#### TRANSLATOR NOTES:

THIS, AS WELL AS OTHER WORKS BY PINK-NOISE, ARE READ LEFT TO RIGHT.

I WANT TO MENTION SOMETHING ABOUT THE NAMES WITHIN THIS DOUJIN.

THIS DOUJIN IS BASED ON THE BIRTH OF THE GREEK DEMI-GOD **HERACLES** (ALTHOUGH IT'S QUITE HEAVILY MODIFIED :P). IF YOU WONDERING WHY I DIDN'T SPELL IT **HERCULES**, AS MOST PEOPLE KNOW HIM BY, IT'S BECAUSE HERACLES IS THE GREEK NAME OF HERCULES (WHICH IS HIS ROMAN COUNTERPART). AS SUCH, I WILL TRY TO STICK TO GREEK NAMES AS MUCH AS POSSIBLE.

#### NAMES THAT POP UP:

PERODOTUS	PARODY NAME FOR HERADOTUS (SOME GREEK HISTORIAN).
HERACLENA	THE MAIN CHARACTER'S NAME, OBV. BASED ON "HERCULES".
ALCEDIA	THE BIRTH NAME OF HERACLENA. HERACLES BIRTHNAME WAS ALC(E)IDES.
ALCMENE	MOTHER OF HERACLES.
ZELUS	THE LORD OF THE NEW GODS, OR THE GUY KRATOS DID IN... OR DID HE?
HERA	ZELUS' (MAIN) WIFE. SHE HATES INFIDELITY (BUT STILL STICKS WITH ZELUS...).
MNEMOSYNE	GODDESS OF MEMORY. ONE OF ZELUS MAN FUCK VICTIMS.
THALIA	MUSE OF COMEDY AND DAUGHTER TO MNEMOSYNE.
AMPHITRYON	HUSBAND OF ALCMENE. ASSHOLE HERE
ELECTRYON	FATHER OF ALCMENE. DEATH BY RICOCHET.
EURYSTHEUS	THE SON OF ELECTRYON'S BROTHER, STHENELUS.
CHIRON	A CENTAUR. HERACLES KILLS HIM BY ACCIDENT IN ONE OF HIS LABOURS.
JASON	THE LEADER OF THE ARGONAUTS.
ACHILLES	THE ONE WITH THE "DEADLY" HEEL.
ASCLEPIUS	GOD OF MEDICINE.

(SOME OF THE KATAKANA AREN'T EXACTLY THE SAME THE JAPANESE NAMES FOR THE CHARACTERS, BUT I DON'T THINK IT'S A BIG DEAL IF I TRY TO GO WITH THEIR REAL NAMES, AS CLOSELY AS POSSIBLE, BECAUSE A LOT OF THE GREEK NAMES HAVE VARIATIONS, LIKE HERACLES BIRTH NAME IS EITHER ALCIDES OR ALCAEUS.)

