

It's not what it looked like.

How can you tell me to just trust you?

Let's... That was the last straw! I can't do this anymore...

Professor Yoshioka? She taught chemistry...

...Huh?

break up.

せんせ、ね？

Oh...

What are you looking at?

*Asagi Girls' Academy

Thanks.

What?

You're weird.
I'll fall for you, y'know?

Excuse me.

Hm?
Where's Professor Yoshioka?

Might be in the lab?

How many moles of the substance does one liter contain?

Remember, you're calculating the amount not from weight, but from a liter.

Knew it.

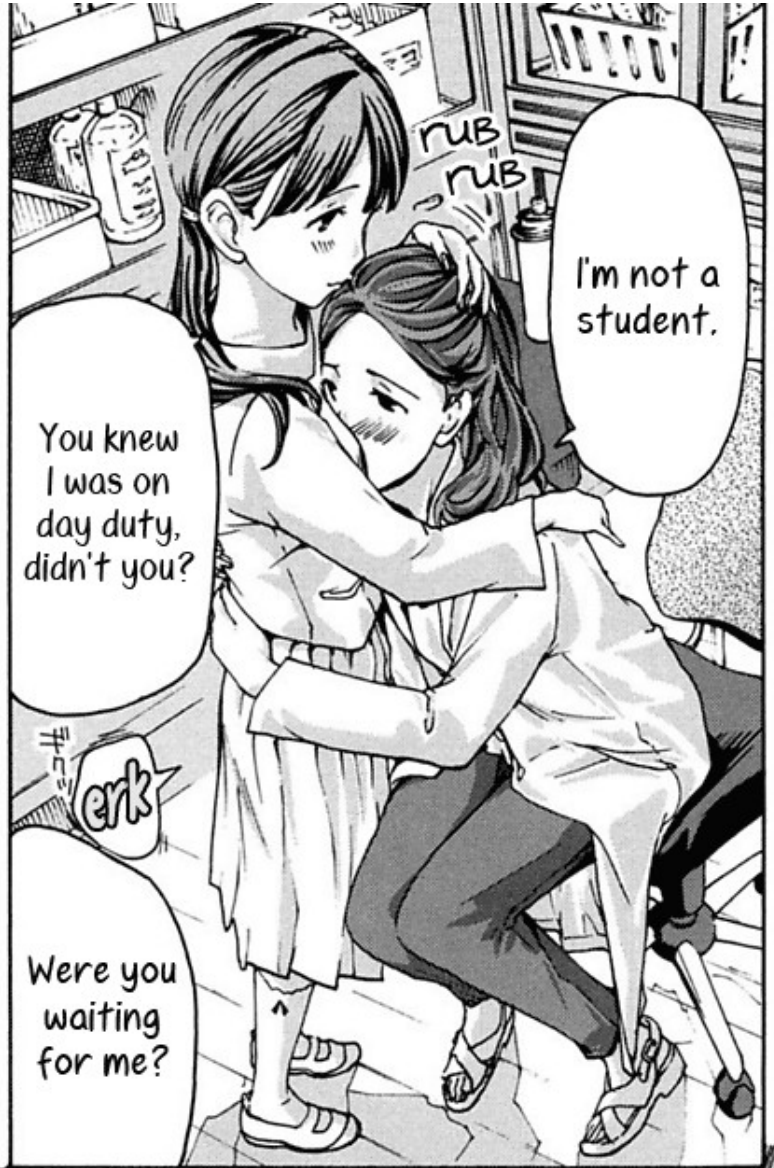

18(m)

300ml
2.4mol

I'm going to kiss you for that.

You knew I was on day duty, didn't you?

