Kichikawa Yuzuki

Akihiro's wife. She secretly used to work at a cosplay massage parlor part-time to save up funds for their marriage.

After starting life as a newly-wed, she recognized the face of Akihiro's superior that he introduced to her...

This man Horii used her past job to blackmail her, and he had his way with her right in front of Akihiro's passed out form all night long.

Kichikawa Akihiro

Yuzuki's husband, and Horii's subordinate. He got drunk and fell asleep, allowing Horii to have his way with Yuzuki. He's overworked and underpaid.

Horii Masaya

A former regular customer of Yuzuki's at her old part-time job, and Akihiro's superior. When he found out she was Akihiro's new wife, he blackmailed her.

Sorry for that delay, Yuzuki-chan. ♡

You've been holding it in for a week now right?

That's pretty mean. Even though I took the time to come and see you.

... You're pushing more work on him deliberately ...!

Akihiro said he's still not finished with work.

Why don't you let me make myself at home.

Ever since that day, I've been forced to obey Horii.

When Akihiro isn't around, he goes after me and forces me to secretly meet with him.

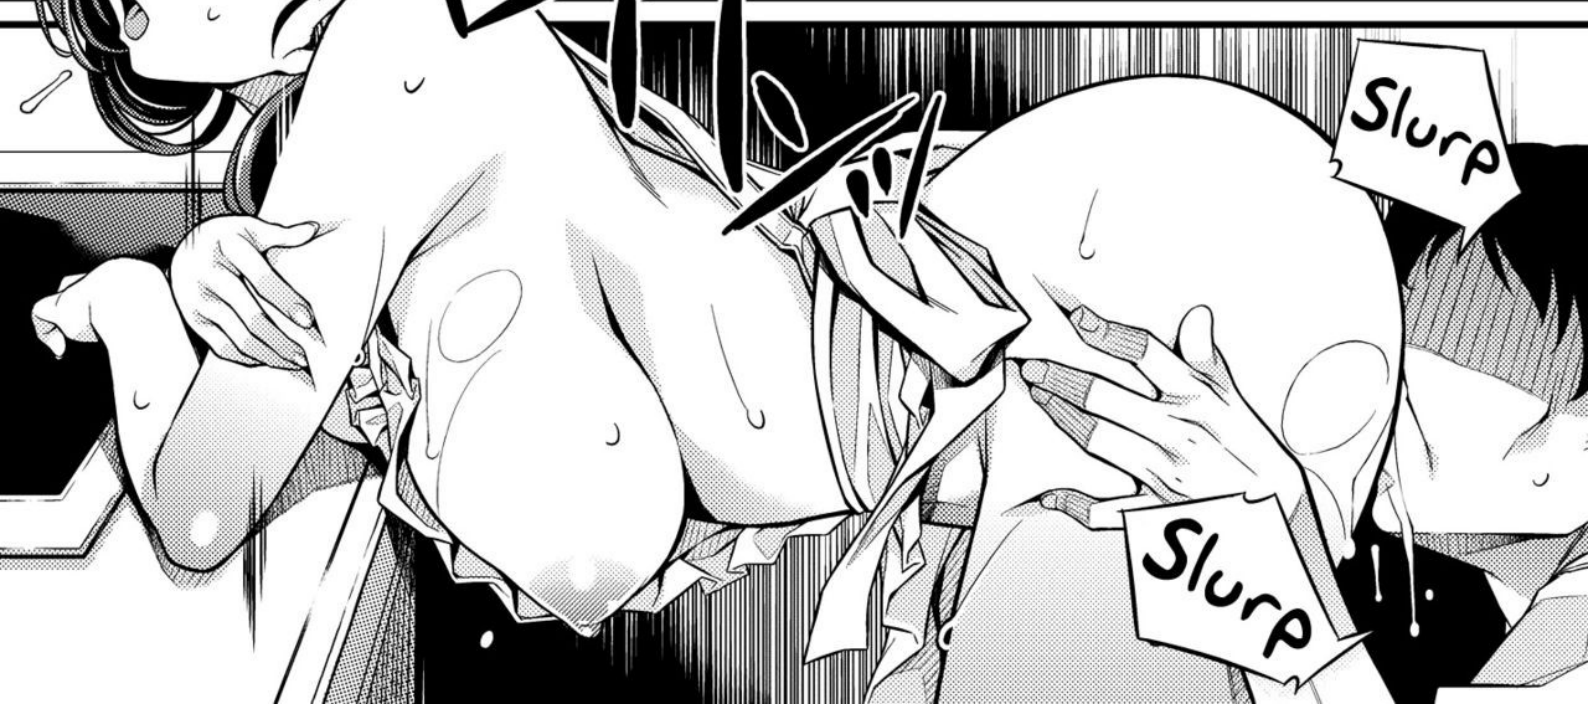

Yah ...!

