Been a while, huh?

"Kono-hana"...  
...Wait, whaaa aatt?!

It's me.

Konohana Miki.  
We were in the Art Club together, remember?

What do you say we go for a drink to celebrate our reunion?  
♥

Aaall righty then!

Yeah... I'm just back home for my summer break.

If I remember correctly, you're studying at a university in another prefecture, right?

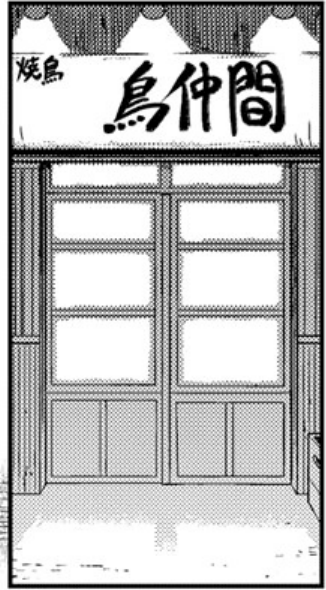

Huh, neat.

ガッ

That's the stuff...

Aahh~

ガッ

I'm just floating along where the wind takes me, I guess.

How about you, Konohana? What have you been doing?

...I don't have a girlfriend.

You spend the days fucking like rabbits with your girlfriend or something?

So, how's the university life?

Mm...

I don't remember you being like this back in school.

...What's happened to you?

ガッ

Then I ended up going out with him for whatever reason, right?

チキッ

Who-?!

I was kinda raped by this punk from my class, see...

...A bit before graduation...

So, I left my home and went to live with him.

...But, just recently, he started beating me pretty badly, see...

And I got pissed, so I left. I've been hanging out in manga cafés and the like for about a month now.

フッ

Aha-haha~

Come on, what are you apologizing for?

...Sorry.

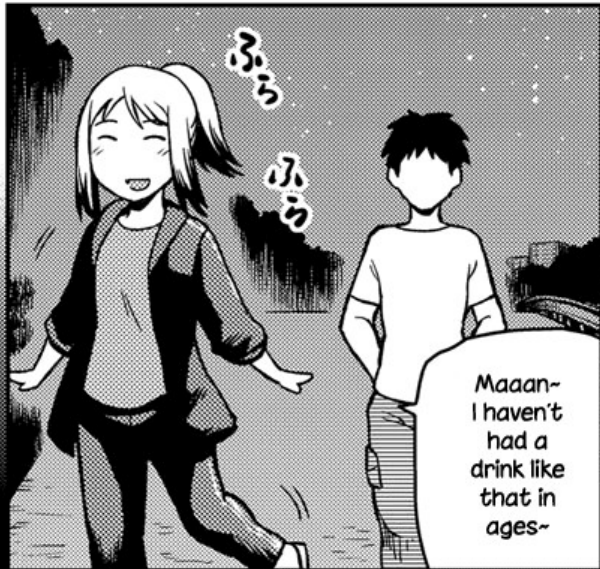

たにろや  
塩幸

Hey, remember the shrine that's close by here?

Why don't we stop by, for old times' sake?

ふふふ  
ふふ

Maaan~ I haven't had a drink like that in ages~

ふふ  
ふふ  
ふふ

...Yeah. Some... things happened, you know?

And I heard you dropped your plans on going to university, too...

You've started skipping school lately... Why's that?

Kono-hana!

...Thanks.

You sure are nice, Totsuka-kun...

