MORIOKA FAMILY

Afterword

Thank you for buying Girl Sex Family!
Did you enjoy it?

I went with an incest theme this time. And it will continue. Next time I also plan for the mother Hanae to get involved. I think I want to draw cat play or something next time, but I haven't decided yet. Please look forward to it!

After this I will make a commercial book for the first time in about 5 years, I would be really happy if you check it out!
Well then, see you again.

SHOUSAN BOUZU

I drew Dango-Chan with buns in her hair. In the end I didn't use this character for the story.
