

Man, I wish I had bug spray...

Today I'm working in the Grugrei-whatever-forest... doing some orc extermination.

I somehow manage to make a living as an adventurer by overcoming the unfamiliarity of this other world by using a "reincarnation point".

It's been about one week since I leapt into another world...

Miss...

It's dangerous to be alone here-orc.

Ah!

This is a flag for conquering a girl's route!

Ahhh!

S-Stay away from me, you vulgar pigs!

You're gonna regret it!

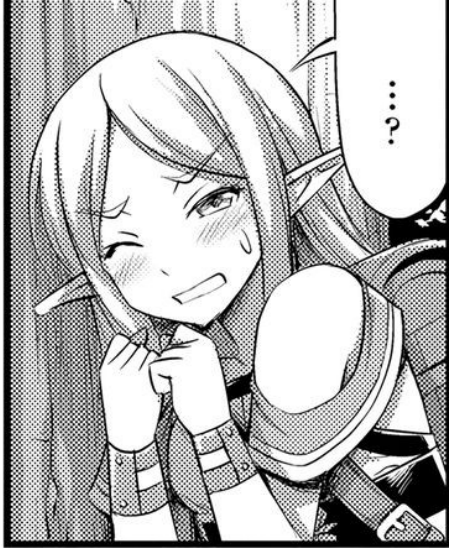

You might run into a scary orc like me and get attacked-orc.

Gah hah hah oink-

Oooh!

I'm coming right now!

異世界★ロリエル 助けたらこうなった

Ooohhh!

It's a
super-cute
elf girl!

Are you
okay?

Yes!

I could have done something about those pigs without your help!

Ah...
So she's the type that hates other races.

Did I do something bad?

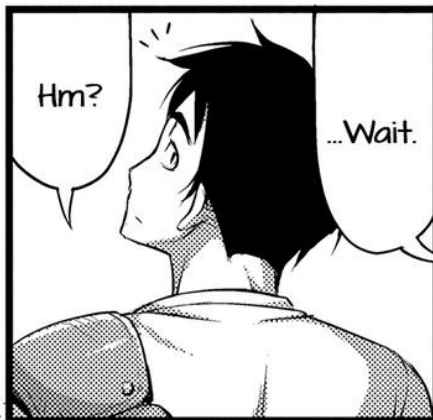

Unbelievable!

To be saved by a human of all things...

Wait, a human!?

Eh?
Well, yeah.

