MSWC「淫猥ガール♥痴態配信!」大好評配信中!

Beer that someone else pays for is the best!

Aah!
I feel ALIVE again!

Nnh

And hey, who said anything about me buying?

If you were a real high-schooler, you'd be in bad shape.

Table for two.

...

I don't know how you became a college grad.

Pipe down.

Nobody's fuckin' buying!

I figured I could dress up like a high-school girl and make some money, but...

I'm fresh out of cash, so...

Dating sites are filled with sketchy people, right?

It's like...

"Why"!?

They're kinda dangerous, y'know?

Huh? Why?

Good thing I found you first.

Well, at least some weirdo hasn't snatched you up yet.

Do I sense...
Concern for my well-being?

...

No, I'm not... or I don't think so, anyway.

Huh?

Are you a sketchy person, Tamura?

At least get my fucking age right!

Grade-school kid, my ass!

And from a kid who looks like he's in grade-school...

Hmm...

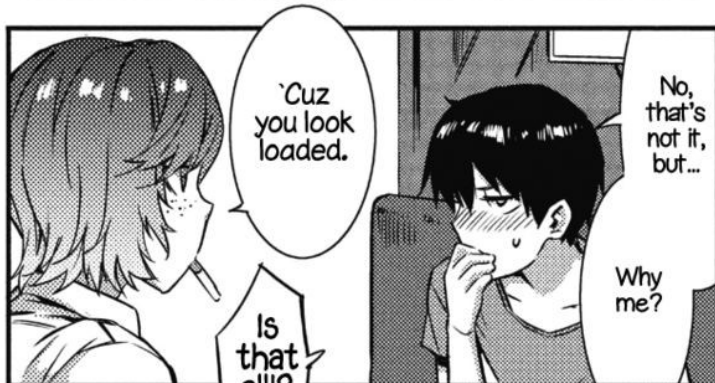

What is it?

Buy me!

Tamura!

...

'Cuz you look loaded.

Why me?

No, that's not it, but...

Is that all?

You don't wanna?

Keep your voice down!

What do you mean, "buy me"!?

You look like you'd be gentle...

And also...

What, you wanted me to pay for a hotel?

This your place, Tamura?

I wouldn't cover you for that.

I said knock it off!

Keep your grade-school dick in your pants, okay?

Hmm?

Oh, right...

By the way, how much am I buying you for?

Beer alright with you?

Sure.

Hmm...

TL NOTE: RENOWNED AUTHOR YUKICHI FUKUZAWA IS PRINTED ON THE 10,000 YEN NOTE.

A visit from Mister Fukuzawa.

Hmm...

You, trying to use a dating site?

I mean, come on...

Kake-gawa...

You really don't have much experience, do you?

Huh?

This... isn't fair, Tamura...

It feels like...

Your hands have done this so many times...

おっ

おっ

SERIOUSLY?!

For your information, I'll have you know that I'm very experienced.

Yeah.

Y-you think so?

Ah!

あゝ

You wouldn't have thought, right?

D-don't...
Don't spread it open like that...!

You're sopping wet down here.

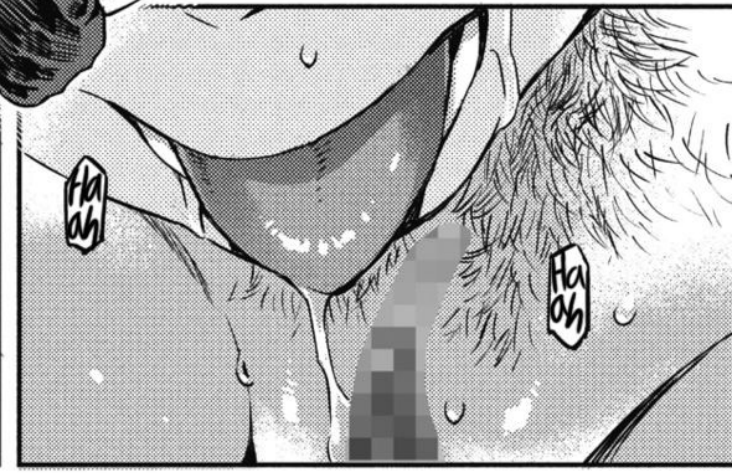

Wow.
Kake-gawa...

It's not really fair if you're the only one who cums, you know.

That you've loosened up nicely, haven't you?

But... It looks like you felt so good...

Yeah, a little bit.

Isn't it weird that you're so small, but you're packing a cannon like this?

