GULP

Ah!

I don't know why...

I'd be disappointed if you were a prude like your mom.

More! More!

Although...

I wouldn't want to ruin your mom's enthusiasm for education.

Amazing!

His cock is throbbing so much!

I've been doing so well that you need to reward me!

Ah!

Not only in bed, but also at school.

Ah!

You've really had an effect on my life.

Ah!
Ah!
Ah!
Ah!

Not that
I care

Ah!

She's

第一話

Because your grades have been slipping.

But... Also...

Why would you do that?

You talked to Mr. Shibuya? Why?

That nasty...

You may be my mother, but you can't just do things

What is wrong with me?

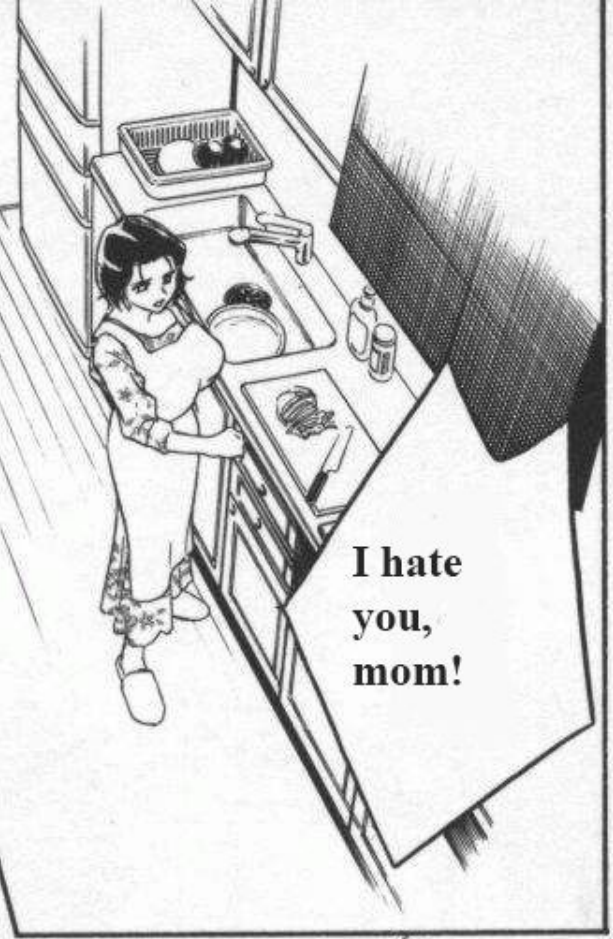

Anyway, I'll ask them to get you a new teacher. For you, that man is-

Without thinking about how I feel!

I know that its a selfish request.

My daughter just doesn't get it.

I was aware of it.

I hate you, mom!

Of course

So please just own up to it.

Ummm... Its hard to say.

I would like you to stop having sex with my daughter?

Yes. I didn't want to bring it up on the phone, because who knows where you may have been, but...

Was there anything else you wanted to talk about?

Umm

I...

There! I said it!

So don't blame me. After all, you were watching.

I was just being myself. She wanted it.

But I thought that might be the real reason you wanted to see me.

I didn't ask her for any of that. It was all her idea.

Right?

But you didn't do anything to stop us from having our fun.

I never gave her preferential treatment.

Don't worry, though.

I...didn't want to get involved in her private affairs. But I'm her mother.

What are you doing?

Wha?

I just taught Miyuki-chan because she was in my class!

My nipples are sensitive...

What are you doing to me?

But if she wanted it, why shouldn't I give it to her?

You have such lovely nipples.

You and your amazing breasts were watching us!

Flicking... ah... my nipples... Ah!

Please, call me Mizuki.

No, I...

You just couldn't help yourself, could you, Miss Nakahara?

부끄러워

Ah! Huh?

I saw the two of you making love and I just couldn't control myself!

You touched yourself, didn't you?

AH!

Ah! Yes, I did! Ah!

There was no way I could...

Did you masterbate?

A lot! I'm used to cumming with a dildo now!

How many times?

How did you do it?

I used a dildo!

Oh God! It feels amazing!

I'm cumming from having my nipples groped!

That's good to know. Are you a fan of double penetration?

I came so loudly when you were just playing with my nipples.

My head
feels
light.

Is it
good?

Ah!

Like I tell
your
daughter all
the time...

If you do
not do your
best you
can settle
for dogs!

Make me

Oh yes!
With a body

you could be
a sex

Fu! I
would

do this
forever.

You can.
And I
promise I
won't teach
Miyuki.

But first
I'll cum in
your

Mizuki!

Oh

Hmm...
Oh!

Did you

again?

So intense. I
can't keep my

My cum is
dribbling out.

I can
see
that.

Oh my God!
So deep!

It's

me!

Spreading out
my ass! It

Ah!

Ah!

Oh!

I'm cumming!
And my tits! I
can't keep it

As your teacher, I need to take responsibility for your grades

What? Mr. Shibuya?

Welcome back, Miyuki.

I'm home!

I will be looking forward to it, too.

But you don't know, Miyuki..

Thank you.

Mr. Shibuya is a god motivator for you, Miyuki.

Wow! I can't wait to start learning again!

That's good to hear.

Sorry,

She said she had to go out for a bit.

Where is mom?

You're here already, Mr. Shibuya?

