MORN!!!

To the
smelly,
stinky
basement
dwellers
from all
over the
country:

Wassuuup!

Luna!

So todaaaay
I've briefly
emerged from
the interwebs
and thought
I'd check out
some otaku
Festival I
got invited
to or some-
thing.

Right,
time's
up!

Now here's the question: how much will a ticket back cost?!

Not really invited though, I had to pay to get here.

Luckily,
I'm fine
even if
I don't
bathe.

You call yourselves human beings?! All of you, go home and take a bath!

What

Excluding
the sweat
and bad

This bitch's
squirting
while she's
choking.
This is
why real
women are
inferior.

Then that
means she
came here
hoping to
fall victim to
us otakus.
You're a real
Pucking slut,
aren't you?

What a
bitch...

People are
worrying
about this
chokehold-
loving
whore, yet
she doesn't
feel a Pucking
thing.

But-
I'm...

Not
a real
woman,
I'm a
Virtual
YouTuber...

Get
her
damn
clothes
off!

Both,
maybe.

Or...
cum and
pass
away?

I'm
gonna
cum and
pass
out...

Ah,
it's all
over...

Yeah, she's pucking hot as long as she isn't screeching.

Wow, this bitch actually gets me rock hard when she shuts up.

Get ready to choke her again if she wakes up. Cuz her voice makes me go limp.

Sweet! Hey, subscribers, ya'll watching?

This bitch is apparently some kinda famous YouTuber. A You-Tuber? Lmao.