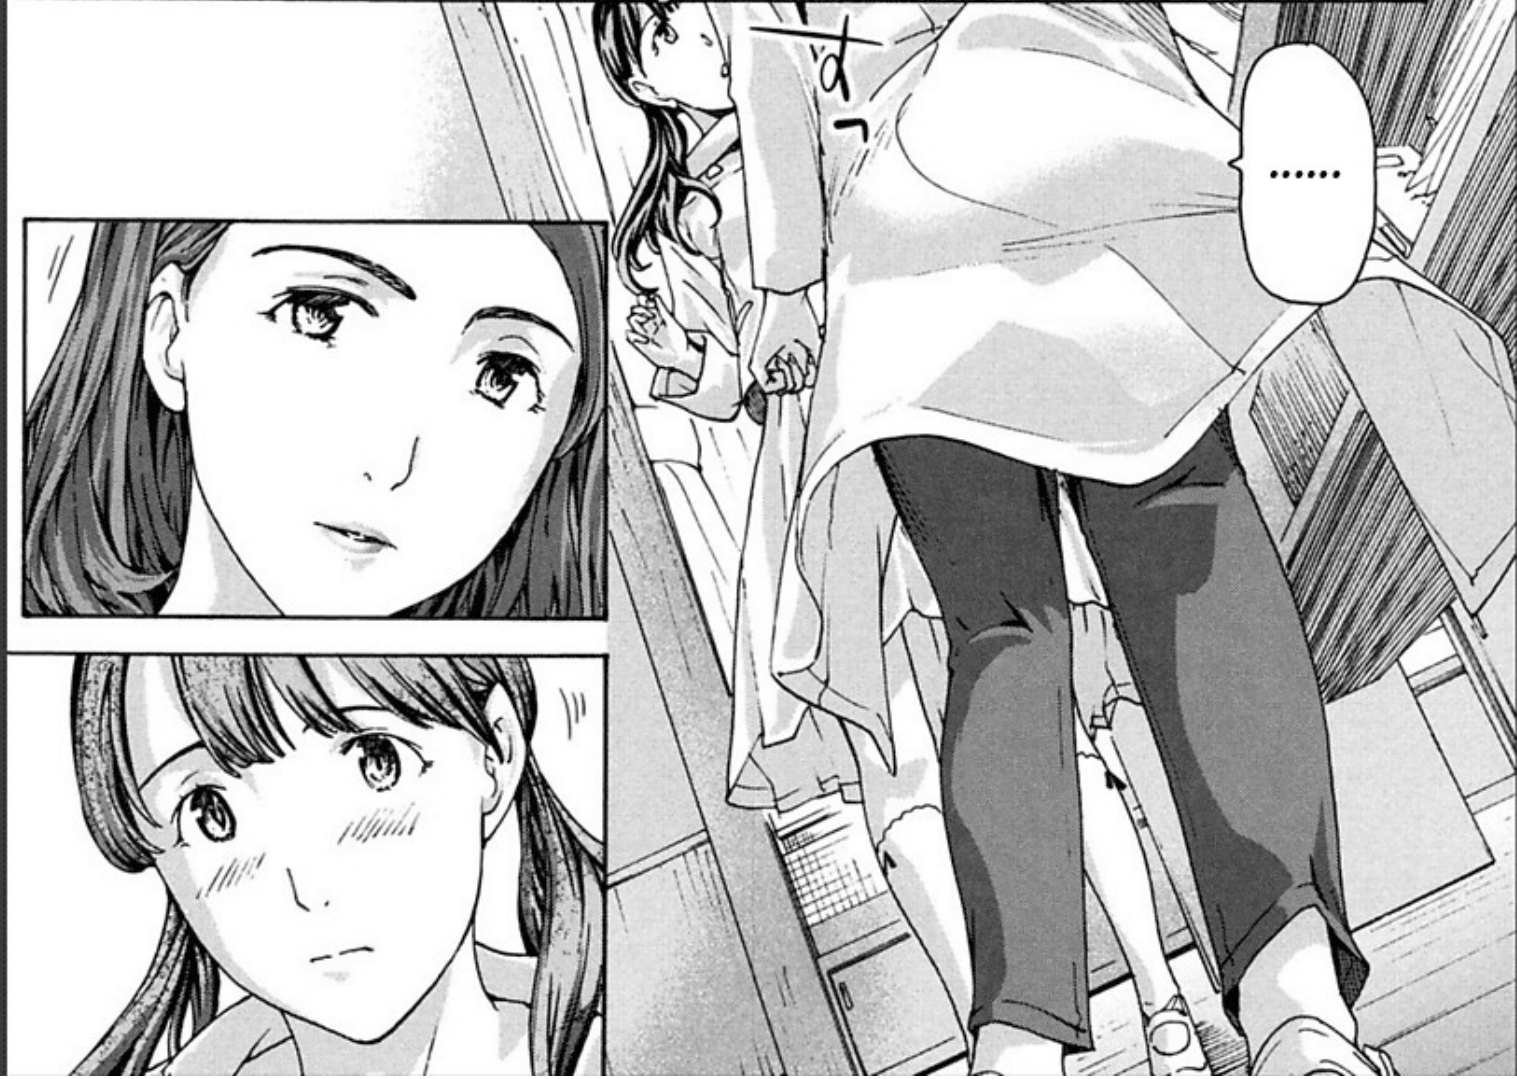

I'm not a student.

Your lips seem pretty soft.

Were you waiting for me?

.....

Pro-Oops.

Tsukimi.

We're both girls. Don't do anything suspicious and we'll be fine.

