Are you sure...?

Why don't the three of us call the number?

It'll be fun.

So...

You try it, Nobuko.

I'm not scared!

Don't tell me you're scared, Akemi?

You too, Akemi.

My call connected...

What? No way!

The number you have called has been disconnected.

That's what mine says.

Well?

Yeah, me too.

I'm home!

Oh right, they're on a trip.