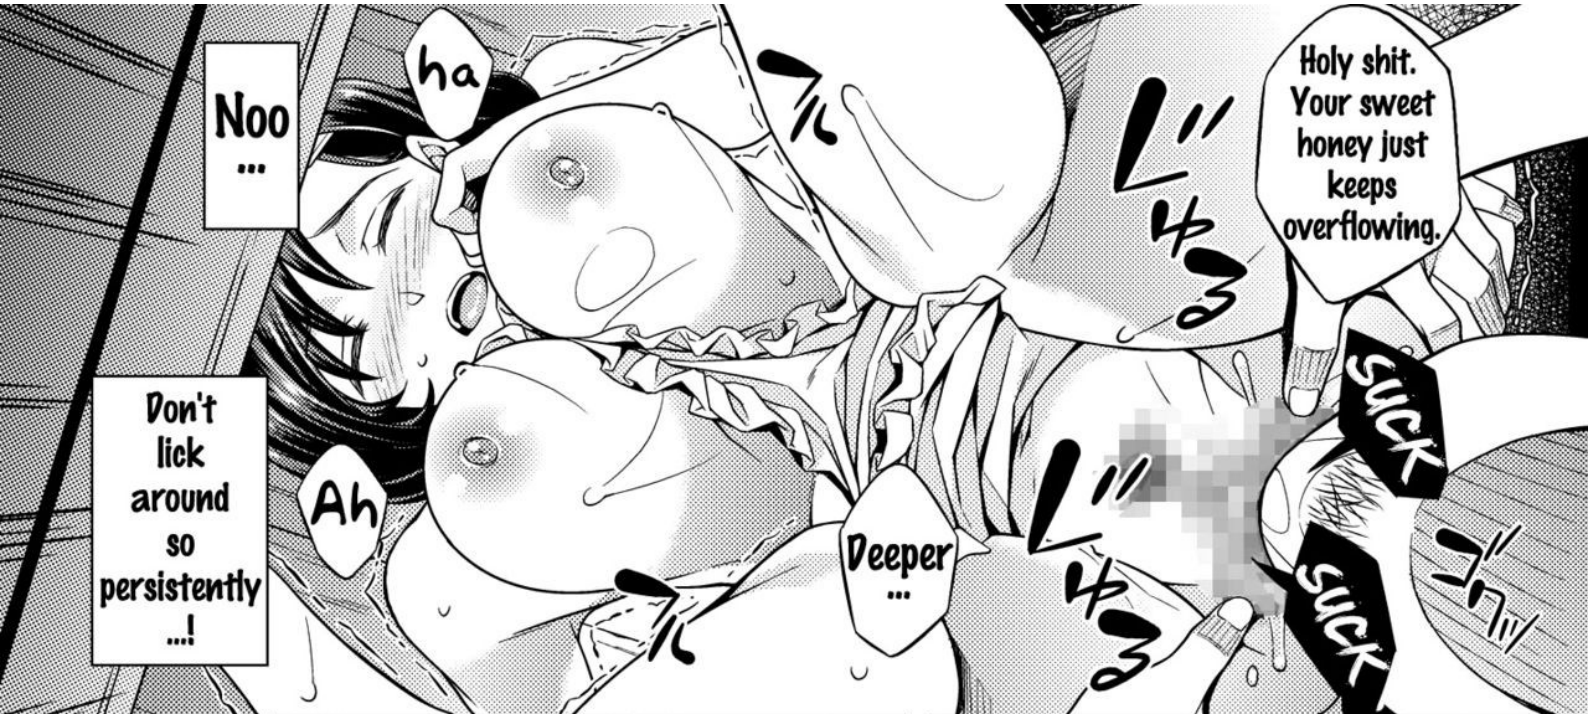

But ...

KUH...

I'm glad I texted you this morning.

It's wonderful to have you waiting for me in such an erotic outfit.

Eek! It's cold ...

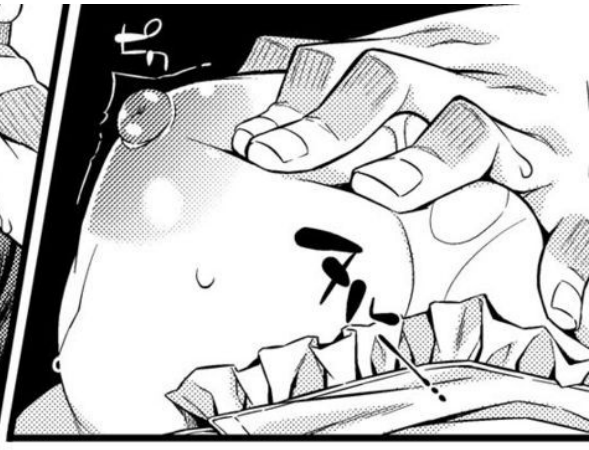

How does it feel to be in the opposite situation for a change?

