I would be very happy if you could leave a review or recommendation for my work!

Just one word, "That was good," will get me going!

<https://marshmallow-qa.com/hhhym4>

please!

Thank you for picking it up!

First of all, we have changed the name of our circle. People who come to our space seem to have a hard time reading it, so...
The content of the production will remain the same, so we hope you will continue to support us!

Also, this time I tried to draw in an illustration style, so
I apologize for the small number of pages...
Next time, I'd like to keep this drawing style and draw lots of pages!

This year I had to do a lot of maintenance on my body, so I wasn't able to write to my satisfaction. I still have some works that I haven't finished, so I hope to finish them next time...!
We hope you'll come to next year's event!