I've been waiting, yes.

Hmm.

She won't be back for a while.

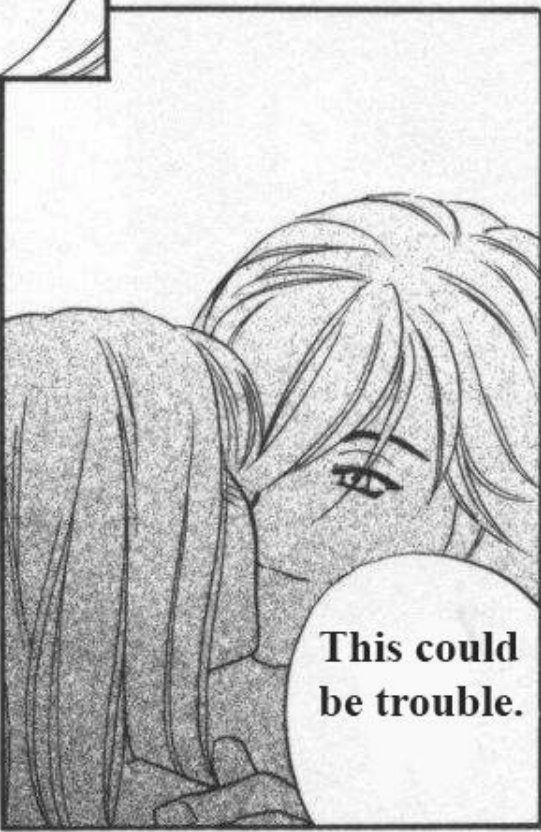

In that case...

We could get caught!

No, not out here! In my room!

This could be trouble.

I may have to, because...

Ah!
No!

But keep going!

I really want your sweet pussy, Miyuki.

I can feel it in there!

Oh, no, you can't!

My dick is all the way in, Miyuki.

Well...

Wow that was good.

Now...

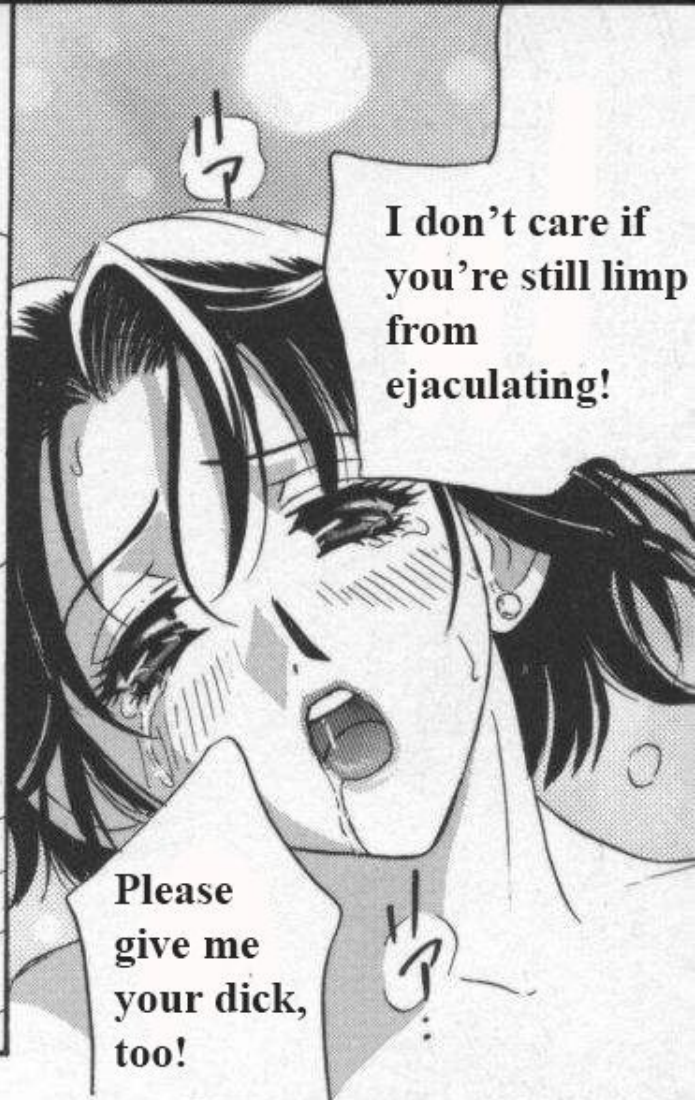

I have a request, Mizuki.

Yes...

You'll do anything for it, won't you?

You'll let us study in Miyuki's room from now on.

I don't care if you're still limp from ejaculating!

Please give me your dick, too!

Please, master...

Oh God!
Ah!
Ah!
Ah!

Now, I'll push this button...

Ah...

And that dildo will drive you crazy.

Once you're finished with your toy...

So intense!

We'll have some more fun.

It's drilling into my pussy!

I can't take much more of this!

It's breaking me!

Ah!
Ah!

You must love sucking my dick.

I'm glad I could teach you. You really are a good student.

Amazing, Mizuki. You've gotten better since last time.

I know how to use it.

Mmm

Your tongue...

You sure do!

Feels great.

Ah!

Then fucking my boobs will feel even better.

Miyuki's tits are too small, but your breasts can handle it!

Oh! Your

Oh, I'm so glad you saved such a big load for my tits.

