Tsu-gu!

Tsu-gu...

gu...

I'm sorry, dad

I'm sorry

I'm sorry

Dad

Ah

Why do you do things that make daddy worry!?

Stop

Hurts

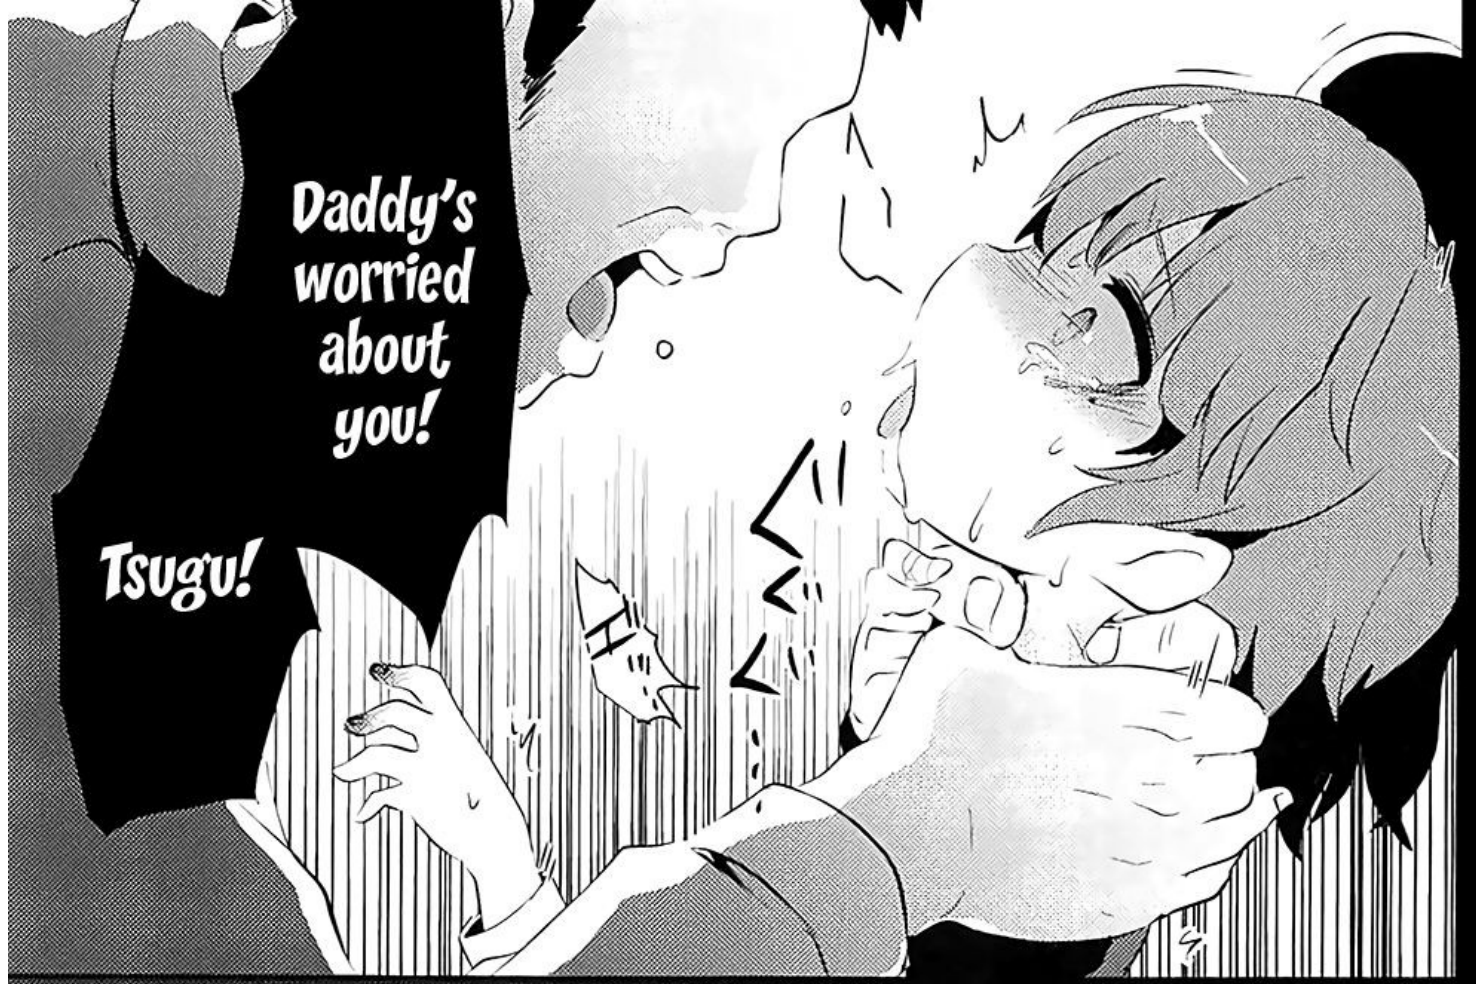

Do you hate daddy that much!?

