

Family Meals

Wow, Maya!
You're so slim
and stylish!

That's
a tight
and trim
waistline
to be
proud of.

But
such a
compliment
is wasted
on me...

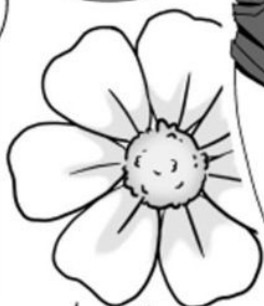

No way!
I mean
it!

Listen,
Yuu-kun.
I'm just
like this
because
I listen
to my
mom's
opinion...

Ah,
thank
you...

あはー

I really
just like
you...

No,
actually...

I really
like that
side of
you.

Maya is
such a
good girl
always
listening
to her
mother,

I Love you,
Yuu-kun!

Let me go!

Also
I just
happen
to be tall
so that
makes me
look even
thinner.

To be
honest,
I'm like
this because
I come
from
a poor
household.

He
called
me slim
and
stylish...

We don't
get to eat
very much.

Hey,
I'm
home.

Someone's
shoes?
Do we
have a
visitor?

You've
gotten
much
bigger.

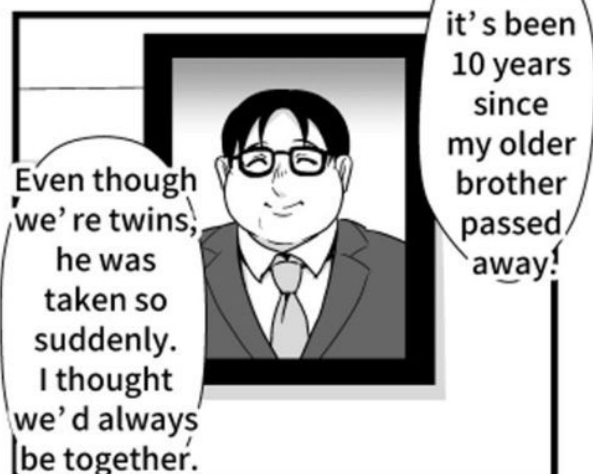

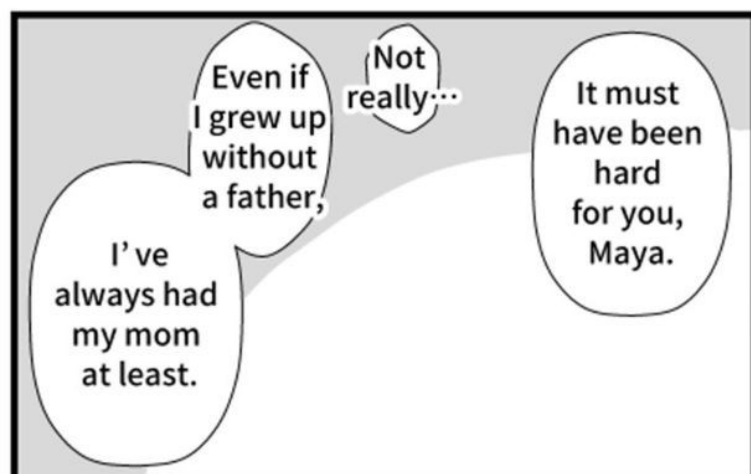

Hey
maya,
it's been
a long
time!

Welcome
home,
Maya.

Hey
mom,
I'm
back.

Uncle!

Do we
have
a guest
over?

Naturally, this is my favorite place to eat.

The cheese and hamburger steaks here are super delicious!

WHOA!

I do the routines for many sports teams at many different places!

Yup!

Wow, so little Maya grew up to be a cheerleader at school, huh?

Dad ...

何でこんな顔してるの？
お父さん、
お母さん、
お兄さん、
お姉さん、
みんな、
お揃いで
食事してるの？

If dad were alive today, I wonder if we would have had family meals like this together every day...

It's nice to be able to talk to a father-figure like this for once...

I was just remembering my dad...

S-sorry,

Ha-ha, it's because we look the same after all.

Whoa! Whoa!

Are you alright?

It was like my dad was alive again and I really did enjoy spending time with him.

And so, my uncle took me out to dinner almost every day.

Thank you! I would love to!

That being said, would you like to have another meal with me sometime?