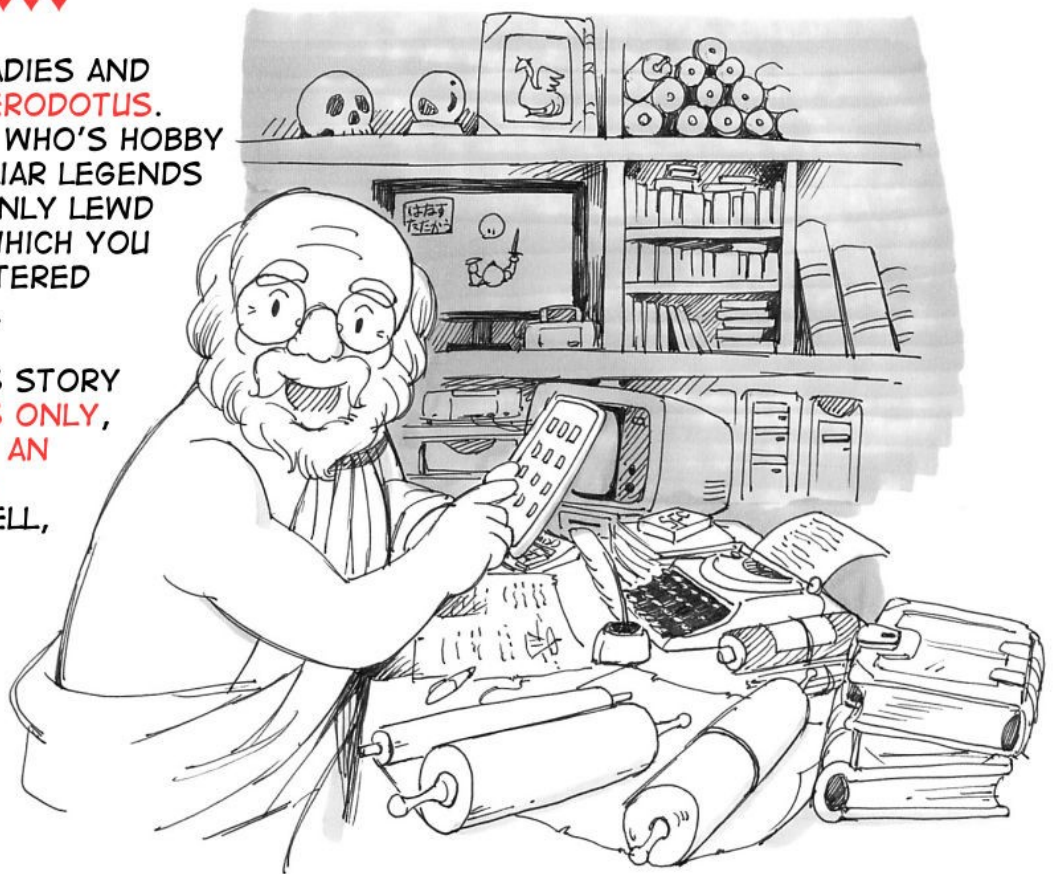

(AS WITH MOST HISTORIC REFERENCES OF OLD, THE FACTS ARE NOT 100% EXACT. JUST WIKI SOME OF THESE NAMES AND YOU CAN SEE FOR YOURSELVES.)

---I, THE CHILD OF THE GREAT ZEUS AND MNEMOSYNE, THALIA OF THE MUSES, WILL INDEED TELL.

MANY AMONG THE LEGENDS OF HERACLES, ESPECIALLY THE QUEER AND PLEASANT TALES.

