KINOKONOMI konomi PRESENTS.

2013/03 ORIGINAL NEKOMIMI COMIC.

I think...  
She ran  
away...  
Yes...

No, maybe  
she died...  
Wait, that  
can't be  
right...

...It's  
not that  
important  
but my  
younger  
sister was  
born 10  
months  
later.

You **Yes**  
wouldn't ...  
be so  
lonely...  
If you  
had a  
sister.

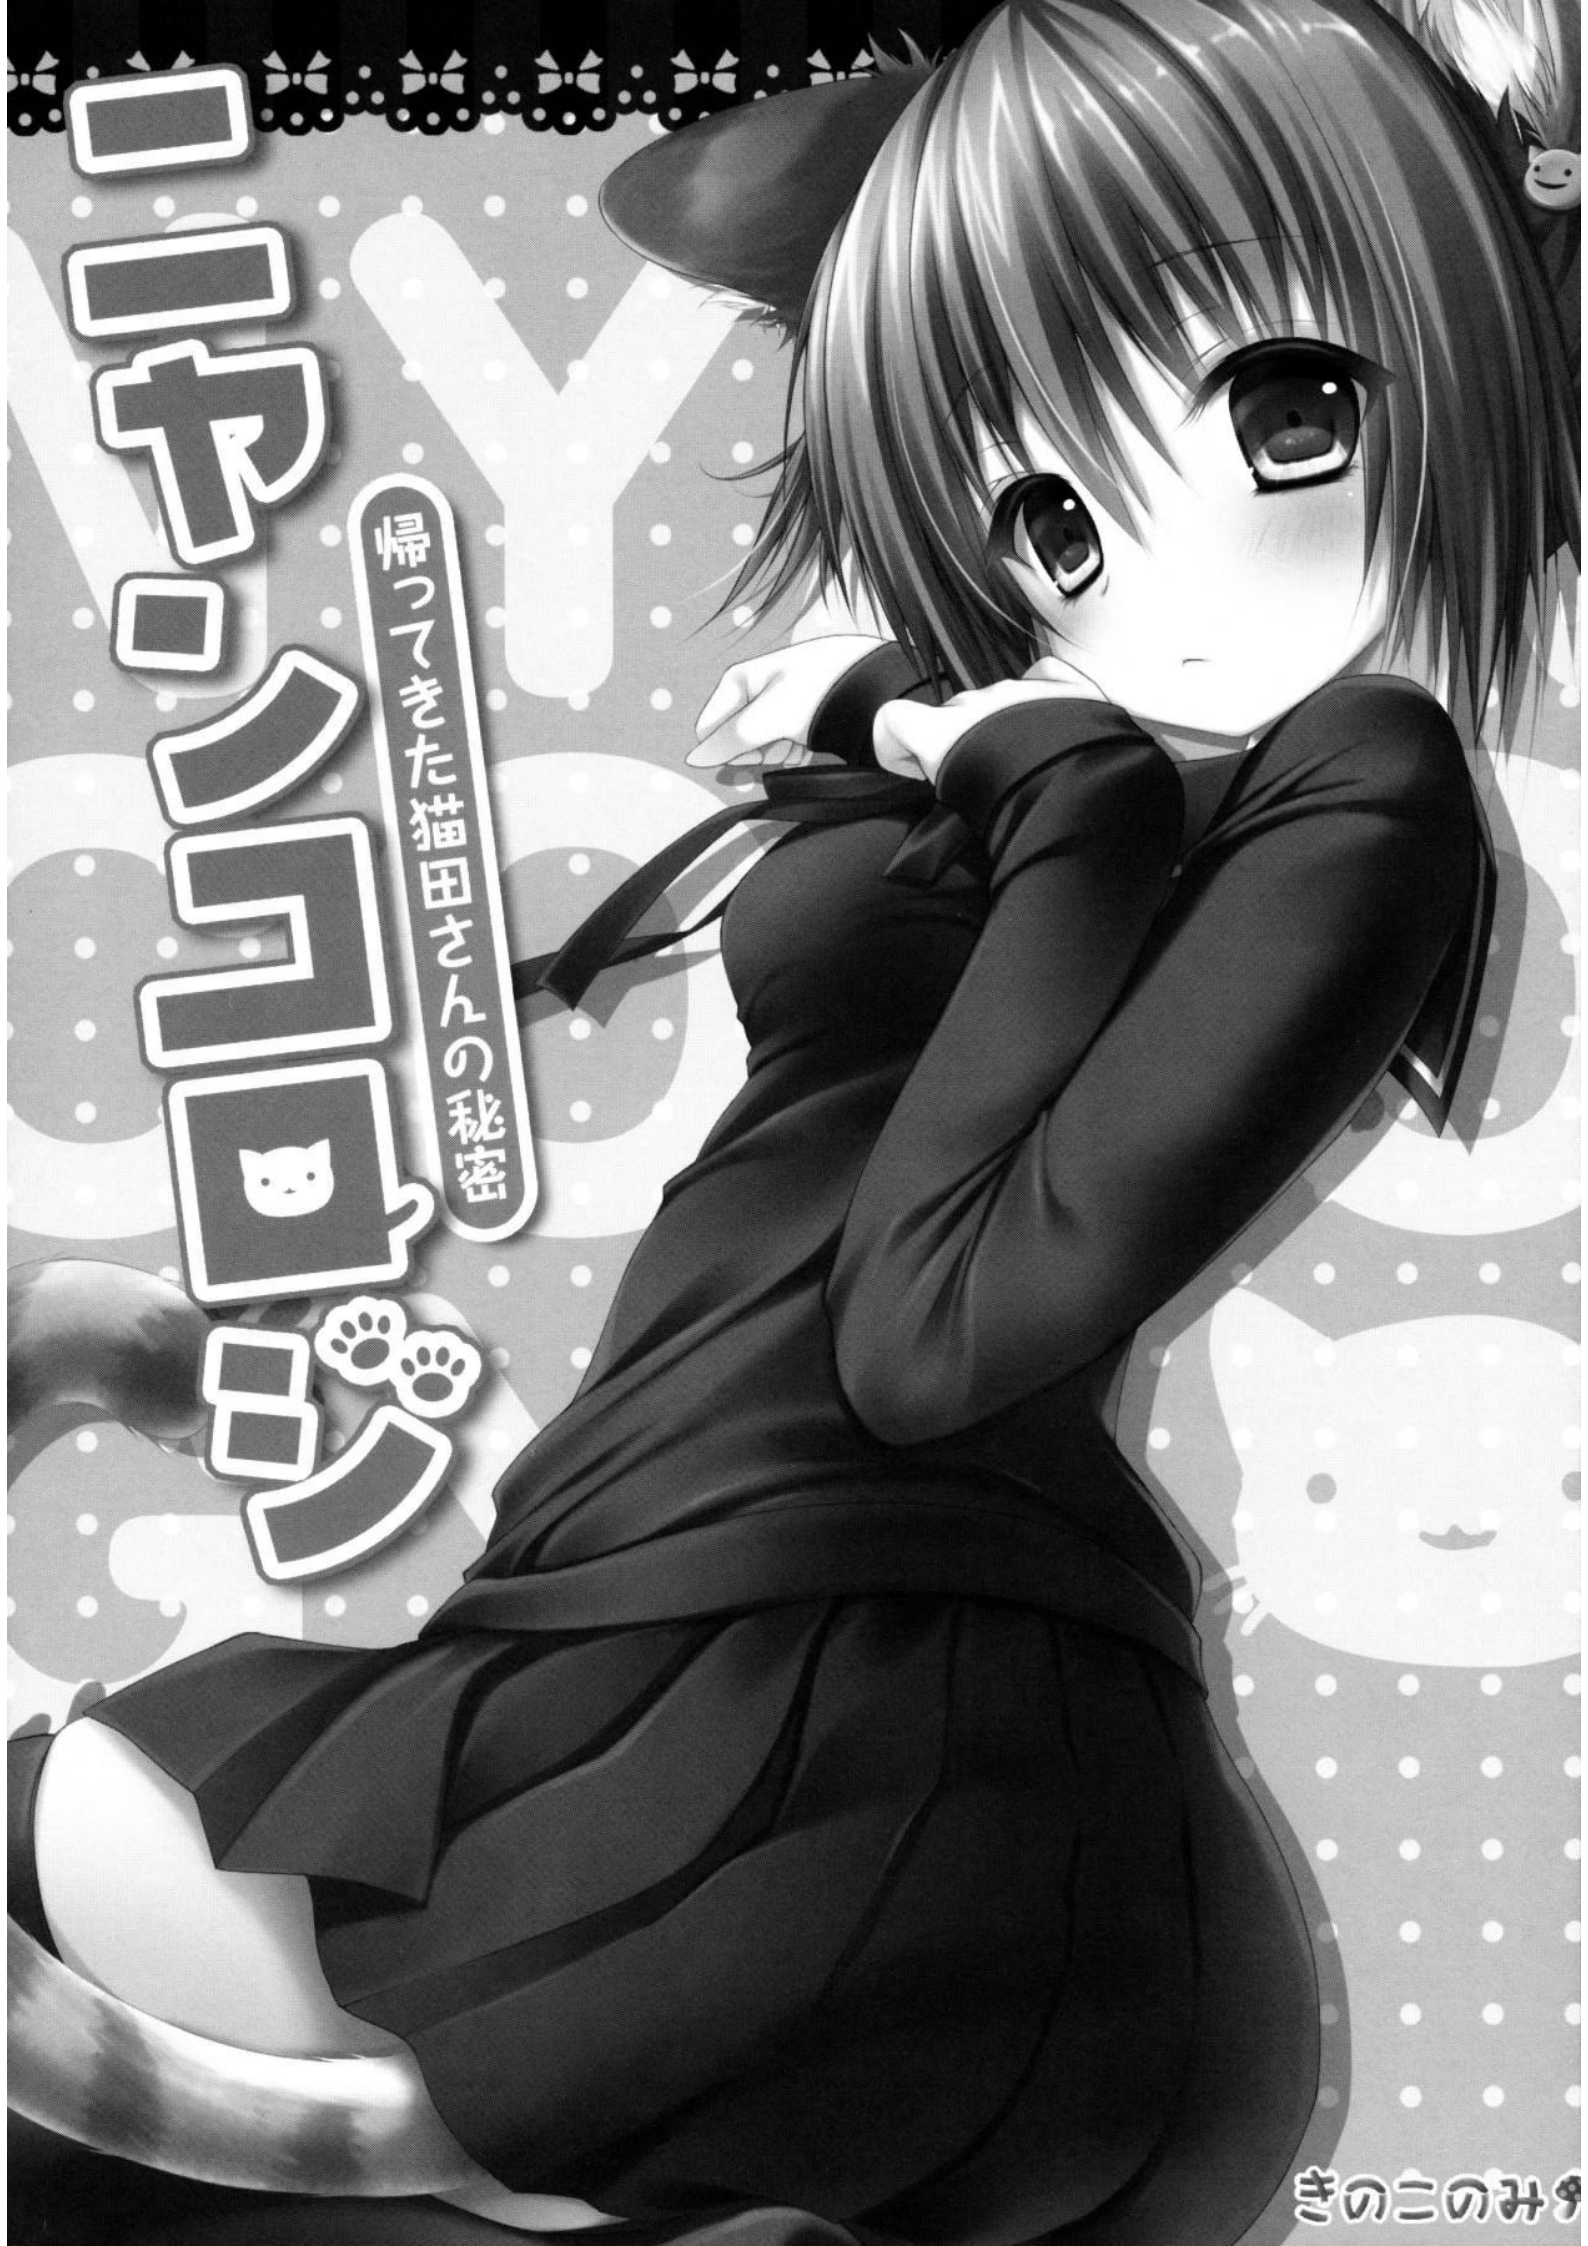

My first  
love ran  
away  
together  
with her  
family  
...

Don't  
worry,  
Mantaro.  
\*\*\*-chan  
will come  
back  
someday  
...

She  
left  
mee!

Ooph, we got away...

Nya!

What is this!?

Aah!

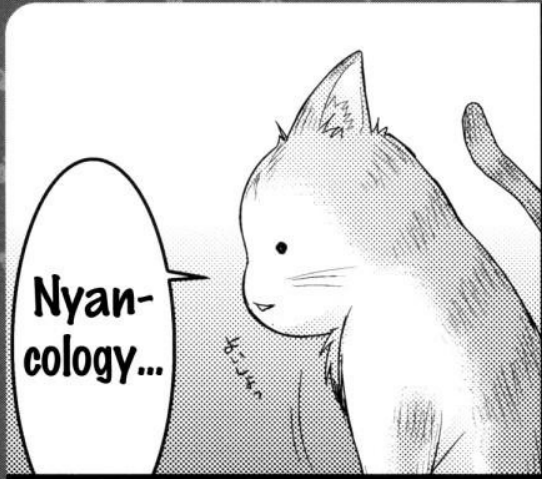

I never told her my name...

Huh...!?

More importantly... This is not cosplay...