Well I'm not your dad, but spending time is the least I can do.

EH?!

Haven't you put on some weight lately?

H-have I really?

Hey Maya...

Yeah?

CHUBBY

I mean,

you look like one of those fat Youtuber girls who wear skimpy things in public without realizing that people laugh at.

H-he's right...

I know you like to wear your favorite hot pants and such.

But seriously, shouldn't you be more aware of your body?

We don't have a scale or mirror at home so I guess I never really noticed...

This is probably because I've been eating out with uncle every day...

Maybe I did get fat...

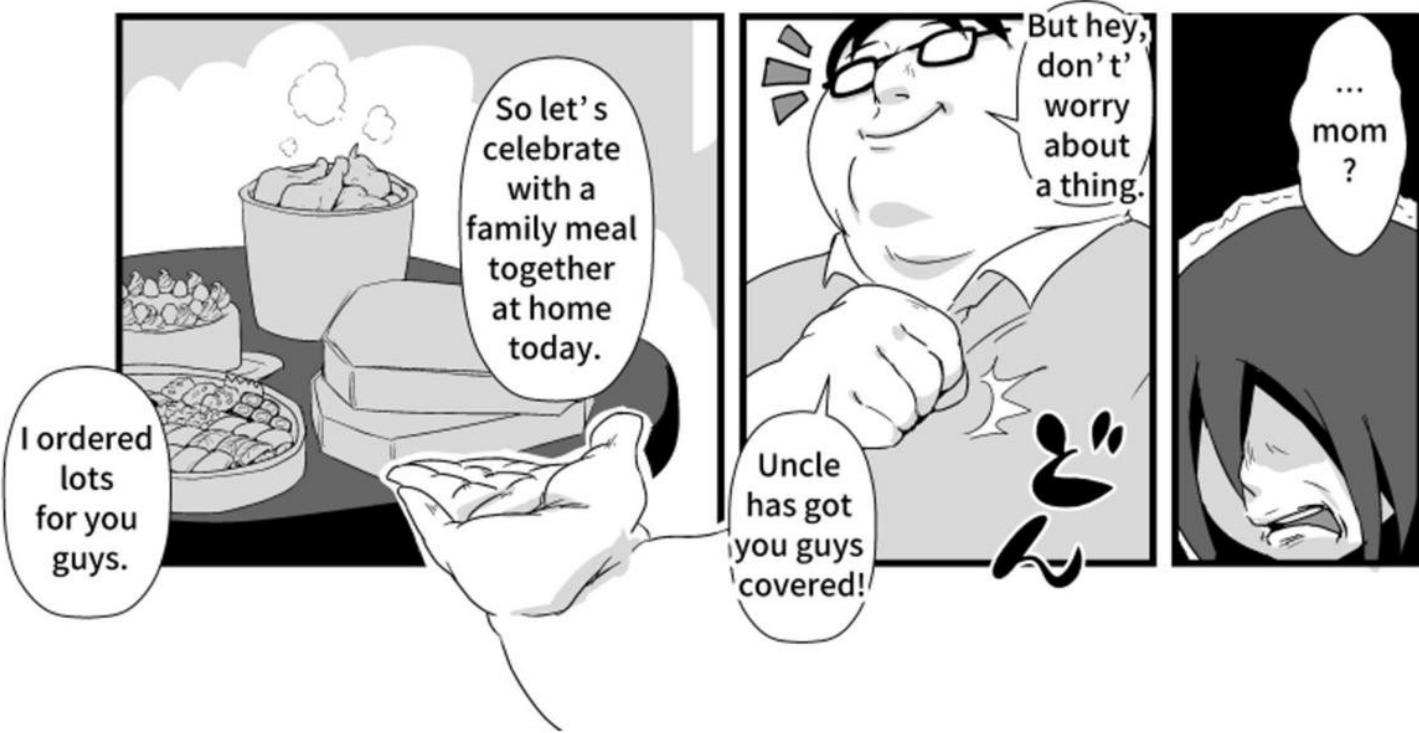

From this day forth, I'm officially on a diet!

I don't want Yuu-kun to hate me after all!!