...Was this invite a bad idea?

Okay...

Do the usual...

Hehe. Me too.

I worried for a while about what to wear today, you know.

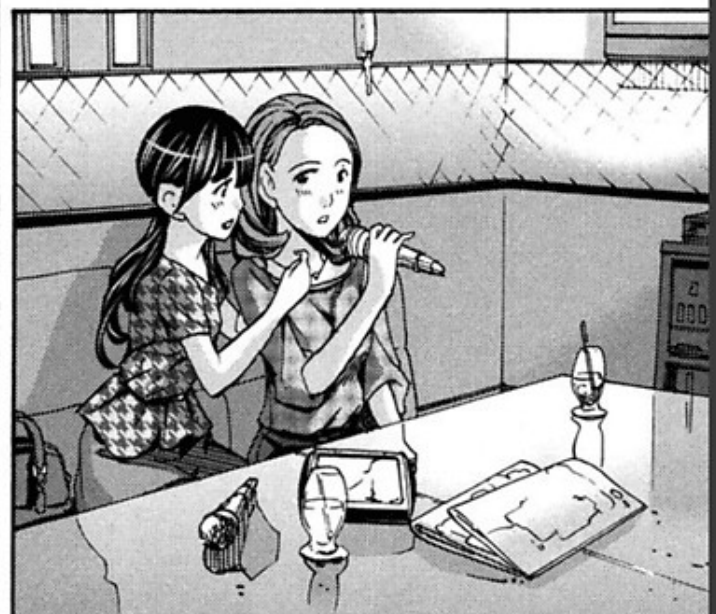

Pet Pet

Do you always wear casual clothes like that? You look so mature.

Huh?

I'd prefer something a little more boyish.

Yeah, right...

I'll kiss you, you know?

to doing it so I could feel her warmth.

twice my age.

She's 33,

Is it because we're both girls, maybe?

But I feel this close to her.

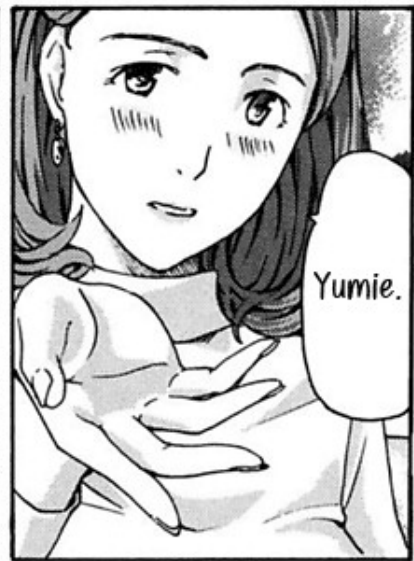

You're right.

The sunset's gorgeous.

As our carriage approached the top

フワフワ

Yumie.

our lips met.

Mm.

I wanted to have our first time... at her place.

Yumie?

Tsukimi... wait...

I'm fine...

If it's with you, I don't mind.

But I couldn't say it out loud.

ah!