Nyaa!

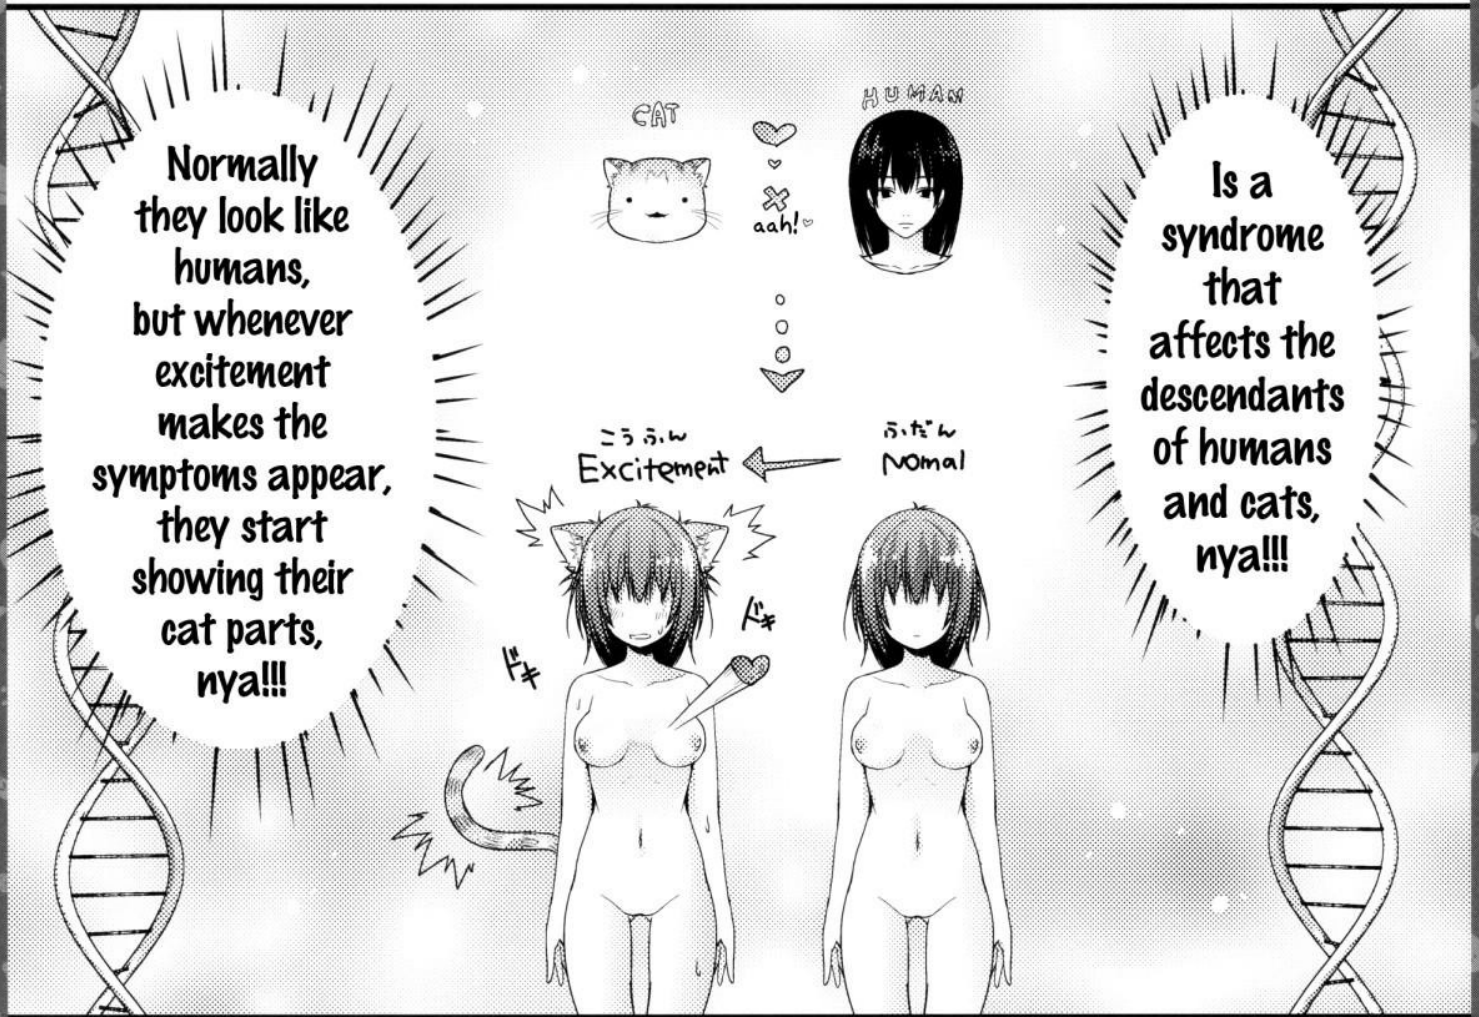

Nyan-cology...