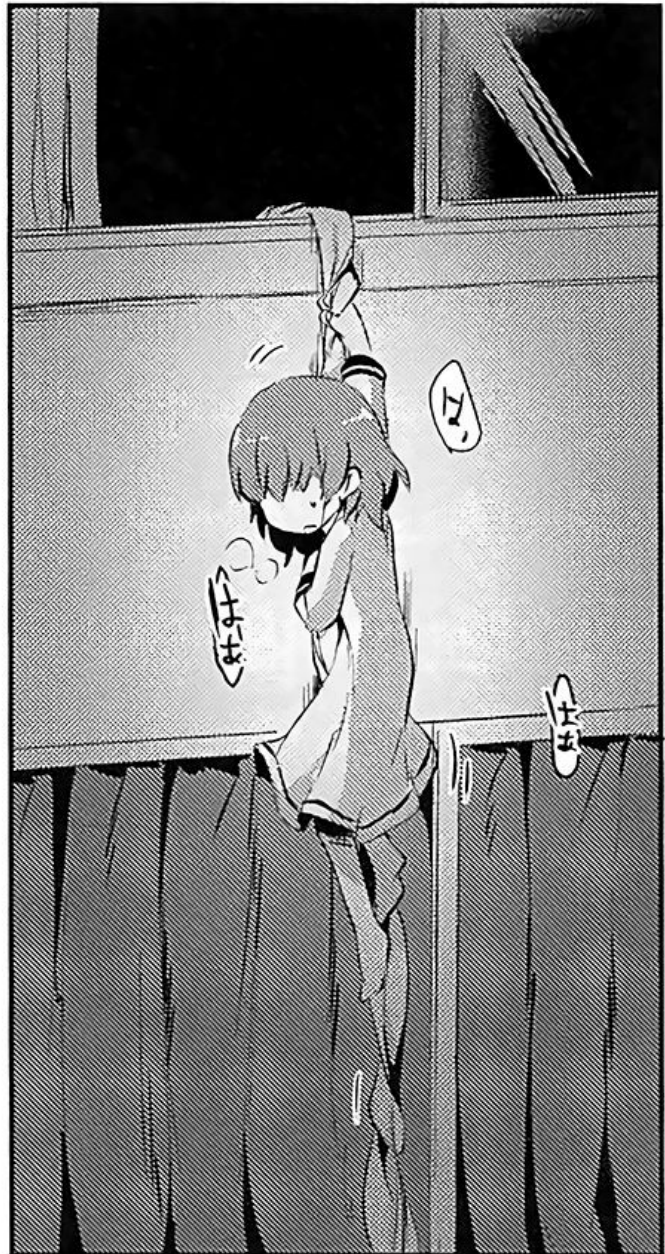

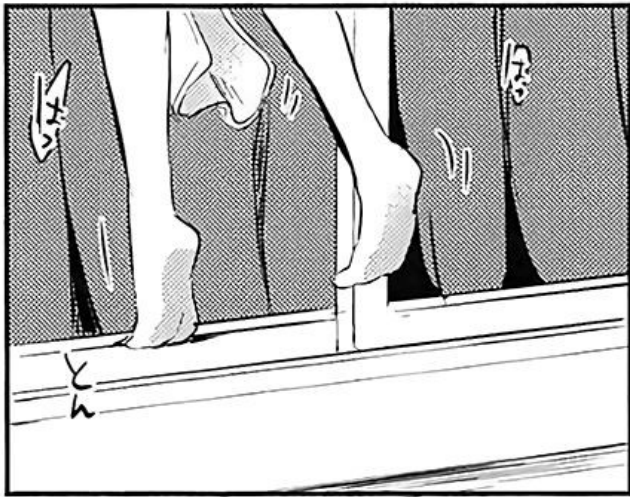

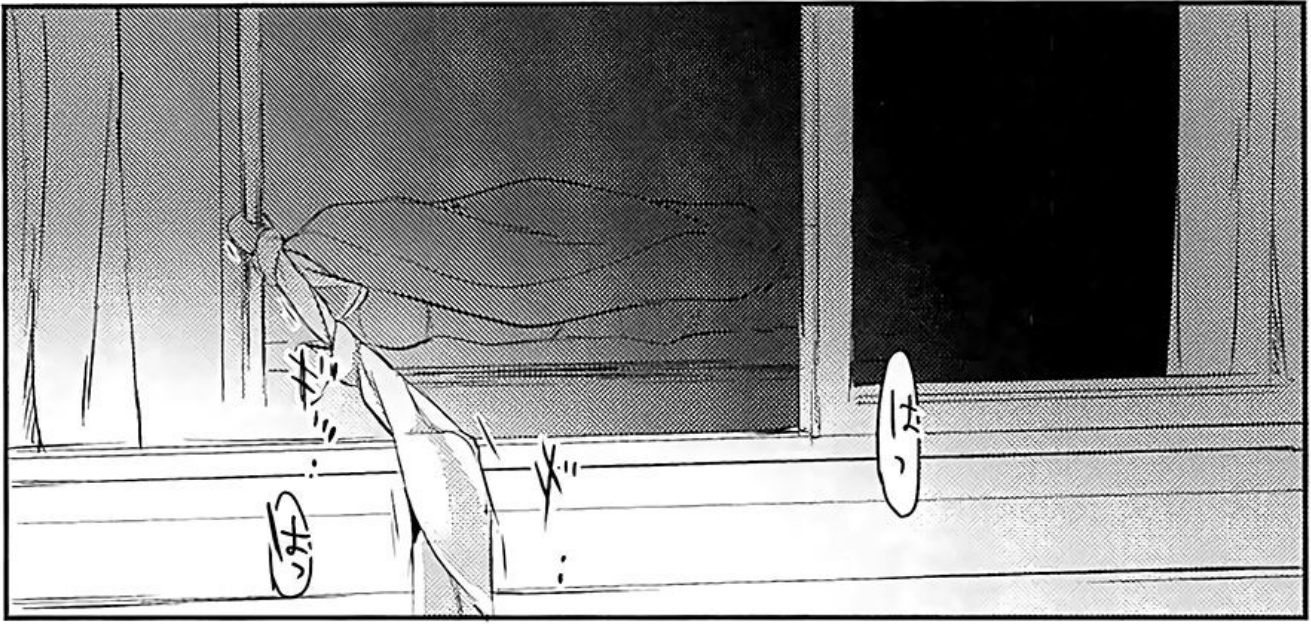

Hurts

