Dark Her

Elf.

herself, one,

The spell is weakening...!

At this rate, I'm going to cum inside her...

Oh crap...
I'm going to cum...

Cumming!

G-Gotta pull it out!

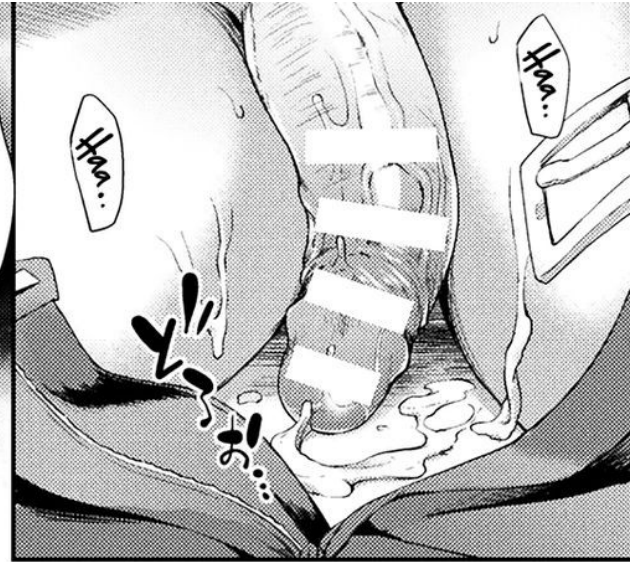

Aa hh

Nn ng hh!

Sensei's cum... I wanted it inside, but why...

No... Oh no...

On the other hand, our elders expect us to bear child with haste.

Outsiders treat us with extreme caution.

...I think you must've known already, Sensei, but we Dark Elves are few in numbers.

Sierre... W-why are you doing this...?

That's not true.

So I thought at the very least if you could make me pregnant, I would be...

You're too good for me, and I'm just going to cause you problems...

You were so kind to me, so I thought maybe you would... B-But I really shouldn't.

...But I don't know how to make friends, let alone a boyfriend...

If any,
I think I
might be
not good
enough
for you.

I enjoyed
our con-
versations,
you know.

And look
at you,
you're just
charm-
ing.

And
so...

Sen-

Sensei~
♥

And...

I decided
to accept
Sierre's
feelings.

Knowing
well that
as her
teacher I
shouldn't
be doing
this,

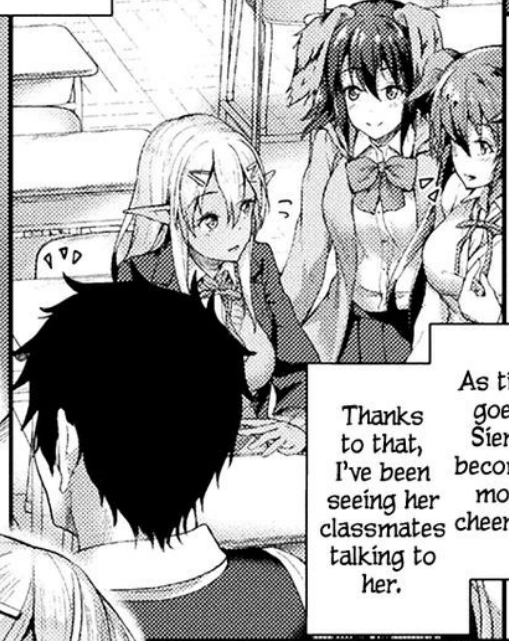

After all that time alone, she must be hungry for physical contact.

Whenever time allows it, she asks for sexual favors.

At the same time, our sexual acts grow more perverse.

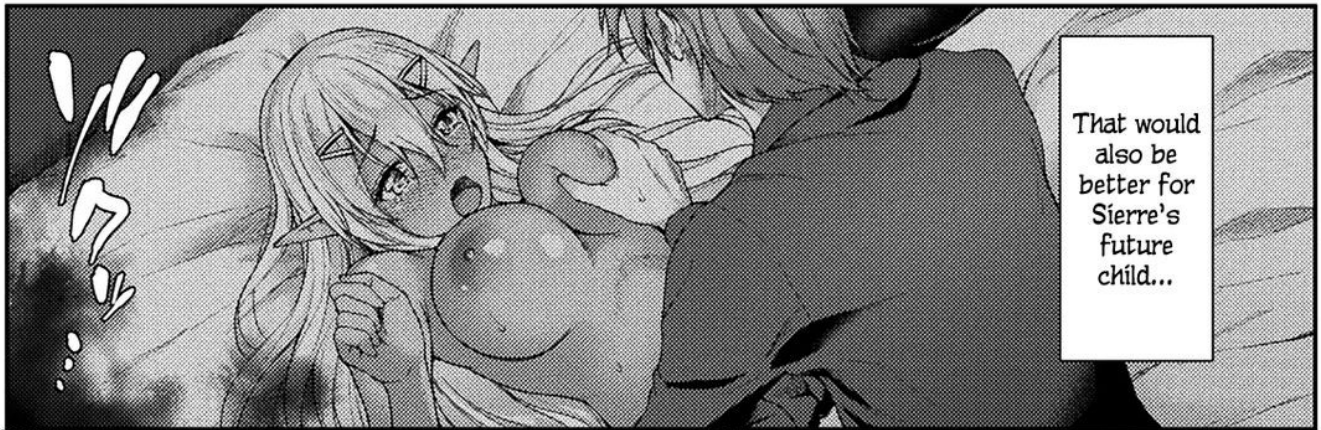

As time goes, Sierre becomes more cheerful. Thanks to that, I've been seeing her classmates talking to her.

She's getting attached to me, is this the right thing to do...?

As she grows, our secret meetings grow in frequency.

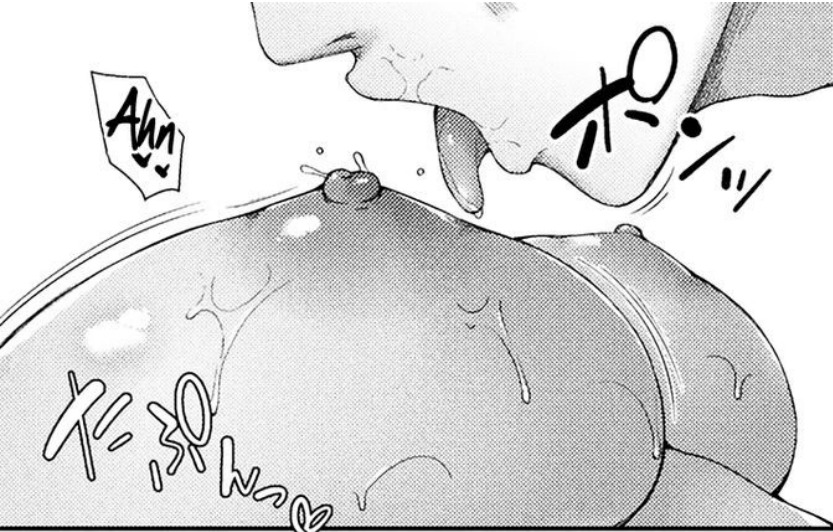

If
some-
one's
going to
take her
away...

Then I...
I'll make
her preg-
nant!

It's the
first time
you made
a move
happy...
I'm so
happy...

Sensei...
