Sensei,
don't
cause
trouble
outside,
okay?

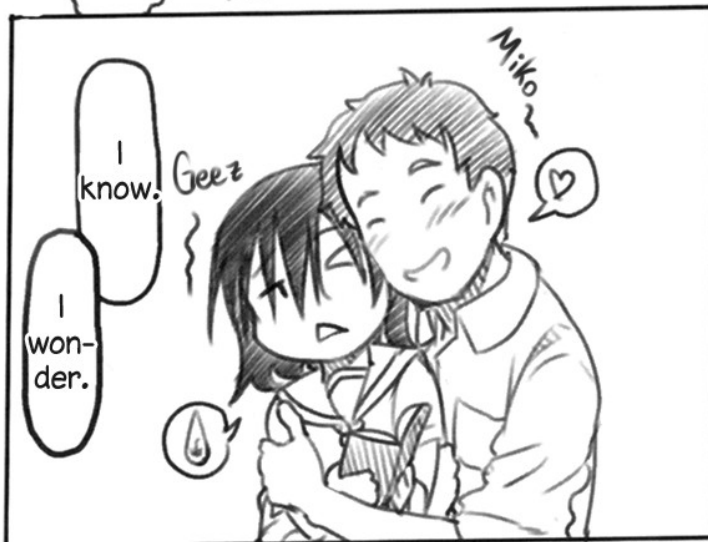

Eeh~
So he
said
that,
huh.

You're
so cute
I can't
control
myself.

I know. Geez

I wonder.

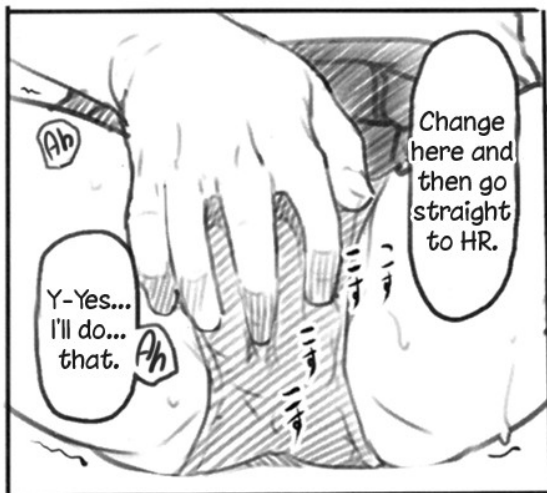

Miko~

I have PE today, so maybe we'll have to stop early.

Hey... sensei.

Ah!

Change here and then go straight to HR.

Y-Yes... I'll do... that.

Ah

No... Don't

Try to endure it...

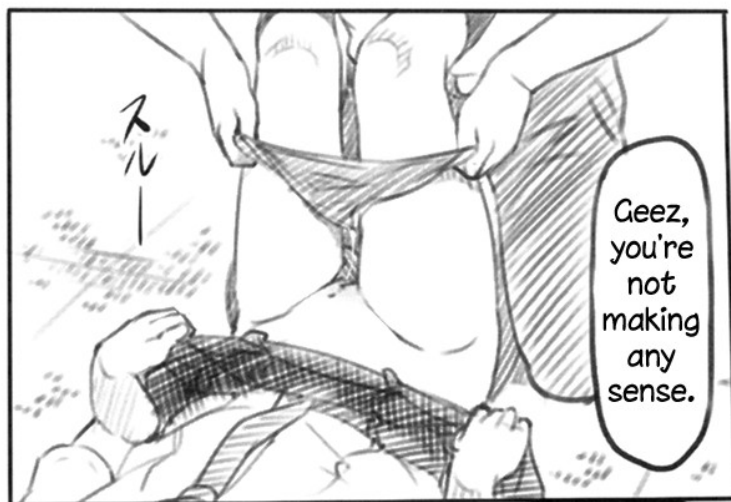

た

Why did you choose to go out with a plain girl like me?

You what?

Sensei, why me?

Our class has prettier girls...

Geez,
you're
not
making
any
sense.

Well,
because
you are
plain.