Oh yeah, you used to massage me a lot at that store.

Ha

Ha

I... It's really nothing.

The kitchen is gonna get filthy ...!

It'll be okay. There's a lot of time until your husband comes home.

Eeki!

I'll rub it into your nipples good too.

Fine. I'll do it more thoroughly ...

Your shoulders must get real stiff with such huge tits.

It feels nice and meaty with my cock between there...!

Slush

I'll rub it in your cleavage with this!

It's twitching between my breasts.

Oh my ...!

drip...

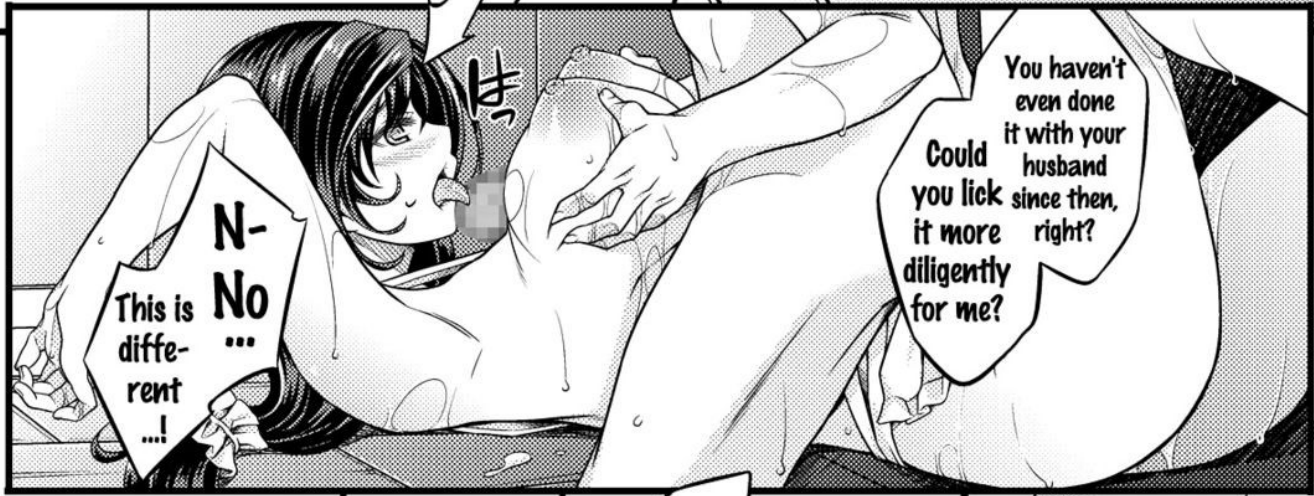

And the lewd wet noises are turning me on ...

I've gotta give you a good massage.

She's sticking out her tongue on her own... She must be nearing her limit.

N-No... This is different...!

You haven't even done it with your husband since then, right? Could you lick it more diligently for me?

Kya...

Hey. Hey. Don't hesitate.

It's all swollen from holding back for a week...

If you don't want your husband to find out...
You better not let any of it spill.

Every time I attack her with my tongue, she responds by constricting her lips...

Oh, she's guzzling my cum.

What a huge load...

The oil and cum are mixing in my mouth...

Gulp

I'll rub it on your back too ...

