IF ONLY JUST ONE OF MY NAUGHTY DAYDREAMS WOULD COME TRUE... PLEASE, IS IT TOO MUCH FOR ME TO ASK ...?
"THE MOST POPULAR GUY IN SCHOOL JUST CAME AND ASKED ME OUT!" OR SOMETHING LIKE THAT ...

So, I guess this is my official, first English translation.
As I have a bit of perfectionism problem, I went all out and edited every sfxs from the manga (at least those I could find).
I'd say I was little disappointed with the story, but I can't hope much for the first-timer. I just hope the author to grow more, and excited about his next coming doujin(which we don't even know the name of, yet, lol).

I go by many names on some cites, so if you find me on one of them feel free to say hi. How will you find me is another problem, though. ;D