Ah!

It's called... Nyanology, nya.

Just fuck her, nya!

Mantaro! You'll have to take responsibility, nya!!!

Huh !?

...I can't believe it...! And I'm talking to a cat too... Is this a dream!?!?!? But... she's so cute!

Please stop it! Nya! Ah!

# HIHIHIHIHI!?

I can't believe... That my first time will be like this ...

E... Even if you say that... (I'm a virgin...)

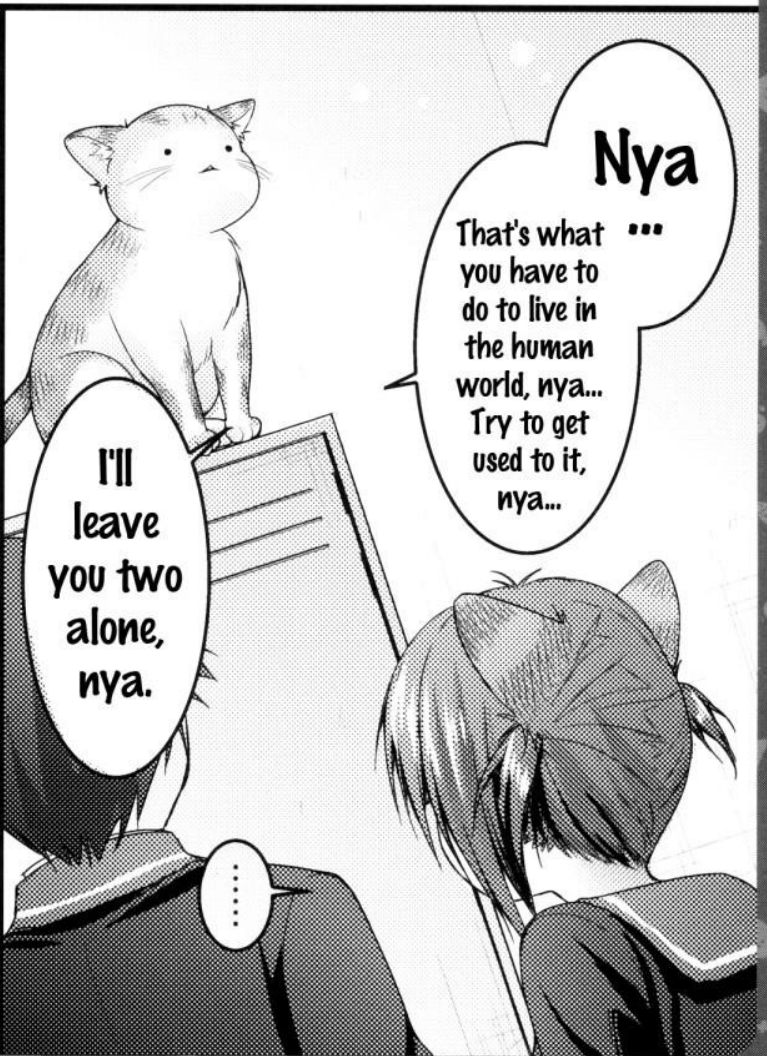

Her body goes into heat whenever it shows the symptoms of Nyancology, nya. Sex is the best way to satisfy her sexual desire and return her body to normal, nya.

Sex is the best way to relax, nya.

Fine...

Nya ...

That's what you have to do to live in the human world, nya... Try to get used to it, nya...

I'll leave you two alone, nya.

Wait a second, cat!

Mantaro ... Take care of her, nya ...

I'll do it with that cute girl...

But... It's your first time...

She's a virgin (just like me...) so I'll have to be gentle...

It's working out perfectly!

It's okay... I don't mind... doing it with you.

Hya!

But... We can't do it in this back alley...

Please... Help me!

Please...

If humans find out, I'll have to vanish again.

Come on... Use your tongue...

Mmm!

It's the third date already.

