~Introduction~

Thank you for buying this book.

This is my first finished volume of smutty porn manga.
Back when I was only doing online manga, I posted the first chapter of this on a certain original manga sharing site back in 2008 (it didn't require a paid subscription or anything, so anyone could read it or upload their own stuff). I also released chapters 2 and 3 there, and I was honestly amazed by how much attention they received.

Unfortunately, the site ended up closing down while I was writing the series, and my own life got really busy around then, so I ended up putting the series on indefinite hiatus, but I still drew little bits of it here and there in case I actually could continue it someday, and fiiiinally I was actually able to do that. Thank you so much for waiting for it to finally finish. Also, I've changed the name from the original online version.

Previously released: "Cutie Beast" Chapters 1, 2, and 3.
New to this volume: Chapters 4, 5, 6, and the Epilogue.
I hope you enjoy all of them.

*Since this was originally an online release, ~~the manuscript size was B5, so I could fit a lot into every page, but when I took this to the printers, due to binding and so on, I had to make some minor changed. Additionally, all the color pages had to become black and white (there weren't a lot of colored pages, so it's not really a big issue in this case...)~~ (*the digital version has all the color pages). I also tried to update and improve the older chapters to the best of my ability, but there's still some definitely rough older bits in there, orz. Apologies in advance if it's hard to read. The new stuff was also drawn 2 years or more later than the original bits, so there might be some changes from the original art style in there. Apologies for that too.*

There's definitely a lot of room for improvement here, but I managed to put out something I felt had a lot of life in it–a labor of love, if you will.

Without any further ado, I present to you the story of two girls, their love, and their journey. I hope you enjoy it!

