

Shouta-kun, you make such good food...

I mean, just look at this belly!

That I've gained [REDACTED] kilograms since our wedding!

And if I fail, I will not be putting on any swim-suits for you!

Anyway! I have to make this diet a success!

I want to look good in a swimsuit for our upcoming vacation!

But-

That again?! I won't let you fool me this time...!

Now now, that much is healthy! I don't think you need to worry about it at all...

Also, your underwear's showing, you big idiot!

What the heck is "Suzumeat" supposed to mean...

Nooooo...! My beautiful Suzumeat...!

Don't leave meeeee!

bulge

You were supposed to help me with my diet...

But now I'm helping you with your training instead, huh-?

Ha-ha

But... But...

You need to pace yourself.

You were going too fast, Suzu-chan...

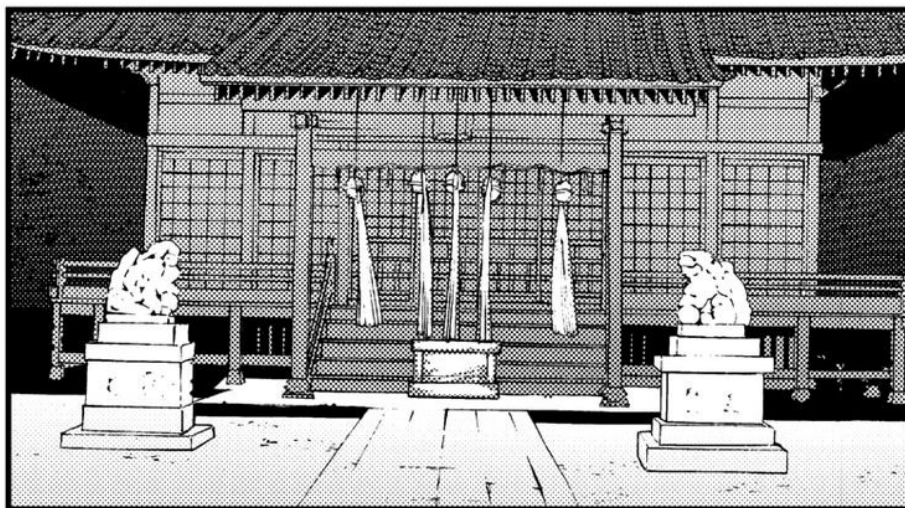

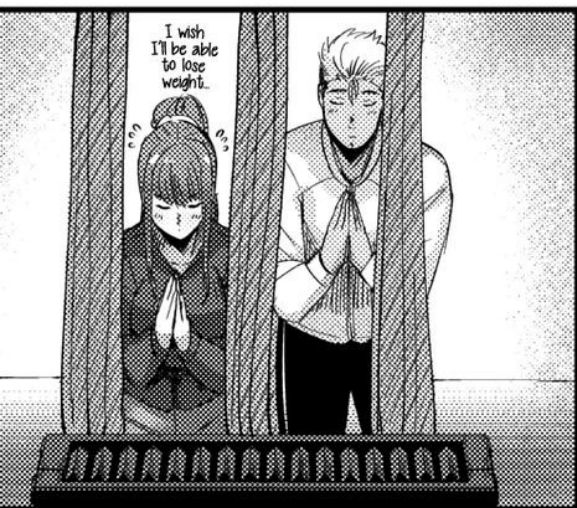

Oe-eeh Ugh

No worries, I'm fine.

Sorry, I must be really heavy...

Ewah~

Ehehe~
Come on,
there's
no one
around~

Aahh...
When we
get home,
I'm going
to get the
bath ready
and just
sink right
in~!

...

Aah...

Haa

Suzu-
chan,
are you
sure you
should be
undressing
here...?

You'll
come in
with me,
right,
Shouta-
kun~?

♡

Wah?!
What,
what,
what?

Sh-
Shouta-
kun?

"No
one's
around",
you
say...

But
I'm still
here,
though.

Why?
You smell
really
good,
Suzu-
chan.

I must-
Ah-
stink of
sweat,
so...

