A world where part of humanity has become fairies.

The near future ...

Hey, Meg.

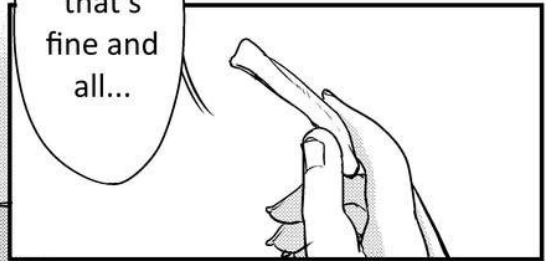

What's having a fairy boyfriend like?

Uh ...

I should be open-minded about guys, yeah?

Well, that's fine and all...

Yeah, that's the thing ...

Says one who doesn't even have a boyfriend.

So.

Aww, man! I want a fairy boyfriend too!

C'mon, you know she gets shy about Kinoshita-kun.

That's not what I'm asking ...

Uh... I love him?

Why do you need to know?

His whole body is like, 10cm, right? How does that even work?

fidget

もじ...

C'mon, at our age, you gotta make sure the sex is good, right?

wince

But, like, ...

Can you really fuck your fairy boyfriend?

Ummm...

Hey, physical relationships are important too.

It was just bugging me, OK?

What are you on about all of a sudden?

Don't make me smack you.

Huh?

Hey, Kinoshita. Have you and Koshimizu-chan had sex?

And, like, from your perspective, Koshimizu-chan is friggin' huge, right? Real talk, what can you do when her, y'know, is bigger than you are?

Ugh ...

Like, fairies usually date fairies, yeah?

Hey, fairy or not, you've gotta satisfy Koshimizu-chan like a man. Don't you think?

No way!

You are the *tenth* person to ask me that.

Sure.

Whatever, I'm just lookin' out for you.

Uggghhhh
.....

Koshimizu-san's place.

Seriously.

Why does everyone want to know about sex between fairies and humans?

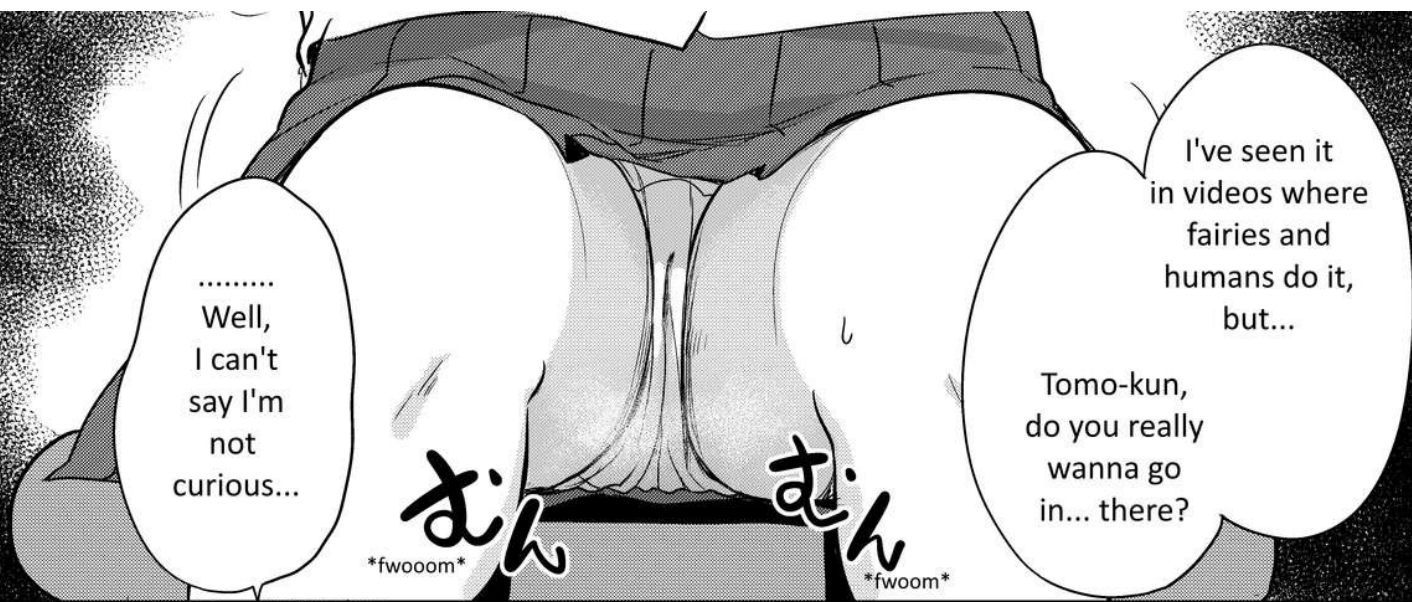

Of course, she and I have tried a few things, but...

Their first day
▼

.....
Well,
I can't
say I'm
not
curious...

I've seen it
in videos where
fairies and
humans do it,
but...

Tomo-kun,
do you really
wanna go
in... there?

fwoom

Like
how?

Er... well...
F-first, I've
gotta get
over my
fear of
dark places
...

Th...
Then do
you want
to try
it?

I...
I see...

Y-yeah,
something
like that,
but more...
realistic?

Hmm.
More
realistic
...

Y-
yeah
...

Huh?
You'll go
in my
mouth?

Like...
in your
mouth?

Lemme
go brush
my teeth
...

whuhh

M-maybe
with shock
treatment
like this?

uhyaa!

A fairy like me would probably get digested really quick in your stomach, Meg...

Um... Don't get too far back...

because... I might end up swallowing you.

Don't say such scary stuff!

Putting my fairy boyfriend in my mouth... It's like I'm some kind of perv.

