

Yeah, yeah, I know.

You're blaming me, I get it.

Ryunosuke! You've done it again!

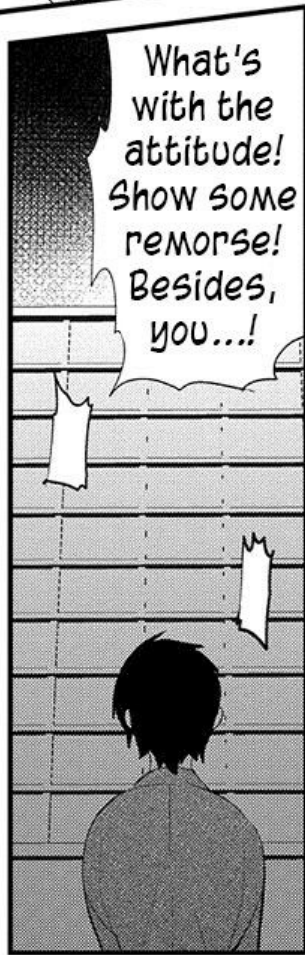

# 甘寝接待 三不むら

後篇

Ah, so you heard.

B-big brother ...

What's with the attitude! Show some remorse! Besides, you...!

Tora-jiro.

Why'd you take the blame?

You know I'm the one who did it...

You're the oldest son, don't you feel any shame?!

You are not even the heir to this house and yet you act so foolishly!

You have a lot of nerve showing your face in front of Torajiro!

You parasite!

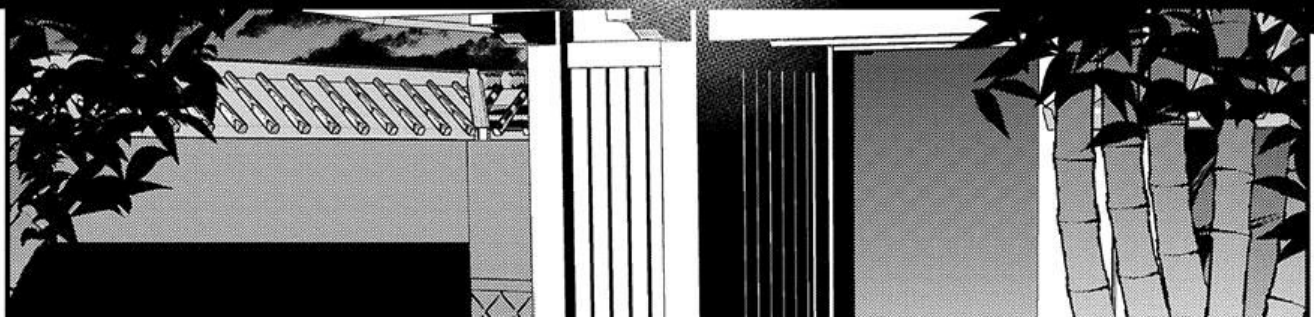

This house, my father, none of it matters to me.

So if I'm going to be useful, I want it to be for my little brother.

To my father, I am useless, which suits me fine.

And to that end, I would do anything...

You must be Ryunosuke's little brother, huh?

Brother ...

アッ

Did you just come to interrupt?

I c-came to help!

Pfft.

アッ

アッ

アッ

I have a pretty good idea of what you're thinking, but it's a misunderstanding.

You can understand by looking, right?

I wouldn't be doing this if I didn't like it. ♡

ははは

What'll you do now, Ryunosuke?

Looks like little bro doesn't believe you.

You're forcing yourself...

Liar...

If it means  
you have to  
do this, I'd  
rather we  
run away  
together!

I heard  
about it  
from Father!

You just  
don't get  
it...

Look at the  
expression  
on his face,  
kid.

Admittedly,  
it's damn boring  
for us if all they  
do is cower.

But your  
brother's the  
first boy  
we've had  
that's *this*  
into it.

And that is  
exactly what  
makes your  
brother is so  
amazing. Here,  
watch him.

Bastards,  
going off at  
the mouth...

He may have a weak constitution, but he's got some incredible talent for this!

And no matter what we do to him, he always responds to us with such dedication.

I mean, we're being careful enough not to break him, but we did come here to get some fun out this!

Your brother  
isn't the heir  
anymore,  
is he?

So isn't it  
better for  
him to live a  
productive  
life doing  
this?

We've  
always  
treated  
your father  
and older  
brother well,  
you know?

AH

Would you look at that, he's stroking his own dick now.

Don't just focus on yourself, you have to pleasure us too.

Hah

So big...

How's this!

Hnngh!

There's just no way...

He's just acting, right? He has to be...