I don't need a reward. All I want is master's dick!

I'll reward you for your work today.

No! Don't look!

You're completely different from Miyuki...

It's...I'm...

That's right. You're my pussy slave.

Your cock is pressing against my stomach!

Yes!

Yes!

Oh!

I'll gladly accept your dick inside me!

Like it wants to make a home there!

But my husband thinks its too dirty!

I...I like it from behind. Your pussy slave loves it in her ass!

Do you have a favorite hole?

I don't want to give a drop to Miyuki

Then I'll drain my dick in your ass!

Ah! My nipples are so sensitive!

My breasts are cumming! I'm squirting milk!

They are radiating pleasure!

Ah!

Can you taste her on my dick?

It tastes great

I was fucking Miyuki earlier.

It's the most delicious cock I've ever had.

So sticky!

Ah!

So good!

How?

You can't use your hands.

I suppose so. However, there is one thing.

Can I take the dildo out of my ass now?

You have fun with him, but it will only make you cry later.

How come?

You don't know?

Miyuki, why would you say that?

Really?

By the way, Mr. Shibuya was here. You should stop seeing him.

Thanks, mom

Mr. Shibuya...

He's using you to get to me!

Ah...

Stop it!

Use me

Foolish... Foolish girl.

Why...why would you even think that?

Here you go.

I don't care what you think! I know him!

I'll cry later...

Why did you suddenly call me?

I'm here, you asked.

I...
I...

Even though I already know he's using me...

He is just using me...

Miyuki won't be home tonight, and my husband is away.

Well...

Ah! Feels so good!

But I don't want the blindfold on! Take it off!

Hey! Fu-Ah!

Your clitoris is peeking out. I guess she wants to play.

Only because Master is penetrating me!

And...

It's full to bursting with pleasure!

Ha! Ha! My clitoris!

Just as I thought.

I don't have the money for this! You girls must charge an arm and a leg! I mean, I was sleeping when you came in!

Why don't you want this?

I'm struggling just to make ends meet! Can't pay for this service.

THREE GODDESS SISTERS PART 2

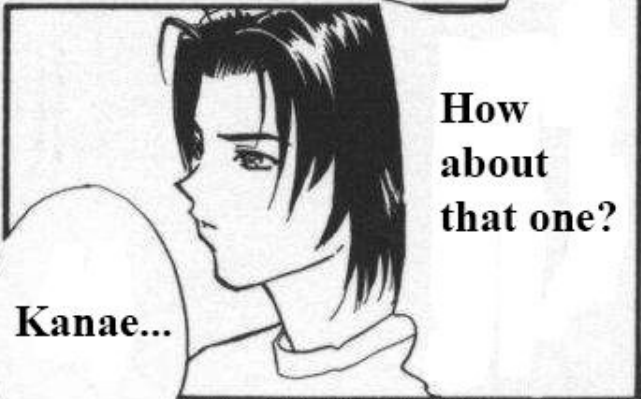

I don't have much left.

Do you see anyone? We need the money.

How about that one?

Kanae...

We need to find someone who lacks happiness!

You're making decisions based on taste.

Let's get started.

Alright...

It just gets boring going after the same kind of guys over and over again.

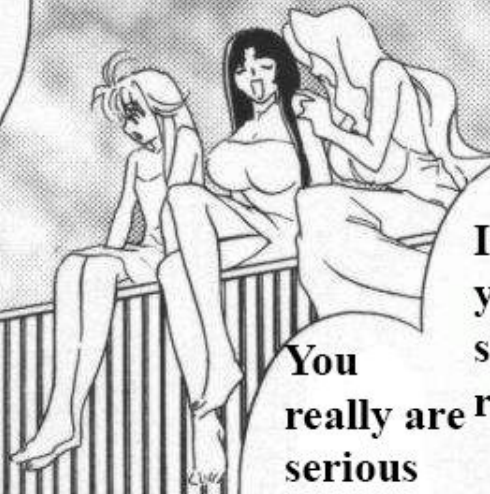

I'm glad you agree. The Goddess only wants people who are unhappy!

Oh.

I think I've found one!

I knew you'd see reason.

You really are serious about this job.

Do you see someone, Tamae?

