Good job today

Thank you very much

It's time for your pay

Haa... this month is tight too

A housewife investor's great breakthrough!?

And now, for our next segment

Our daughter's tuition, plus this mortgage ...

A financial statement or ledger with multiple columns and rows of numbers. The numbers are small and difficult to read, but the layout is typical of a budget or expense sheet.

1 month later

Ah, thanks

Natsume-san, shift's over

The charismatic housewife broker, A-san!

An incredible profit of 400 million yen ...

Investing is only possible if you take risks ...

Wow... that's amazing

I can't believe it

My investments are turning out more money than my monthly wages every single day ...

No way... today as well ...

Moving on to the next news

I... can't ...

If it comes to that, then I'll only have the debts left after selling it ...

It's because of the unforeseen movements of the market, we can't really do anything about that ...

Sorry for the trouble. This is the SOX bonds company ...

What if she quit her job without telling her family ...?

She won't even quit her job, so she has no time to spare

She can't, she's got family

Worried about the mortgage and my daughter's tuition ...

But before I could do anything, I was more than 10 million in debt ...

I started investing and buying stocks
At first, it was profitable

あとがき

お久しぶりです。四畳半書房です。

昨年出した「母の日と娘の日」はおかげさまでたくさんの方に読まれ、AV実写化もして頂くなど、作者として本当にうれしかったです。

読者の皆様ありがとうございます。

というわけでやっと新作を出せました。続編描く描く詐欺の作品「いけにえの母」と「母娘の檻」(ちゃんと描いてます)があるにも関わらず、また違うの描いてしまいすみません。

これ実は昨年末の冬コミに出す予定だったもので、そちらは落ちたので他作品と並行して少しずつ描いてたらようやく今頃完成しました…

本作では、ユキノが仕事着姿で犯される時に鏡で自分のカラダを確認させられるのと、公衆トイレで公衆トイレにさせられる(笑)シーンがお気に入りです。このあとの展開も、ユキノさんがどうやって夫と子づくりするのか、誰の子を産むのか、事情を知った娘がどう動くかなど…考えてはあるんですが、続きを描くかは未定です。

あいかわらずの遅筆ですみませんが、今後も救われない話を描いていきたいと思えます。