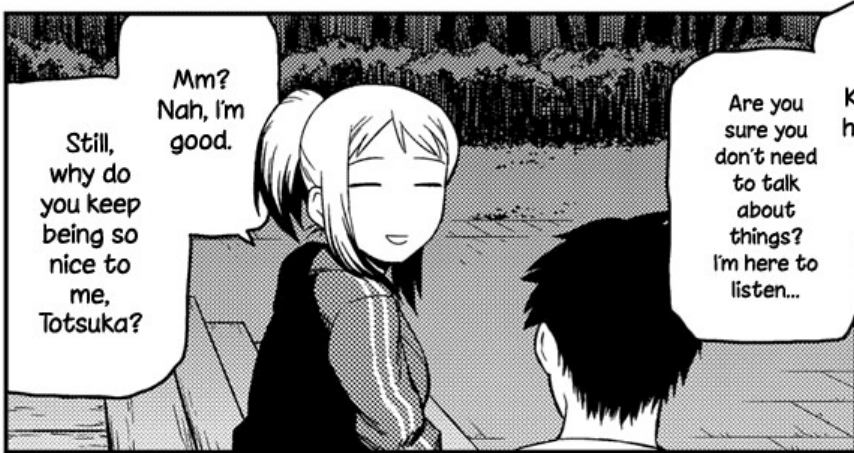

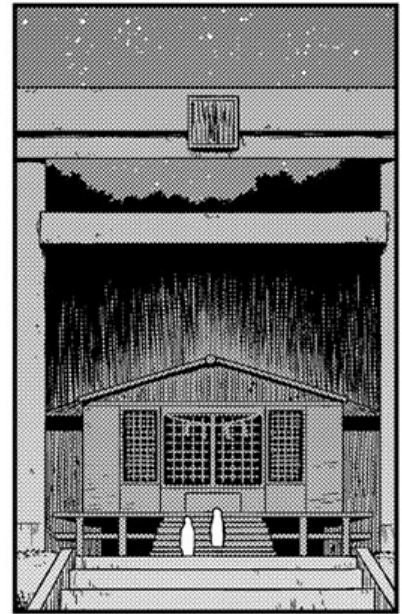

I, uh... I don't know if I'll be of much help, but...

If you ever need to talk about anything, you can come to me, okay...?

But man, this place really reminds me of all the times we came here to sketch with the Art Club-

Whew~  
Feel that breeze-

Mm?  
Nah, I'm good.  
Still, why do you keep being so nice to me, Totsuka?

Are you sure you don't need to talk about things? I'm here to listen...

Kono-hana...

Well, in that case...

So I just... wanted to help you however I could.

...I really liked you back then, you know...

And I... well...

Well, we were in the same club, right?

I've always been a pretty naughty girl, you know...

Huuh?!  
W-What are you-

I said we could talk about things!

I bet you didn't know that~

Well, you know- I haven't had sex in such a long time that I'm feeling really horny right now~  
♥

You could help me this way, if you catch my drift.  
♥

Kuuh!

That's perfect, then.  
Let's get rid of that virginity here and now!

I- No-  
Um...

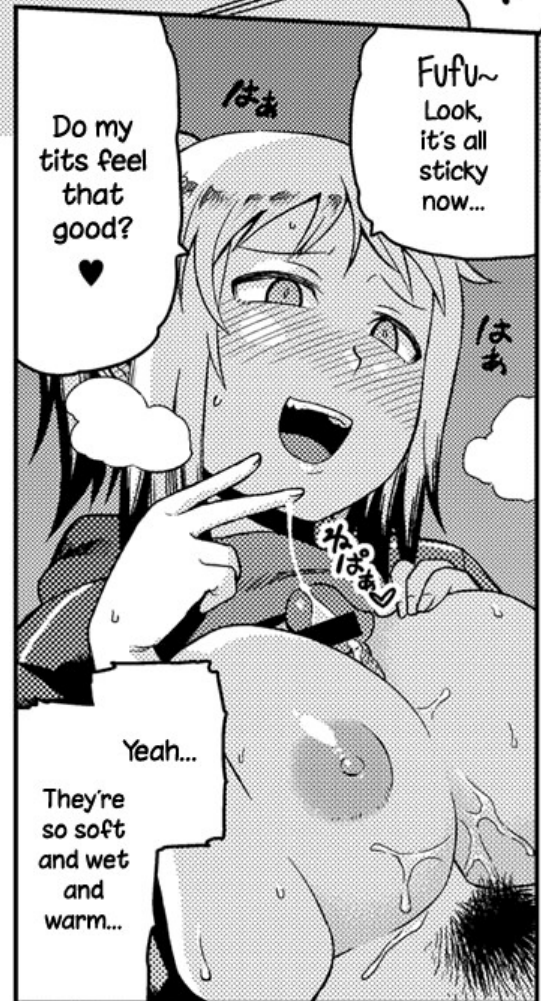

You said you didn't have a girlfriend, right?  
...So are you still a virgin~?  
♥

Ahaha~ Glad to hear it.  
You know... I'll let you do whatever you want with them-

Yeah...  
They're so soft and wet and warm...

Ah~ My nipples-

That feels so good-! ♥

HA

KUH  
HAH

H-Hold on a second! I don't have any condoms on me, though...?!

Now then... Say goodbye to your virginity~  
♥

Oh don't worry about it~  
♥  
My ex made me take pills, so there's no harm in doing it raw.

We can still keep going, you know?

So, honestly, I can't see much at all right now.

Well, I switched to contacts, but I forgot them at his place...

You used to wear them, right?

By the way, what happened to your glasses?

Hey, you hadn't changed a bit.

I'm amazed you even recognized me, then.

ひん

わん

I wouldn't mind starting to wear them again, Totsuka-kun~

But, well, if you say you like them...