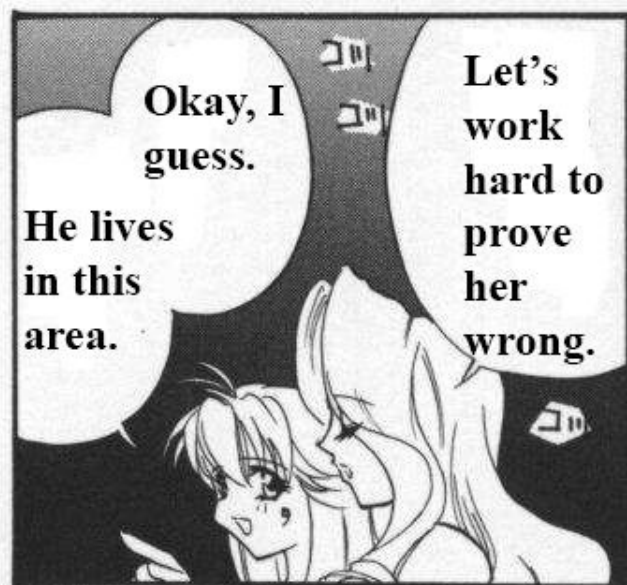

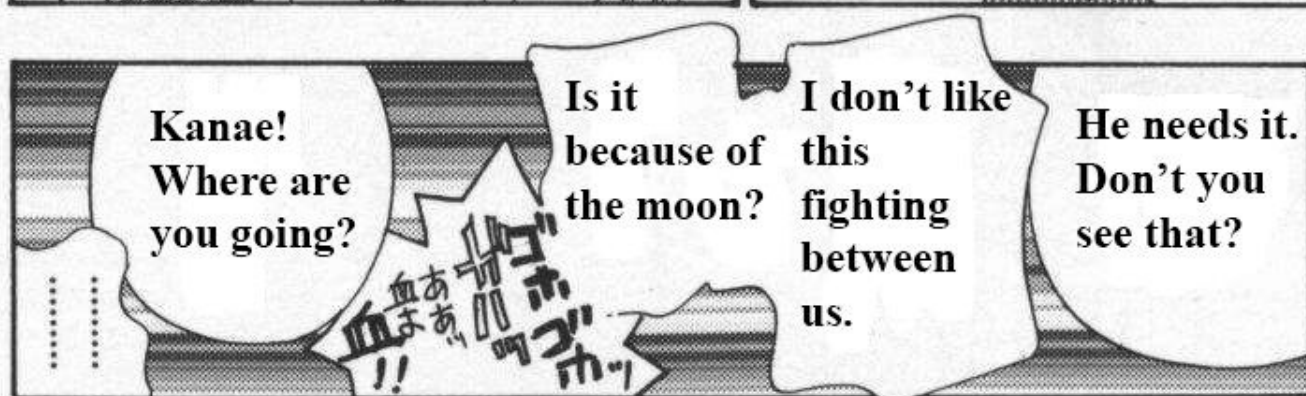

Please look over there.

Oof!

Give me all you've got, you damned nerd!

A fight is breaking out!

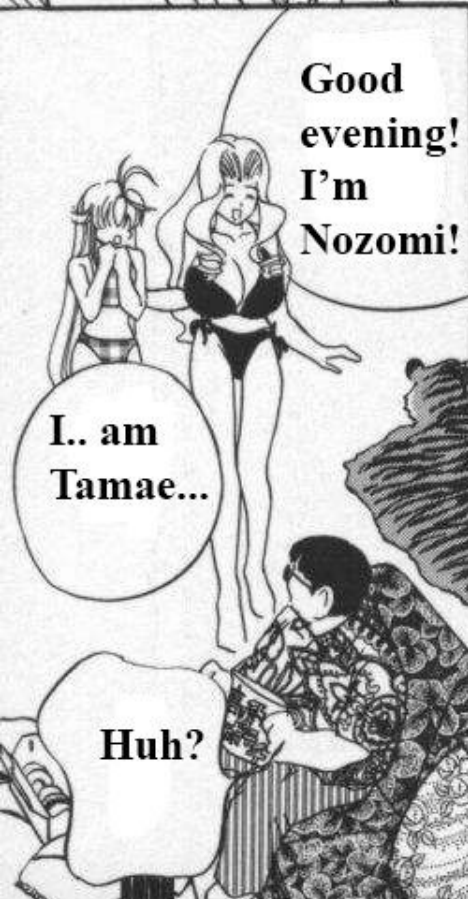

The Goddess Sisters are here!

This doesn't feel right...

Today we got some human clothes so we won't scare our target like last time.

Good evening! I'm Nozomi!

I.. am Tamae...

Huh?