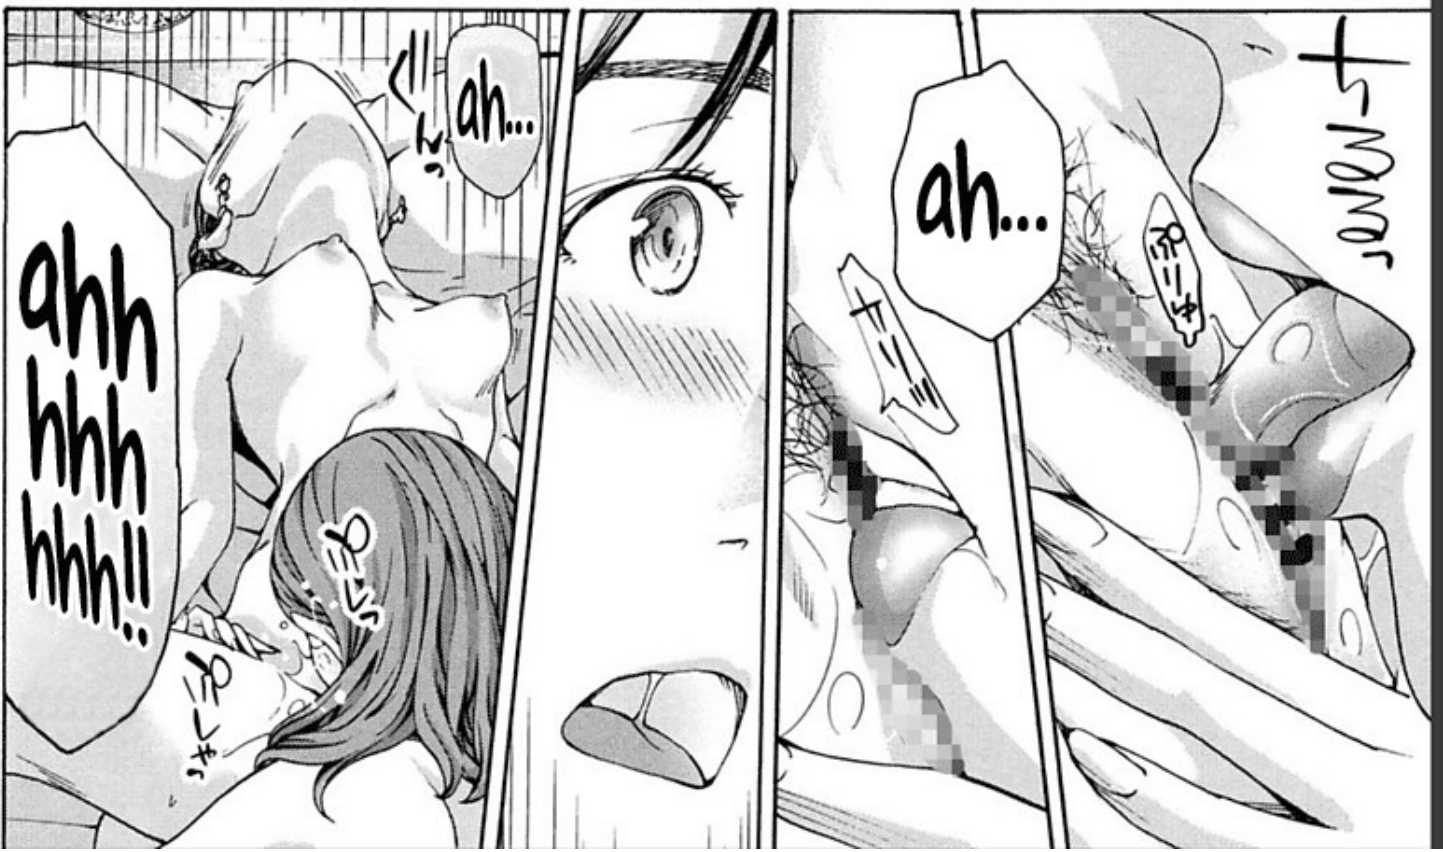

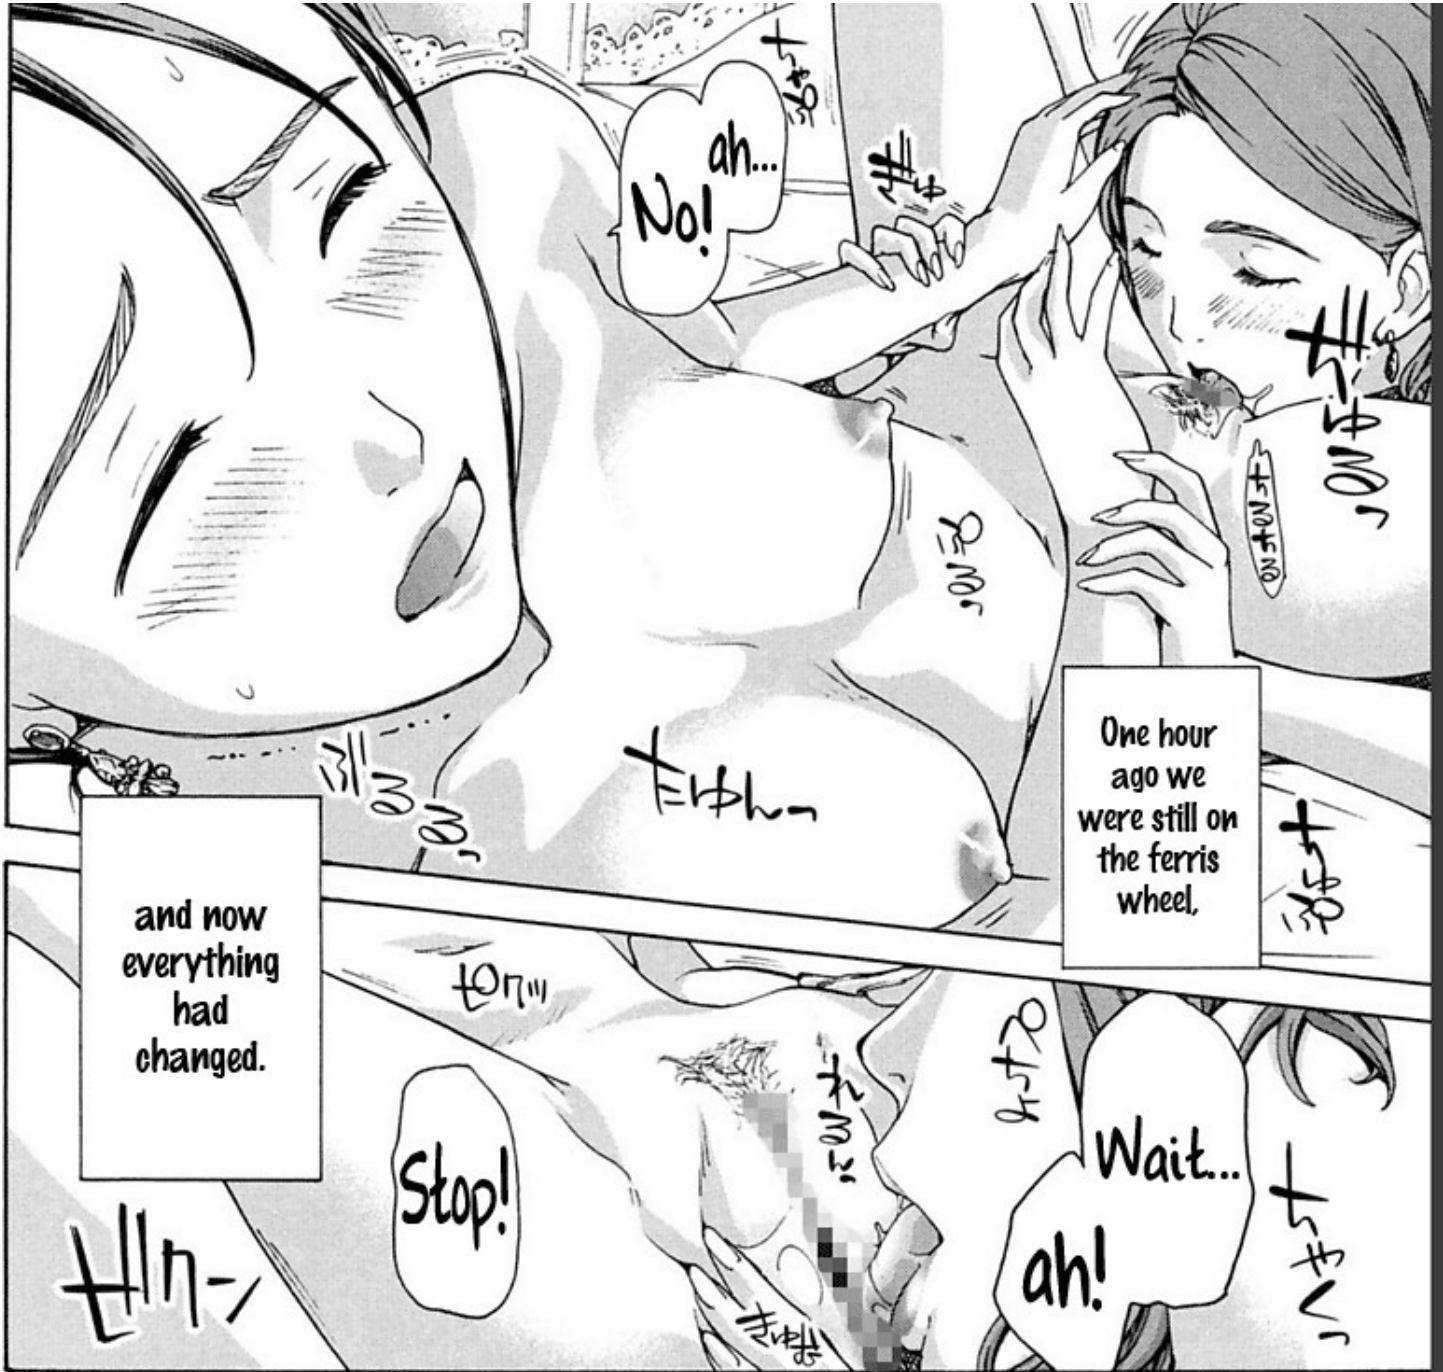

nm!

mn!

It's making me wet, too.

no! ah!

mph!

Can you lick me?

You get off to this?

Huh?

Oh...

Now that I know where all my sensitive spots are, I can't go back.

ah!

*Asagi Girls' Academy

Professor
made tea
for me.

And between
conversation
we kissed
again and
again.

Prof...

mn...
ah

And after taking a bath together,

we headed to bed, holding hands.
