The threesome we had with Rina that time... Was out of this world.
Her meat folds are munching my tip...
You just inserted and a huge electric shock ran through my body... It felt like both of our sex meats melted together! ♥
Cooome on! What are you going to do? How about... inserting just the tip? ♥
Or maybe going for it, but with a definite ban on creampie is also interesting? ♥
It's all right for you to not follow that... Unlike the others, I'm not thinking about becoming your number one, Kuro-chan...
Haa!
I...I want to do it... Her raw pussy...!!
DRIP
Bu-But ....
Haa!
I'm fine being your exclusive pussy that you can use and creampie whenever you want...
With no strings or responsibilities attached... ♥

If you move your hips forward just a bit you'll reach heaven.