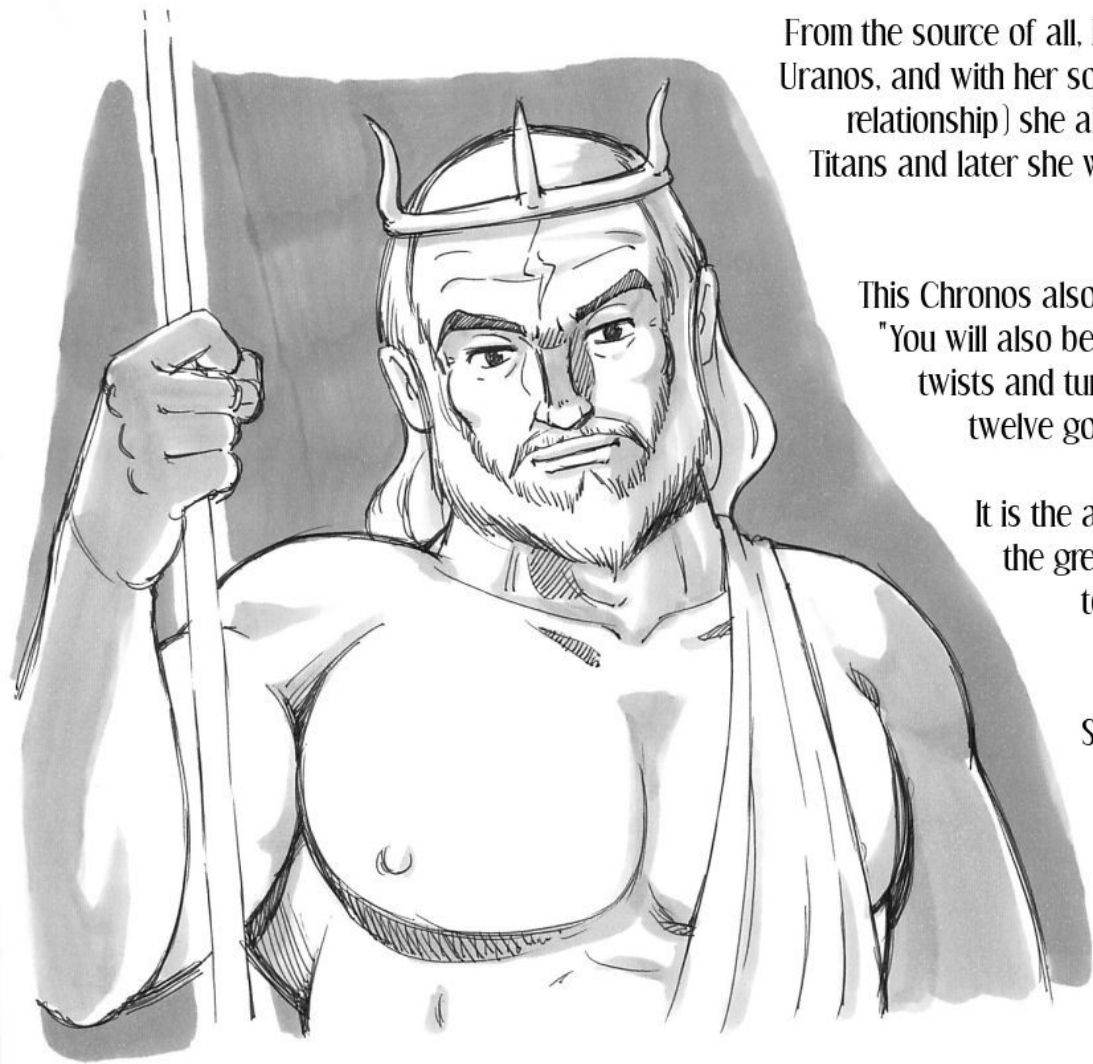

WHAT I MEAN BY "QUEER" IS THAT, "HERACLES IS ACTUALLY A CUTE GIRL, WHO IS A FUTANARI".

... NOW NOW, DO NOT GET ANGRY. I BELIEVE THAT FROM NOW ON, YOU WILL LIKE THIS KIND OF TALE.

WELL, THIS [HERACLENA]... TONIGHT, LET US TELL THE STORY ABOUT HOW THE FEMALE FORM OF HERACLES, THE YOUNG WOMAN WHO WAS LATER CALLED THE "HEADACHE OF THE GODS", WAS BORN---

Once upon a time, the heavenly gods lived on Mount Olympus, and lorded over all...

From the source of all, Mother Gaia gave birth to her son Uranos, and with her son (in the world's first mama-shota relationship) she also birthed Chronos and the other Titans and later she would tempt Chronos to betray his father Uranos to rule himself.

This Chronos also received an oracle from Gaia, that "You will also be betrayed by your son", and after twists and turns he would fall to an umbrella of twelve gods, spearheaded by his son Zeus.

It is the almighty father Zeus that would be the greatest father and who stood at the top of these confusing parent-child relationships.

Selfishly proclaiming the title of the Heaven's best Playboy, he would have children with human women and produce a famous hero.

And then, producing many humans overthrowing the world, a new one was created.

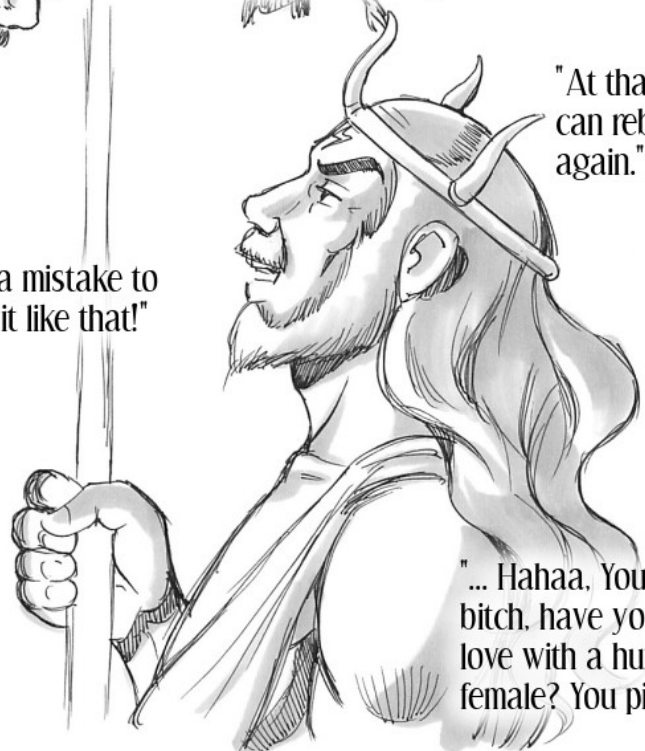

"Prometheus, for how long do you intend to be obstinate? If you abide by my ways, you can go back to the olden days again. Why do you give your support to the humans?"

"... I do not understand any of it. You will some day abandon your views on humanity."

"At that time we can rebuild them again."

"It's a mistake to say it like that!"