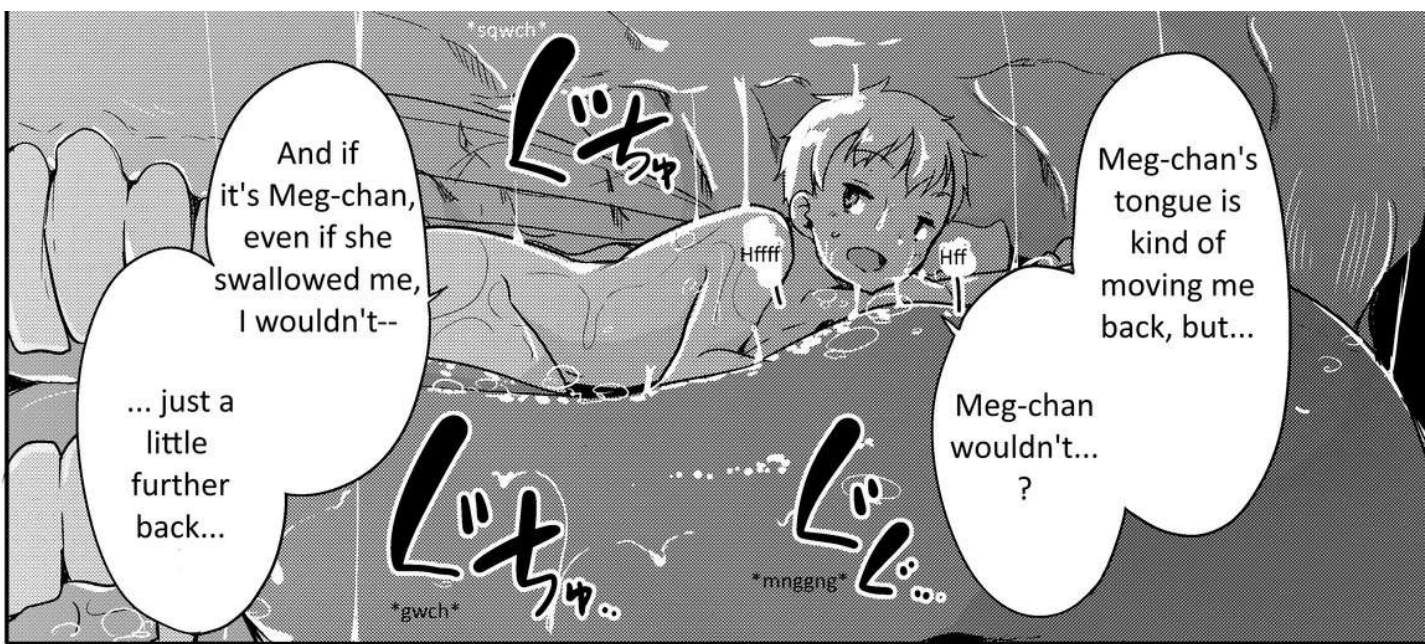

..... what the hell am I doing?

He's wiggling around inside my mouth

Koshi-mizu-san's mouth...

smmmchhh

And if it's Meg-chan, even if she swallowed me, I wouldn't--

... just a little further back...

Meg-chan's tongue is kind of moving me back, but...

Meg-chan wouldn't... ?

Y-yeah.

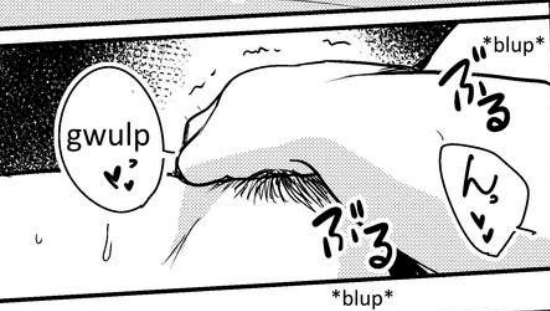

Is it... OK if... I lift you in, Tomo-kun?

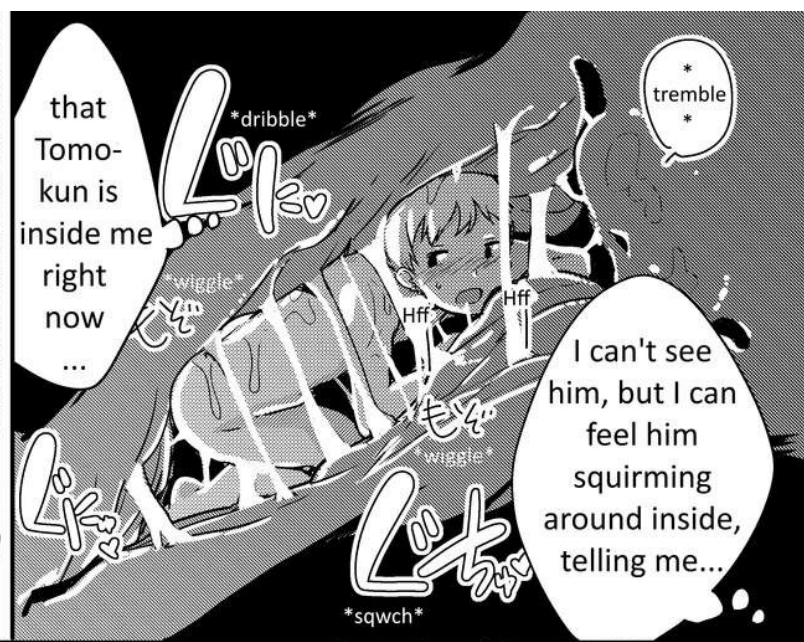

No, wait, he's about to go inside of it right now. This isn't the time to be worrying about stuff like that!

Ugh! So embarrassing ...