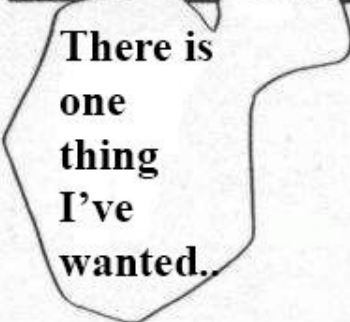

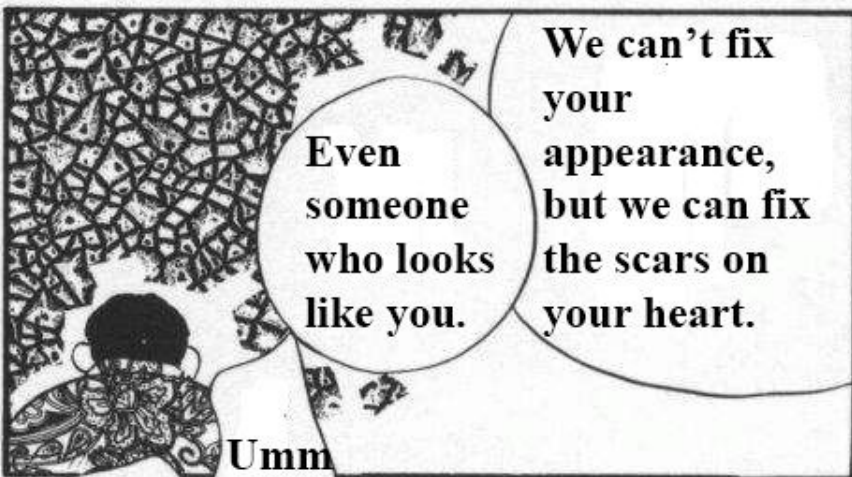

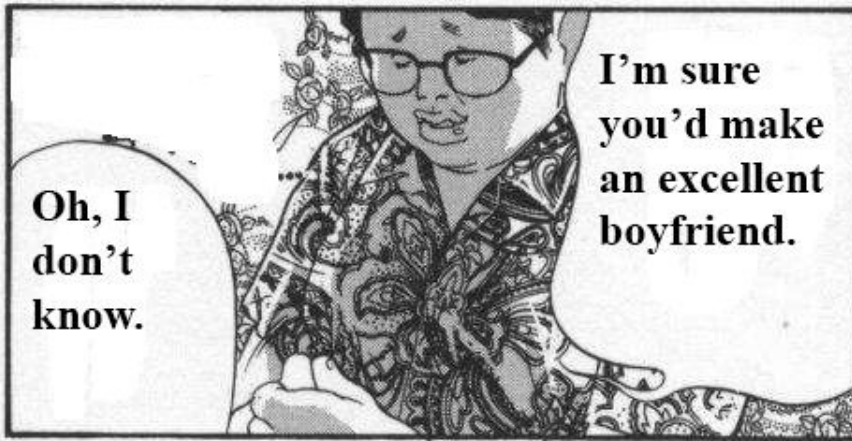

His unfortunate appearance must have been balanced with financial success.

Let's go in like normal humans.

They say Heaven gives and takes.

This place is big.

I don't really think it's unreasonable.

No.

If this is what you want, then we'll do it for you.

Well then...

You should probably call me 'Master.'

?

Will you?

Most women have a phobia for this kind of thing, though.

Yeah... That's right.

Now your master will take care of you both!

Huh?

Ka!

I'll do anything my master wants!

You're getting wet just from the rope rubbing against you.

It is, Master...
Ah!

Seeing that makes me even more horny!

Let me help you!

Does it feel good?

That's not all. I have plenty more toys to play with.

Master is amazing!

Any woman would kill to get this cock!

By the way, I didn't run away from my job.

We're getting more familiar with it...

The Goddess is okay with these perversions?

She must be getting more mature.

Well, at least Kanae didn't give up...

You're getting off on this?

It sure is

It's been too hot to

I'm worried
too. Can we
really afford
to keep this

Yes, it's
certainly
comfortable.
But I'm
worried
about work.

Good ones?

Look!

We can stay home and find unhappy people with these!

I got a lot of things that could help us out!