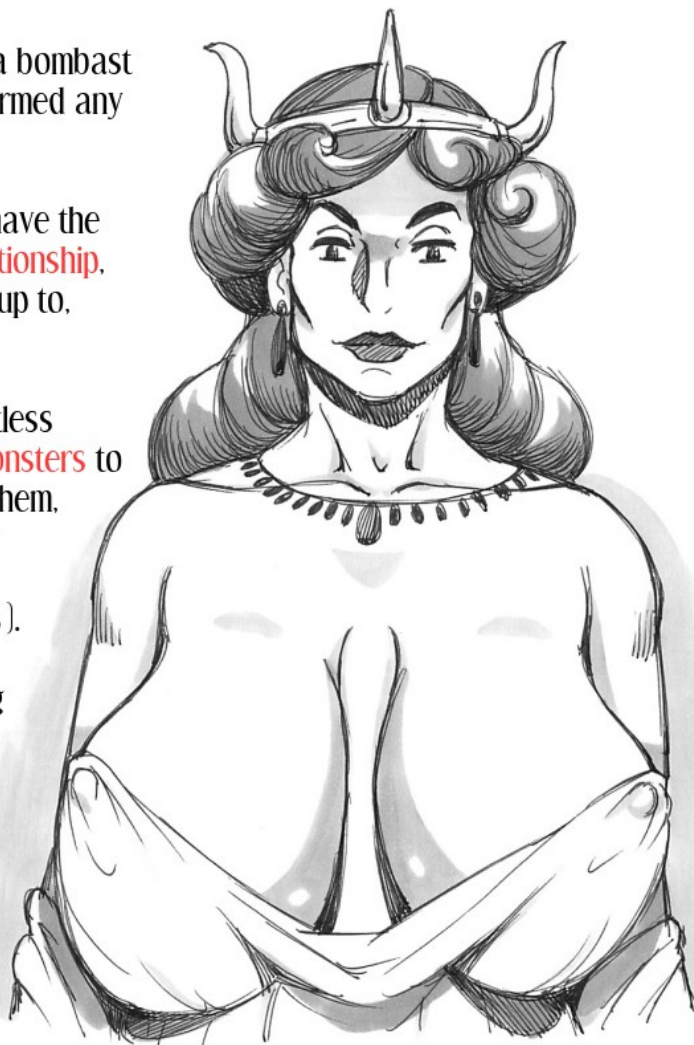

"... Hahaa, You son of a bitch, have you fallen in love with a human female? You pitiful fellow"

Now, with Zeus being like this, his wife Hera is a bombast goddess of chastity and have never once performed any kind of adultery.

Because Hera is the older sister of Zeus, they have the honour of being the **world's first one-shota relationship**, and her manner as a wife is something to look up to, compared to Zeus' extravagant manners.

But on the other hand, with her husband's relentless affairs, if she finds out, she will **dispatch her monsters** to the female companion and thoroughly torment them, really terribly... Really, this person enj... \*cough\* ...Anyhow, like this, Zeus risks his life for his amorous adventures (mostly with human beings).

Nevertheless, does he enjoy the thrill of slipping through the gaze of his wife? The affairs of Zeus never ends.

... Finally, it is time for the protagonist to appear.

She is Alcmena. She is the wife of the noble Amphitryon and she is proud of being the most beautiful woman in Greece.

Alcmena, even after Amphitryon had killed her father, Electryon by accident, accompanied her husband, and her chastity was praised as being comparable to that of Hera's.