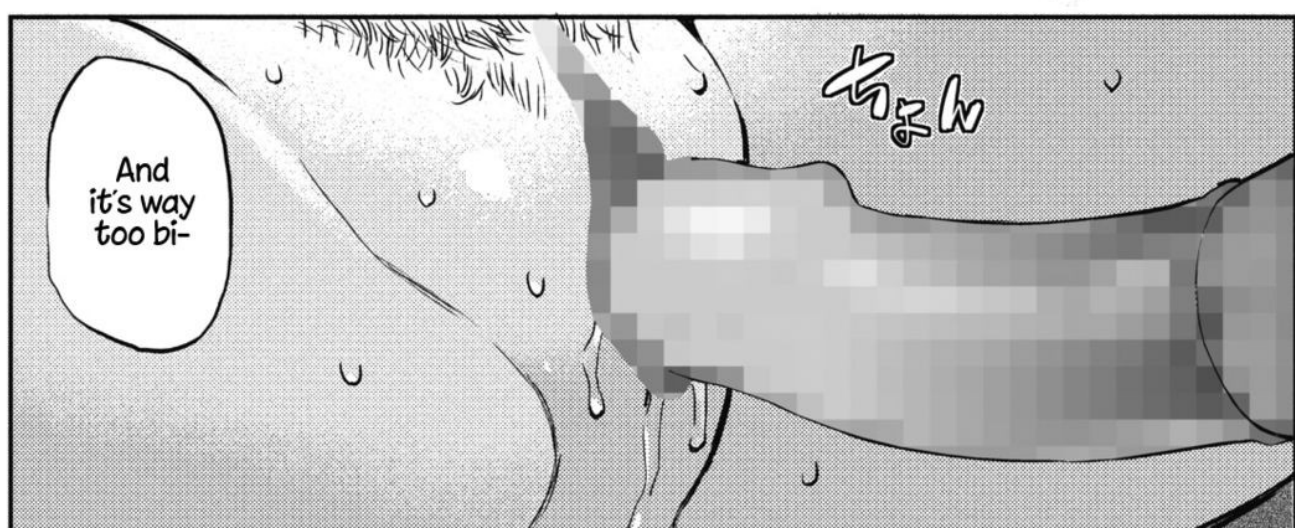

Time for the main event, I'd say.