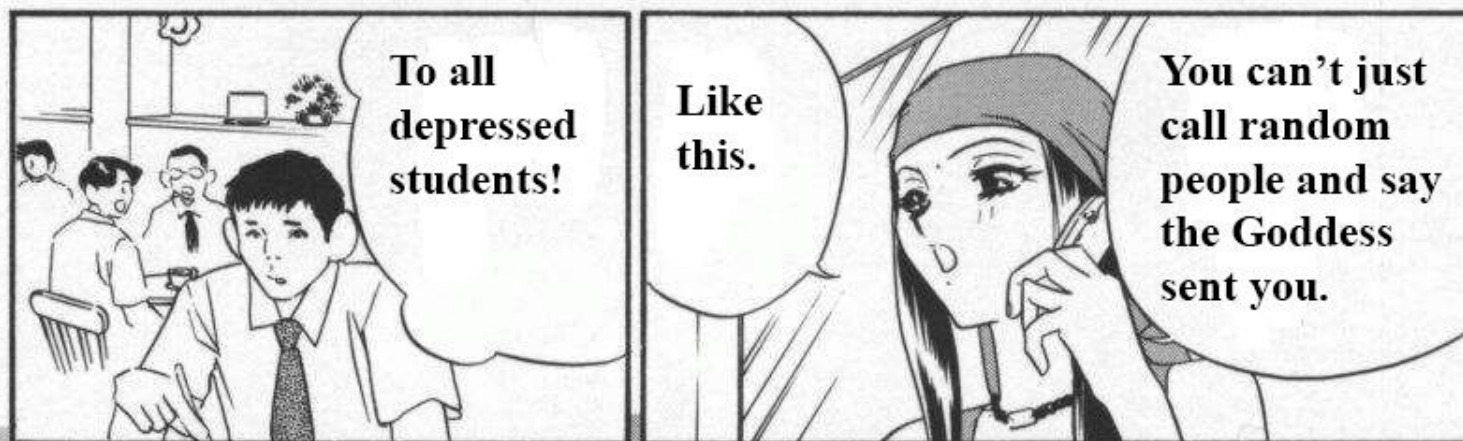

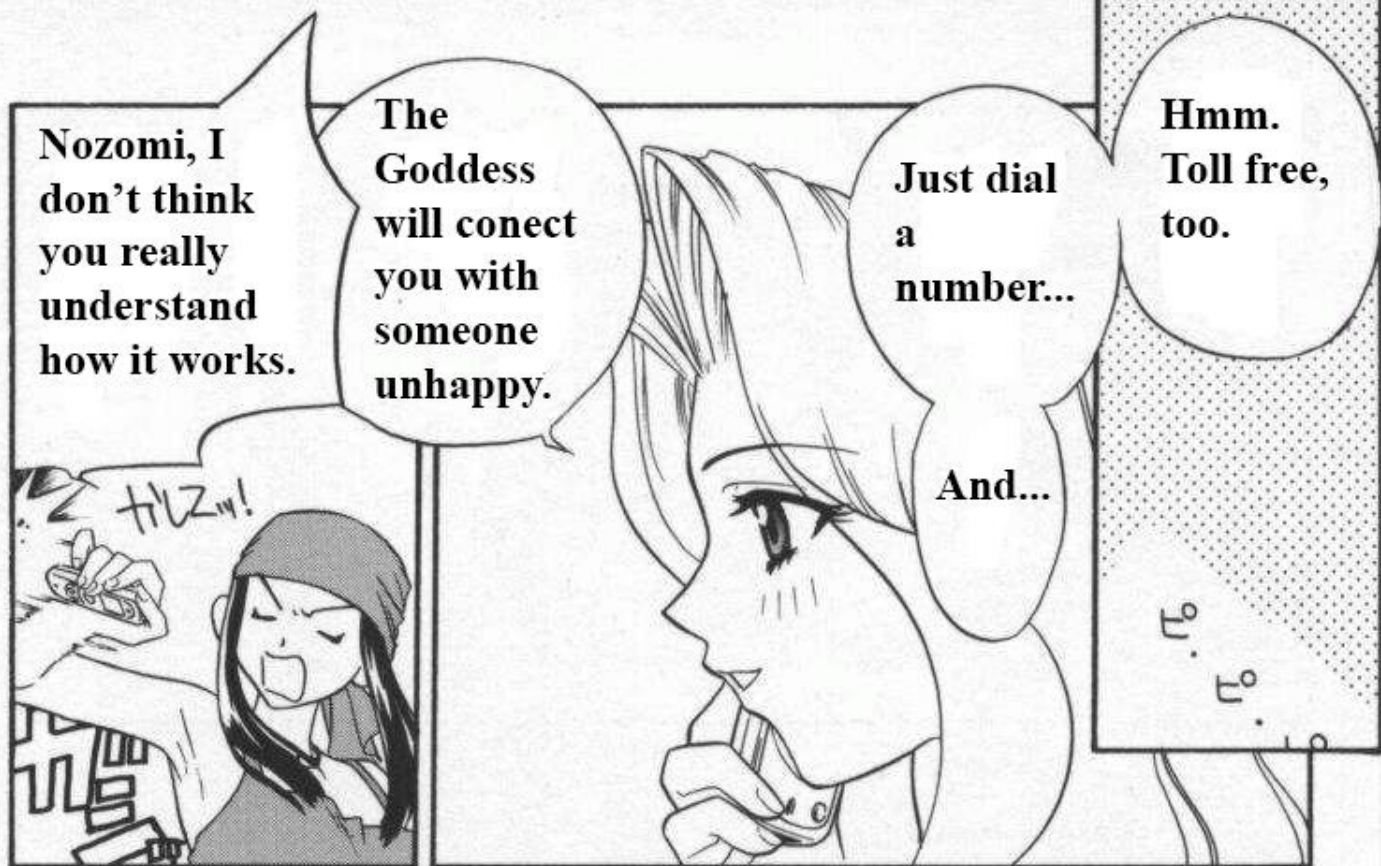

Do you have a plan, Kanae?

Not all men like small chests...

We can increase efficiency if we split up though.

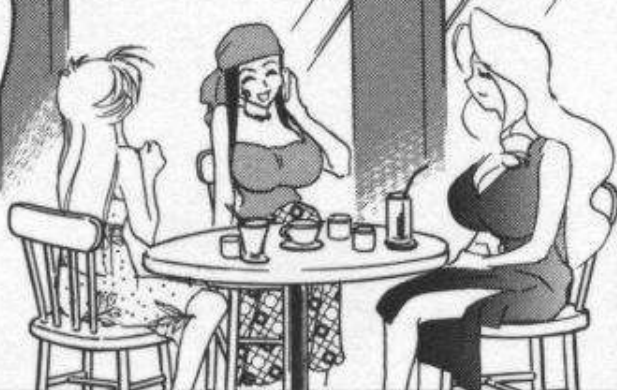

Oh, we'll be fine!

But we've never done that before!

And I like to be fucked like an animal!

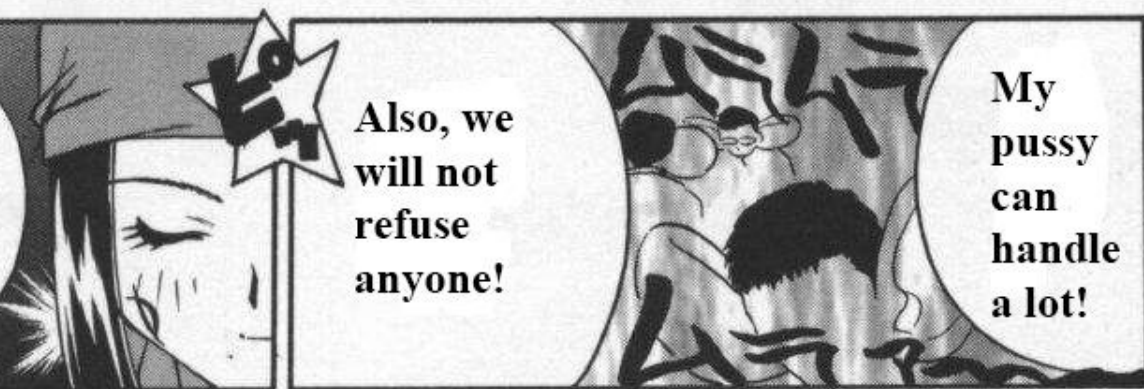

I'm great at giving blowjobs!