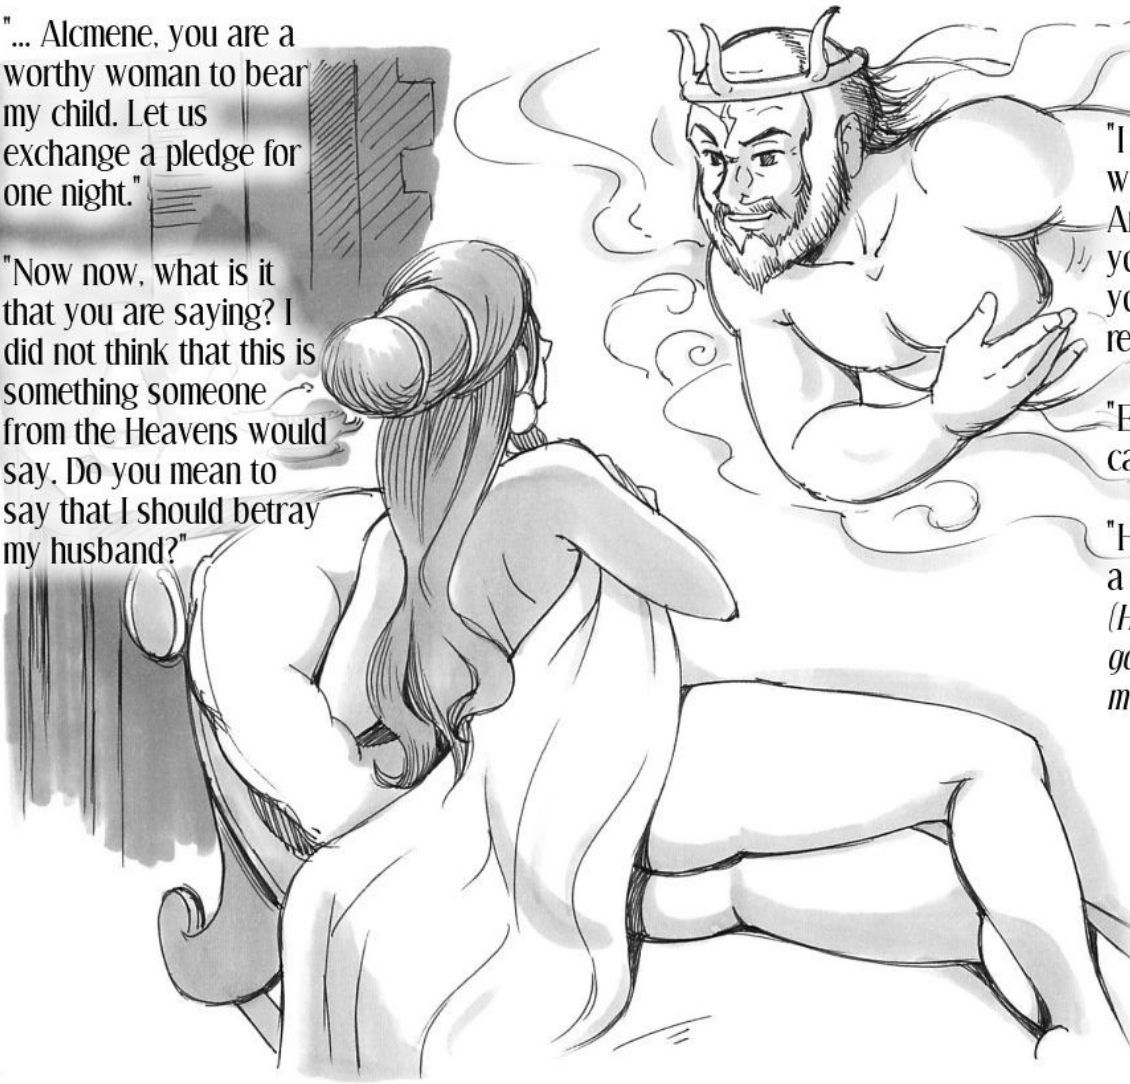

Between them was a son called Eurystheus, but that is a story for later.

... And it was none other than Zeus who had fallen in love at first sight with the beautiful woman Alcmena.

"... Alcmena, you are a worthy woman to bear my child. Let us exchange a pledge for one night."

"Now now, what is it that you are saying? I did not think that this is something someone from the Heavens would say. Do you mean to say that I should betray my husband?"

"I am God among Gods. It would be an honour for Amphitryon as well. Or do you intend to oppose me? Do you want to regret it for the rest of your life?"

"Even if you say it like that, I can not abide by it."

"Hm, well then, let me begin a new?"

*(Hehe... It is no fun if it does not go this way. Well then, what move should I use now...)*

"Aah... how troublesome. I have been zeroed in on by Zeus. I can not tell my husband... but I need to keep my chastity at least."

... On one night, Alceme had become aware of a horrifying truth.

"... Hey, Amphitryon. I have gotten wind of a rumour that says that the death of Electryon was not an accident, is that true?"

"Oh, that... That old geezer, he didn't allow me to sleep with his daughter until I had won a battle. Can you keep a promise? I had a little trick worked out."

"You are quite villainous."

"And who is it that tries to flatter?"

"Haha, now now. We are equal when it comes to that regard, mister Amphitryon."

