...So, how'd that talk with her go?
It's been 3 years since she left the company, correct?
...yes
Has Kyoko-kun been doing well?
...yes
...
Lucky bastard. Enjoying getting to do whatever you want with those big tits
S-Sir!
SPIN
I guess I can take that as your answer.
RUB
Ah, I see then.
How it reflects on me if I don't handle incompetent employees.
You are aware, right?
UGH
I have to make sure I give HR every detail with the assessment report for the restructuring.
...
What is it? I'm a busy man.

I still need to discuss it with my wife ...
Just not tonight ...
Ju-...
Just one night is fine.
Just one night. Ok?
...alright.
SLAM
I'm expecting good news, Namatame-kun!
CREAK

Please get in whenever you are ready.
I've got the bath ready for you dear.
If you aren't feeling well we can go to the hospital and get you checked out..
Are you alright? You've been spacing out all night.
Huh? What is it?
Honey?

And now it seems like he's got the company to go after my head.
That sounds exactly like how that pervert of a manager thinks.
Th- The truth is...
Hmm.. So apparently there was a condition that someone could have sex with me for leaving the company...
If it's just for one night... I'll do it...
...I'm sorry, this is all because I've been worthless at work.
!?
I'll do it

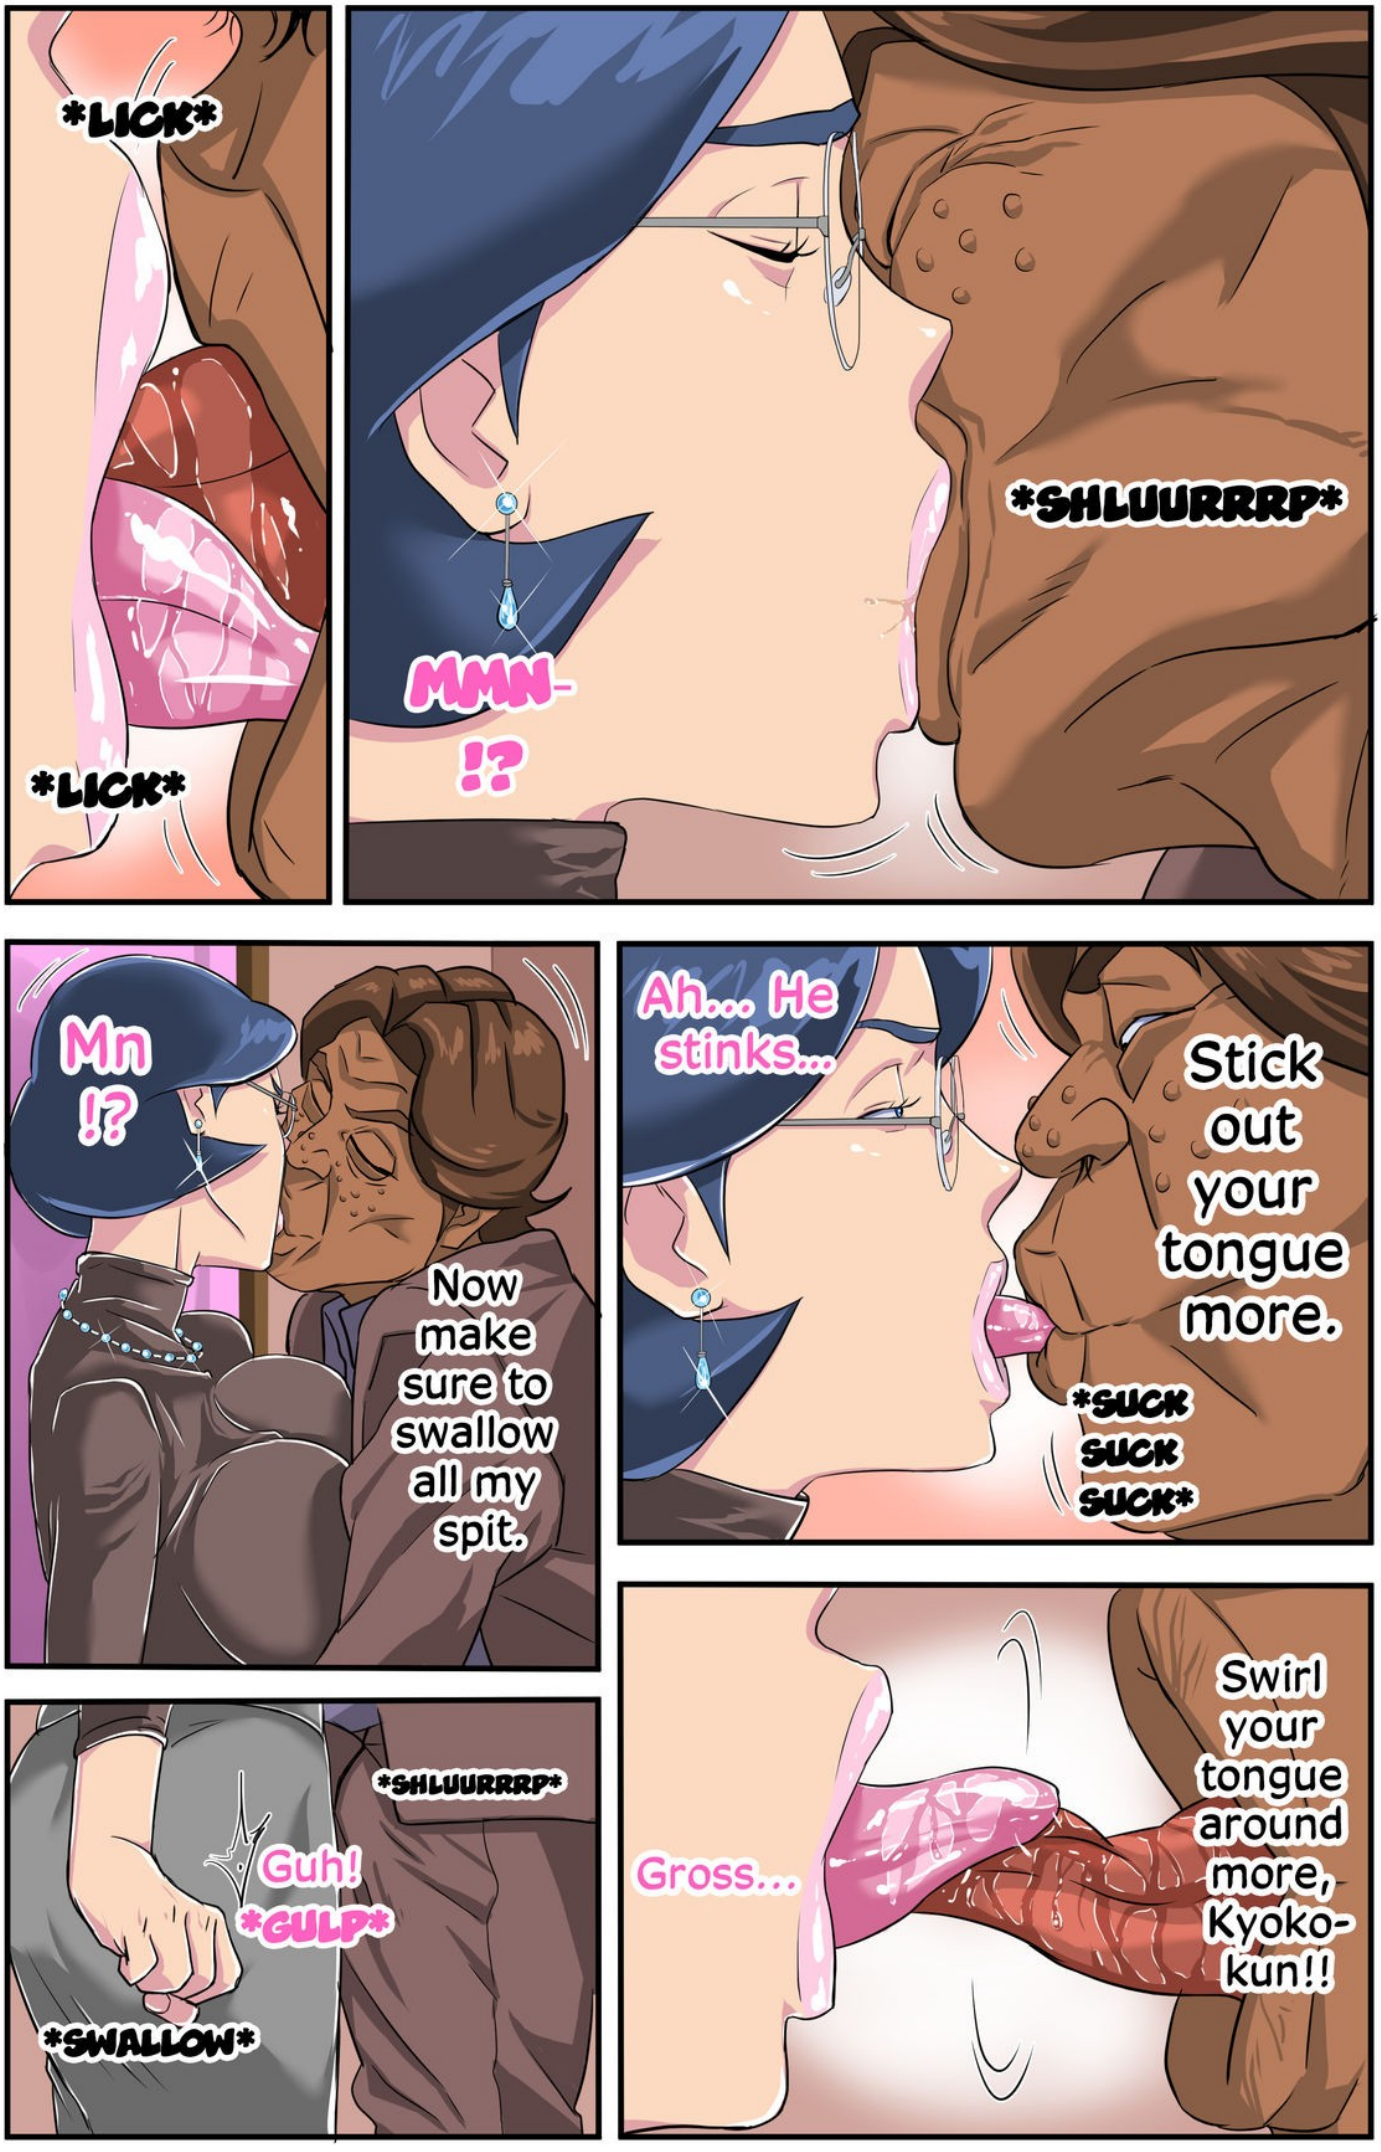

He was persistent no matter how many times I turned him down...
THUD
Kyoko !?
Manager Shimoyama had always been asking me to go out with him to eat while I was working there.
Once, right in front of my eyes, he even licked his lips as he ogled me.
Every time Shimoyama would talk to me, he'd always be ogling my breasts.
...
Doesn't that about sum up the situation ?
We have to think of this house, and the kid... Along with how your father would do with his illness.
Then why do this?!
How about giving a damn about what other people think.

