

Place of Emptiness, Season 1
#1 - Hiko is a Record

Comic by <http://timesignalman.blog79.fc2.com/>
Translated by Anonymyeh

10 Minutes Later

All right, my
Hiko-shaped,
stupidly-posed
chocolate
is done.

Ojou-sama,
why do I
have to
go in the
chocolate?

Are you too
embarrassed
to go in the
pool yourself?

Just
fall!

You
told
me to
take
off my
clothes,
but...

Right.
Now jump
into that
chocolate
pool.

#6 – Hiko is Dead

Comic by <http://timesignalman.blog79.fc2.com/>

Translation by Anonymyeh

Phew, living wild with Polymorph Animal isn't half bad.

But I must have eaten something that tasted unpleasant.

I've been eaten by a nasty puma...

Hiko, what happened? Did the artist kill off your character?

I, I think I've died ...

Can you give me a body that won't be so clumsy?

No problem, I'll just bring you back to life again.

If you do ...

Looks like

me this
morning.

Get

here
for you.

It's
not a

else.

Hi-

what
the...?

Is this a
dream?

Aah, I used her as the cake's ingredients.

...By the way, Rui, I haven't seen Mei lately.

~Several days later~

Look out!

I made Mei-chan perfect again. **Mecha Mei-chan!**

Chain-saw?! Save me!

Why is everyone running away?

The end?