Now we wait for them to call us.

Also, we will not refuse anyone!

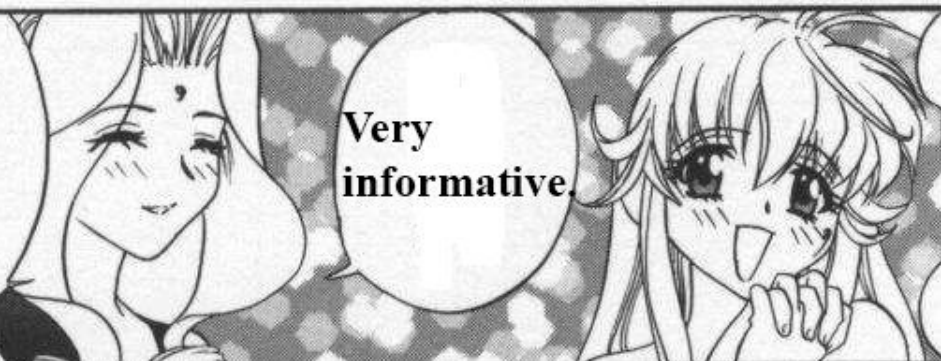

My pussy can handle a lot!

Is that how you normally introduce yourself?

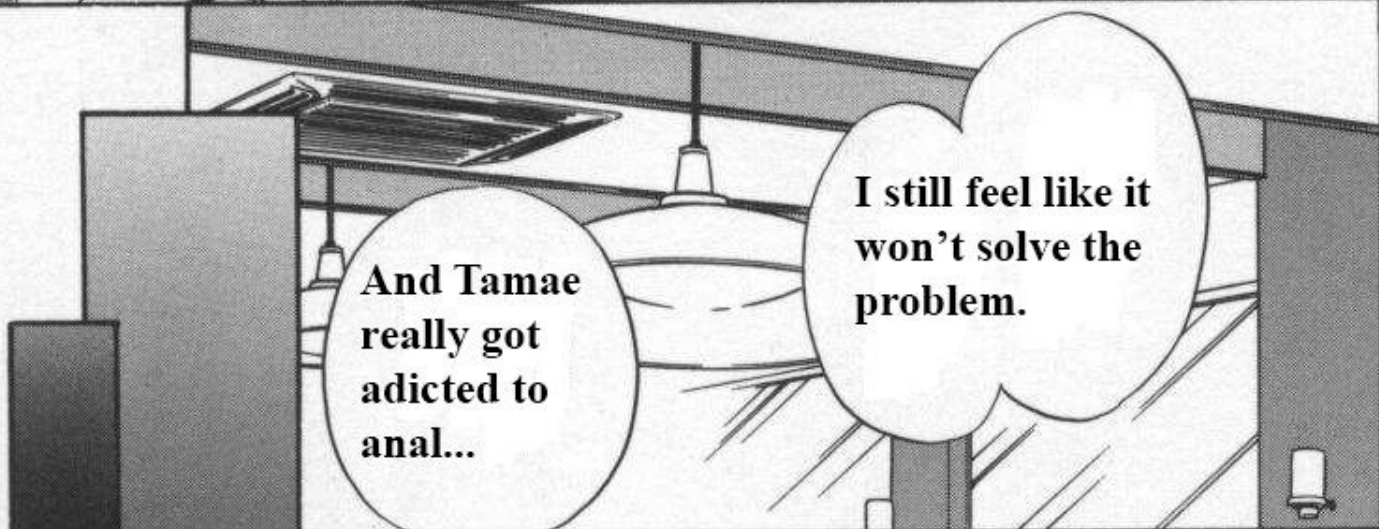

Very informative.

Wow, Kanae! You're so smart!

And Tamae really got addicted to anal...

I still feel like it won't solve the problem.