Help me

Mommy

Oh

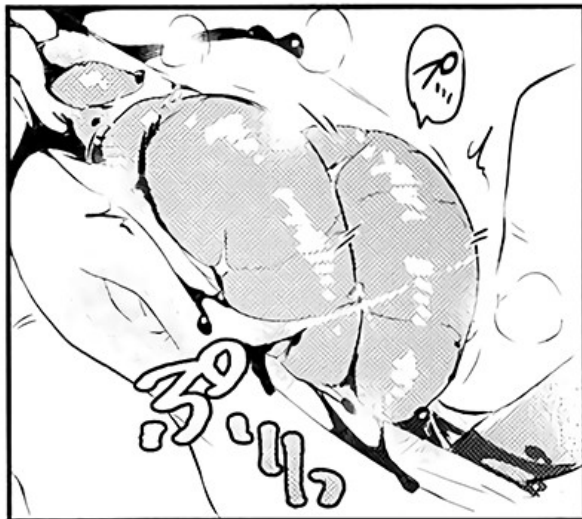

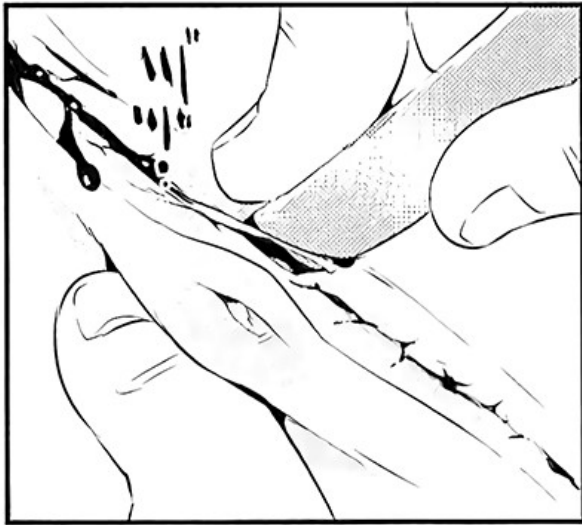

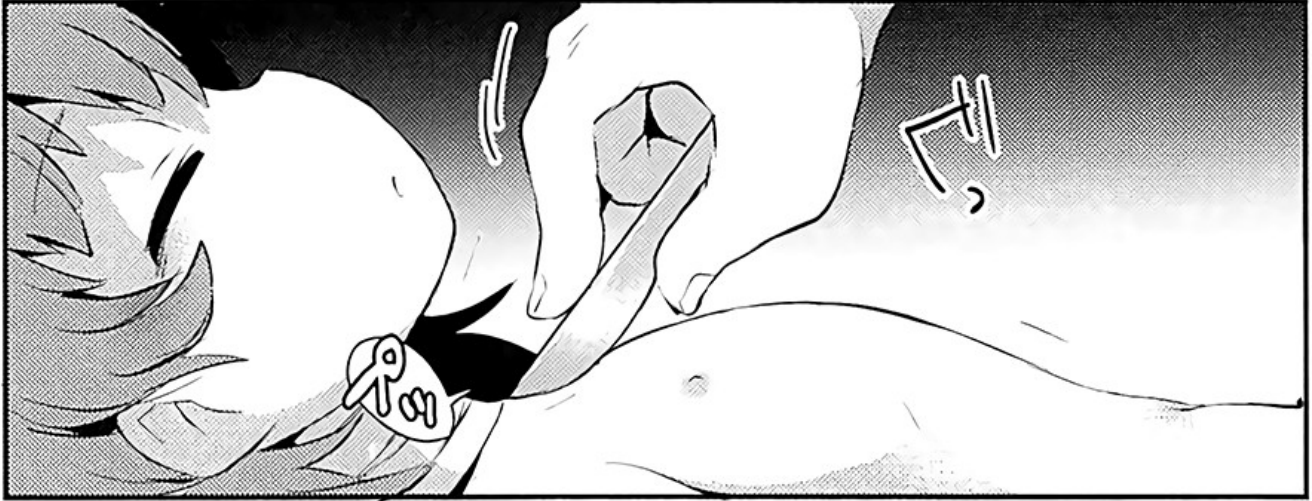