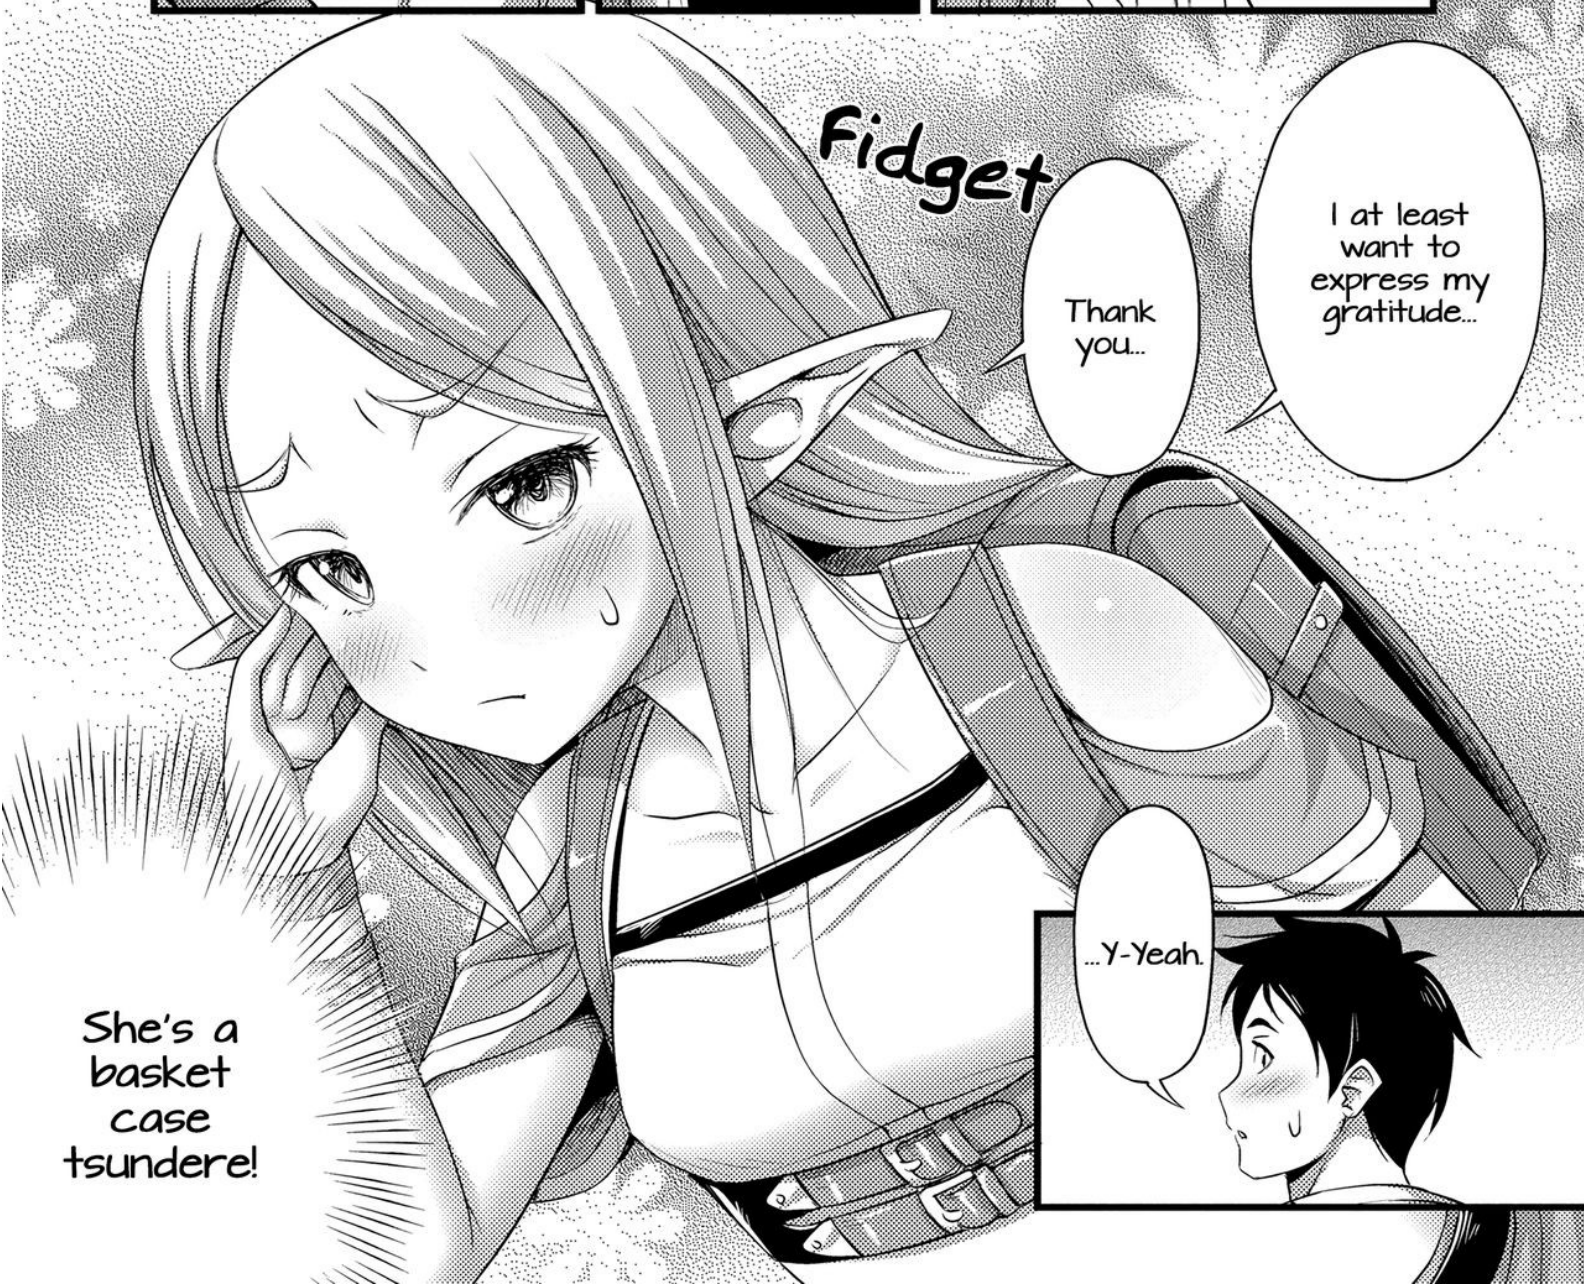

Hm?