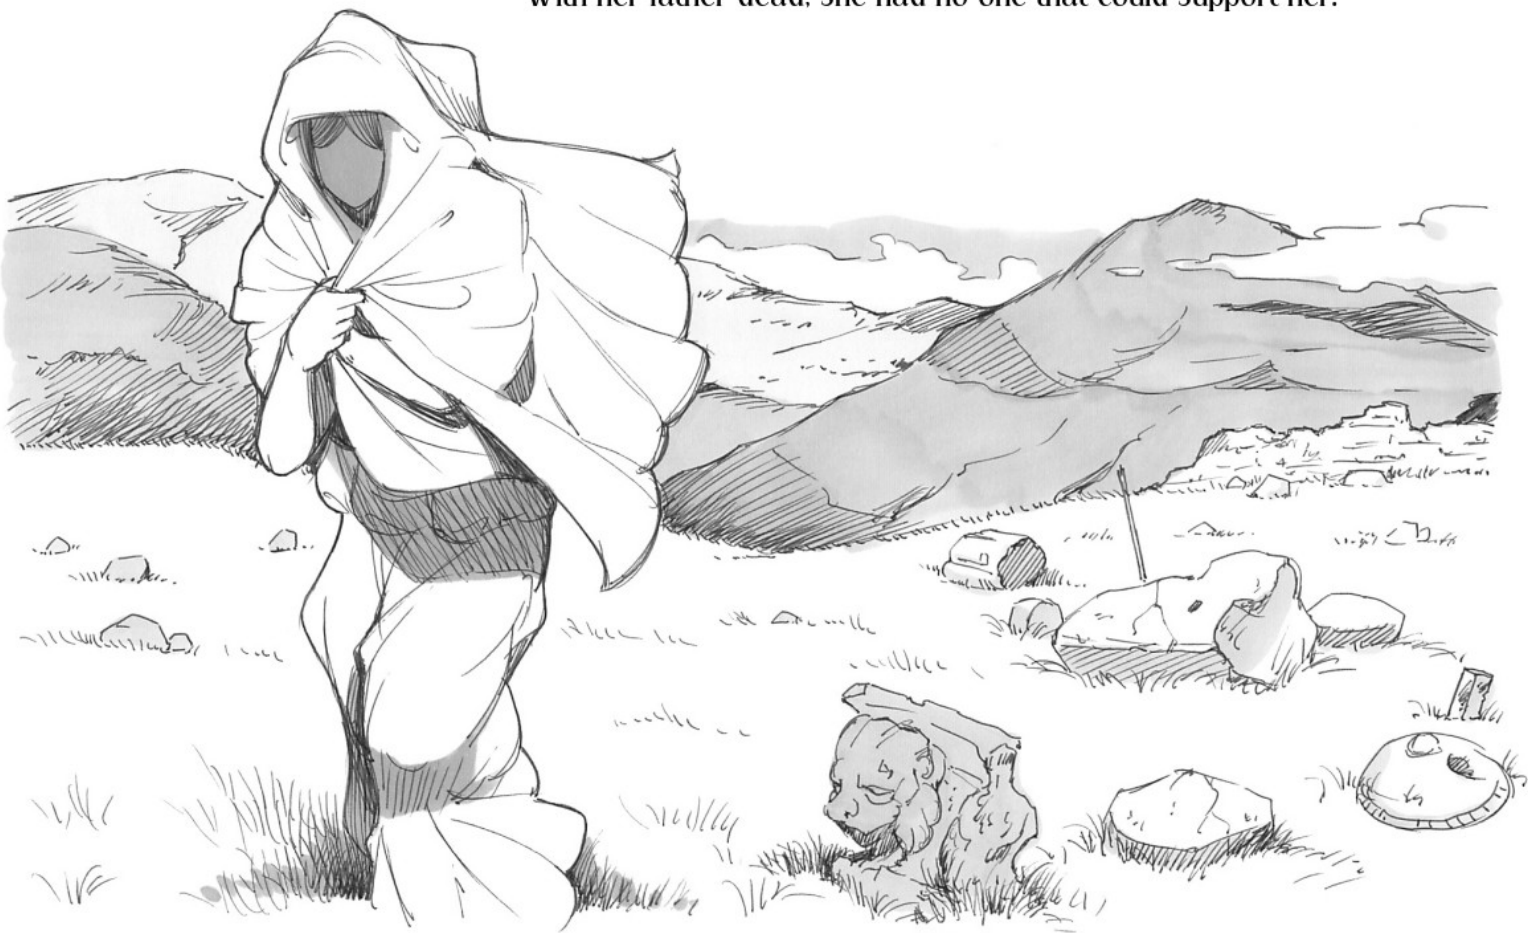

"Fufu... Ahaha...  
I do not need such a cheap  
chastity. After all, I am just  
amusement for the men... I am only  
a tool to give birth to a child."

"Zeus, and Amphytrion...  
No, every man who calls  
themselves men are all the  
same. I am the livestock  
called Alcmena."

Alcmene left her home and wandered around aimlessly.

With her father dead, she had no one that could support her.

The walk must have been long.  
Alcmeme had arrived at the  
Nemean wilderness.

And then she noticed a gaze. Is it not  
a splendid lion that was looking  
down on her?

*(What a beautiful mane... I wonder if this  
is maybe the "Nemean lion"?)*

"The Nemean lion"... it was an invincible monster created by the gods.

It's skin is harder and more elastic than any metal, and no weapons could get through.

Many brave men have attempted to defeat the lion, but had the tables turned on them and ended up getting eaten instead.

