

I'm walking with my childhood friend, who is a girl.

It's because I've been reading some interesting web novels recently...

Is that so?

Your eye bags look darker these days, you know?

Miyuki...

It's the typical time of walking to school. But unlike most of my male classmates, I'm not alone.

by 美奈來

Our parents are close and on good terms, our houses are in the same neighbourhood and we went to the same school from elementary, middle and high school.

Being always beside one another so it's natural for us to develop feelings for each other but we are not dating... No... To be honest, I want to become have a nice relationship but...

"Pour all of your thick and hot semen inside Miyuki's womb! I will definitely not take any oral contraceptives so I will be pregnant with your child!" ♡

"Mou, I'm already wet so hurry up and put your cock into my pussy and cum inside me!" ♡

I will definitely confess to her someday then we'll have lovey dovey sex every day. No, I should confess to her soon...

That's what male and female childhood friends do after all.

ん
"That's right!"

ん
"That's right!"

This all started inside my classroom during a punishment game I agreed with my friends, I confessed to this guy and unexpectedly, he said OK.

Moreover, I even lost my virginity to him on the same day.

And then after that day, I have been having sex with this guy every night in his house after school.

Kuu... You're tightening up so much...!

Hey! Tighten up your pussy more!

My relationship with this guy started about a year ago.

Like this?

Her emotion is nonexistent like a tuna. However, at least she has money to spend~ I can fuck her pussy violently without any condom and cum inside her. I thought that confession at that time was a mere joke but I really done a good job making her my bitch. (Laughs)

Haah~ I came so much~

But this bitch is sure loaded. Whenever she comes by, she always bring me a meal. I'm really such lucky guy~

This bitch's parents seem to be living somewhere else leaving their stupid daughter alone and neglected. Such horrible parents~

Drink my saliva as usual, OK?

Nngh... Is this the hold?

OK... Ngh,

I'm going to cum inside soon...

Ngh!

Ah~ I'm cumming! I'm cumming! This feels so fucking good~ I'm losing consciousness~ (Laughs)

Her holding me like this and sucking my saliva while I'm cumming inside her is really arousing~ I'm going to fuck her nonstop until the morning today~ (Laughs)

But,
I don't
mind
becoming
pregnant
though...

You
idiot,
I'm just
joking
around~

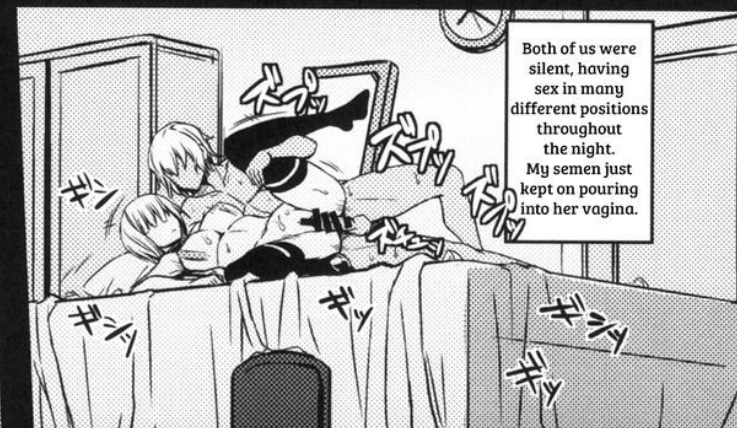

You have been
drinking those
medicines, right?
It would be a
fucking hassle
if you become
pregnant with a brat.

I'm
drinking
them...

I can't
think of
fucking
you other
than raw
anymore~
However,

Of course
I inserted my
cock into her
pussy and cum
again... and
again without
any restraint or
care, indulging
myself in
pleasure.

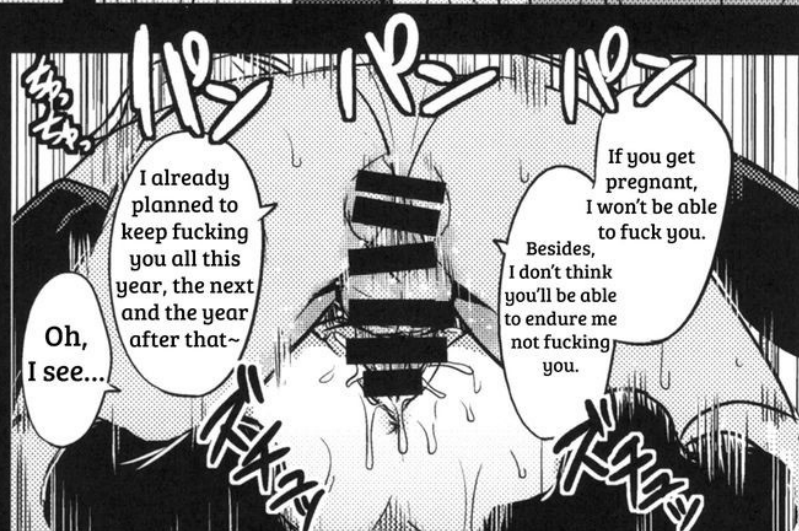

Both of us were
silent, having
sex in many
different positions
throughout
the night.
My semen just
kept on pouring
into her vagina.

Kuuu~
This
feels so
fucking
good~

I'm going to
cum again so be
sure to suck in
all my semen!
I'm cumming!
Cumming!

Oh,
I see...

I already
planned to
keep fucking
you all this
year, the next
and the year
after that~

If you get
pregnant,
I won't be able
to fuck you.
Besides,
I don't think
you'll be able
to endure me
not fucking
you.

Of course,
I'm going to stay
and fuck you all day
and night. (Laughs)
We'll only going to
pause to get some
food and eat
before resuming,
got that?

I see...
I'll work hard
to cook some
delicious
food...

I even
squirted
and rubbed
my leftover
semen in her
urethra...
She's really
such a
disgusting
bitch.

Yes...
Tomorrow
is a holiday,
will you be
staying?

You idiot,
both of us are
soaking wet so
it's obvious
I'm satisfied.

Once you
come back
from school,
I'll continue
fucking
you.

Just as before,
this bitch is
awesome...
She doesn't
put up any
resistance
when I cum
inside her
vagina.
(Laughs)

Just as
I thought,
thrusting up
my entire cock
into your vagina
and grinding
against your
womb is
the best!

I see...
Are you
satisfied
now...?

Ah~
I'm
done
cum-
ming~

Ehh...

You're so indifferent in your attitude and selfish, aren't you aware of how that guy looks at you~

What's wrong with you? You're too horrible! After all, doesn't that guy like you? (Laughs)

Huh? What do you mean?

In fact, most childhood friends go out with each other~ Why aren't you two like that?

Hehehehe~ Even if you don't care, If your childhood friend knew about our relationship, he will go insane.

Haaah!

Haaah!

As usual, I ended up fucking you until the morning again.

You know~ I bet all our classmates are still fast asleep.

Huh?

What the... You... You're going to school?

It would be bad if I'm late...

It's disgusting...

Stop it.

So they are related~ He would have had more chance to fuck her if he had not been her childhood friend... What an unlucky guy.

Regardless, I'm very thankful to her for the delicious sex.

Him and I... are related by blood.

As usual, we had intense and messy sex later in the evening.

Haven't I told you before that my parents are living beside me? He doesn't seem to know but...

Don't talk about those things about us to be anyone because it is physiologically impossible.

END