...Wait.

Am...

I see.
Well, then I'm sorry.
See you around.
Be more careful from now on.

Fidget

Thank you...

I at least want to express my gratitude...

...Y-Yeah.

She's a basket case tsundere!

It's the custom, so I don't have any choice.

...Are you sure?

You hate humans, don't you?

Come on, let's go!

It's almost dark, so come stay in my home for the night.

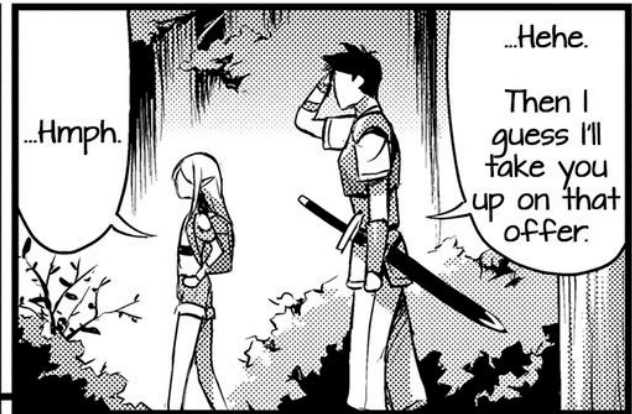

One of our customs says that when someone saves your life you have to invite them to your home and show them hospitality.

And you are?

My name is Kusanagi Takeru.

As you can see, I'm an adventurer.

...Hmph.

...Hehe.

Then I guess I'll take you up on that offer.

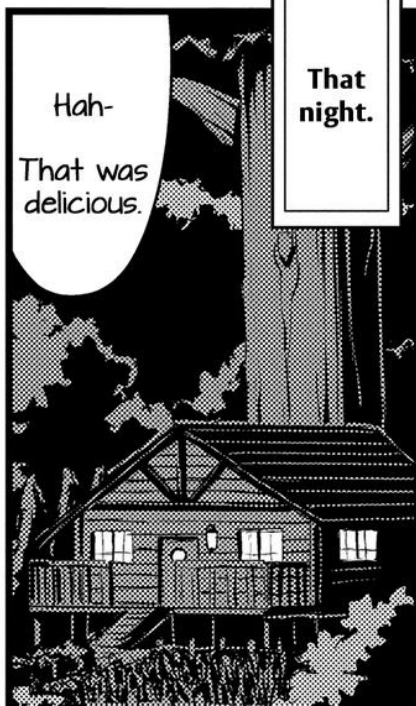

...Fifth-grade.

...Eris.

Eris Heinel.

I'm a fifth-grade elementary schooler.

Hah-
That was delicious.

That night.

...Were you up?

Yeees?

Knock Knock

That wife sure was a beauty-

It didn't seem like she hates humans how Eris-chan does, either.

Thump

Thump

It's that kind of thing...

So just sleep with me.

Ehh!

What is this eroqe-like development!?

Squeeze

The girl must offer her body as gratitude to show the man hospitality.

...In this house, our custom is that should the person who saved a girl's life be a man...

?

?

...Eh?

When it comes to elves, their outward appearance doesn't match their age.

Ah.

Now that I think of it, Eris-chan is an elf.

I did.

What about it?

What do you mean "what about it"?

Wait, wait, wait.

Didn't you say you were still an elementary fifth-grader!?

She's a normal elementary fifth-grader!

I'm 11.

You can figure that out if you just think a little, can't you?

Huh?

I said I'm an elementary fifth-grader, didn't I?

Sorry to ask Eris-chan, but your age...

Or rather, in the first place that's a crime...

No. If anything, it's the opposite...

What's so bad about it...

Are you saying you can't become motivated if your partner is a child!?

Then it's bad, isn't it!?

To have se... sleep with an 11 year-old girl!

