

"

Lilia-sama's Order of the White Knights are back!

"わんわんわん!!"

"

"

Ah,

Lilia-sama!

We won't have to live in fear of those demons anymore!

I heard they completely chased off the demons in the northern mountains!

No wonder she's leading an army of her own at such a young age!

んっ...

If only her breasts were bigger on top of all that...

Lilia-sama is this country's pride!

more than anything, that lovely appearance of hers!

She interacts with the masses without any discrimination, and...

Guys like you with unique preferences can say that, but...

It's good because they're so small!

She's a girl of age but she's completely flat...

Ehh, but it truly is unfortunate.

You idiot...
What are you gonna do if she hears!?

...

It's nothing. Don't worry about it.

Captain? You suddenly stopped, what's the matter?

Just you wait! I'm still... I'm still...!

Those fools, talking about someone else's boobs like that...!

Argh, they piss me off!

I'm still in my growth period!

Captain Lilia.

Would you like to test out this charm infused with a magical breast augmentation spell...?

Uhm... about that.

Captain, you're pretty self-conscious of your breasts, right?

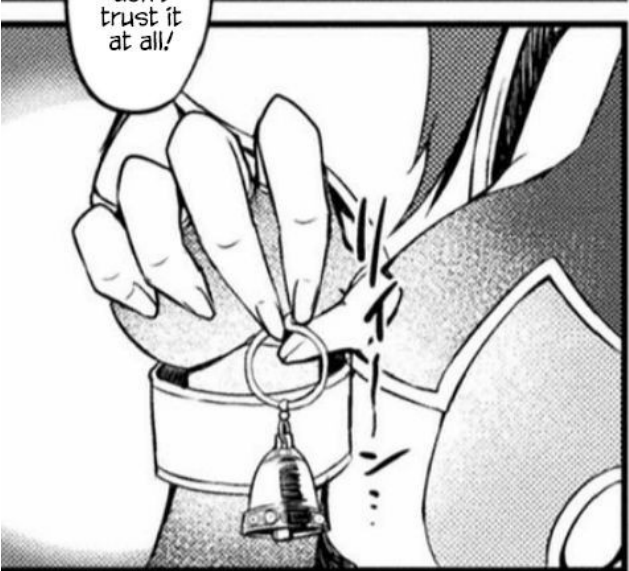

W-Wha...!?

Tr??

Besides, I've never even heard of a charm like that...

Sorry, but I don't trust it at all!

I... I don't care a-about the s-size of my breasts at all...!

T-That's not true!

Come on, don't be like that...

Tanya... You...!

Right, Captain?

You can at least give it a try... right?

I can't forgive the fact that you're being ridiculed for the size of your breasts, Captain.

If you take this prank any farther...!

This girl... she's acting different from usual...!?

No...
Let go of me!

It's not a prank, Captain.

Also,

What!?
Are you being serious!?

I might be like this now, but I had a serious complex from having tiny boobs before.

my boobs got bigger using this too, you know?

Yes, of course.

See? Now that you see the results right in front of you, you want to give it a try, right?

?
At-tack?

Well then, let's attack it immediately!

Alright.

Just a little bit, okay!?

I...

These were originally small...

attached
directly to
my nipples...!

Uu...

This is embar-
rassing.

I didn't think
that these
charms had
to be...

They suit
you well,
Captain
Lilia.
♥

I'm not exactly
pleased to
be compli-
mented on
this perverted
'appearance!

I'll
explain
this
anew.

These are
magical
tools
called the
"Bells of
Fertility".

Well, it'll
probably
be easier to
just let you
experience it
rather than
explain the
rest.
♥

Every time
these two
bells ring
while they're
attached to
your breasts,
they'll grow
bigger.

There's
another
effect to
them as
well...

I'll...
I'll rub
them
myself,
so...!

Wai-

Why
are you
rubbing
them?!

It's
best to
let them
ring this
way.

You'll
see the
effects
very soon.

Nope.

Whimper

You
don't have
to hold
your voice
back.

I'm the
only one
listening.

Nyo...

You
can't keep
touching
them so
lewdly...

You're the
one who I
don't want
listening!

My
nipples
are...
warming
up...!?

I'm
gonna

make
weird
voices...
♥

What...?
Something's
coming out
from inside
my boobs...

Swell

They
really got
bigger...

Amaz-
ing!

No
way.

I'm
lacta-
ting
...!?

I don't
even
have a
baby, so
why...??

it looks like your breasts want to produce more milk, you know?

Even if you say that,

Noo, that's too embarrassing...

These are normally used for pregnant women in order to promote lactation.