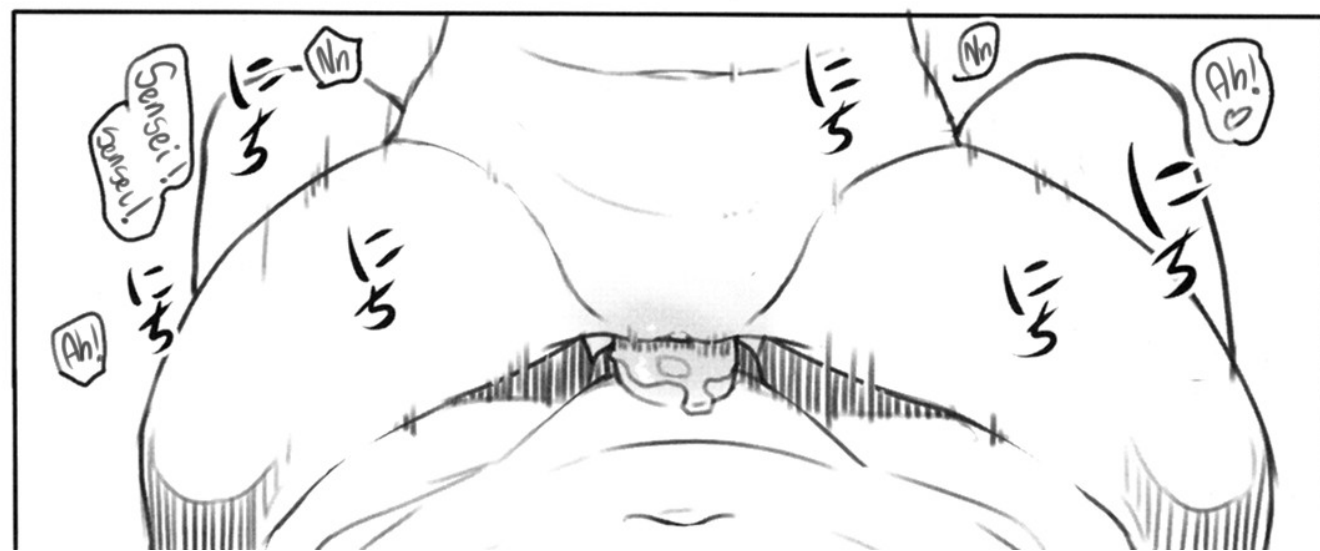

I...
see.

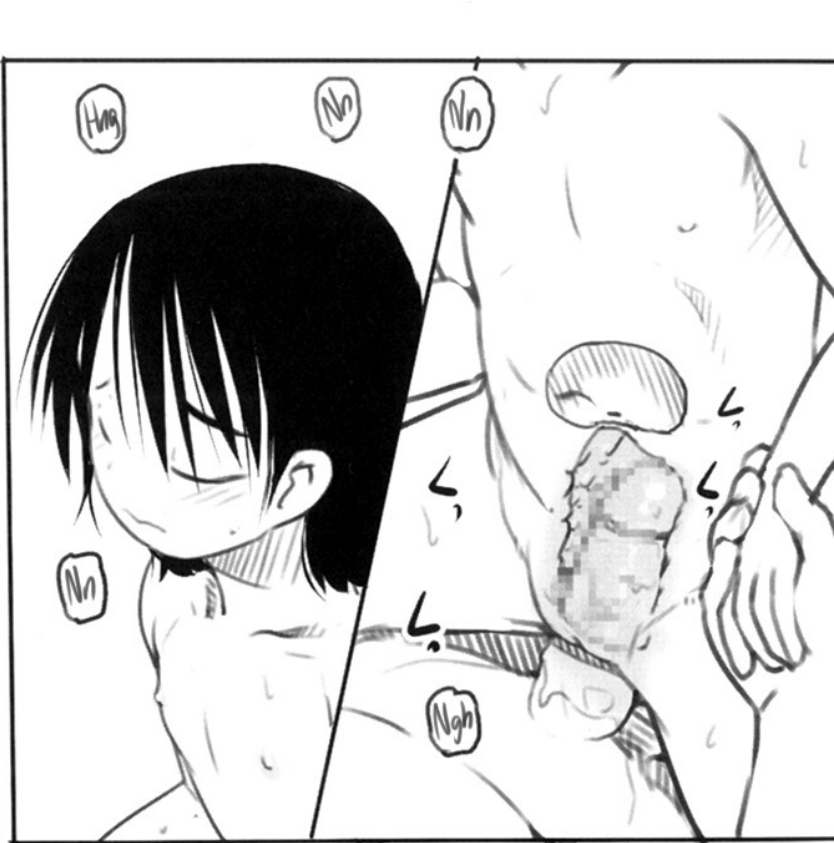

To me,
you're the
cutest girl
right now,
Miko.

You're too lewd, Miko!

Sensei, not that place!

Are you cumming?

It makes me shiver.

You'll go to class with your belly full of cum!