What, do you think he's doing this on purpose?

AH

AH

Just what was he thinking to come this far...?

His entire body has been so bathed in pleasure

That he's got no will of his own anymore. He's just an onahole now.

Even if he were,

Are you sure?

AAAGH

Ahh, he's twitching again, begging my dick to go in deeper.

It really has become quite the incredible hole. Makes worth all the time we spent training you. ♡

Ahh, your ass is clinging to me and tightening up all at once.

Alright, why don't we have little brother join us now?

B-brother ...

I just can't believe it.

My mind doesn't want to accept it. That can't be my brother...

What? Do you not like it? That can't be it.

We're going to make your little brother watch up close as you take a dick in your ass.  
♡

You're just a human cum dumpster now, after all.

Uh-oh, not a very good older brother, are you? You got your little brother's face all wet with your juices.

Guess you can't hear me. You must be too preoccupied thinking about dicks.

Well, that's fine, comes with being young.

Let's take a break and then we can resume. We've got some good entertainment ready after all.

Ahh, my body's at its limit. I guess even though you're sickly you still have a lot of stamina.

Hurry... Run...

...

You want to participate?

Eek ...

Father ...!

I told you not to go, but it seems you went and looked.

Just like you have the duty of succeeding our house and name.

Do you understand now? That's his duty, his role!

Then his role will be over.

I have an important agreement with one of those men tonight

Of course I don't plan to make him do this forever, he is my son after all.

All I could do was trust that he was being honest.

Guh...

Really...?

Will you be okay?  
Going home by yourself.

Oh, come on, stop worrying about other people.

Okay, then be careful.

A few months later

You're not a part of this house anymore.

So it does you no good to be worrying about me, okay?

Got it?

Here's Pine.

Stay safe.

...

Don't say it like ...!

Just go! Or you won't make the train.

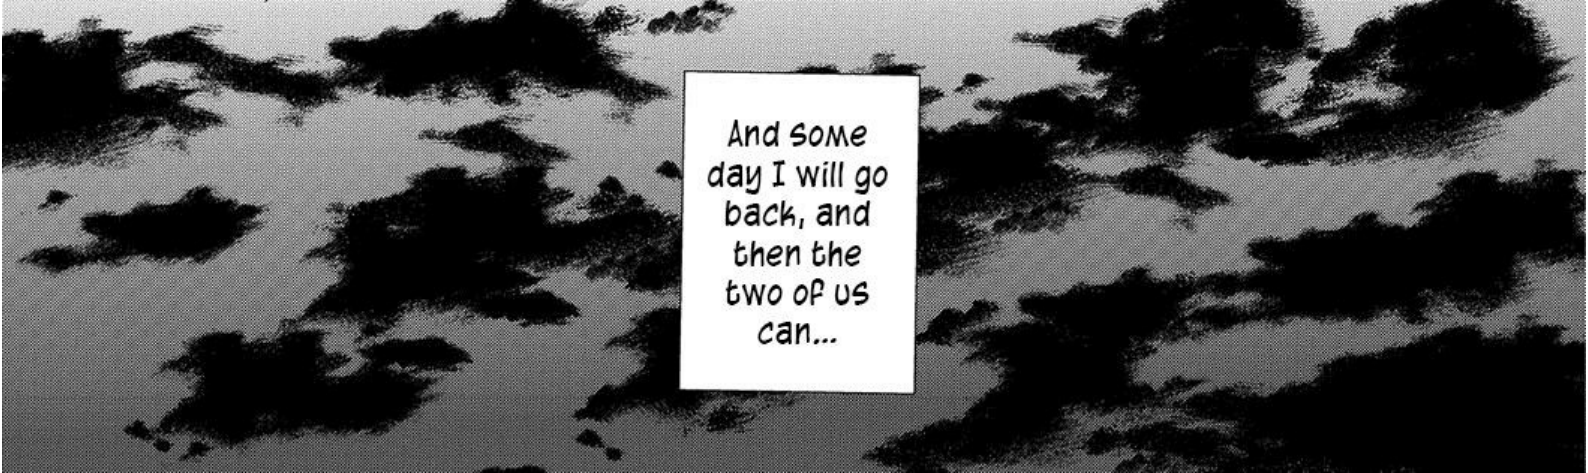

So this time  
it's my turn.  
I am going to  
leave to study,  
to help my  
brother and  
our house.

My brother  
has worked  
so hard for  
so long,  
all for me.

I am  
worried  
about him  
and  
father,

But I just  
have to  
trust them  
and work  
hard.

And some  
day I will go  
back, and  
then the  
two of us  
can...

I Finally...  
Helped My  
brother  
escape...
