amazake hatosyo-ten presents

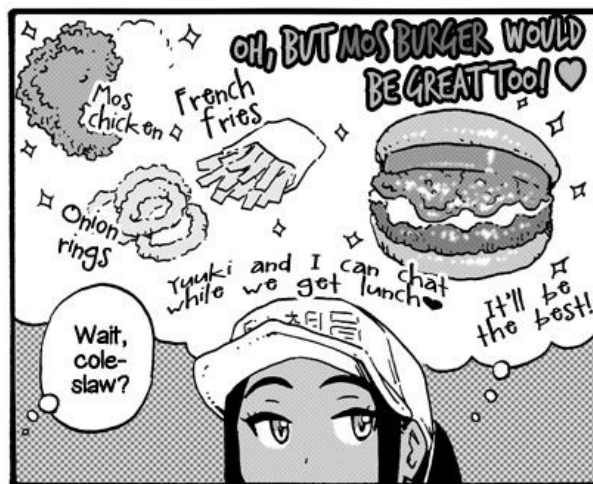

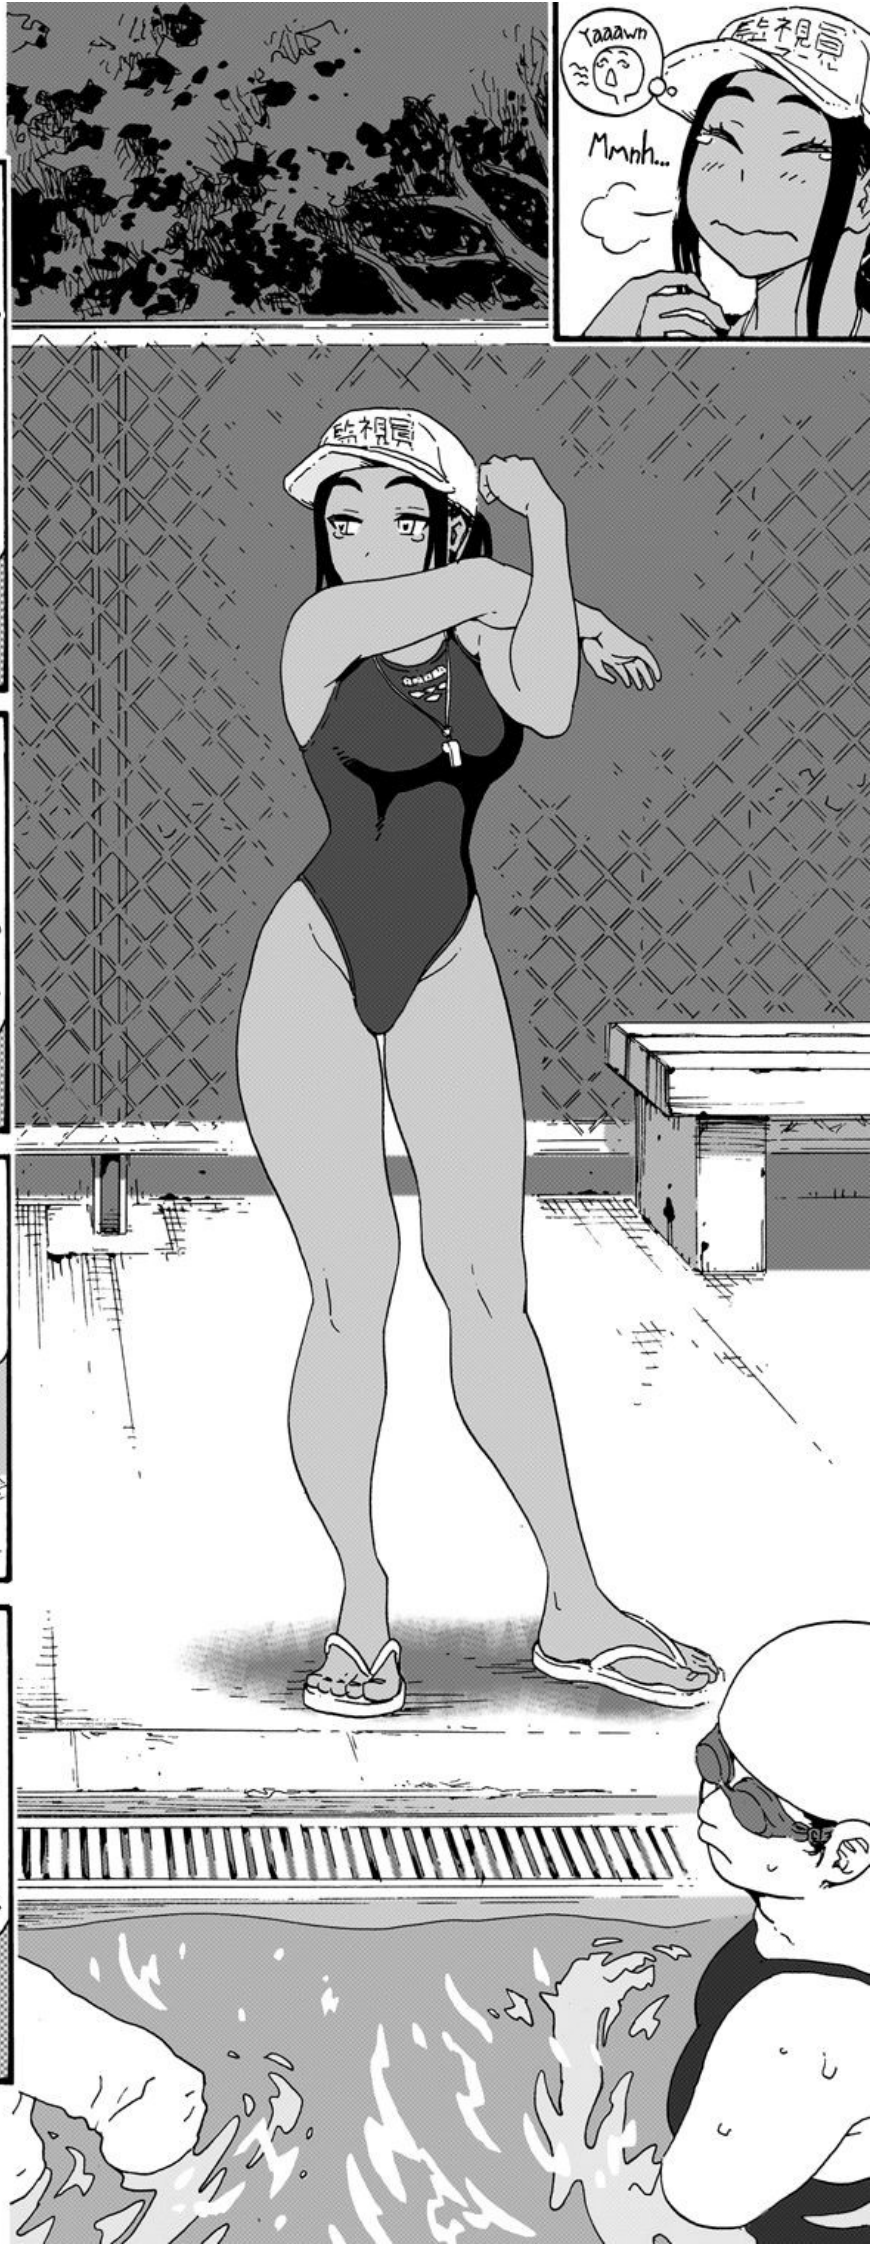

But tomorrow is when I get paid, so we'll finally get to have some real fun...!

The two of us were just getting more and more sexually frustrated.

The day before payday, even though I got to be with Yuuki, we didn't have the money to rent a room anywhere.

Afterword

Thank you very much for buying this book.

Just like last time, this story also takes place in the middle of summer.
Even though it's November right now, all I want to think about is summer, sweat, and jumping in a pool!

When I wrote Kana, I wanted to imbue her with a sense of comedy. You know, as an artist, I'm always worried about coming up with a half-assed comic, but being able to draw Kana for this winter event made me pretty happy.

I came out of my kotatsu.
The Comiket timing this year was pretty good, so I felt like emerging.