Y-Yes!

It's okay, I'm about to cum too!

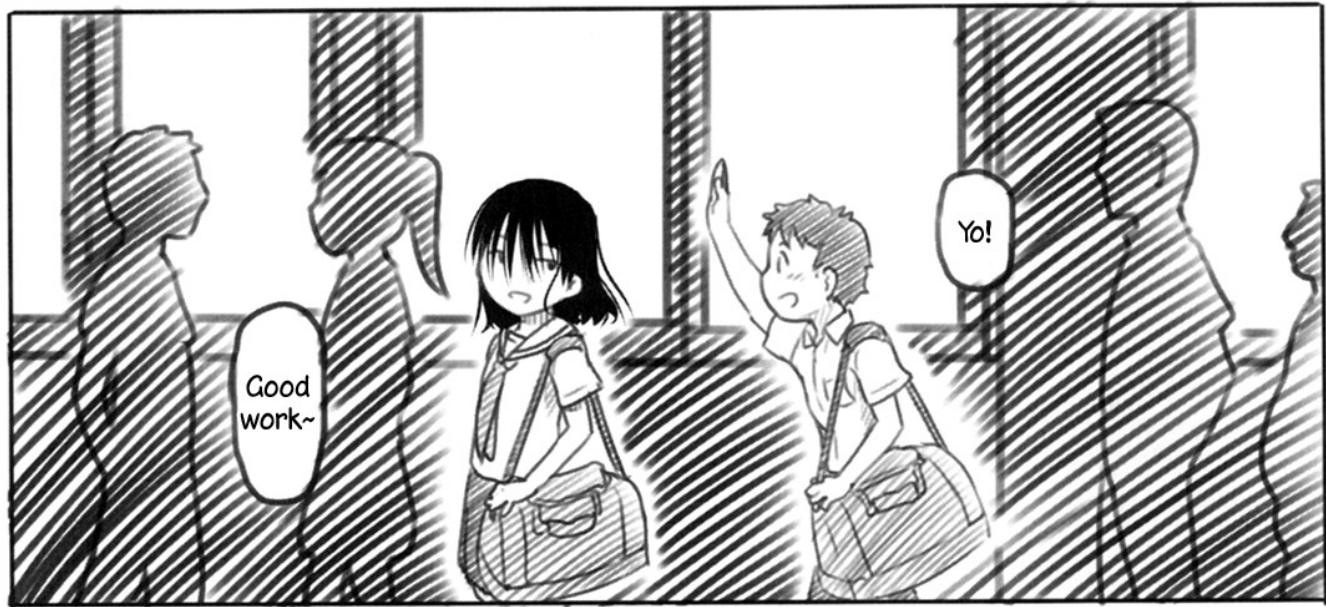

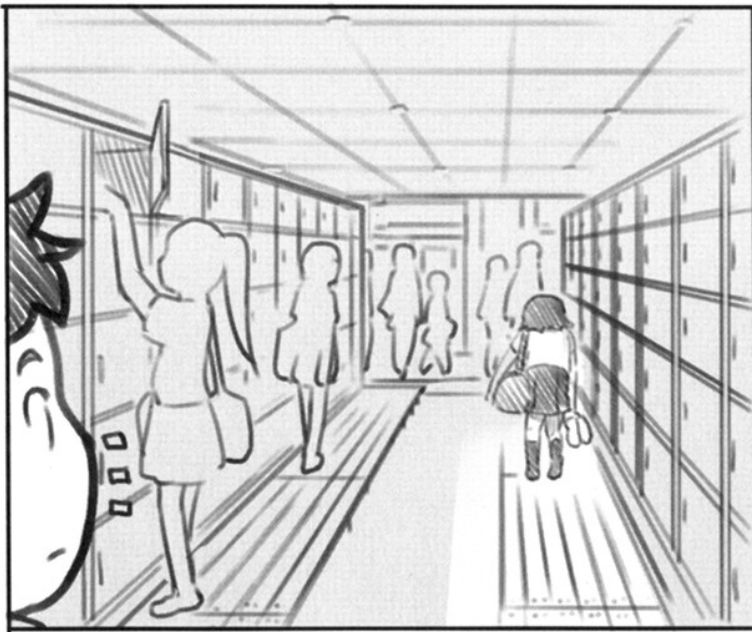

Sorry...

Sensei,
it's hot.

Move!

Afterword

I tried drawing a plain, petite childhood friend NTR.

I'm always looking for an easier way of doing backgrounds,
lines and things like that.