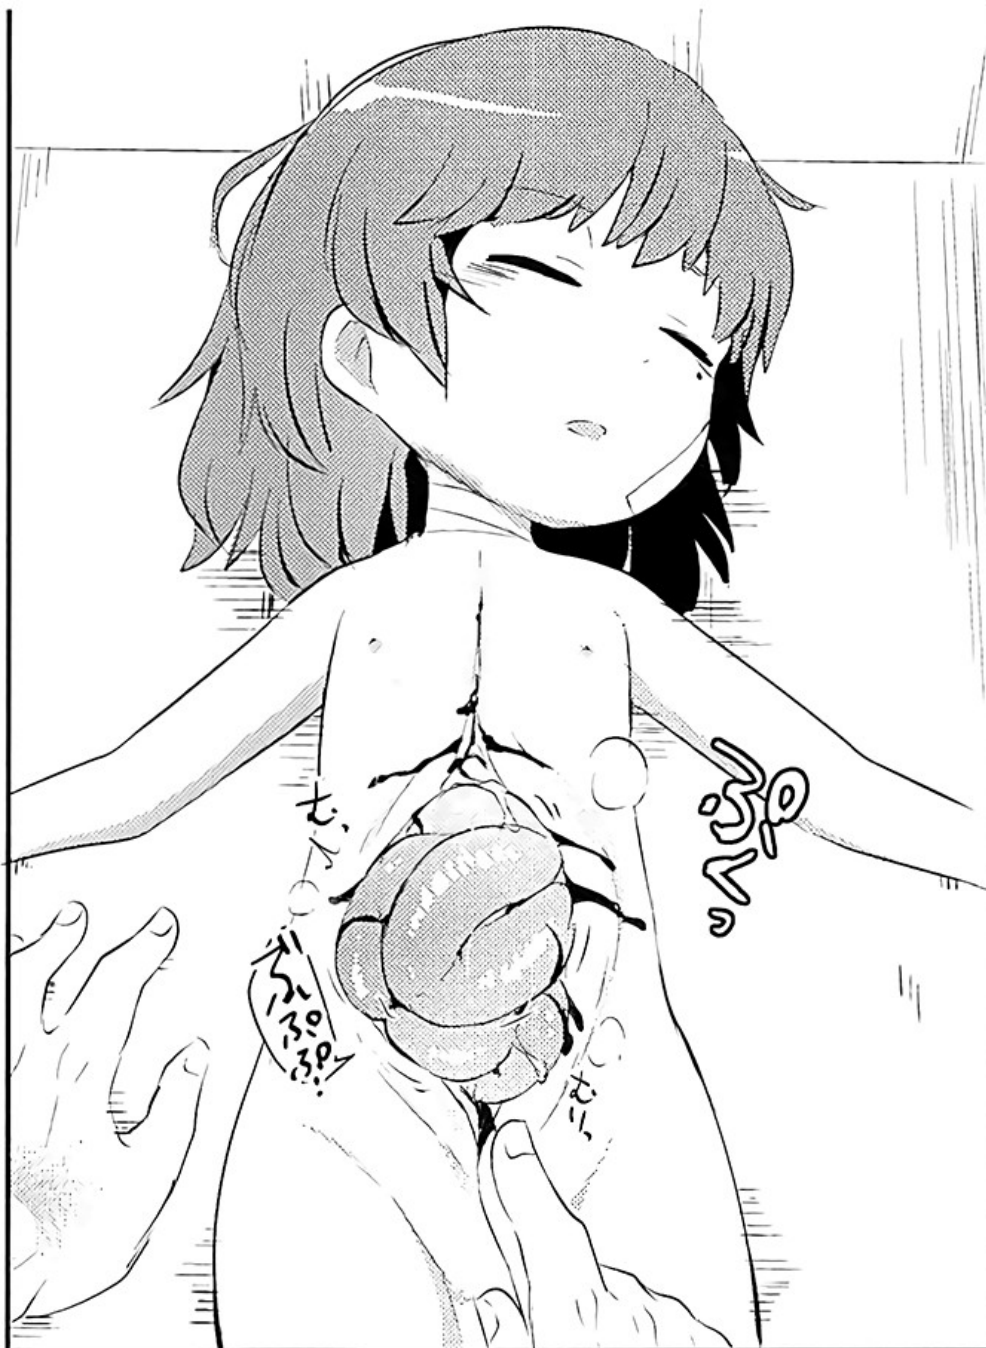

わあ
わあ。
わあ。

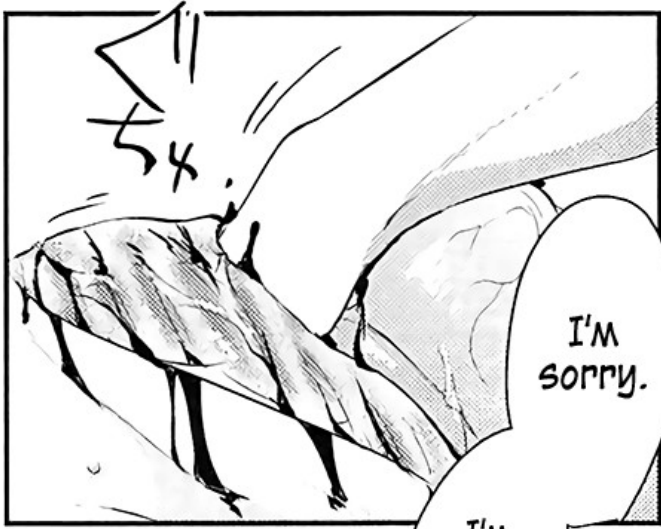

Ahh...

You wanted to live longer, didn't you...

I'm sorry, I'm so sorry...

They're still... Moving...

I'M
sorry.

I'M
sticking
my hand
in.