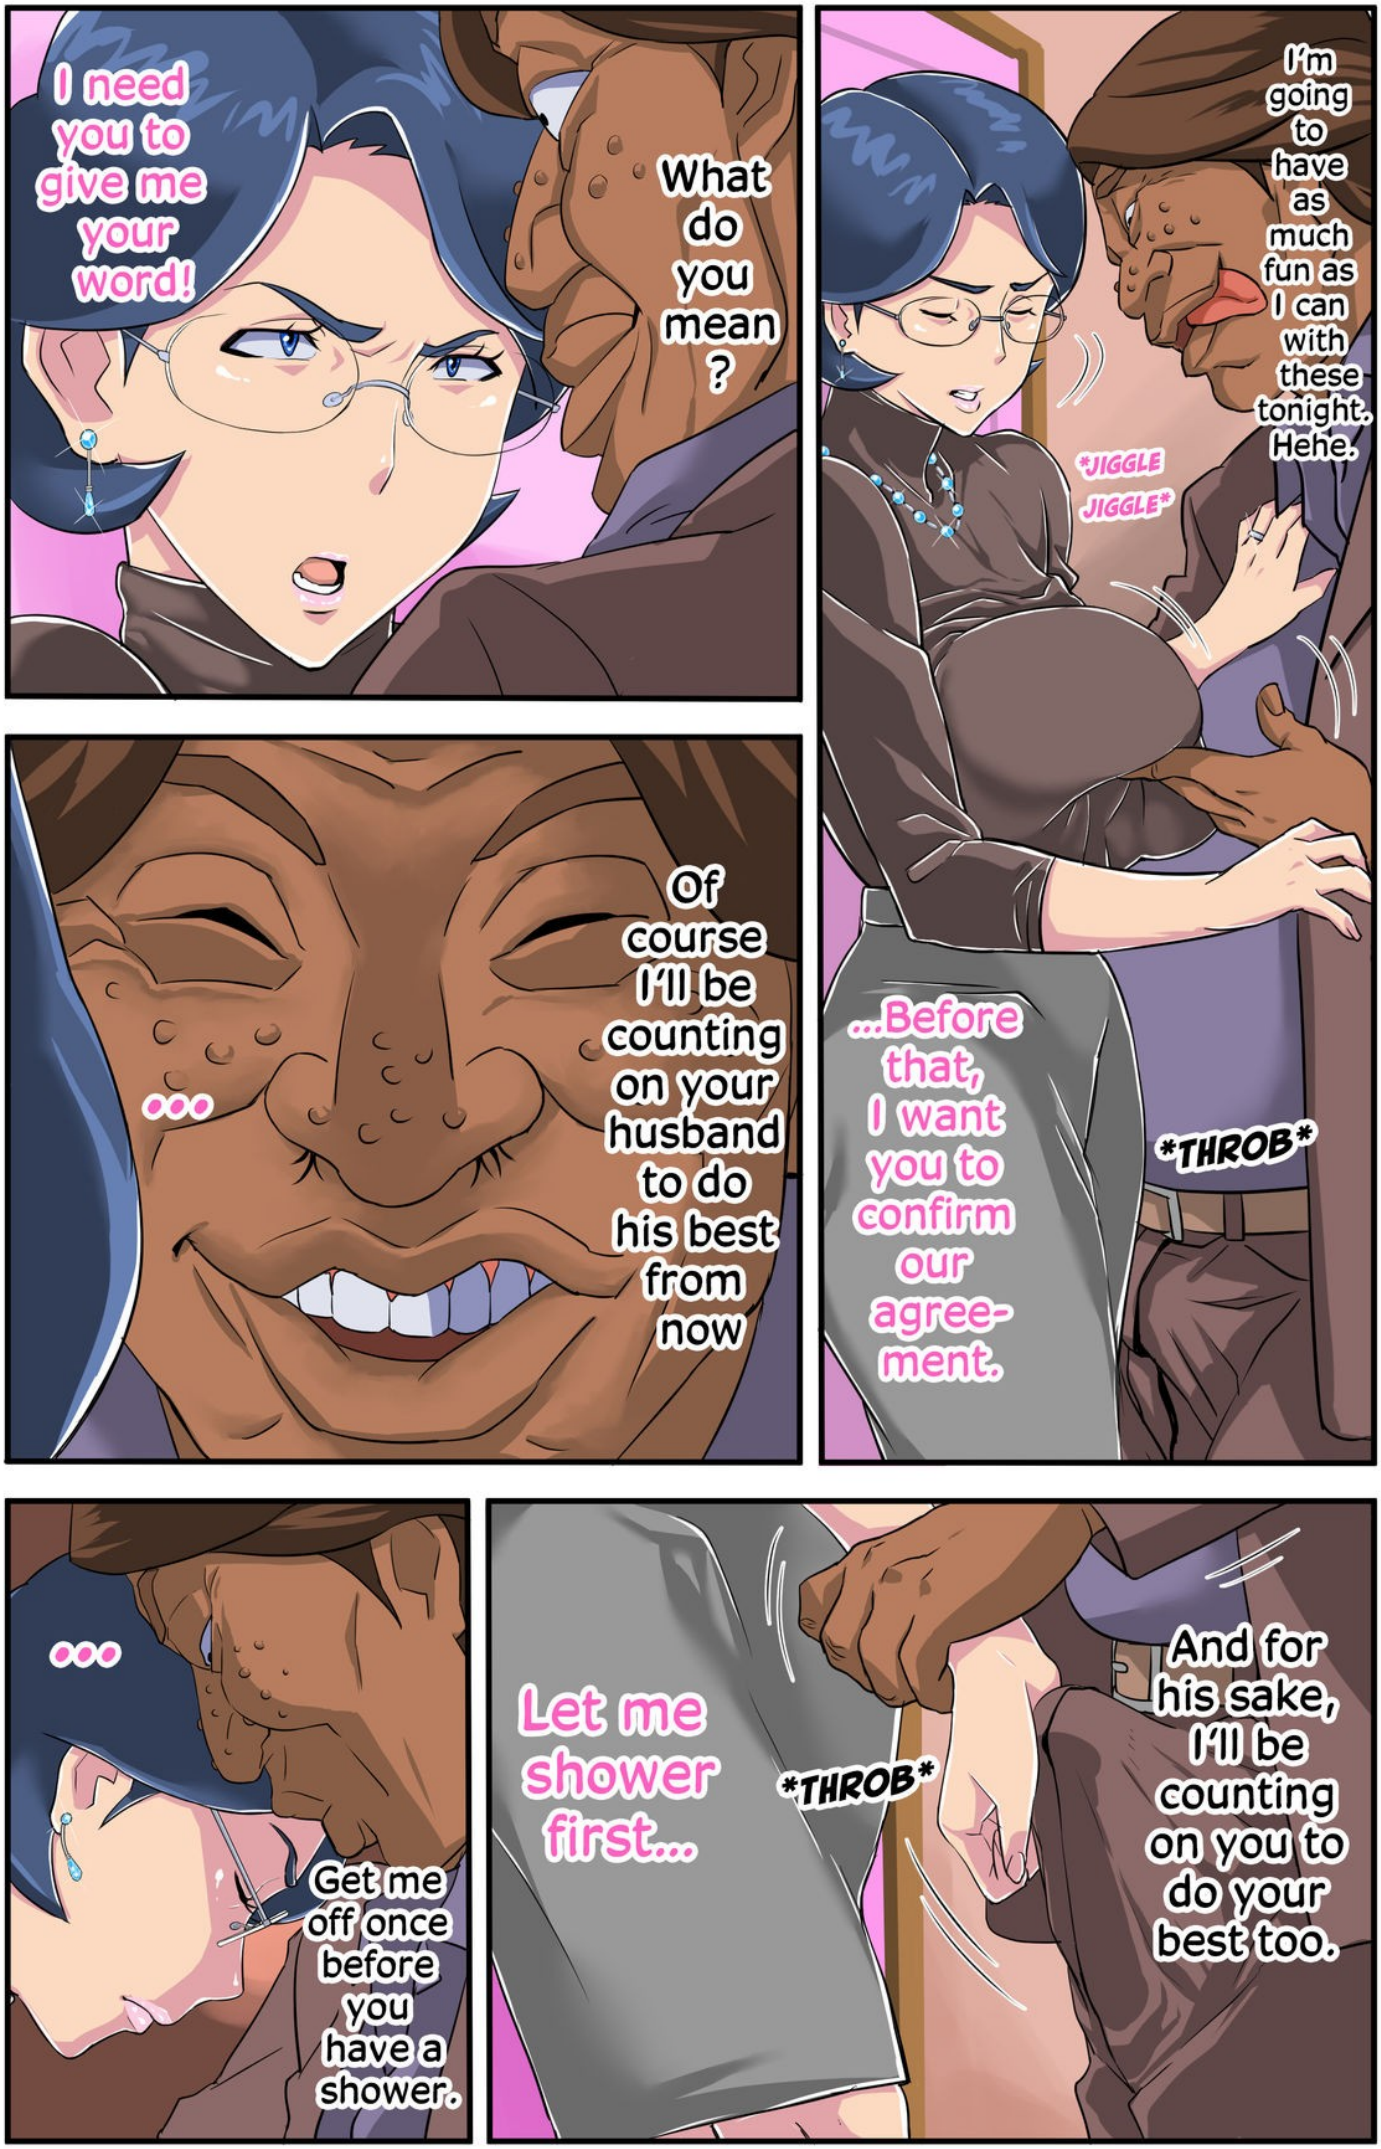

Urgh ?!
