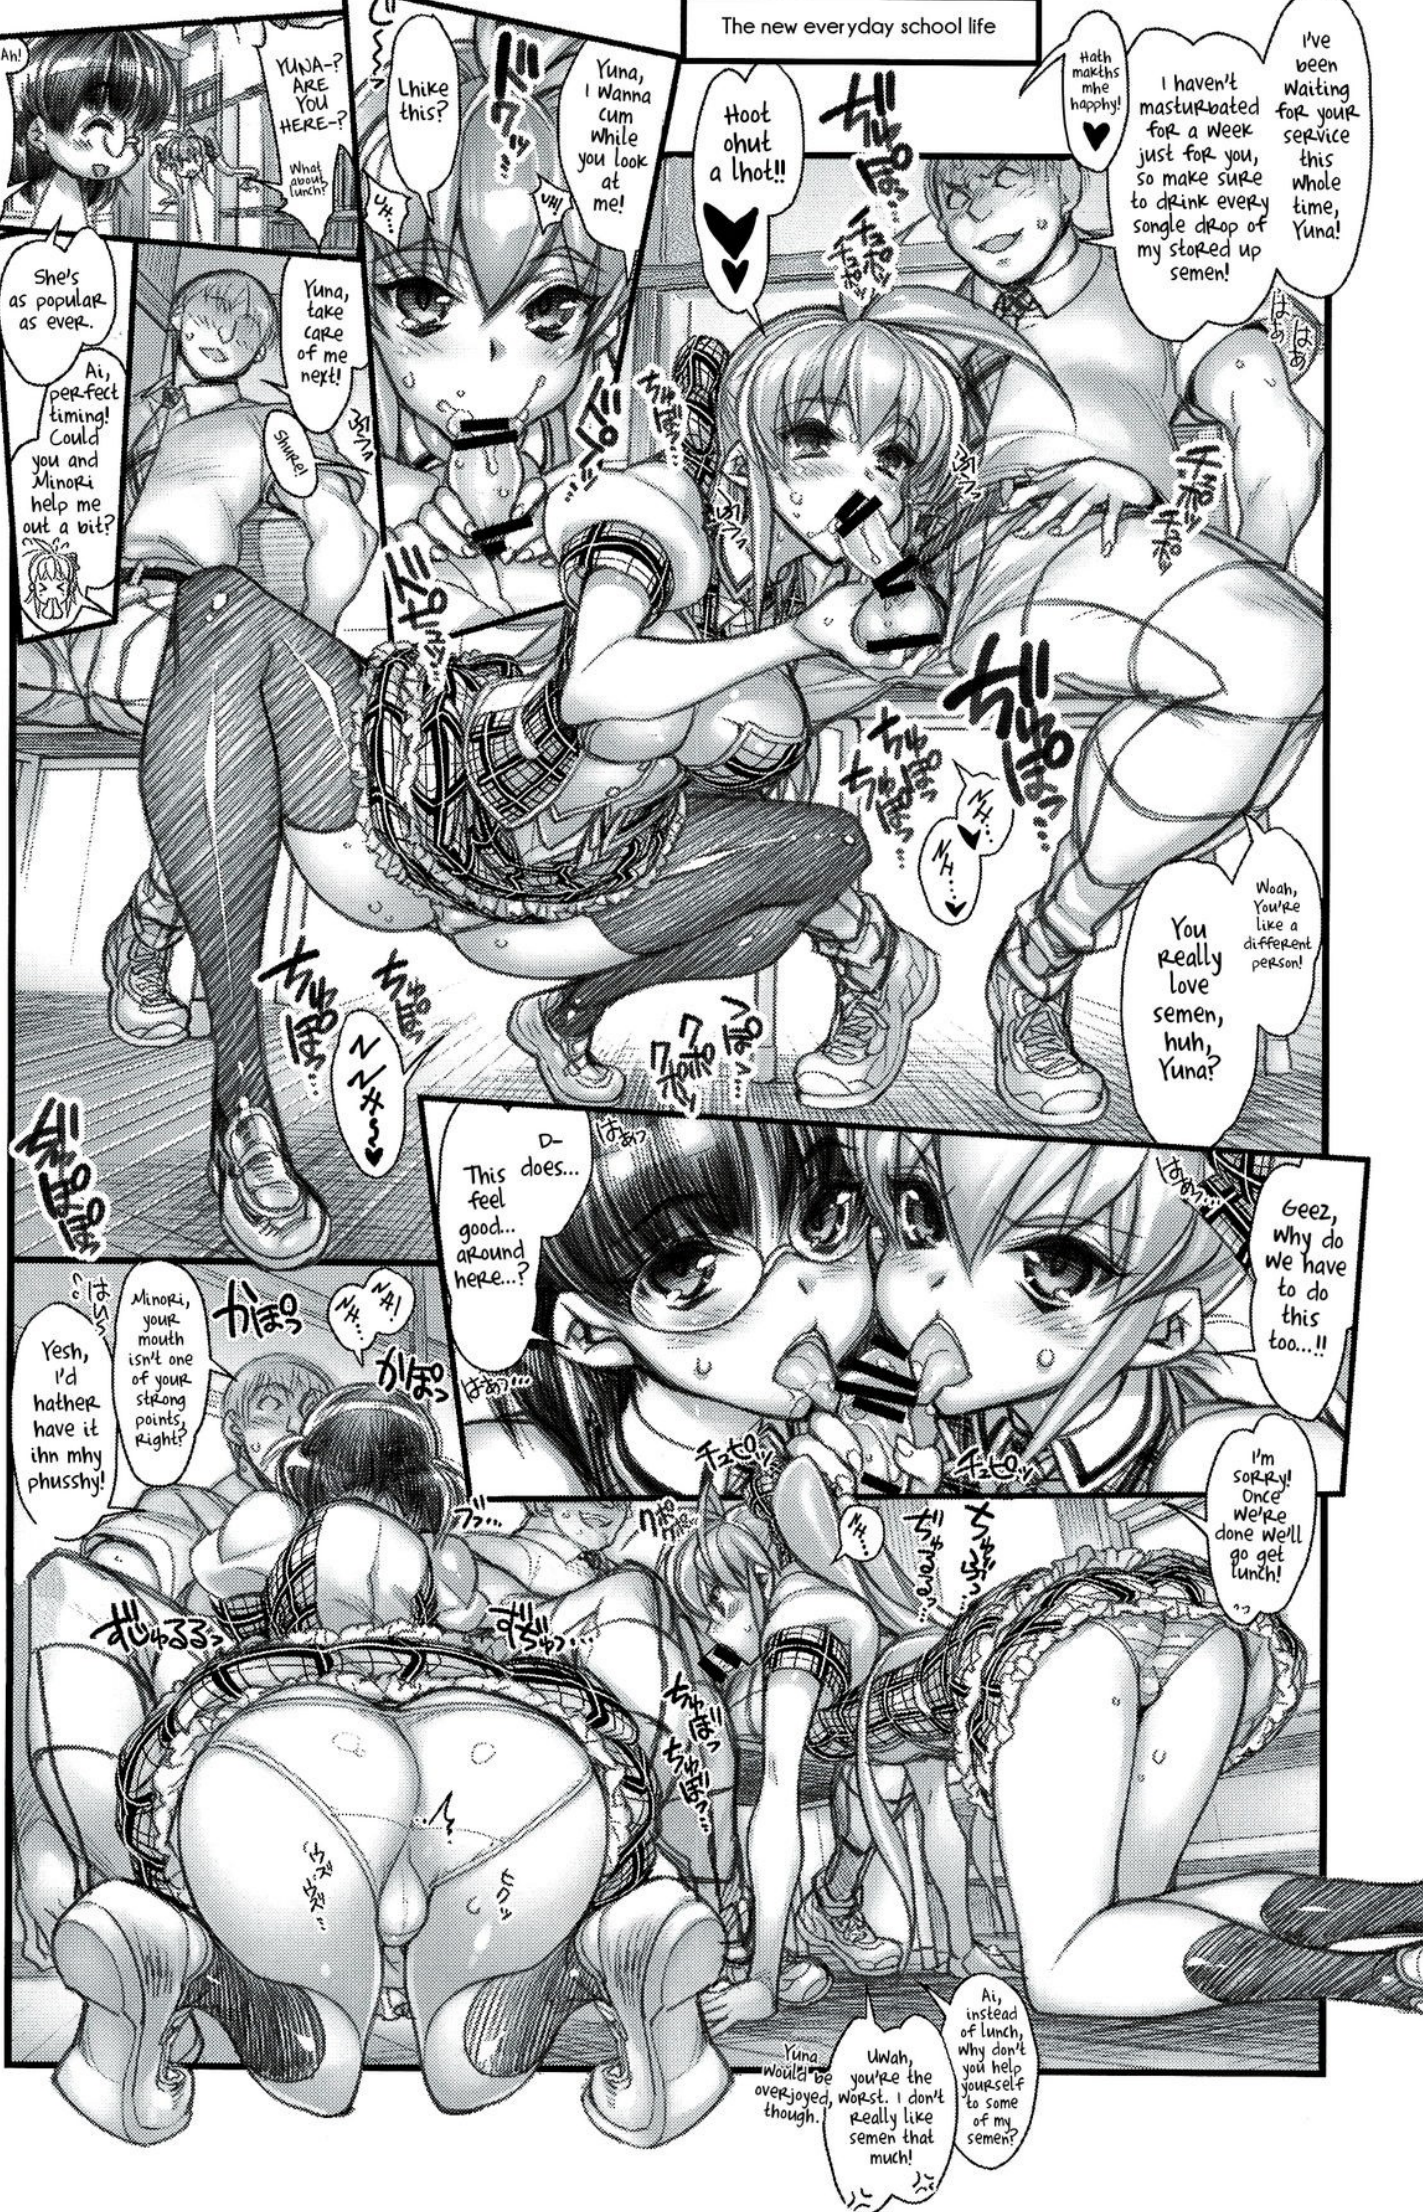

Minori, your mouth isn't one of your strong points, right?