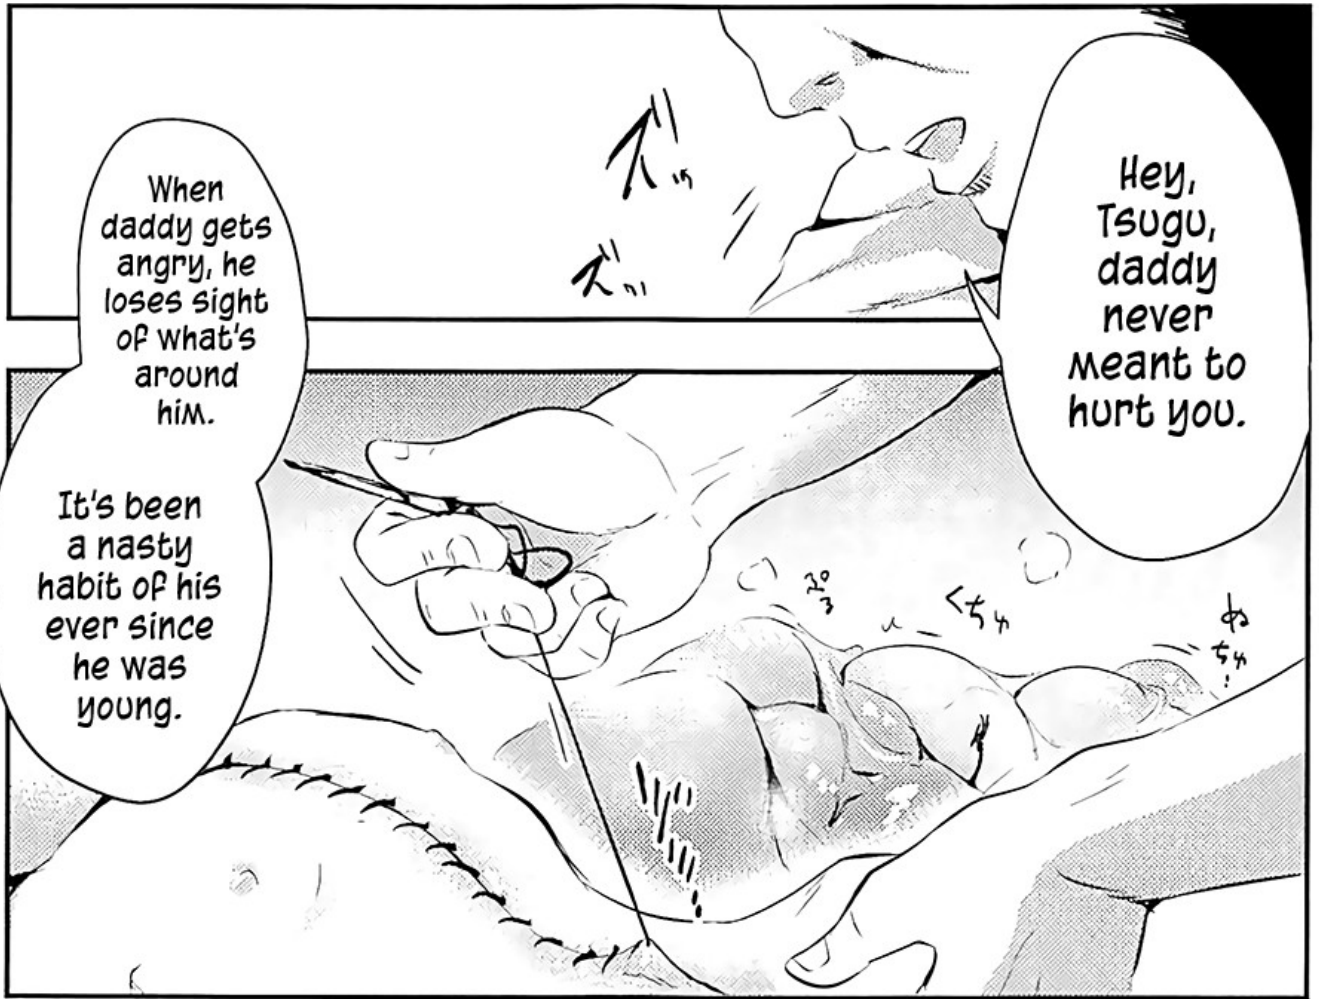

I'M
sorry.

I'M SO
sorry...

