The boy who
fought
for such a
world.

For a
world where
humans and
demi-humans
can join hands
together and
be with each
other.

Although, that
hardly matters,
this is a story
about kissing
and flirting with
these nee-sans
and the boy.

The two
powerful
women who
were feared
for being
demi-human,
but were
attracted to
the boy from
the bottom of
their hearts.

So we
thought
about doing
a different
kind of
play.
