

読み切り漫画 12P

↳ the outskirts there's a park
with a lot of female schools around

This public
toilet is often
used by
students

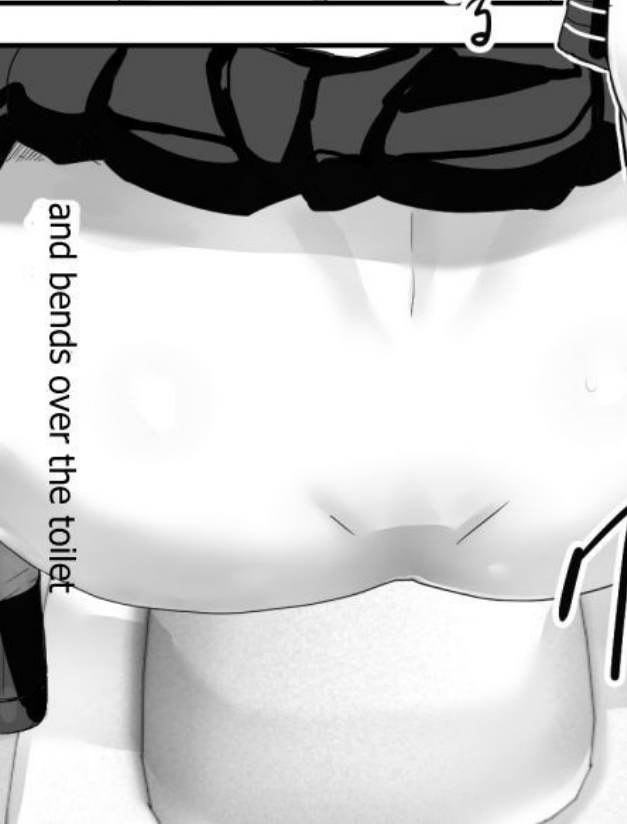

↳ one stall

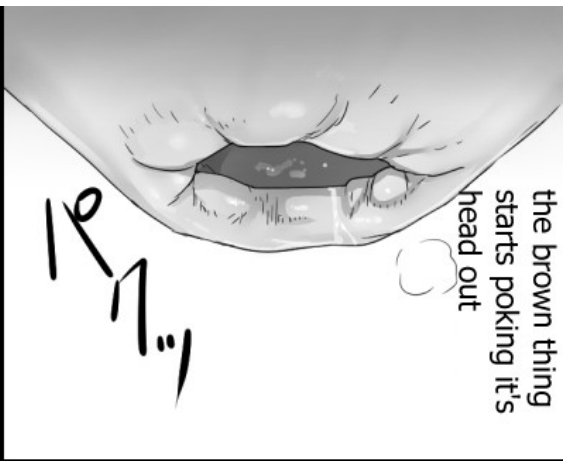

She lowers her underwear

and bends over the toilet

the brown thing starts poking it's head out

slowly

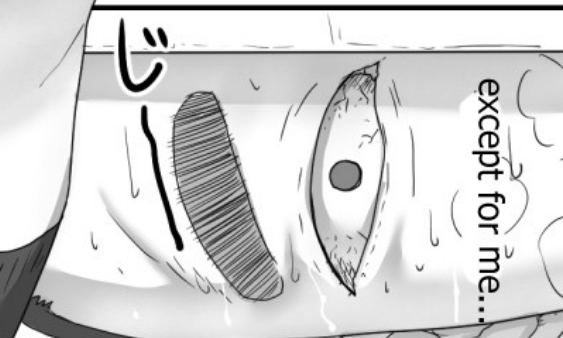

It's being pushed out

She's shitting while making a relieved face

She's taking a good shit so calmly

that's right
one can see you here

except for me...