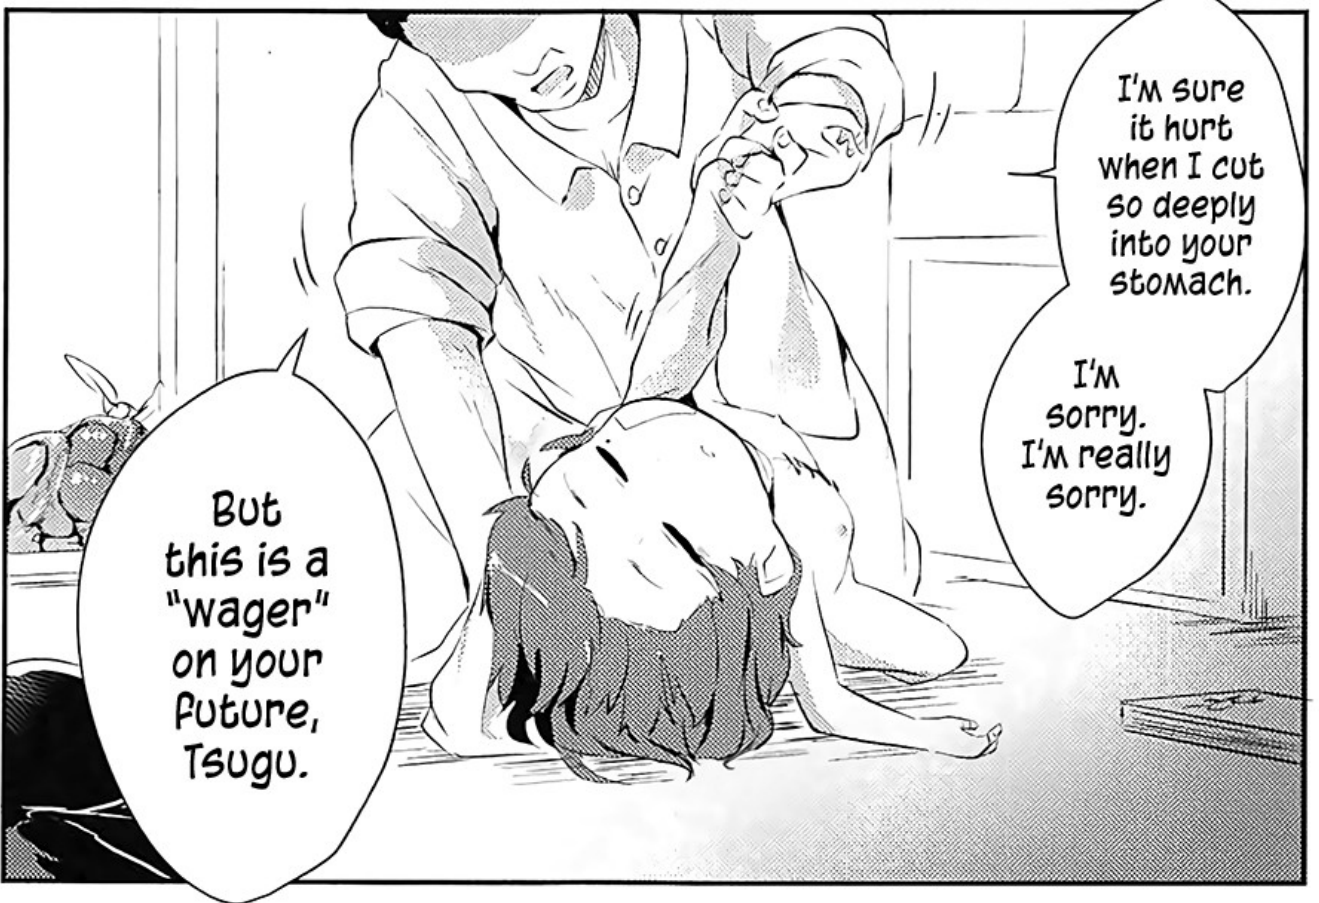

I'M
pulling
them
out.

When daddy gets angry, he loses sight of what's around him.

Hey, Tsugu, daddy never meant to hurt you.

