I experienced my first heartache

And then...

My first love was finished

It really hurts..

It hurts...

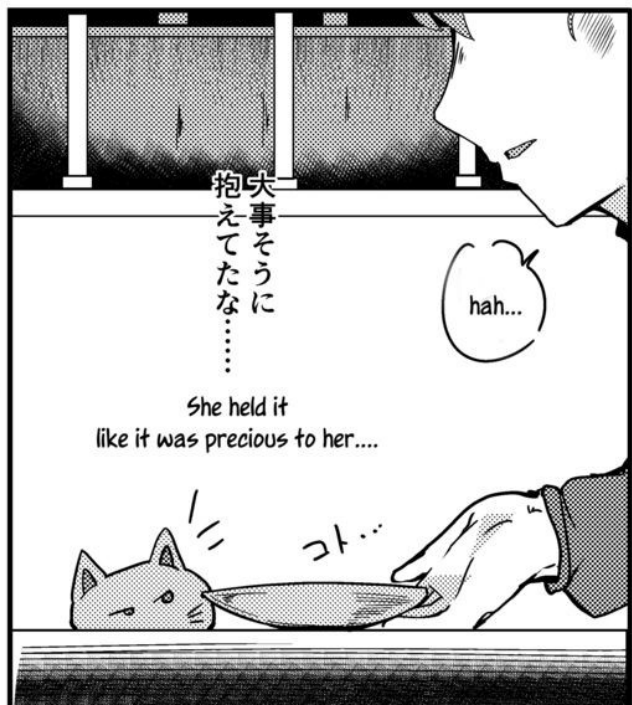

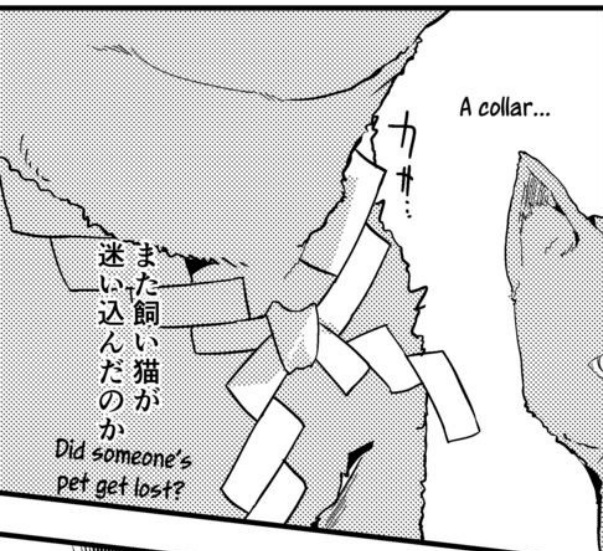

It couldn't be helped

Your partner was implacable Mitsuya

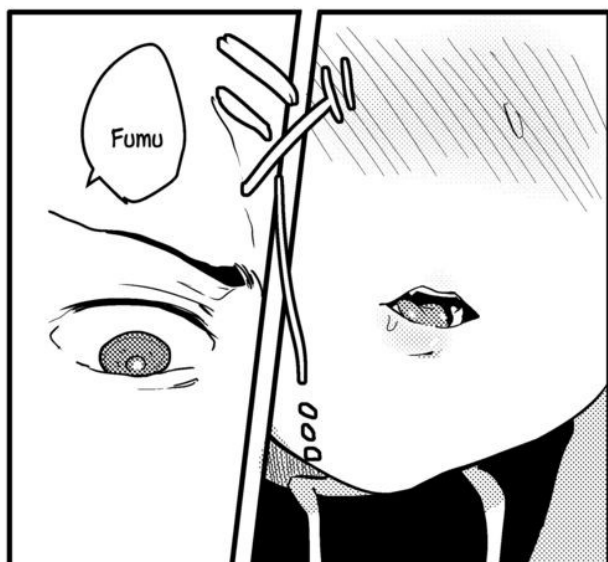

Don't be glum

Now now suzuto

Relax
Nekorinsu
chan

Has my
love has
finally
transcended
the
dimensions?

That's the form....the figure that Suzuto-san and Senpai love

CHUPU

I look the same as Nekorisu...

Yup

You seem like a masochist too, just like in the original work...

You're a pervy girl

A girl...?
Me?

I'm not wrong

Look at yourself

That's crazy...

Ah

You're for me only...

I'm putting it in... I'm gonna put it in!

Now then... It's time... It's time right?

