Special Thanks to **TheRobotsGhost** for his translation of pages 102-105.

When I posted chapter 5, it seem like mere minutes before I was being message with translations for those pages. Again big thanks to **TheRobotsGhost**.

Also this bring me to the next point; the last 8 pages of this tank, and the last chapter for *S wa Fragile no S* storyline is untranslated. I'm editing the whole tank and all chapters but that one is translated. So if someone want to translated that those pages and message me the translation, I'll be more than happy to edit it, and make a credit page for you.