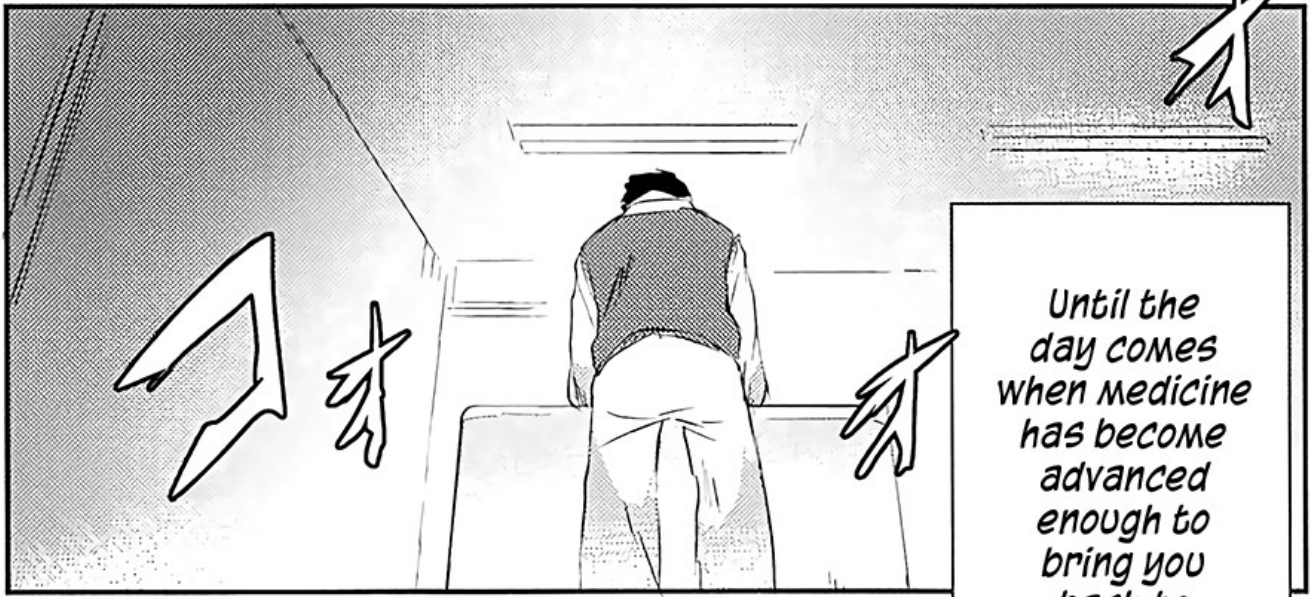

It's been a nasty habit of his ever since he was young.

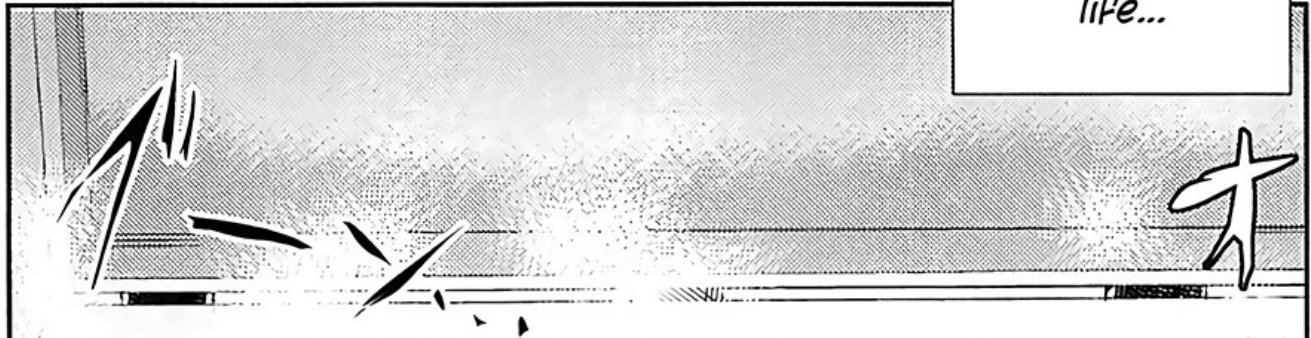

I'm sure it hurt when I cut so deeply into your stomach.

I'm sorry. I'm really sorry.

But this is a "wager" on your future, Tsugu.

Until the day comes when medicine has become advanced enough to bring you back to life...

Daddy wants you to stay here and rest, Tsugu.

*Don't
worry.
Daddy
will bring
you back,
one way
or ano-
ther.*

*But
until
then
you'll
wait here
and be
a good
girl.*

*Good
night,
Tsugu.*

December 18th

I got a life expectancy estimate from a doctor.

I decided to keep a diary till the day I kick the bucket, even if I don't write much.

Today I went to see Tsugu for the first time in a long while.

She's still sleeping there like the good girl she is. She looks so cute.

January 5th

Android body, cryogenic sleep, total organ transfer...

I considered a lot of options but none of them are realistic.

As you grow older you become less and less able to understand this stuff, I suppose.

I went to check on Tsugu again today.

She's as cute as she's always been.

I need to do something for her.

January 8th

I found out there's something called virtual You... You-whatever it was.

They're apparently 3D girls who can talk and move.

It sounds interesting. I'm gonna look it up.

February 16th

I got a mail from that salesman. It was about the prototype being finished.

I watched the video he sent with the mail.

Ahh... it was wonderful. It's just like she came back to life.

I think her voice is pretty similar to Tsugu's as well.

I replied 'please proceed with it like this.'

March 2nd

It's been several days now since the first video was posted.

Apparently it's got quite a lot of views.

Everyone's watching Tsugu and saying she's really cute.

I'm happy. I'm so happy.