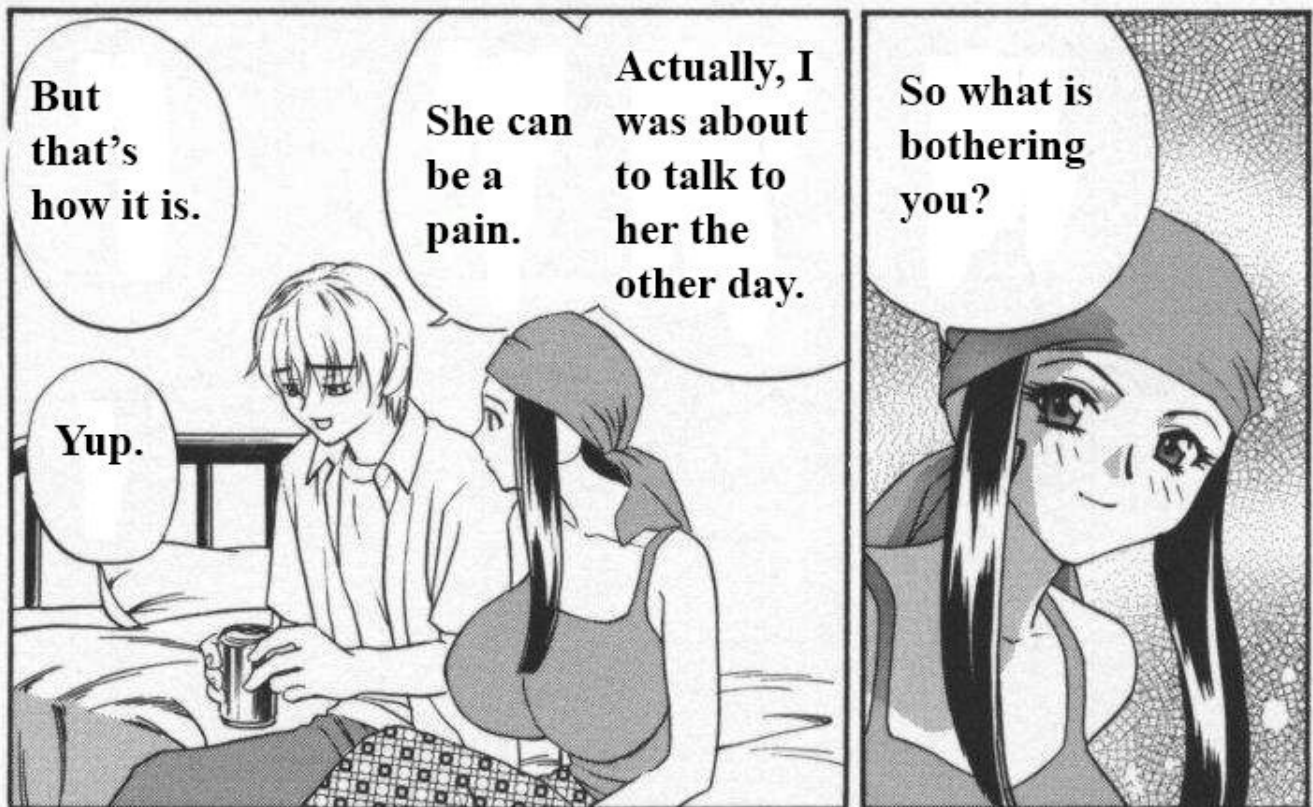

Wow!
We're so
lucky!

Sorry, but we
can't afford
to be picky.

We got a

Meet me at

You use your tongue so well!

Touching your nipples really gets you excited.

You're bursting already!

It looks like you can't hold back anymore.

Thanks.

Wow!

You really do give great blowjobs!

Kanae, your tongue...

more?

I'm sorry!
I'm
cumming

Don't
worry
about it.

Even though you're dirty.

I did buy it, after all.

I could use some chocolate

If you think I really should...

I said I'm not.

I don't feel the need to sleep around with a lot of guys!

Huh?

You're the perfect guy for me!

After all, I have you, Natsu!

I've always liked short hair!

Short hair and big tits.

What are we talking about?

I was going to grow my hair out.

And you've only dated girls who look like me.

My sister..

Because back then you liked long hair.

It's not really something to ask people about...

We can't. We're related.

No matter how much we want it.

We just can't.

It doesn't matter.

Because we both feel this way.

Then I'll be responsible for this

This can't happen.

I mean,

End of Egoist

A word from the translator!

I know people don't really read these pages considering the lack of sex, but I'm going to give this a try anyway.

Years ago, I came upon this hentai caled Egoist. It was in japanese so I couldn't understand a word of it, but I loved the art, particularly in the first arc. I waited for an english translation to happen, but for whatever reason it didn't, and Egoist drifted to the bottom of various hentai sites where it would lay forgotten. But I never forgot. I kept checking, hoping against hope that someday I would come across someone who took the time out to translate the words that went with those beautiful images.

It didn't happen.

Out of work and with an abundance of time, I came back to Egoist. Still no translation in sight. With the advent of technology, however, and with that aforementioned abundance, I thought if no one else was going to do it, I should give it a shot. At worst, I would have my own personal translation of my favorite hentai. At best, I could introduce the english speaking internet to the hentai that took hold over my mind for so many years. I had nothing to lose, and something to gain.

There were some liberties taken with the translation, of course. I did my best to make sense of what I could. Japanese is far from my first language, after all. Perhaps I overdid the use of the term 'master,' but it's a bit of a fetish of mine, so I added it when I could, if it was appropriate. You may have noticed that most honorifics were removed as well. There are explanations of japanese honorifics elsewhere on the internet that might explain it, but I want to bring up the lack of the term 'senpai' particularly in that first arc. Senpai can be a pretty broad term, especially in the english speaking world. I wanted to make sure the reader knew Mr. Shibuya was a teacher in the literal sense, and not just a figure Miyuki looks up to.

Learning the plots of these tales was interesting, having gone only on the visuals for so long. I think it starts strong, with Mizuki, my personal favorite, and the Goddess Sisters keeps the pace, but it kind of tapers out at the single chapter stories. Not that I didn't have a blast translating those.

It is my sincerest wish that you enjoyed reading. That is why I did this, after all. If you have issues with how I translated it, by all means translate it yourself. I don't say that as a challenge or anything, but a sincere suggestion. If you don't like one version, make your own. If there is hentai you wish you could understand, you can make it possible, like I did. Then you can share your favorite material with the world, in your own way.
