君

Y-YOU SERIOUS?

君

YEAH, LOL

君

YOU WANNA TAKE MY PLACE TODAY WITHOUT MY MOM KNOWING? LOL

Git gud at head and dat ass will be yours. It's so easy even a kid can do it. **RIGHT, MOM?!**

~Ish eat tha pussy...♡

So you're telling me that thick, gorgeous woman down there

Is your new mom and she 'lets' you fuck her? No rape, no drugs or even a lil blackmail required? How?!

It's quite simple, actually. There's an ancient but powerful art not many guys know about. All you have to do...

Yess! Right there~!! Stick your tongue in it!! ♡

Keep this up and I'll give you something really nice later!!

Good boy~! ♡

Theory of how a hypothetically woke shota might be a Don Juan.

Well, that 'might' be true for girls, but women are more refined.

lol, man GTF0'ere! Girls don't want oral, they want 'the dick!' Everybody knows that.

Special Thanks Joselillo, mangakam

One of his super powers..!

Y-Yea.. I get it now..

You mean to say that if a kid were to be some sort of junior sex god, then cunninglingus would have to be...

A boy pulling a grown ass woman this hot because he eats her pussy.

That's why most porn is just blowjob and fucking. You almost never see anything like say..

Rrrrr..

But the sad truth is most guys are too dumb to truly appreciate a woman's body.

It's kinda like.. they've had plenty of dick in their life and they just wanna settle down with a really good mouth, y'know?
