猫田 ニヤ nekoda niya

She has Nyanecology. Her breasts are roughly D cup. She is a shy and introverted girl.

お父さん otosan

Niya's dad. Even though he has Nyanecology, for some reason he looks like a cat. He says that he's good-looking.

飛雄 万太郎 hyuu mantaro

Niya's childhood friend. His dream about the childhood friend wasn't a dream at all!

宇佐美 みいな

usami miina

Busty class representative. She is a helpful girl who takes care of Mantaro.

Previously on Nyanecology

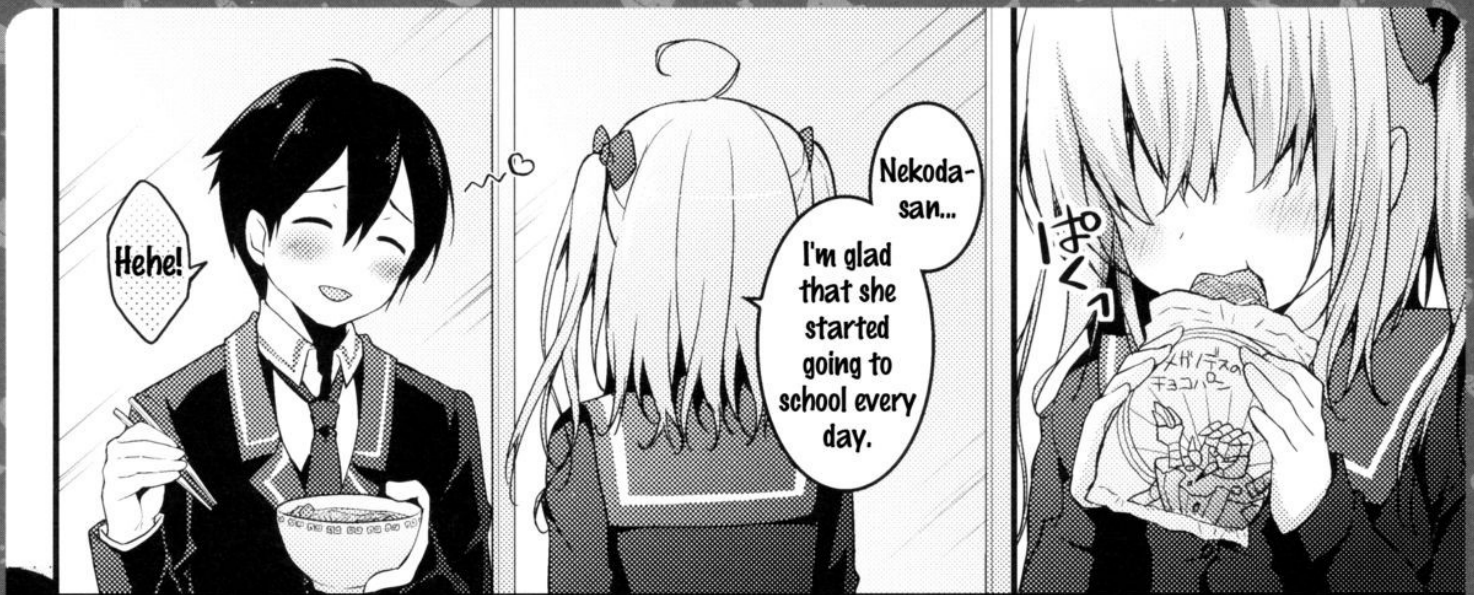

After becoming a high school student, Mantaro was reunited with Niya, the childhood friend he saw in his dreams. Niya had a condition called Nyanecology that made tail and cat ears appear whenever she's excited.

One day, Niya skipped school. After Mantaro got worried and went to her house, he saw that Niya was unable to control her Nyanecology. To return her body to normal, Mantaro had sex with her. While they were together, Mantaro learned more about the girl's emotional scars. Feeling that they were closer than ever, Mantaro confessed to Niya.

Because they want to hide Niya's condition, they are forced to keep their relationship a secret.

Greetings, I am konomi from KINOKONOMI.
Did I finally release the third volume of Nyanecology?
I've been thinking about drawing a story that takes place in a locker (or a storeroom) for a long time.
After they got closer in Nyanecology 2, I wanted the two lovers to talk about their feelings♪

▼nyu たん ネーム より

This book is a collaboration with nyu-tan who provided the storyboard. Since those pages are packed, drawing them probably wasn't easy. Because of the fine work with the plot, nyu-tan did a great job. And the rough draft (that had only a few additional lines) was amazing!♪
I want to share it with all of you♪

Personally, I was happy to see someone else draw the Nyanecology characters. Thank you very much, nyu-tan (I want other people to try drawing them too! I'm serious!)

This volume had Usami-san, the new character Kitsunegawa-kun and Classmate B (he doesn't have a name yet) has been introduced too. Classmate B probably thought "Oh no, I made Nekoda-san cry... Maybe I shouldn't have said that..." or something like that.

Next time I draw Nyanecology, I'm not sure whether I want to continue Niya-chan's story or tell Usami-san's story♪

Thank you very much for buying Nyanecology 3!

This drawing was so cute that I didn't change it