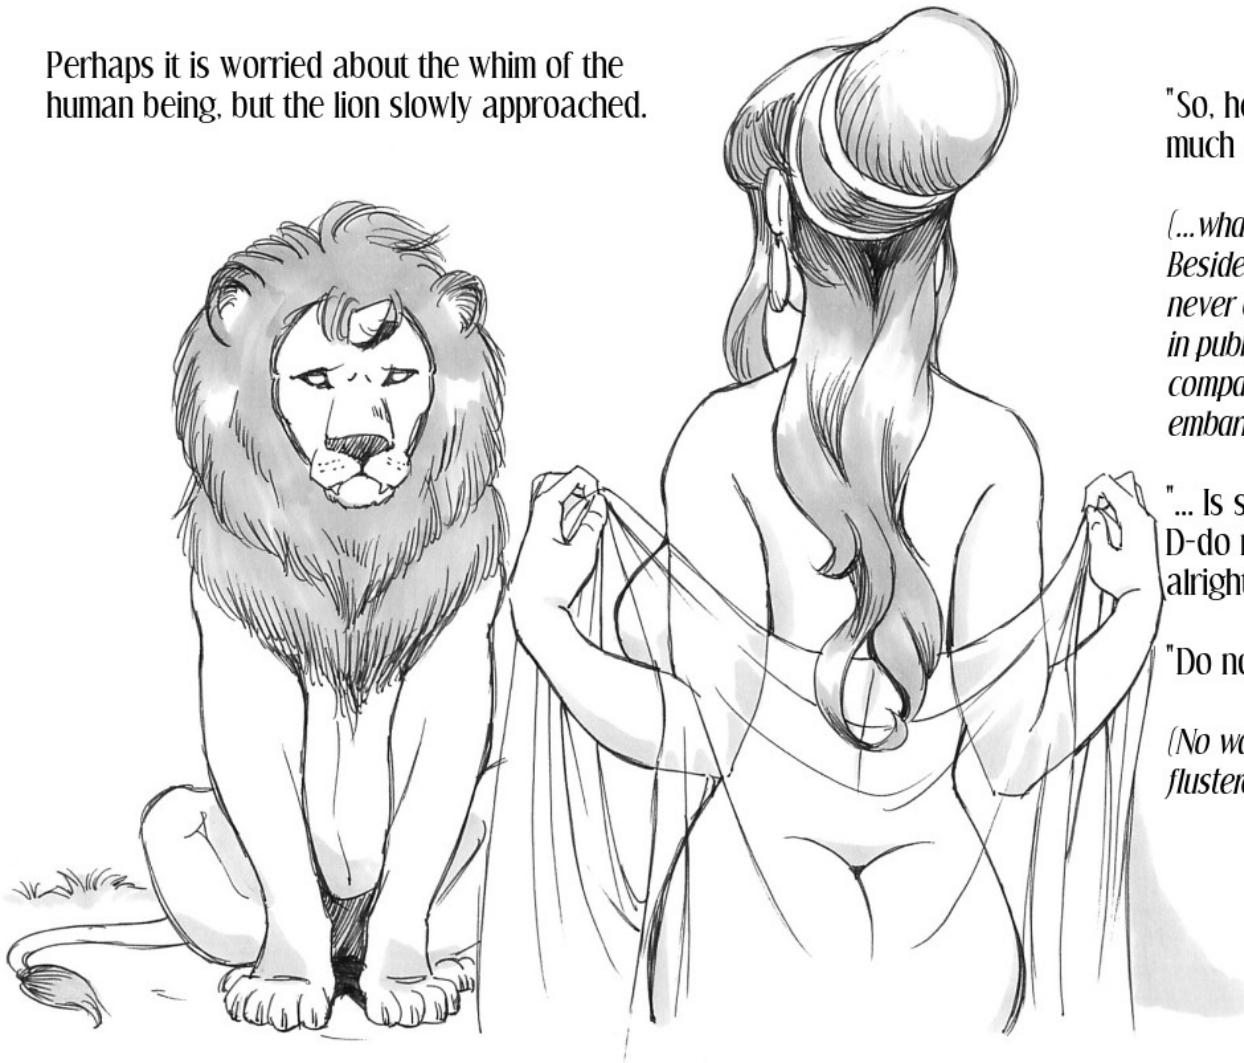

Perhaps it was evil, but Alcmene reached out to the lion.

"...Hey, you. Are you not hungry? Here is a woman's soft meat. Please come down."

*(... That is right. Not even the Gods could bring themselves to put a hand on this lion. Once I am eaten by this by this child, it would become the best spiteful remark... hehehe...)*

Perhaps it is worried about the whim of the human being, but the lion slowly approached.

"So, here you are. Eat as much as you like."

*(...what am I... doing? Besides my husband, I have never exposed my bare skin in public... even if my companion is a lion, it is still embarrassing.)*

... Could it be?

Of all the things, it appears that the Nemean lion is regarding Alcmene as a "female"!

Well well, this is how it sho... I mean, *\*cough\**, what ever it is.

When he swallowed her breast, Alcmene, who's nipple had gotten painfully erected, couldn't do anything but to let out a "Ahn ♡" with a quiet voice.

Even when she tried to close her mouth quickly, it was too late. Alcmena was clearly aware that she was craving herself.