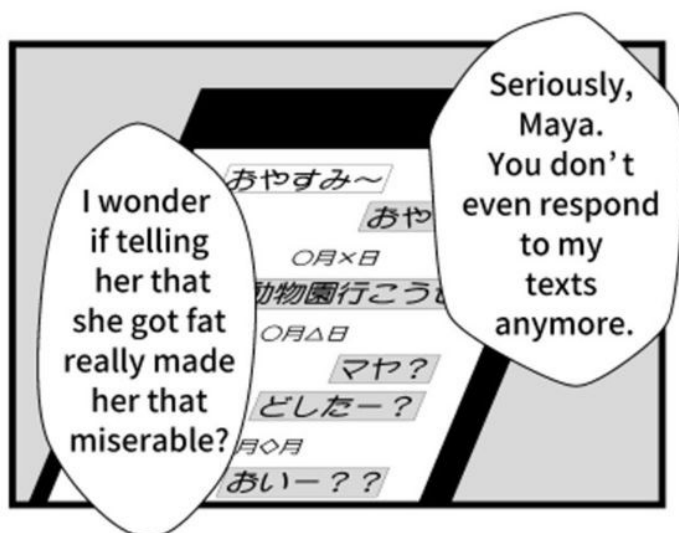

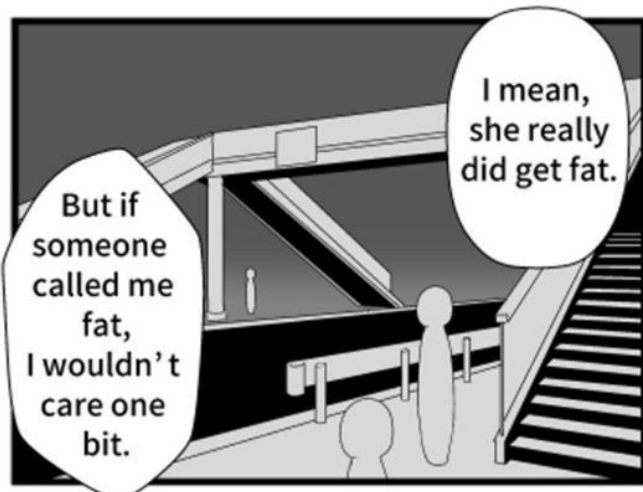

Alright,!

I guess I'll have to cut back a bit!

How have you grown so huge?!

It's fine, I don't mean to trouble you...

If it's how you feel about me after what I said, you can tell me anything.

Is there something going on?

It's fine, I've got no problems at all.

Alright!

Heh-heh, I'm just Maya's uncle.

Whoa! Who the hell are you?!

Hey Maya! What are you doing?!

Stop eating!

Wait a second, you're eating again like it's a reflex.

Everything has already been taken care of.

She looks and feels just like her.

So nostalgic.

Ah this feel...

My mother, Maya's grandmother, was of Russian heritage. And she was a big woman.

It seems like she takes right after those genes.

m...

M...!

