HMM.

Y- YEAH.

I PAID A HIGH SCHOOLER FOR SEX.

I PLANNED TO LOSE MY VIRGINITY IN A RED LIGHT DISTRICT, SO I MADE A BEELINE FOR A SOAP-LAND, CLUTCHING TENS OF THOUSANDS OF YEN IN MY HAND.

ALONG THE WAY, I SAW A HIGH SCHOOL GIRL WHO LOOKED PRETTY LOOSE AND I JUST CALLED OUT TO HER ALL OF A SUDDEN.

Attends a private school.

Her grades aren't bad.
She's the type who can do well if they try. Great cook. Has an appetite.

Normally she has a rather dry personality, but when she shows her emotions, they come pouring out.

She's a sexual demon.
Due to her wealth she doesn't experience financial difficulties, but often has sex in exchange for money.

Is a string bikini enthusiast.
She lactates, but she doesn't really mind.

Afterword

Hello, I'm Nanae.

Thank you very much for buying my poor attempt at a book.

This is my first time drawing a manga, so it probably looks pretty awful in places, but I hope you enjoyed at least a little bit of it.

Indeed, I made the girl only using components that people who like dumb characters would like, the type of girl who'd give you heartburn, but hopefully she managed to strike the right chord in you.

And with that, farewell for now.