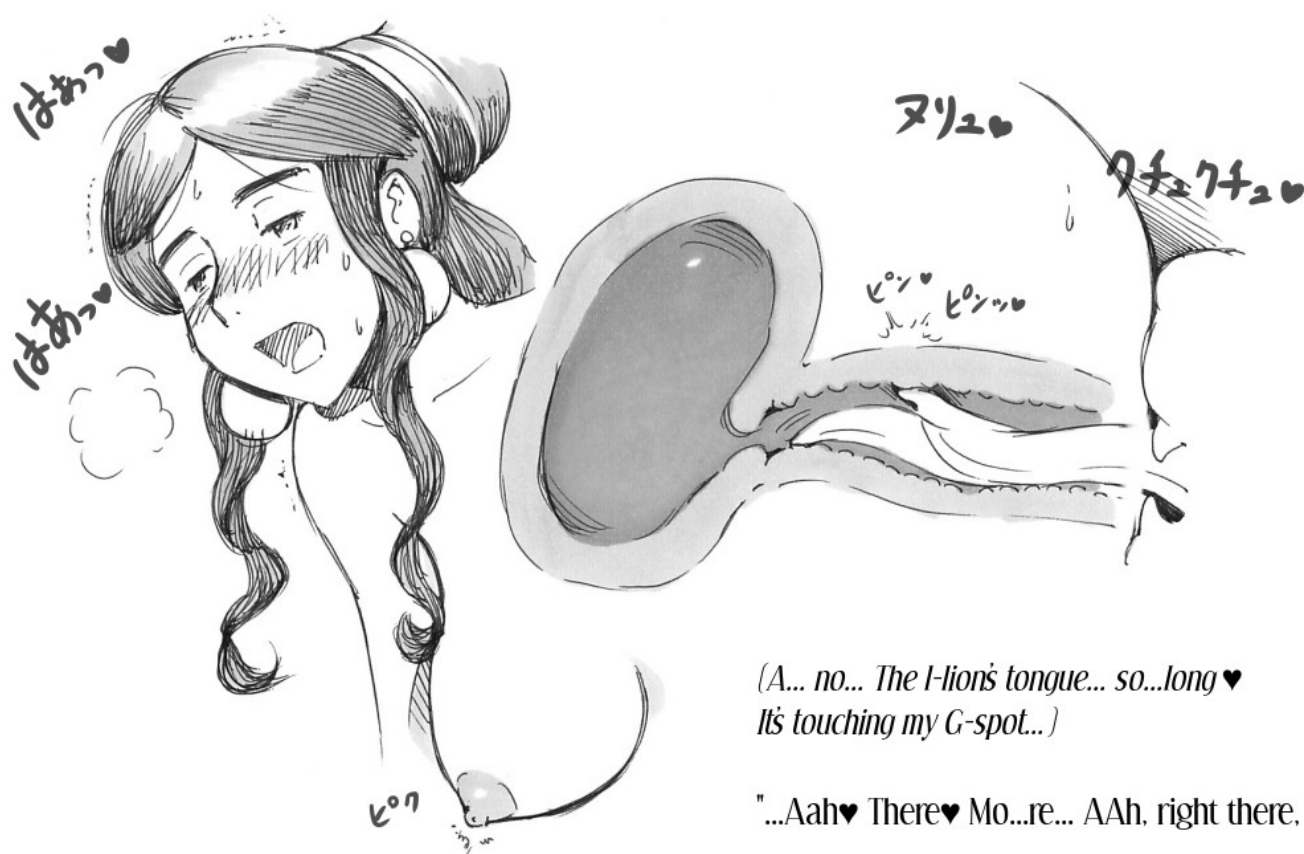

...And after all, the lion was particularly interested in the female pussy.

Hera was surprised after receiving the oracle. Because ten to twenty years for humans and alike are mere days for the gods, she had completely forgotten.

以前からギリシア神話や童話を題材にしてファンタジーなエロを描いてみたいと思っていましたが、作者の力量不足でなかなか踏み切れないでいました。キャラはもう決まっていたのですが。

前回拙著『バイオパニック編』で、異世界をちょっとだけ描くことが可能だと自分に証明できましたので、思い切って今回のチャレンジに踏み込みました。

ギリシア神話は、エロ描きのほくですらドン引きするほどエロ&バイオレンス&グロのオンパレードで、まじめに写實的に描くと大変なことになる世界ですが、不思議なことにこれほど欲望とタブーに満ちた伝説が西洋社会では非常に長く受け入れられ、文化的基盤として深く根を下ろしている、誠に矛盾したものです。その面白さはとうていぼくの及ぶところではありませんが、超有名なヘラクレスを女体化すると、とたんにおバカな展開が次々と頭に浮かぶので、ボチボチ描いてゆきたいと思っています。

ヘラクレナは見てのとおりおバカな子ですが、バカな子ほど可愛いものはありません。彼女の活躍をどうか生暖かく見守ってやって下さい。