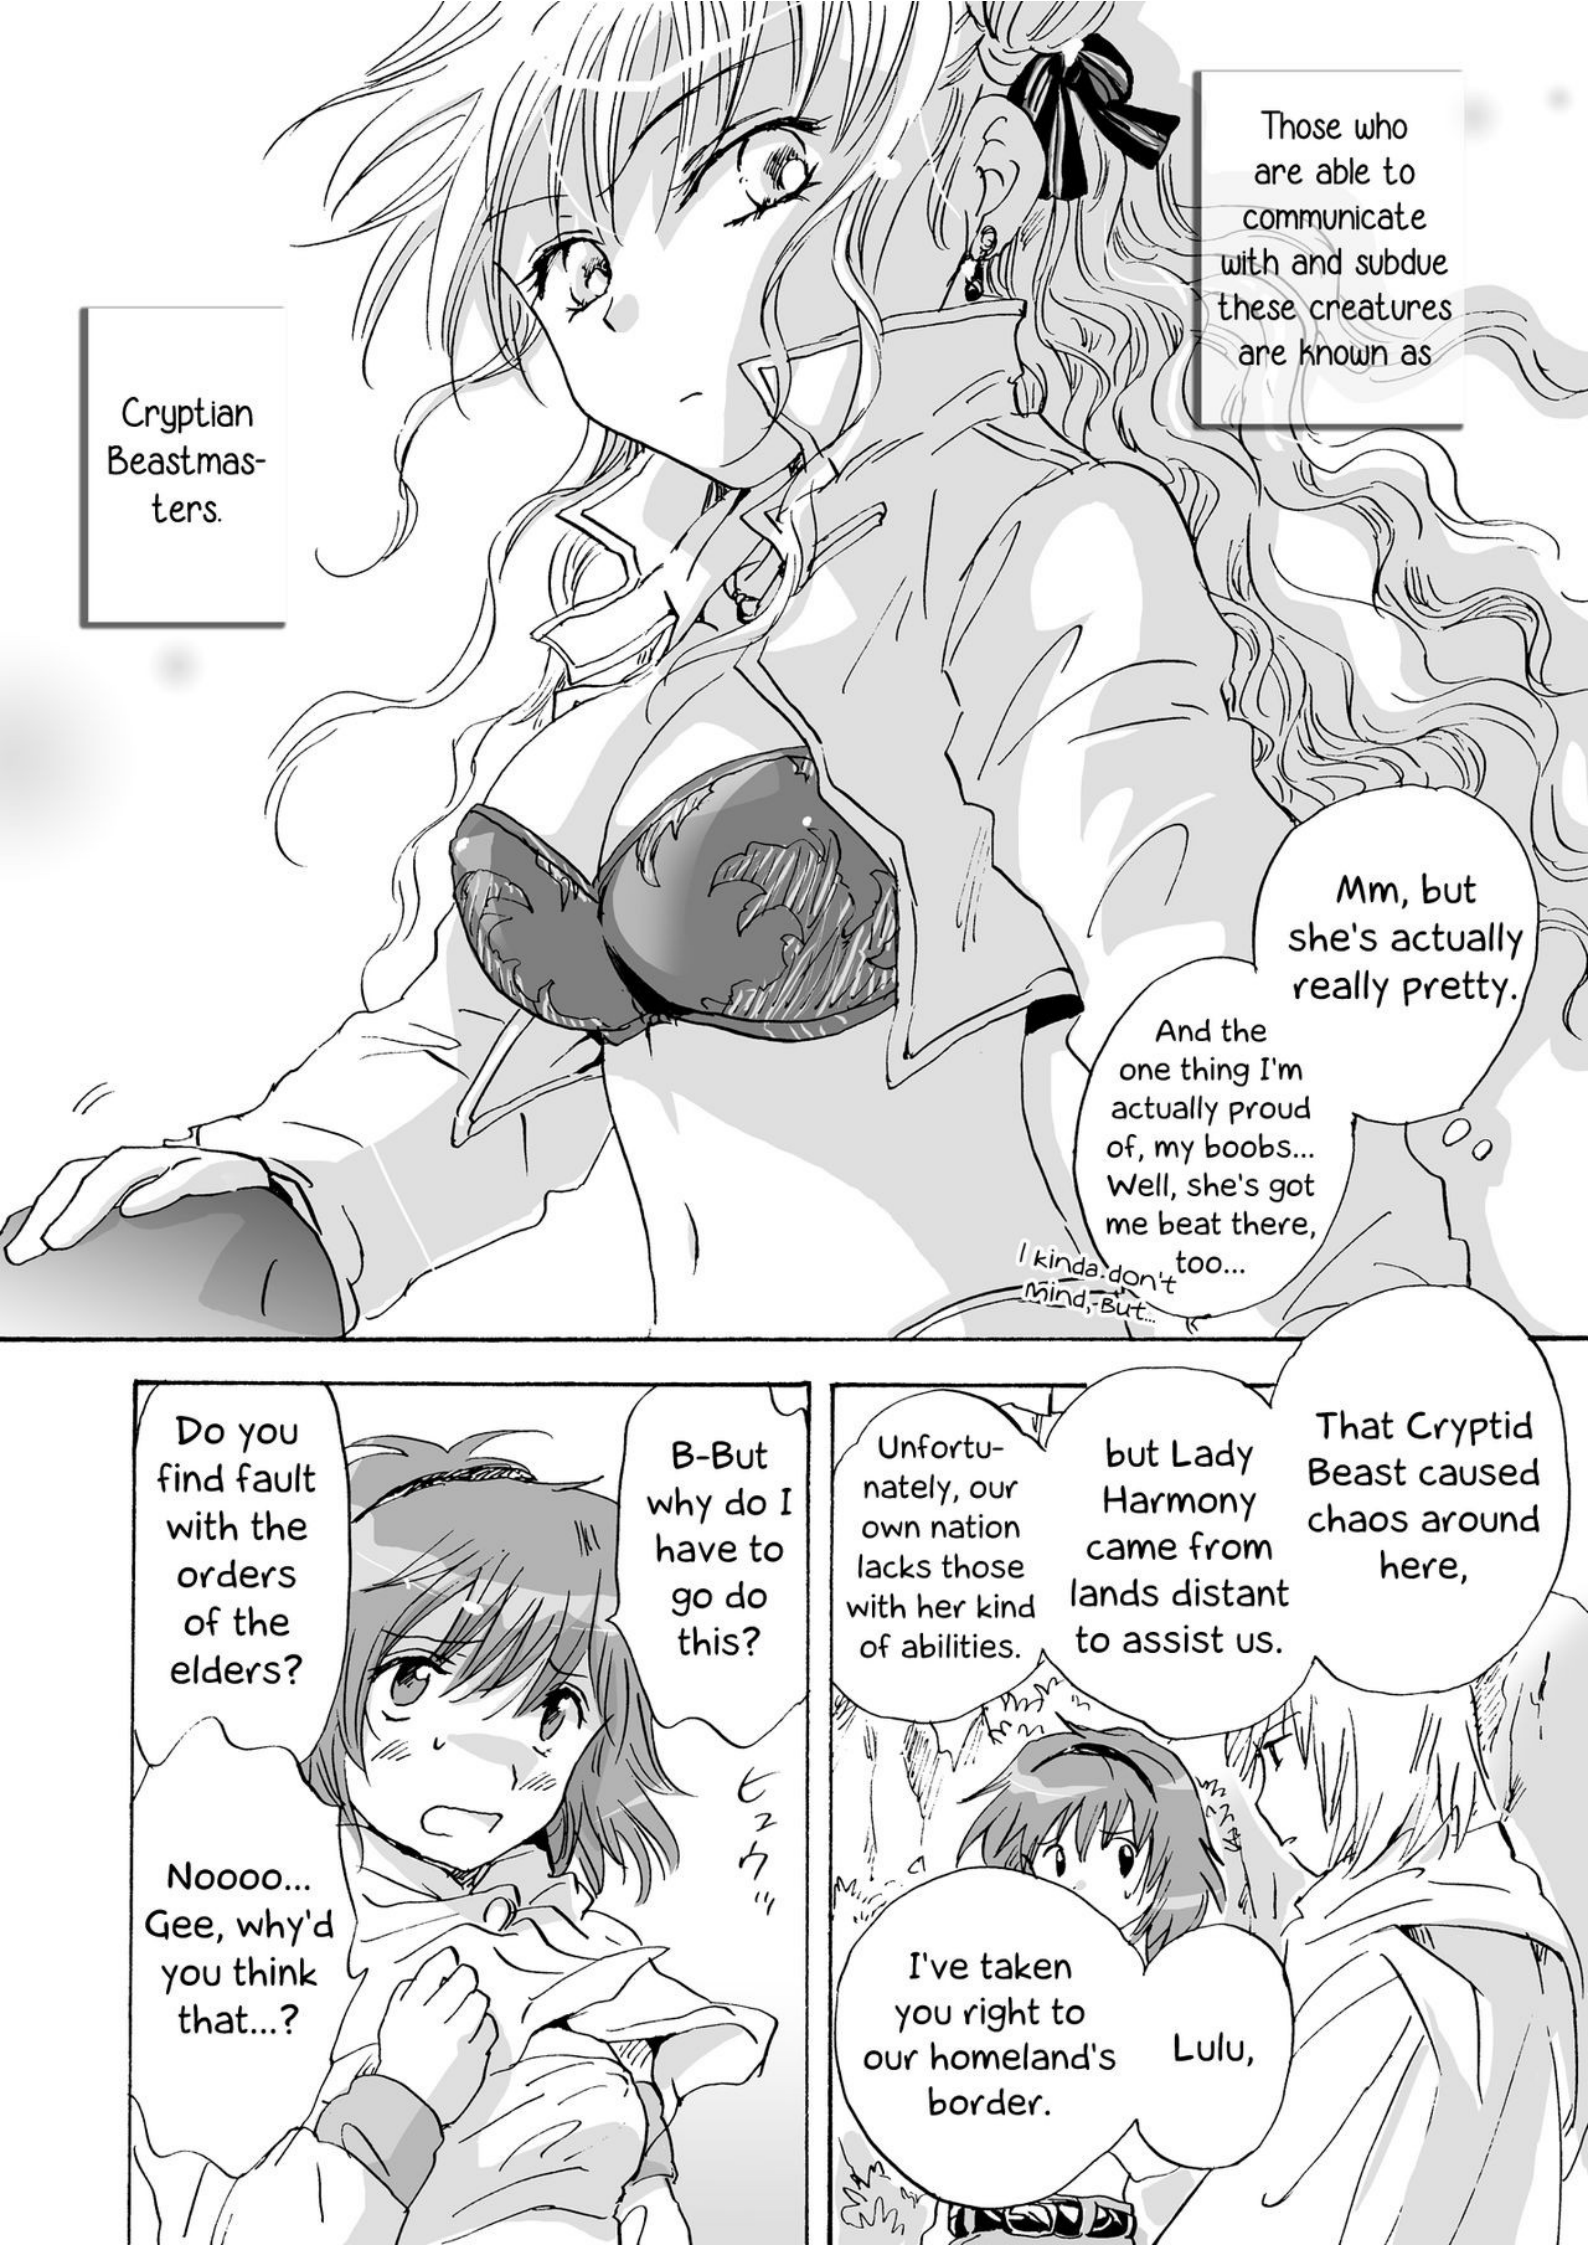
CHAPTER 1

KYAA!
Ah, okay!
It's a little windy around here! I'm scared I might slip.
Hark! Cast your gaze over there.
That's the Cryptian Beastmaster, Lady Harmony.
Oh, wow! It's like that Cryptid Beast is her pet!
They normally nest deep in the mountains but when they come down to human settlements, your average villager has no chance of dealing with them.
Cryptid Beasts are mysterious creatures.