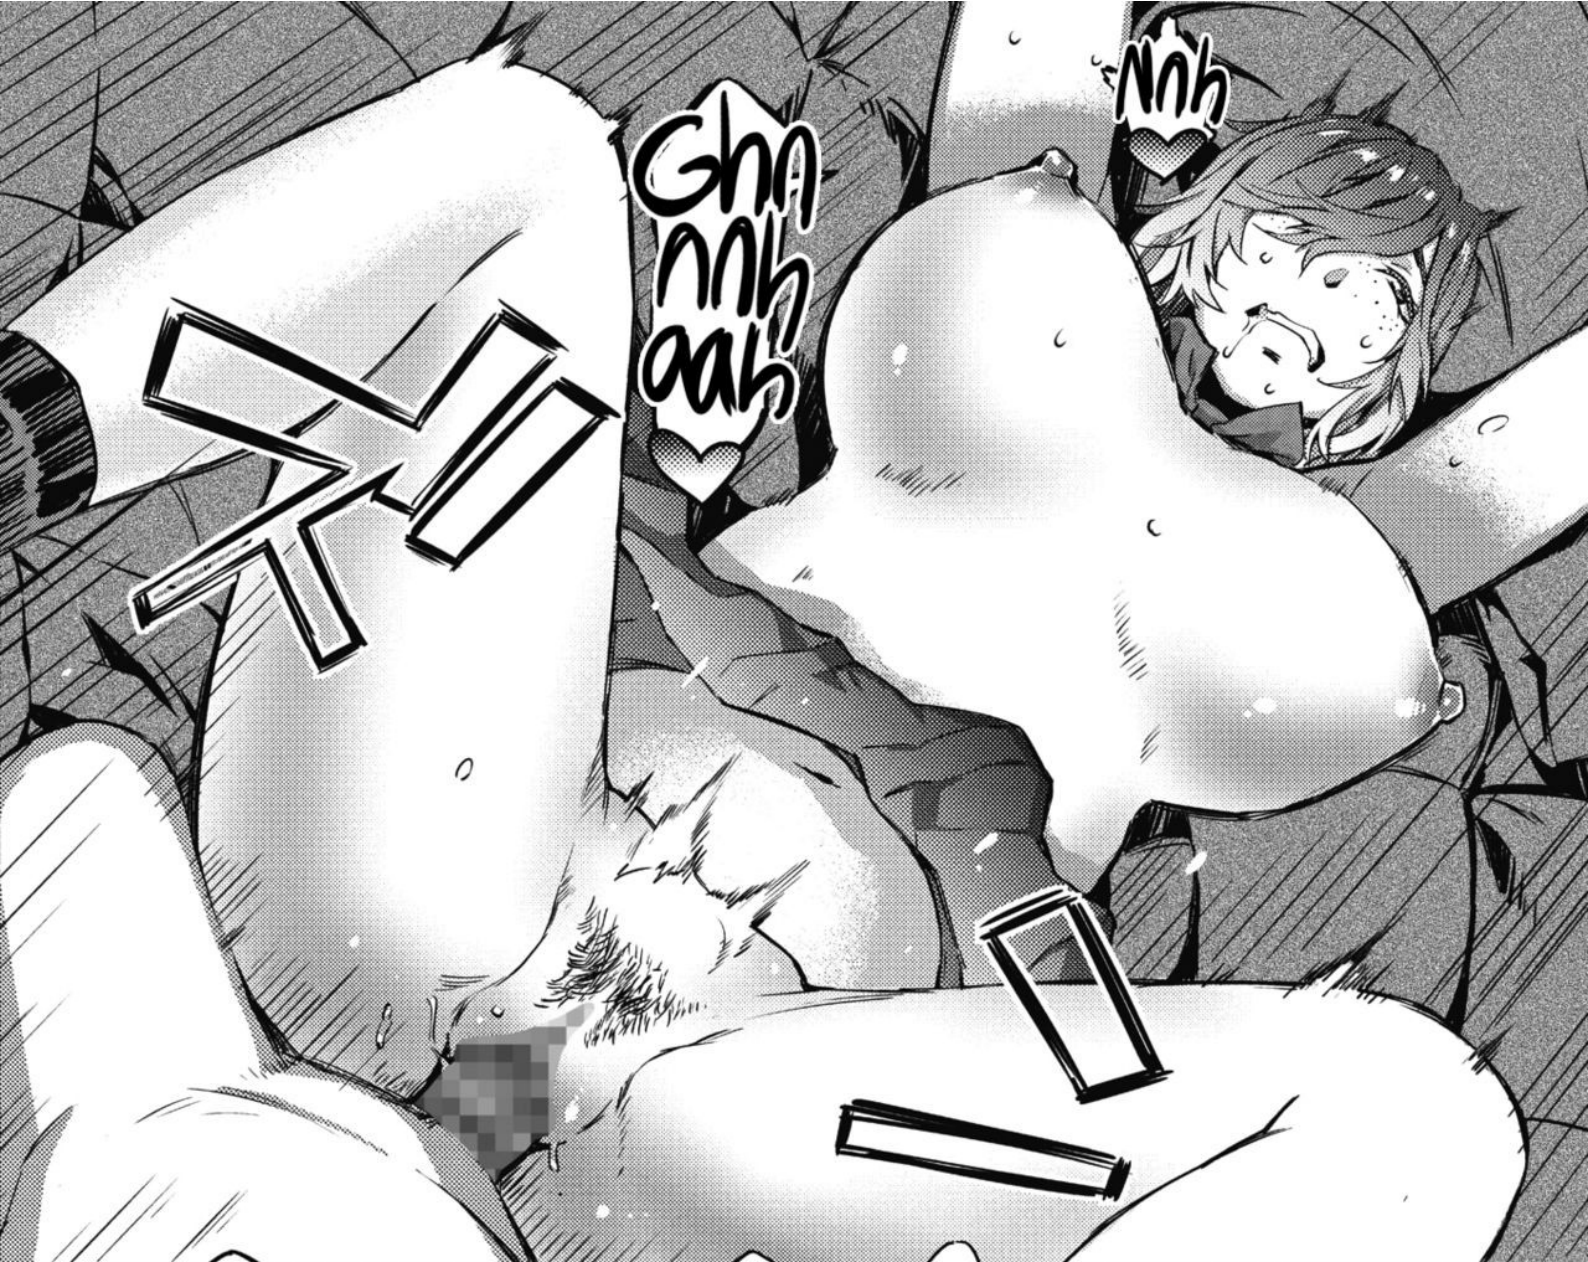

It's like it isn't even part of you...

Still...

But for a girl like you, it's the perfect size, isn't it?

And it's way too bi-