Pussy- Nekorinsu-chan's bouncy pussy

AH

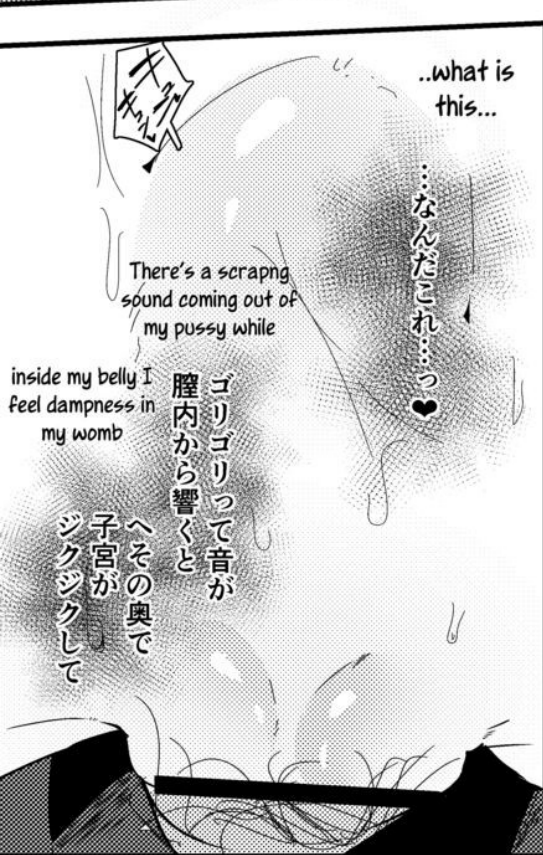

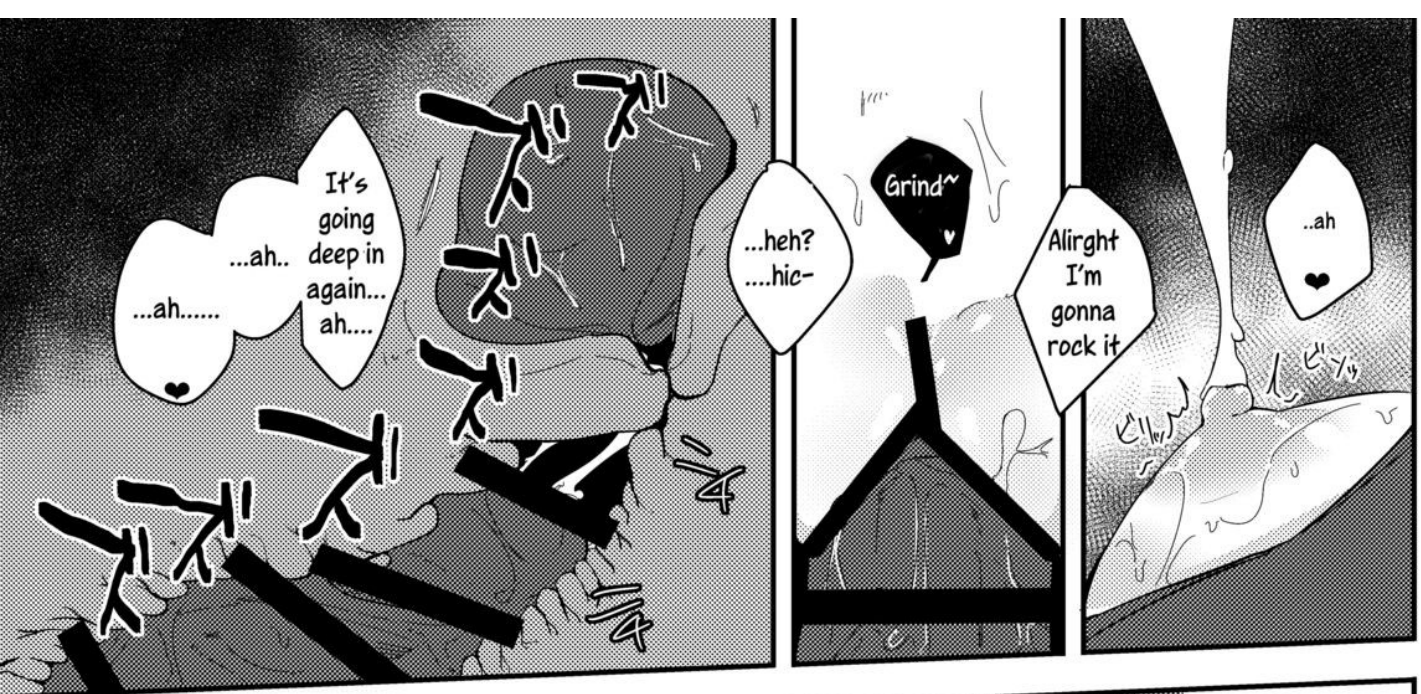

U-AH-

Savour my male flavour

and become intimate and friendly with my dick stick!!

If I could
kiss
Mitsuya-san
I would be
overjoyed
and yet
why this...?

(T. Note: She uses "Ore" =
A boyish version of the first
person pronoun "I")
