

But it seemed that convincing her with words was rather difficult,

You've always been an idiot who can't even work properly...

Heeh?

ブムブム

Then just bring me one of them. It would be easy because there are tons of them. Hora! Hurry up!

Hun! You always say things you don't really mean

Because I was too obvious, she became angry

My boss, who had been failing to find a would-be-husband and got frustrated, and I went drinking while I was consoling her halfheartedly.

Ha? There are tons of men who find me attractive?

so I decided to directly convinced her with my body.

I love your dick

Good, Great<3

Maybe because she noticed my enthusiasm, she had stopped resisting and had become honest to herself

After a few hours since I started convincing (biologically) my boss who lost her self-confidence about [how she is attractive]

No more, Stop, too much for me

I'll die of cumming.

Because I took very good photos of her, I believe that she'll also be pleased. I'm wondering how the nature of our relationship will change from tomorrow.

In the end, she fell asleep as if she fainted because of oversatiation. As a proof of our friendship, I took several photos of her. And I and she went home.
