Big brother, you're the worst...♡

Locking a girl in the gym storage room...

And forcefully raping her tits like this...

Shut up... You brat!

Thanks to you, I couldn't focus on class at all!

Sending me a photo like that out of nowhere...!

It's PE in the schoolyard starting now,

Big brother, you lolicon titty-alien♡

Desperately thrusting your hips while grinning like an idiot...

Did you want to violate my boobs that badly?

Fwah...

Yan

Pant... pant... As punishment...

With this vulgar big-tit pussy,

You're going to calm down my hard cock...

Drip

You made a semen bridge right in my cleavage...♡

Big bro, your semen is all lumpy like jelly.

Your hips are grinding so hard... Ah!♡

You... ahn!♡

My dick is so swole, damn! ♡

I'm not gonna let you off the hook now, no matter how much you whine!

Making my dick twitch with that flirty voice of yours...

Hitting my cervix like that is cheating!♡

Su! (Slip!)

Please, forgive me already!♡

I'm gonna fill your cunt with super thick cum!

Haa, haa... I'm about to cum!

Ngh... It's coming out!

I said, don't apologize!

For riling up a man's lust with that cocky attitude...

You'd better regret it good and hard, you little brat!

Damn it... on such a hot day too.

I can't believe I let my guard down...

You know what'll happen if you refuse, right?♡

Today, I'm going to make you understand thoroughly...

You...

Ehhh? Ren, I have no idea what you're talking about~♡

Besides, the whole reason you made me be the cameraman...

Was so you could seduce me with a live cheer dance and milk me dry, wasn't it?!

We might actually make it pretty far this summer♪

Man, today was a total blowout victory.

Phew... just made it in time.

Ah, crap! It's gonna leak...!

Speaking of which, did you see that? The cheer club's support.

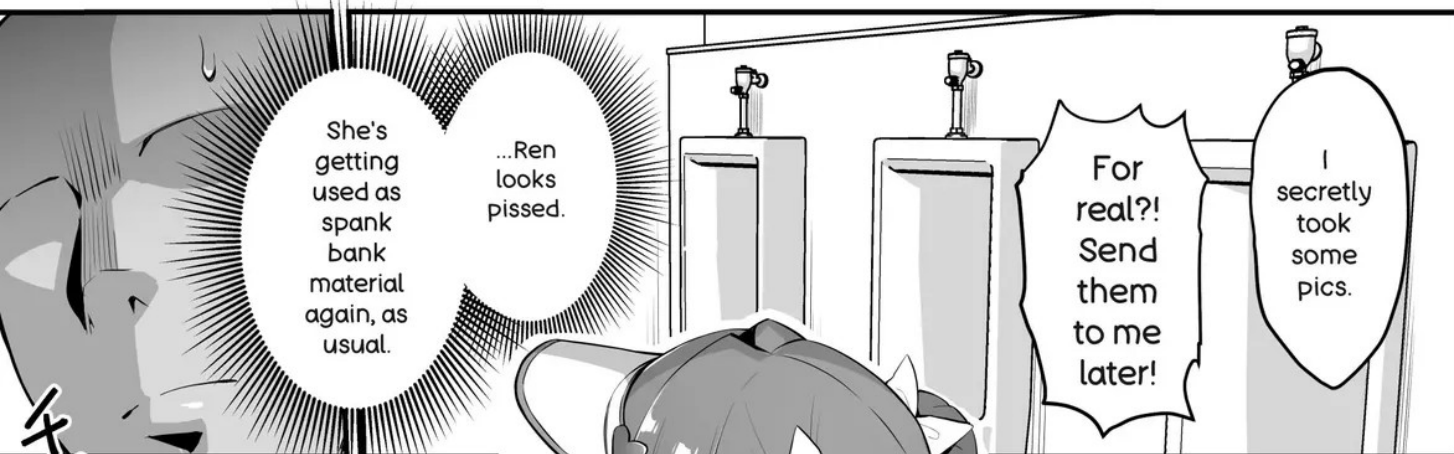

Oh, I saw, I saw!

Nngh...

Ren... don't make a sound, okay?

Crap... are those guys from my baseball team...?

No way the guys around her are gonna leave a girl that cute and incredibly sexy alone.

Right?

No... I said I'm gonna cum!

It'll be over soon, so stay still...!

It feels so good to ravage the real thing right in front of them! <3

While listening to other guys talk dirty about love...

Do you think Himemiya-chan has a boyfriend?

Nah, surely she has one.

He probably makes her do crazy, kinky, erotic cosplay,

and uses her like a sex toy, fucking her brains out, right? <3

He definitely drags her to his room every day,

Her boyfriend is so lucky...

I'm so jealous he gets to do whatever he wants with a busty beauty like that. <3

I'm gonna cum inside you, Ren....!

I keep wishing I could have raw sex with her~♡

Man, just once, I'd love to try it with Himemiya-chan.

Just the tip.

If I could just creampie that crazy-hot body of hers as much as I wanted...