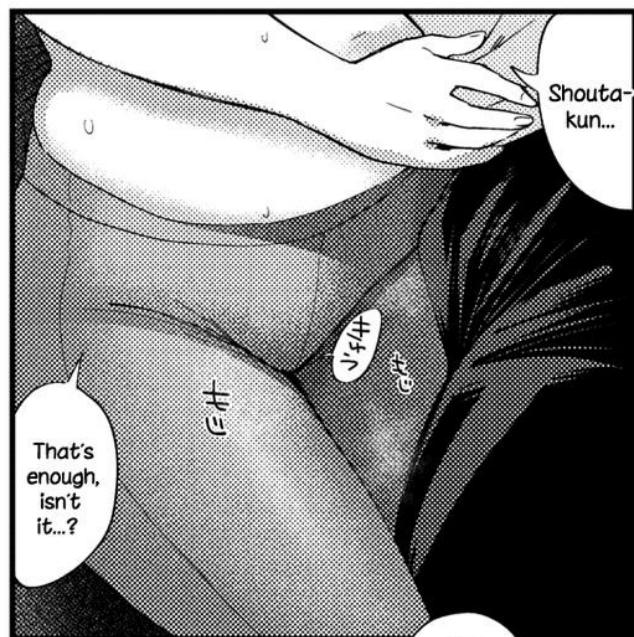

Shouta-
kun...

Come now,
Suzu-chan...
With
armpits
as naughty
as these,
you need to
take good
care of
them...

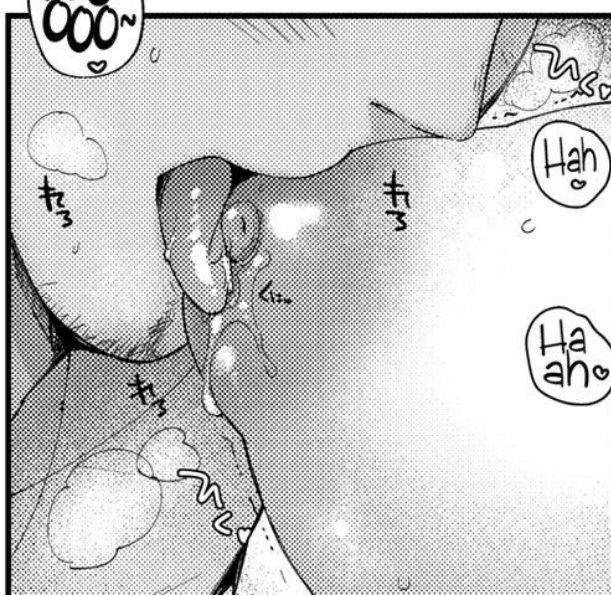

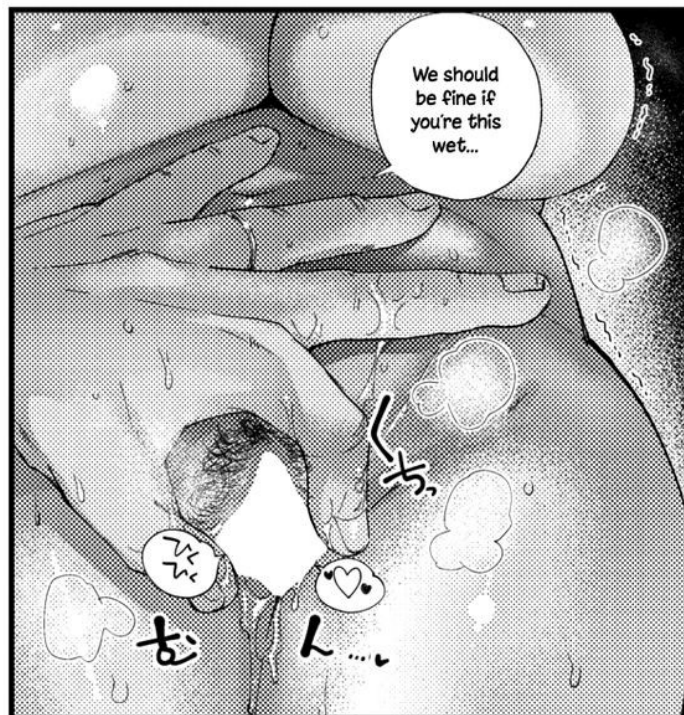

Hmm
you've
sucked
off a
bit
over
here~

No~
♡

Ha
aah

Fuy
yuh

Does
doing it
outside...
turn you
on?

You
just got
tighter
again...

No I-
Ahh!

You keep twitching inside... This feels real good, Suzu-chan...

Haah

Come whenever you want~
uah Ah

Okay-Yeah-Okay~

I'm gonna cum in just a sec, okay...

Sorry, Suzu-chan...
