After the orgy in this chapter, the men continued to summon her and fuck her while she is hypnotized everyday.

She was impregnated by her drama teacher at the hotel but her pregnancy was aborted while she was in a hypnotic state.

Since the men can do practically anything they want on her while she's in a hypnotic state, they took advantage of this and enjoy themselves on her expense such as making her do a exposure play and urination play in the park near her school.

She is full of happiness with her love for Shunichi.
