Sigh

She's been  
training day

所以就這樣

Technically the battle is still going on

It's been a week since the battle...

But all he's been doing is teasing Ashita using [Dimension Tunnel]

If he attack, the round will finish and Ashita can retaliate

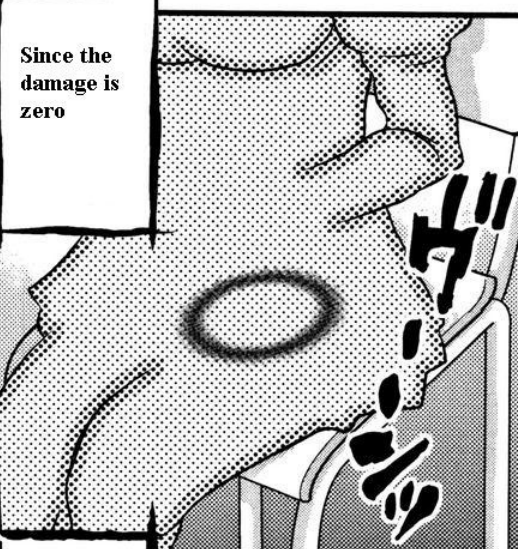

Sad... I've not been able to attack him. Drats! Not again...

嗯咕!

I've asked him not to fuck me while I'm in school...

Since the damage is zero

It does not count as an attack

and the round continue

Hehe... this is all your own fault for not wearing a bra.

Worse still is I'm in public and there are guys around who can see... ahh...

Unbelievable! He used the [Tentacle Man] effect?

Telling your wife...!

I'm going to tell you on you about pretending to be sick and not opening the shop

Just buy some, since it's gonna stay that way once you lose.

I'll do my best now to make you...

If that's how you're going to be...

I'm not going. I'll go back to normal once I win!

Eh

Don't tell me  
that he wants  
to force us to  
declare  
orgasm right  
here?

He saw thru that  
I changed from  
[Princess  
Knight] to  
[Female Slave]

Master is angry  
too!?

I cannot resist  
declaring orgasm  
due to class  
effect.

We're  
gonna be  
dead meat  
if anyone  
saw us

He's gonna  
force us to  
declare in  
the middle  
of the

I promise to keep it a secret from your wife.

If master agree to change to tag team...

They were supposed to be hiding in the club room

Underestimating their opponent when they have the upper hand. They are such weaklings

We're losing

The girls are also trying their best to win but...

How ...

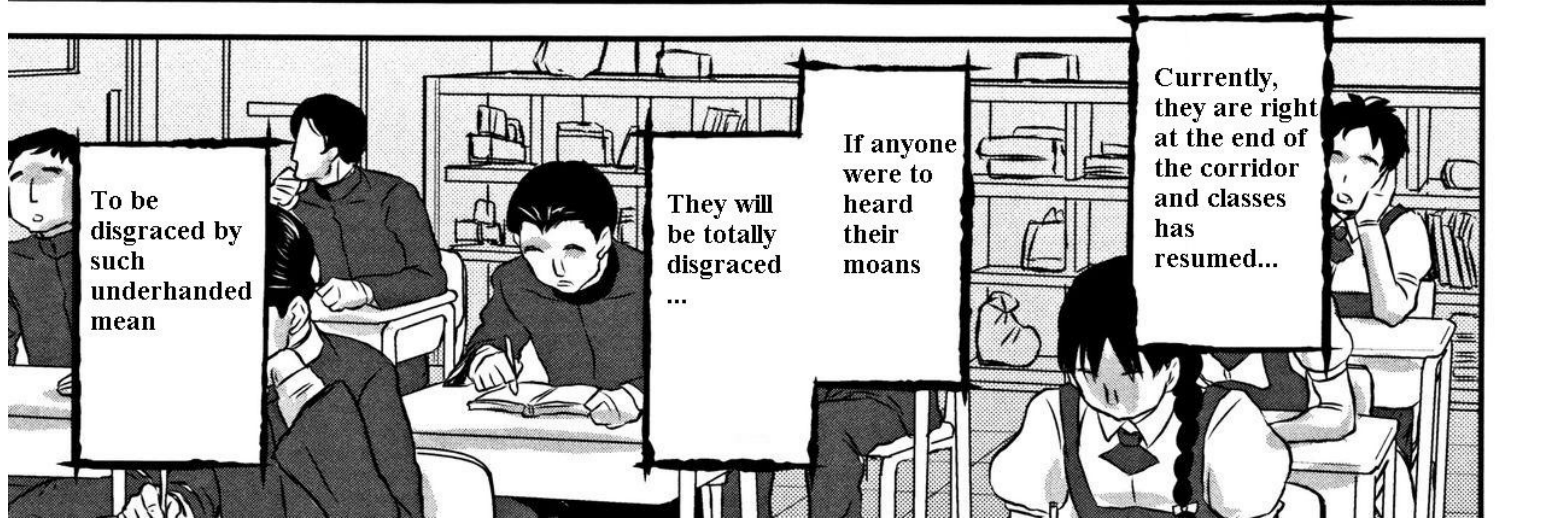

Right! Let's all crash and burn.

Damn

You forced me.

Wh... what are you trying to do?

You... you're going to make us shout out loud!?

To be disgraced by such underhanded mean

They will be totally disgraced ...

If anyone were to heard their moans

Currently, they are right at the end of the corridor and classes has resumed...

Of course both men will also be discovered

But they have decided to crash and burn together

We're not gonna let you get away kissing like last time.