I'm a toilet sprite

don't look after these girls, misfortune might befall them

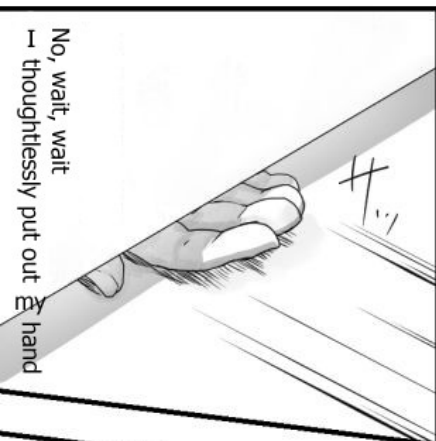

Such a cute face
and she's
pooping such a long turd

It's longer
Than any I mine ever was

I'm the only one
watching

So you may let
out so much so you like

No, wait, wait
I thoughtlessly put out in hand

woah
just put out it's so warm --

Woah,
it stinks !
it's so filthy !

What the
hell am
I doing !?

Why would I ever
steal poop ::

what ~
there's still some left ~

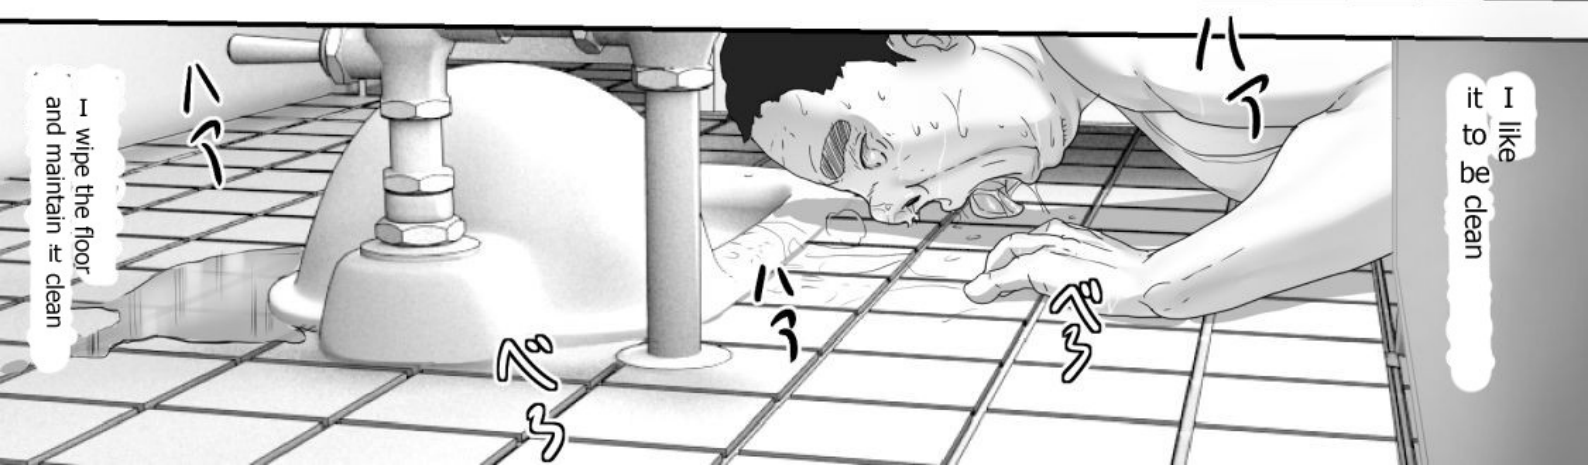

what's with
this kid? she's taking such a
magnificent leak outside

She's missing the toilet
there's a puddle on the floor

My
intentions
were
good, so it's
fine like
this
... right?

Not my
problem

I like
it to be
clean

I wipe the floor
and maintain a clean

If I guard this place
I get 2 know lots o' girls

chubby girls, thin girls
tough girls, soft girls

Once Ξ is lifetime encounters
lots of scenarios |
that unfold before Ξ eyes

Among those countless days — might've been careless

I was caught

what's with
this guy?

He was
peeping
through
the
crevices
He's a
pervert !

That's so gross --

He's a little shit bug --

I was
seen by
such a
guy !

I'm gonna kill him --

キッ！
