Hello...
This is Sanae
Tachibana...
As for what
I have
been doing
recently...
I will tell you
all about it...
OK?

I never
thought that
the gloomy
and quiet
Tachibana
in our class
would know
how to please
guys so well!

She's
extremely
skilled in
blowjobs!

Hey,
could you
show up
where
you pee?

Are you
serious!?

...Yes!

I have changed so much too.

I have been talking to a boy other than Kuga in school...

Last Sunday, I was taken to a public bath house near the sex condominium I'm living in.

The guys who were staring at me and my naked body on their way out of the bathhouse immediately returned inside.

Since the owner managing the bath house was a very old man, I was able to go into the men's section of the bath house without any difficulty.

It was fun seeing the various reactions of the guys inside the bath house.

わ
あNaah!?
!?

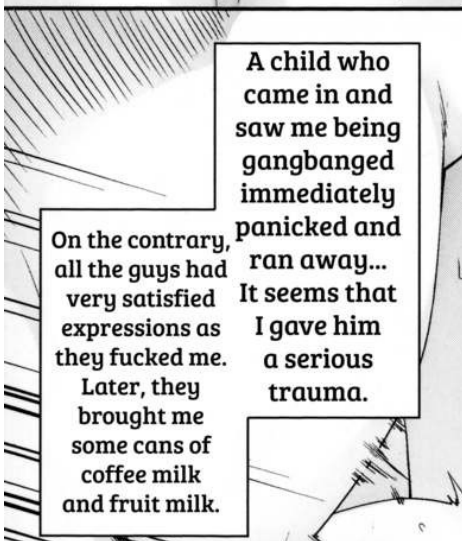

おお
Ooo...oh!
あ

If I spread my pussy here as a little prank...

There are some guys who came very close to me and openly masturbated. However, I ignored them for a while.

On the contrary, all the guys had very satisfied expressions as they fucked me. Later, they brought me some cans of coffee milk and fruit milk.

A child who came in and saw me being gangbanged immediately panicked and ran away... It seems that I gave him a serious trauma.

I was held up above the huge bathtub and everyone who was there started fucking me in turns.

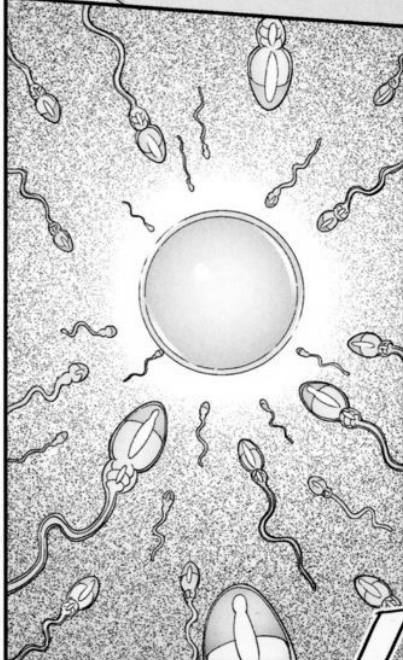

Today,
me and
Kuga are
having sex
alone and
we have
been doing
it since
Saturday
night.
♡

Kuga...
Last week,
Aria-chan
was hogging
you all for
herself...
This week,
it will be my
turn to have
you all for
myself...
♡

Mouu Kuga,
you already
cummed
like 10 times
inside my
pussy!
♡

AAAAH!
♡♡

AH!
♡

Yes...
I love
you!
♡

It's because
you are the
girl whom
I lost my
virginity to,
Sanae...
♡

After
all...