...That's right.

This is another world.

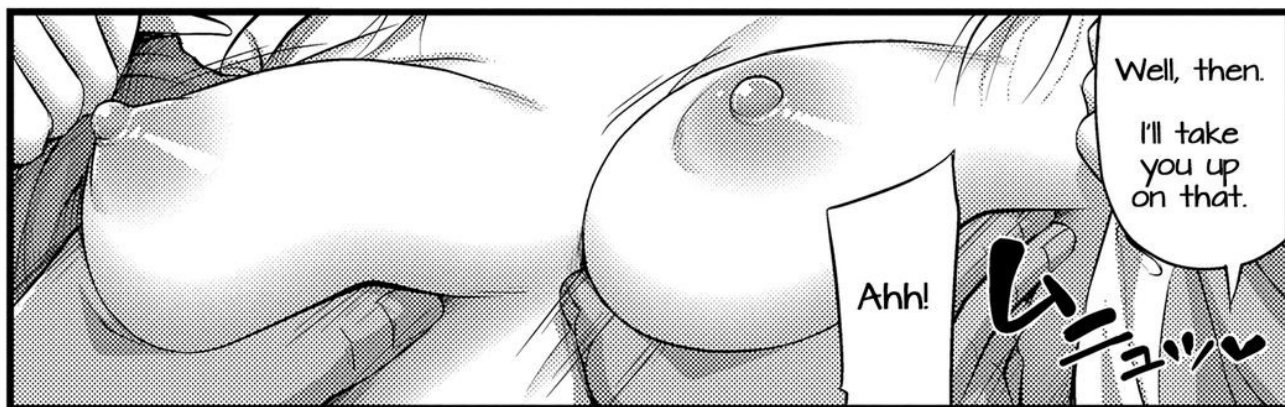

So there isn't necessarily a law against having sex with children...

Hooray
for the
other
world!

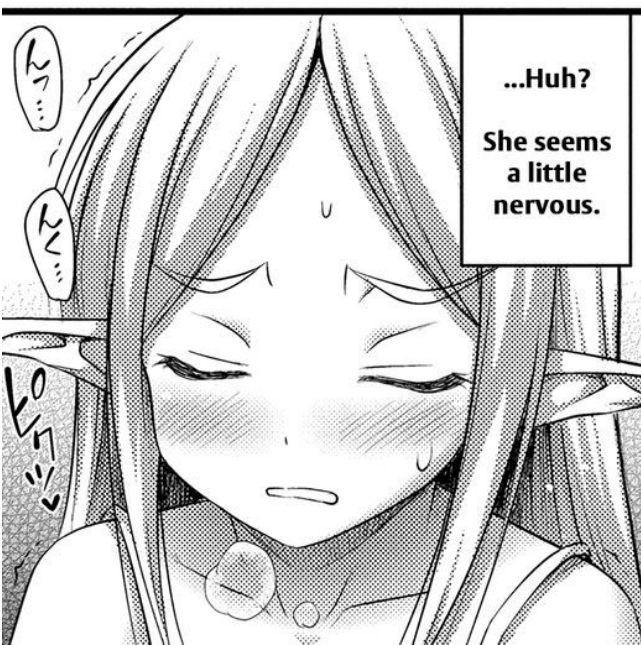

Well, then.

Hurry up
and sleep
with me.

Well, then.

I'll take
you up
on that.

...Huh?

She seems
a little
nervous.

