Your ass has gotten so soft and enlarged, and sooo very sensitive. It doesn't close properly anymore, showing a vertical slit resembling a pussy instead.
It's just a fuckhole for men at this point, isn't it? A cock sleeve that wants to be plugged all the time.
That's not how asses normally look like, you know?
But you look so proud of it!

A doujin cosplay event is taking place outdoors, under the big blue sky.
And you're cosplaying as... a pervert.
All the men flock to you, their eyes crawling all over your body, studying what you have to offer. They get their cameras ready.
Not long ago they were pointed at pure and innocent cosplayers, people so out of their league the thought didn't even cross their mind.
Their world is one of dazzling light.
The ones here now inhabit a different world, one dripping with thick desire.
It doesn't take long for them to overstep their boundaries. Their cameras get lower, the angles higher...
...their eyes, parting from the lenses and meeting yours, fill with base hunger. A fun day is about to begin.

A little farce your master prepared for you.
Surrounded by several crude men,
their slimy stares weighing heavily on you.
Ah!
Um
The air and time itself feel as thick as honey.
Nya-Nyan!
A pop song plays and you sing along,
trying to act cute and girly, batting your eyes at them.
So much fun.
Lots of pleasure.
But you probably just end up looking ridiculous.
You feel like the song will last forever, but it finally reaches its climax.
As they struggle to hold back their laughter,
It's time at last for this ceaseless beratement to come to an end.
as you strike the song's famous pose and smile,
Your mind is already thinking about "the reward" and nothing else...
A tremor runs through your body, welcoming for all the abuse.
Now give them a big smile!

It's time to give you a reward.
Fufu... You want me to open it, don't you?
I bet you do! You've been waiting for a long time now! I'm sure you wanna squirt out a big load!
Your reward? I'm gonna throw this away.
Ahaha! Aww, come on, don't cry!
Hm? Oooh? Don't tell me you're looking forward to this!
Don't you realize that once I've thrown this in the trash, this cage will stay locked forever?
Alright, Fine! I'll grant you one request.
You already know what your options are, right? ♥
That means you will never e-ja-cu-late ever again. ♥
Hehehe... Are you following?
You haven't said a word!

Today will be the first day of training for your wonderful new life.
A life of devotion... *Unconditional* devotion...
Let's get started, shall we?
When she gets home, you'll greet her by kneeling to the floor.
When she undresses, you'll help her so none of her clothes get wrinkled.
She will surely understand.
She will know what you are.
She will know the proper way to treat you.

The first night. A very important night.
Your man's "thing" is right in front of your very face.
Keep your eyes wide open and take a good look.
Isn't it amazing?
Come on, try saying it out loud.
Amazing... Amazing... Amazing...
Such beautiful dick is really amazing.
That's your first partner.
Are you ready? After this, there's no going back to normal.
What is about to follow is both a beginning and an end.
This is a ceremony where you'll part from "normal" forever.
For starters, try giving it a little kiss! And then when you've done that...
♥
Well, you already know what comes next, don't you?

Remove your clothes, show your skin.
Your unbelievably twisted tits are hidden right beneath.
They're rather small, but the nipples are huge.
They were stretched like this not long ago upon your own request.
Their sensitivity... out of this world.
A single brush on them takes over your whole body.
These warped and abnormal nipples
are my shame...
and my pride.

Afterword

I believe this is the first time I've ever drawn a "perverted cosplayer". I hope everyone likes how it turned out!

SWEET TABOO

Girly?
Feminine?
Coordinating is one of the most important things when it comes to clothes!
This is an important lesson between girls,
so don't be scared and go for it!
♥
...
Ahahaha!
They don't suit you at all!
Haha, but...
Why don't we start with something casual?
Let's choose some nice ones!
♥
But being laughable actually suits you perfectly!