You aren't actually pregnant, so it's okay to let it out.

This is enough, so take them off already...

My! My!

Noo!

My boobs expanded again...!

You're getting turned on by lactating as you say that, aren't you?

Fufu

It looks like you need more punishment for lying, Captain...

No!

No more!

Eek...

Eek
These are... my boobs?

Pneew...

You were so flat, but now you're like a cow...
♥

I don't like this...

Make them go back... to normal...

とろおい...♥

Even your nipples are in such a lewd state...

Shouldn't you be acting a bit happier? You've gotten big boobs, just like you wished.

You can turn them back to normal, right?

I'm still willing to forgive you, so hurry and return them to normal!

You're already my boob slave, after all. ♡

Slave...?

What are you say-

You're a... demon!?

Kuh

Tentacles!?

Why is there a demon inside the city...?

There's no need to hide it anymore, after all.

Fu fufu

That form...

Tanya...

Your cute underling Tanya was actually an enemy to mankind from the very beginning.

That's right.

No way...

You were fooling me this entire time!?

Because you're such a gullible idiot.

It's a good thing that you never doubted me even once.

I'm not just gonna do whatever you te-!

No fucking way!

I'll have you be my test subject for my new toy.

Well, it's not fun if I just kill you, so

This country is as good as fallen in your absence.

Noo 000!?

Nooo, not on my clit...

Oh my, you're still able to talk like that.

Well, here's another present. ♡

Eek!?

Now
you
have

seals
of

ain?

What
else
are
you
planning
on
doing
to
me?

you're

a

taste
of
it,
so
I

you'll
know
the
answer
to
that
soon
enough.

I
wonder
what'll
happen?

to take

something
that big
on my
first time.
♥

As long
as that's
attached,
your pussy's
gonna turn
into a slutty
pussy that'll
accept even
a troll's dick.
♥

Haa

No,
that's...

You're
letting
out such
a shameful
voice even
though
you were a
virgin just
a bit ago...
How cute.
♥

Haa

I'm
glad
you
like it.

Aha, I think I'll let it out as well. ♡

My boobs too. ♡

You're playing with my nipples. ♡

My milk won't stop spurting out. ♡ ♡

Take it all inside you like the slutty slave you are... ♡

Let it out...? You don't mean... semen...!?

Nooo! I don't want a demon's semen!

I'm... the captain of the Order, but... I'm really getting turned into a sex-slave...

Ah... Hii... ♡ The semen's gushing around inside...

Phew

That felt pretty good. ♡

Well then, we'll continue the rest slowly at my house. ♡

I don't wanna have my boobs squeezed or have a dick stuck inside me anymore!!

I don't wanna go! Nooo!

Eek
Con... tinue...?

Over there...

Hey.

I hope she's okay...

It's been several days since Lilia-sama's gone missing...

A girl's caught and being raped!

Why is there a demon in here!?

Eek!

That girl getting raped has some sexy boobs though...

That belly... She's been impregnated by a demon...

How awful...

Stop being so carefree!

Gulp

Hurry up and contact the Order...

Ahhh...
♥ They found out...
♥

Lilia-sama!?

That face is...

No way...

Ah... If the tentacles go away, everyone will see my face...

Wait, hey, that's...!

Chuckle
They're saying some awful things.

I'm being watched by everyone in the town...

ALL OF YOU, YOU CAN'T LOOK.

DON'T LOOK AT ME...

I'm being seen. I'm being seen...

You're joking, right... That cute Lilia-sama in such an obscene form...

The humans are all pulling back from your obsessive lewdness, you know?

They're as big as cow tits and they're leaking out milk...

It's gonna be impossible for her to lead the knights with boobs like that...

My shamefully modified body is... being raped by a demon...

What are those boobs?

She was definitely flat before, but now her boobs are the size of her head...

What an ungrateful bunch, even though you protected them while putting your life on the line.

Run... Everyone... You can still make it outside the country...

1000

Hey, stop wasting your breath.

The only thing you're allowed to do right now is expose your ahegao while you climax.

MY BOOBS... ARE SPURTING MILK.

MY NIPPLES... ARE GONNA TEAR APART.

That's right, that's the face!

Make sure you give everyone else a good look.

Oh, Looks like you're not in the condition to do that anymore.

I'M CUMMING STOOD!

Fufu, look at those faces of despair.

It's all your fault for having such a foolish wish...

Ah...

For not being able to protect you.

I'm...
I'm so sorry.

Even though I'm the captain of the Order.

For being a slave while having

this demon dick sliding in and out of me... while my boobs are spurting out milk...

I'm sho sorryyy...