Those who are able to communicate with and subdue these creatures are known as
Cryptian Beastmas-ters.
Mm, but she's actually really pretty.
And the one thing I'm actually proud of, my boobs... Well, she's got me beat there, too...
I kinda don't mind, But...
B-But why do I have to go do this?
Do you find fault with the orders of the elders?
Noooo... Gee, why'd you think that...?
That Cryptid Beast caused chaos around here,
but Lady Harmony came from lands distant to assist us.
Unfortu-nately, our own nation lacks those with her kind of abilities.
Lulu,
I've taken you right to our homeland's border.

You'll be traveling with her for several days, too. I'm sure Lady Harmony will appreciate a female companion more than a male one.
Having fun with your authority...?
Even if you are still of low rank, mages who serve our country are to treat our foreign guests with the appropriate level of respect. You'd do well to do the same.
...
I'm sure you'll be able to deal with whatever problems you encounter.
WOAH!
ARE YOU GONNA BE OKAY-

Lulu. She is the mage we have sent to accompany you.
She verily lacks in chill.
Who's Miss Faceplant over there?
I'll catch you!
Eh?
Gwark!
So you're Lulu?
Ow ow
I'm v-very pleased to meet you...
Your tits're out.
I already told you guys I don't need a travel companion.
I get on that bird and whoosh, I'm already home.

Lady Harmony...
...
But hey, it's fun to just be a bit of a tourist in some other country for a while.
All those old dudes are so hung up on formalities. Real pain in my butt.
She's so pretty- like she's not even real.
I guess she is a human, after all. Same age as me, maybe.
Isn't the whole "beast-master" thing
Kind of heavy for someone my age?
どきどきどきどき
I keep on looking places that, uh, I probably shouldn't... and she kind of smells nice, too.
Really nice body, too...
Hey, Lulu.
You a mage or something, right?
What kind of tricks do you do?

I'm actually a combat wizard...
すーん
Huh?
W-well, I...
I mean, looking at you... I'm guessing buff stuff? Or healing?
Do you want to see?
This is what I do.
Woo. Fire.
Damn! That's some burnage.
...Are you warm, Lady Har-mony?
Do you ever feel the same way about your own powers, Lady Harmony?
Haha. Jeez.
Why're you worrying about that? Aw, Lulu...
Why was this the power I was born with...?
It doesn't really fit me, so I don't really like it. It's not my personality at all. I'm scared of my own magic, even.

Eh!?
YOU'RE CUTE AS YOU ARE!
Aah!
What...
How 'bout we bond a lil',
Lulu?
What the hecky?

Wait, what am I doing!?
What're you doing, Lady Harmony!?
Hey, Lulu...
I was trying to figure out if anyone was around here, but I think we're all alone!
What's coming over me!?

Well, Lulu...?

That was the first time I went on a journey to deal with Cryptid Beasts by myself.

I was at an inn, and I didn't really know what I was doing or anything,
Are you by yourself? That's brave of you.
but then this woman stepped in and helped me out.
She was a woman in her late twenties. Really pretty long black hair.

There? Those ruins by the lake...!?
"So, you know those maze-ish weird forests?
They're basically a curse that comes from the souls of dead travelers hanging around."
"If you get cursed, they'll try to suck the life out of you!"
"If you get a bad feeling, get out of there immediately!"
Lulu's Master
Aaah, considering all she's been through, Harmony probably doesn't keep her guard up...
She's more used to this kind of stuff than us ordinary folk...
Kwaaaa wark...

I definitely have a bad feeling about this...
But I guess human curses aren't something that'd bother beasts...

Cutie Beast Chapter 4 END

This manga is about big tiddy on big tiddy action. When you have two big-boobed beauties together, it just feels so... gorgeous. I love it. This is the kind of boobage you can only get in 2D. Well, at least, it only WORKS this well in 2D.

You might have thought about this as you've been reading, but while I was putting these out, people told me, "Wow, the boobs are getting bigger as it goes, lolol." The new stories in this book also continue this trend, I think. The more I write, the more booby the boobs get.

Boobs. Booooobs.
