Hello to those I'm meeting for the first time!
I'm Miyasaka Naco. *
Thank you very much for picking up this book!

This time I've come out with the second manga installment of
my favorite postergirl Koron-chan being lewd!
There was a bit of a hiatus between this and the first volume
"Cat ears are the punishment", but I finally did it ><

I wanted to draw something in the spirit of summer
And was thinking back on how much I enjoyed wearing a yukata
So I tried drawing Koron-chan with a different look.

I started this project with even less time left before the deadline than
usual, and adding the yukata design took quite a while so I was getting
pretty anxious ; ;

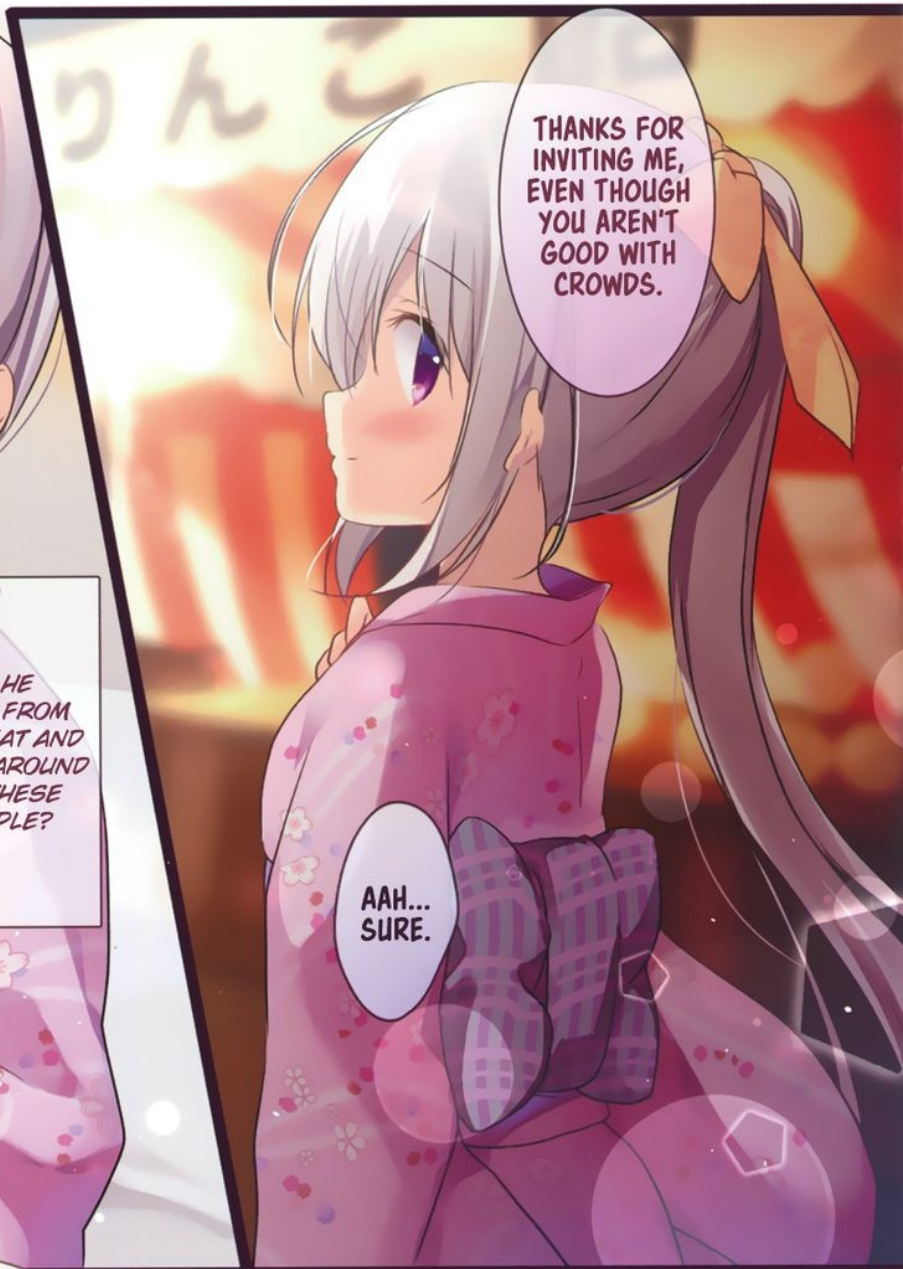

I'd like to draw a lot more of Koron-chan,
so I'd be happy if it strikes your interest ^ ^

With that, I hope you'll keep me company until the end of the story★

SHALL I
PREPARE
SOMETHING
COLD FOR
YOU?

IS HE
TIRED FROM
THE HEAT AND
BEING AROUND
ALL THESE
PEOPLE?

THANKS FOR
INVITING ME,