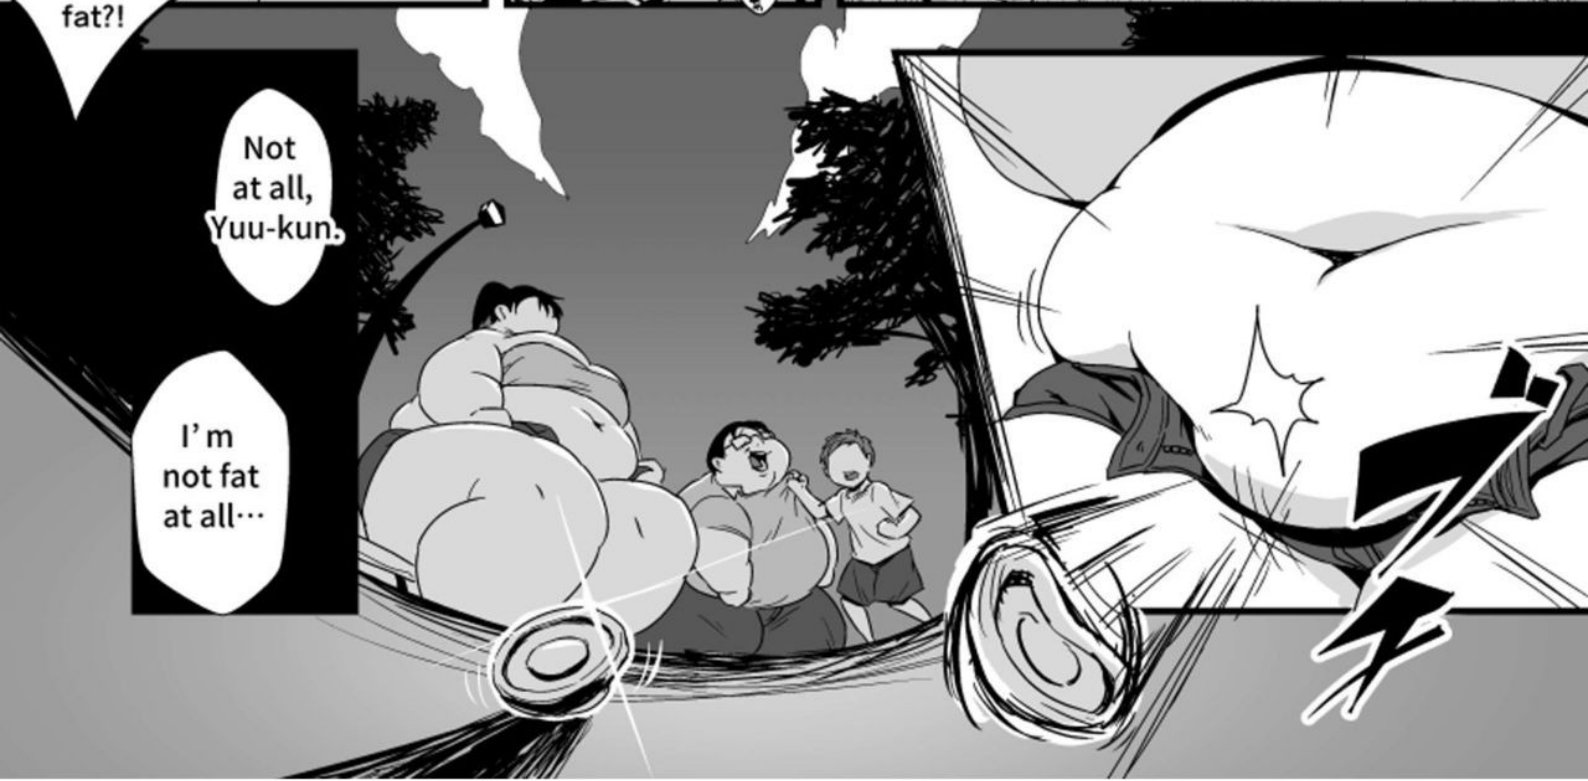

Let me feed you and fatten you up even more.

So you're the one who made Maya fat?!

Mother!

Oh mother... how I've missed you!

Not at all, Yuu-kun.

I'm not fat at all...

It holds
the child
which
Yuu-kun
and
I made
together!

This
enormous
stomach
of mine...

Look
baby,
it's your
daddy♥

Come on
Yuu-kun,
give
my belly
a rub☆

My
breasts
have
gotten
so big
and soft.

It won't
be long
now until
I start
producing
milk.

Keep
suckling
and I'm
sure it'll
spray out.

Do you
like the
flavor of
my milk,
Yuu-kun?

If you
listen hard
enough
you can
hear the
baby's
heart
beating.

Put
your
ear
to my
belly.

Hey!

Can
you
hear it,
Yuu-kun?

Yuu-kun!

If
I press
my belly
into you
more,
you'll
be able
to hear
it better.

Yuu-kun!

ヒッ

Yuu-kun!

Yuu-kun!

Yuu-kun!

Yuu-kun!

I'm
looking
forward
to it!

Giving
birth to
our baby!

Yuu-kun♥♥♥

I wonder if that means I'm going to give birth soon.

My belly has gotten so big!

Lookie, lookie, Yuu-kun!

Mmm~

It's delicious!☆

I'd better eat lots and lots to keep our daughter nice and strong.

Evaluation meeting

Um,
maybe
Yuukun
got
smaller.

Hey,
didn't you
grow
too big?!?

Technically
it's
either way

She's at least
double his size
judging by
his hands and feet!

I decided to draw something
I don't normally do just for fun