This restructuring now would be a whole lot of trouble.
Mooom! Do you know where my Justice pants are!?
Honestly~
Now! What are you doing running around in the nude! You'll catch a cold!
Cus I can't find my pants!
I'm sorry ...!!
Sorry...
Just close your eyes to it Kyoko!
One night... It's only one night...

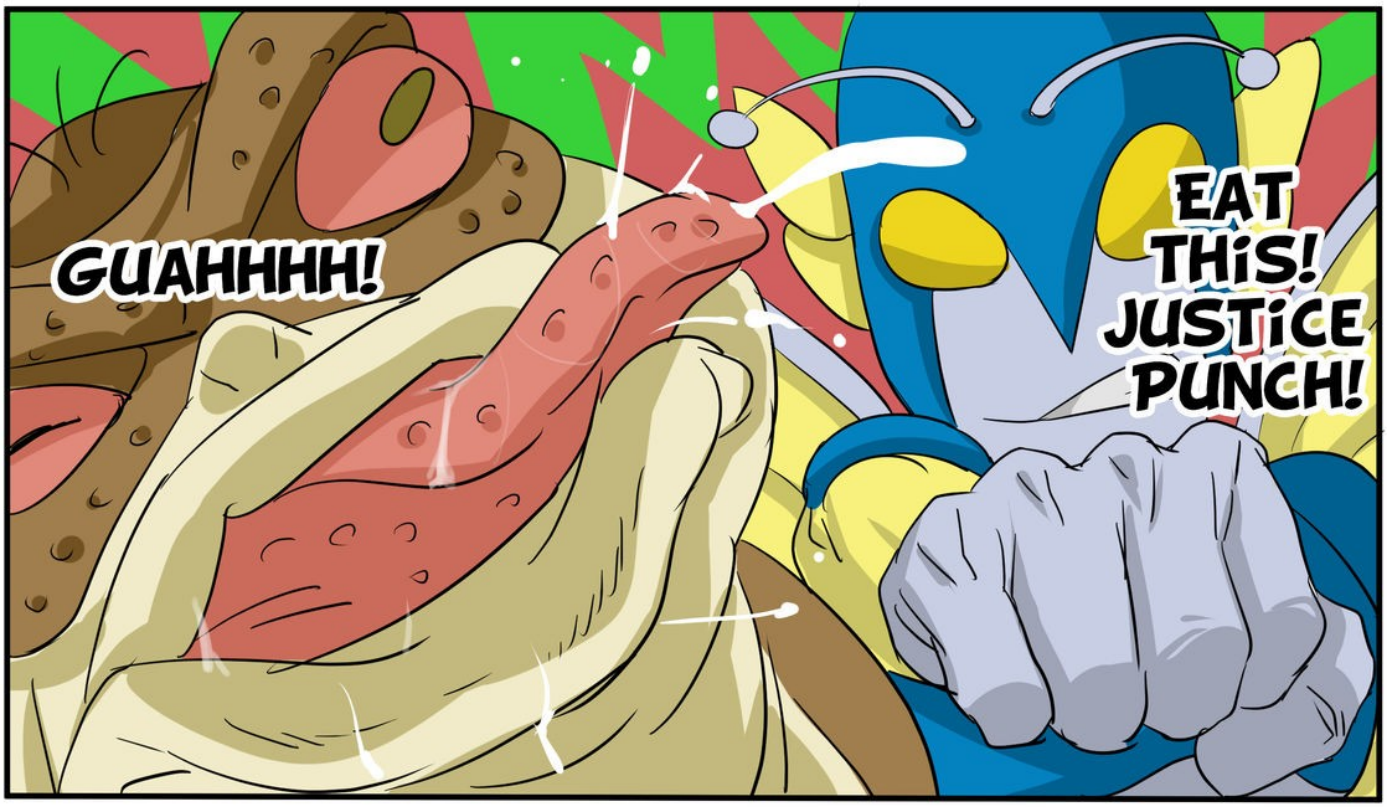

GLARE
Long time no see Kyoko-kun.
It has been a while... sir.

Y'know, with that strong sense of justice you have I'm surprised you took me up on this.