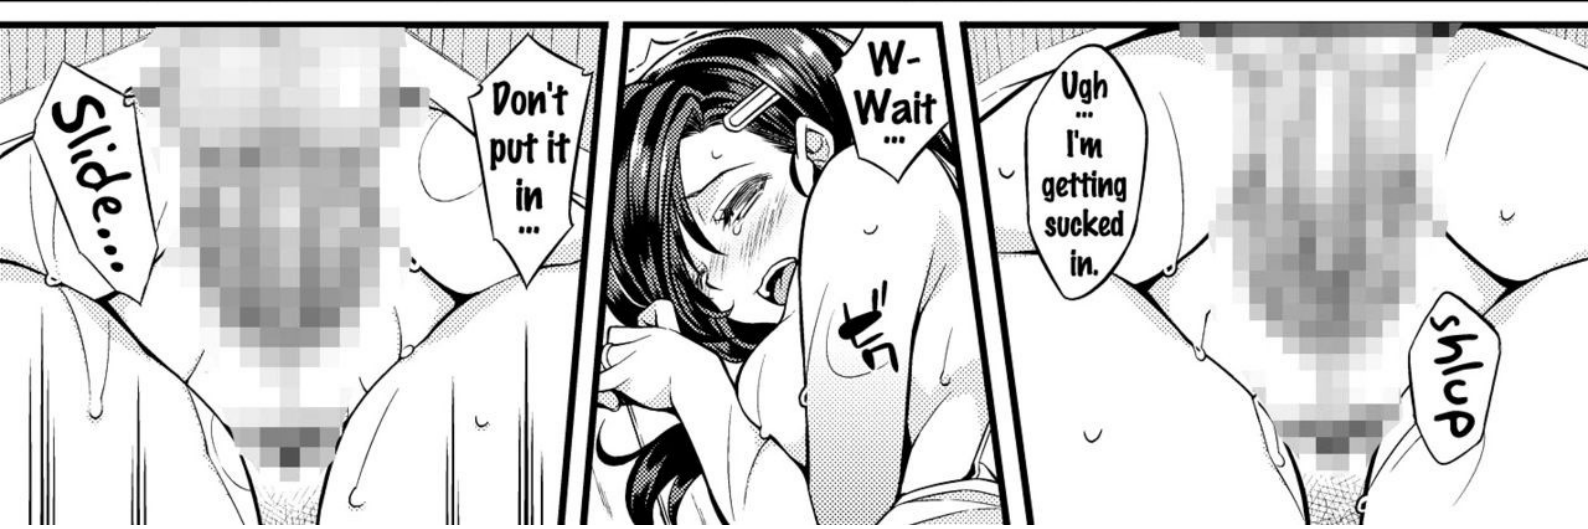

Rub

Noo ... It's touching.

Whenever your butt tenses up, I get a nice squeeze.

Your back is sensitive too. Isn't it, Yuzuki-chan?

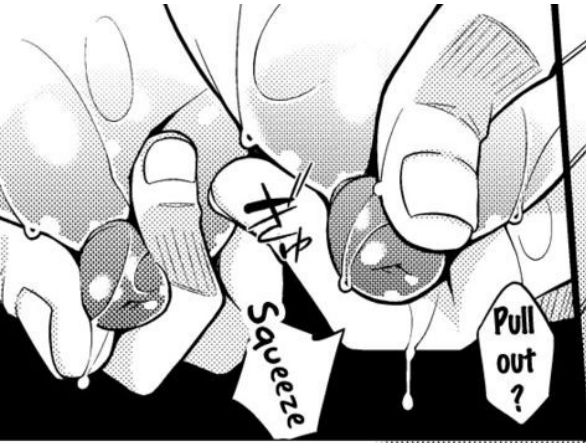

Slide...

Don't put it in ...

W-Wait ...

Ugh ... I'm getting sucked in.

shup

Squeeze

Nooo ...
I'm not feeling it.
Pull out ...!

fuh

Whoa.
It's already all wet deep inside.
You must have been really feeling it from that massage.

Look, it's a full body massage.

You're holding it in yourself, and refusing to let go.

fwap

It's a call from your beloved husband.

Hello. Yuzuki?

wha...

Someone's calling Yuzuki's phone ...

Receiving signal
Kichikawa Akihiro

Why don't you just be honest ...

It's plainly obvious that you're already nearing your limit.

Wow. He really knows what he's doing ...!

Yeah! That place! The guy that works there is amazing ...!

A massage? That's unusual.

Oh! At that parlor that recently opened up in the neighborhood?

Oh... Is it that good?

What's that... all of the sudden !?

Don't you want children soon ?

Wha.. What ...?

Hey, I have something important to say ...

Yeah, we didn't talk about it before.

But I think we should start making plans soon.

Fuh

But let's really take our time and have a discussion next time.

Oh, well we're on the phone.

I'll be waiting for you with dinner ready ...!

If she wants a kid that badly,

I'll pour it all the way deep inside.

Squeeze

Let's talk a lot when you get home!

I want 'em too ...!
Next time we'll take our time ...!

Y-Yeah! You're right!

Oh, she's already at her limit.

Heey.
Yuzuki
?

yeah...

I'm watching an AV at home right now.

chahs

I just heard an incredible voice...

I discovered a great AV involving "an amateur housewife".

I've started accepting various acts that I've never even shown in front of Akihiro.

I'm cumming! I...

ugh...

ah

Wow, what a spectacular orgasm.

Spread

Hey, senpai. If that's all, then please help me with work.

After that, Horii started coming to the house for sure every week... to observe how my body's response was changing.

Well, I've been pent up for a whole week. So in exchange, week. I'm gonna blow a huge load for you ♡

Ah... Hold on.

I need to focus, so I'm gonna hang up.

...Have you done any baby-making with your husband since then?

Akihiro doesn't come home until very late at 2 am...

...I'll probably be exposing my inner depths tonight as well.

We... haven't...