I bet it would feel freakin' amazing♪

Better hurry, or Senpai's gonna get pissed right away~

...Oh shit! We better head back!

I can't believe I got roped into dealing with Ren again...

Mm...

And here I thought I was finally going home...

Sigh...

REST 2 Hours ¥3,000~ STAY Overnight ¥5,000~

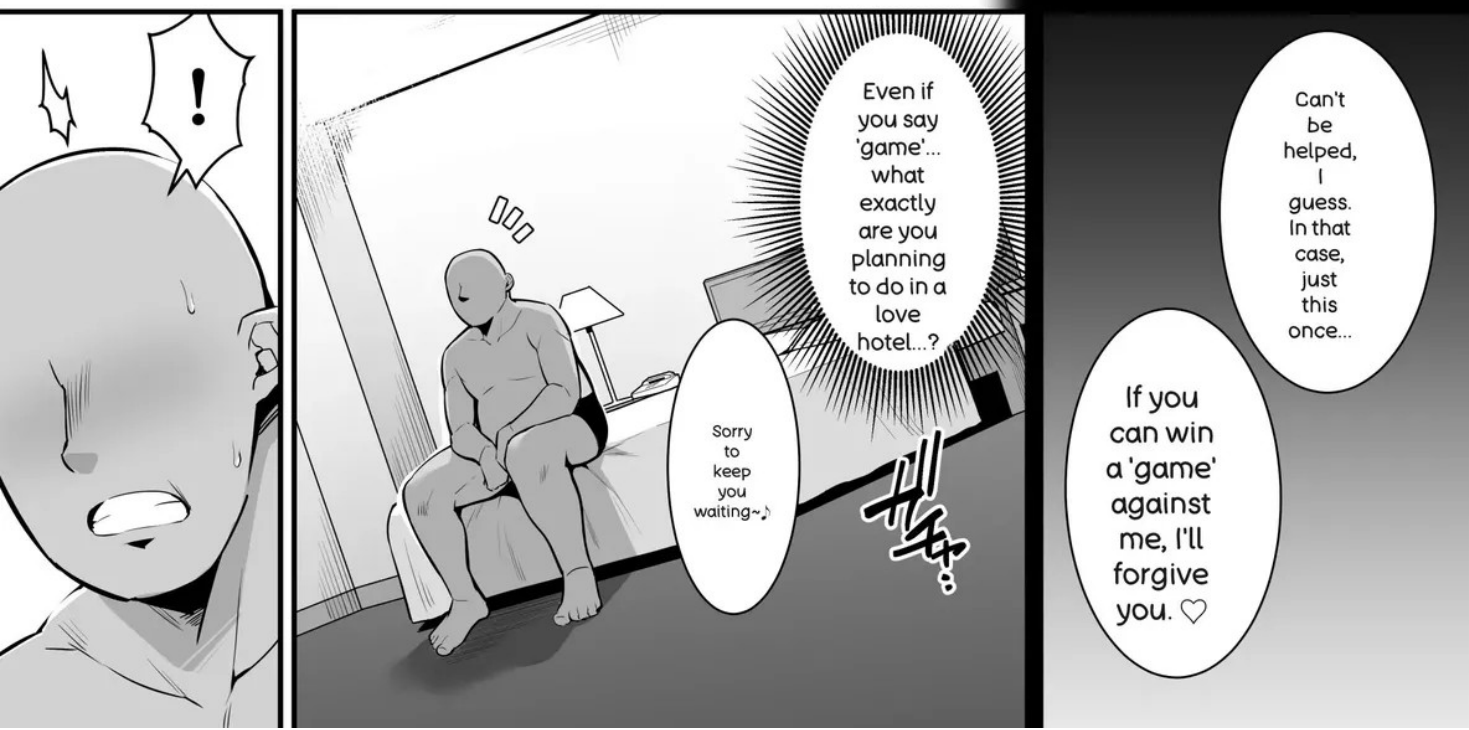

I really will call the police, you know?

You pervert! You rapist!

Well... this time it really is entirely my own fault...

Jeez... going full ape mode in a situation like that...

Ugh... I'm sorry...

Even if you say 'game'... what exactly are you planning to do in a love hotel...?

Sorry to keep you waiting~

Can't be helped, I guess. In that case, just this once...

If you can win a 'game' against me, I'll forgive you. ♡

Wait...
that
outfit...

Natsu...

I
borrowed
a

If you can hold back from cumming and not go ape-shit within the time limit, you win, Big Bro.♪

So try to hold it in and not go ape-shit like you did earlier, okay?♪

I'm gonna perform a cheer dance in front of you now, Big Bro.♪

Let's call it the "Cheer for Your Cum-Control Game"♡

There's no way I can withstand seeing her exposed in such a lewd lost-prostitute getup...

Even her usual cheer outfit is erotic enough...

Oh my, oh my~?

See? Simple, right?

Could it be you lack confidence?

N'T UCH

DON'T TOUCH ME♡

Guess you'll just have to rot in your cage forever (lol)