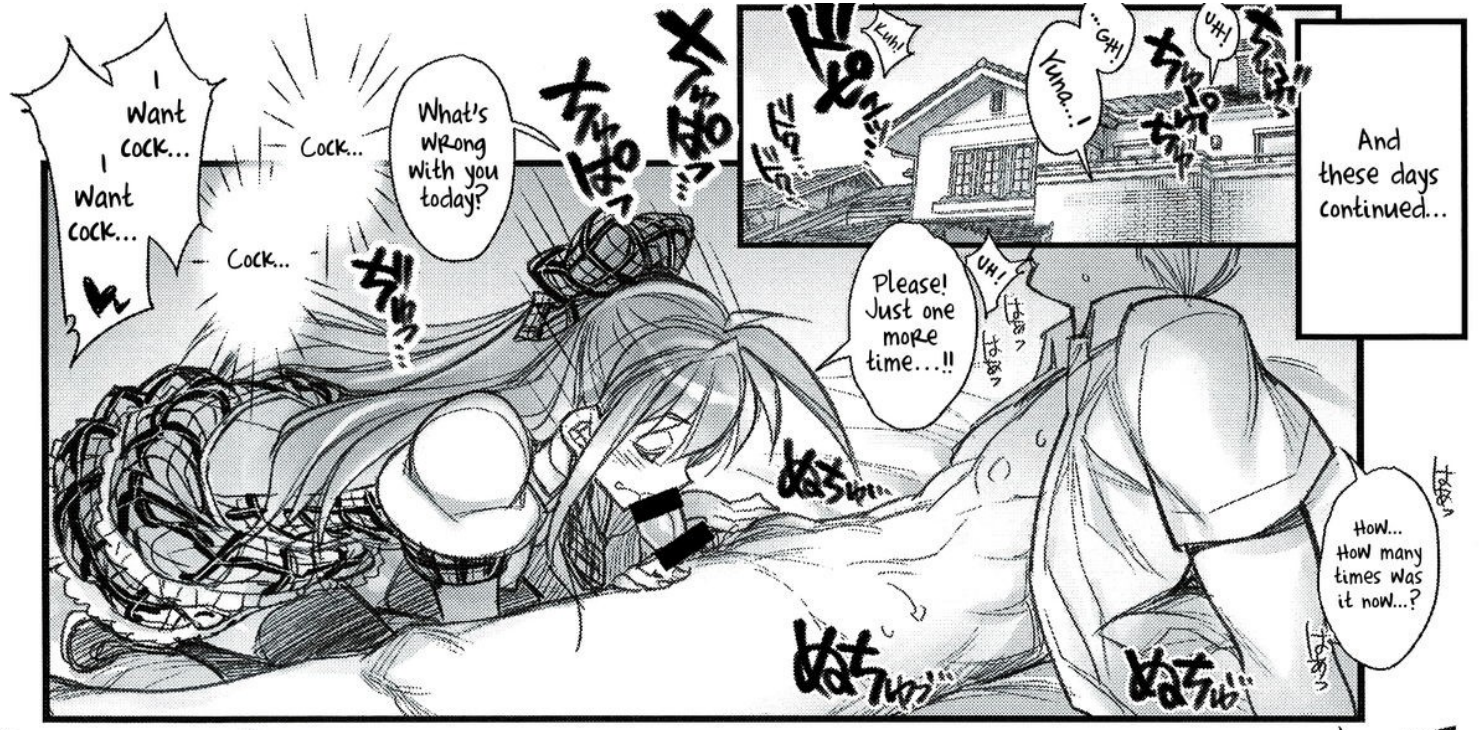

I'm sorry! Once we're done we'll go get lunch!

Yuna would be overjoyed though.

Uwah, you're the worst. I don't really like semen that much!

Ai, instead of lunch, why don't you help yourself to some of my semen?

Where do you want it, Yuna?!

I'm about to cum! I'm cumming!

O... Obviously...

I love this person's semen!

The semen is coming!!

Even though it's embarrassing... I said it...

I love drinking semen!
I love blow-jobs!

That's right!

Somehow, you're even more energetic than usual...

It's like you broke free from your left-over restraint...

...Who I am...

Well, it's weird! With this, I'll be able to cum no matter how often you need it!

Yes! I wanna get all of you really excited, so...!

This is...

Well, we are full of energy, too!

You're full of energy again today, Yuna!