This is our kiss on a first date.

Ah!

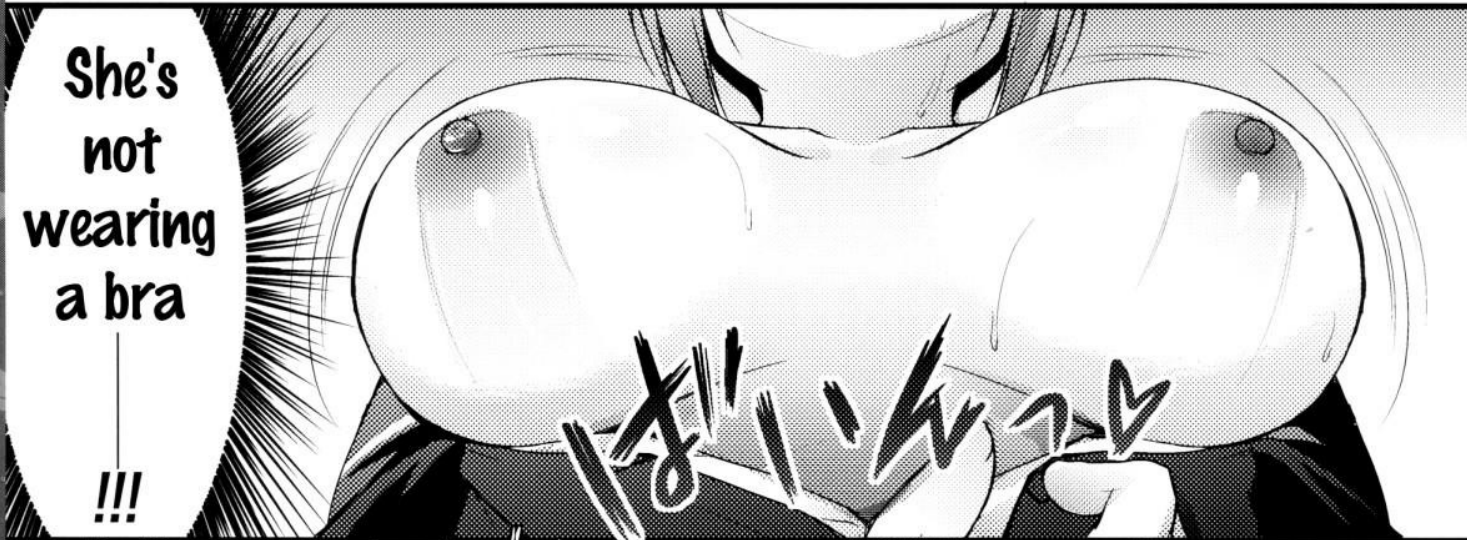

This is our second kiss.

Her lips are so soft.

I'll undress her now ...

She's not wearing a bra !!!

Can I touch you here ?

N... No...! I have a reason!

You're a lewd girl.

HYAA! NYAA!

Your breasts are pretty.

Fourth date is probably too early for sex.

It's wet ...

Ah! Mantaro-kun... Aah!

You're all grown up ... I can't hold back ...

It's because you're so tender. Ha! Aah ...

My brain is melting!

UAAH!

MYA!

AH!

AH!

AH!  
AH!

NYA!  
NYA!  
NYA!

Can I put it in ?

Aah, she's too cute !!!

It's too embarrassing. So... Please stop...

Don't worry ... I'll be gentle ...

ah!

Ah!

Aah! No! No!

But it's dripping wet... It will be easy.

AAAAHH!

Don't worry... It's dark here and people won't notice us.

No! Someone might see us ...

Can you turn around?

Her pussy is great!

It went in.

AH!

# 猫田さん、また！

帰ってきた猫田さんの秘密

Greetings, I am konomi from KINOKONOMI.

This is my first original manga! I am happy, embarrassed and excited! Even though my friends were telling me that this setting is old, I like transformations, that's why I really wanted to draw it♪

Speaking of transformations, I loved "Tokimeki Tonight" and "Konna Panic"♪(I miss them so much...)♪

That's what I was thinking about while I was working on this manga♪

I drew more pages than I planned and it was really hard to finish the manga before my deadline.

If you love this story, I'd love to continue the Nyancology series! (I already have a few more characters in mind, hehe)  
I hope we meet again!

My next event is COMIC1 in April! In addition to some other stuff, I'm planning to release a Touhou book  
Thank you very much for reading this to the end
