"TAKE OUT THE COMMANDER"?

WHAT'S GOING ON?

YOU DON'T NEED A CHARM STAT IN AN FPS!

AND WHO ARE YOU!?

It's got "Charm +30" on it, so it's pretty good, okay?

That's a rare outfit that you got from our ongoing New User Campaign~

ISN'T HE, COMMANDER?

WOAH. WE'VE GOT A REALLY NICE FIND HERE.

OH... MAKES SENSE. THAT'S HOW IT WORKS WHEN THIS HAPPENS IN ANIME.

You don't seem very surprised by this...

OKAY. ALL I'VE GOTTA DO IS DIE HERE AND I CAN RESPAWN BACK AT THE START, RIGHT?

Learn from this and never resort to real world violence again, understand?

It'd be nice if we could meet again.

Comments: You can't take the match seriously if you're gonna play a PC FPS using a controller. Come on, man. That's like putting one hand behind your back and complaining that you can't win. Anyway, story seemed like your typical F2P mobile game, with your typical F2P mobile game player. Nothing out of the ordinary here.