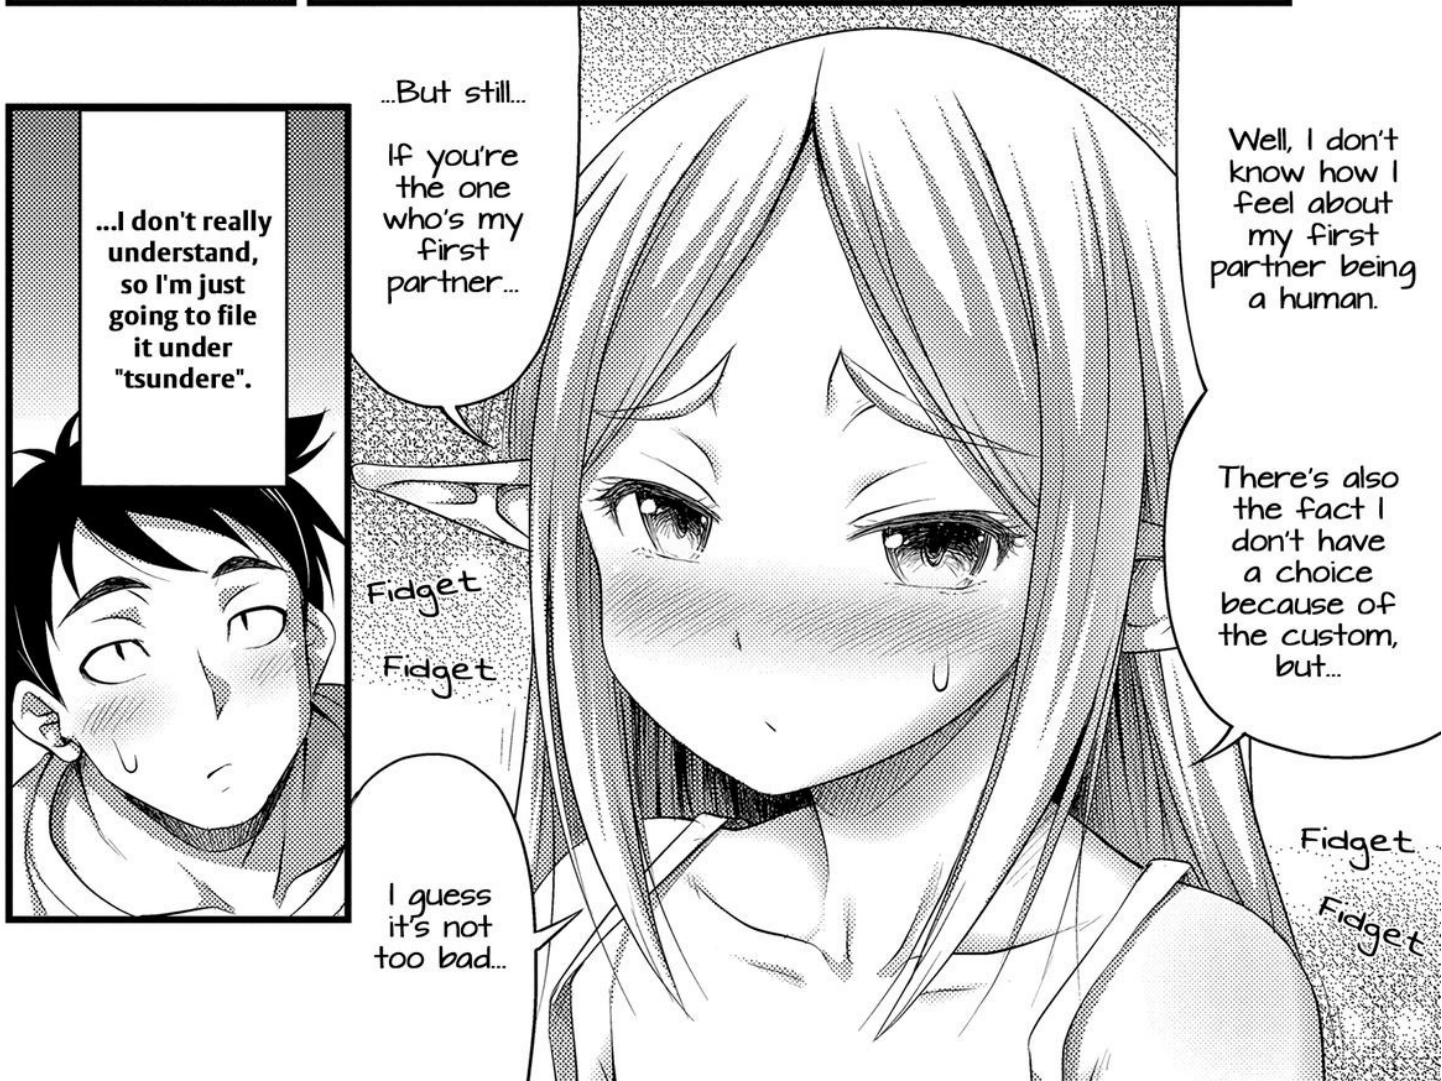

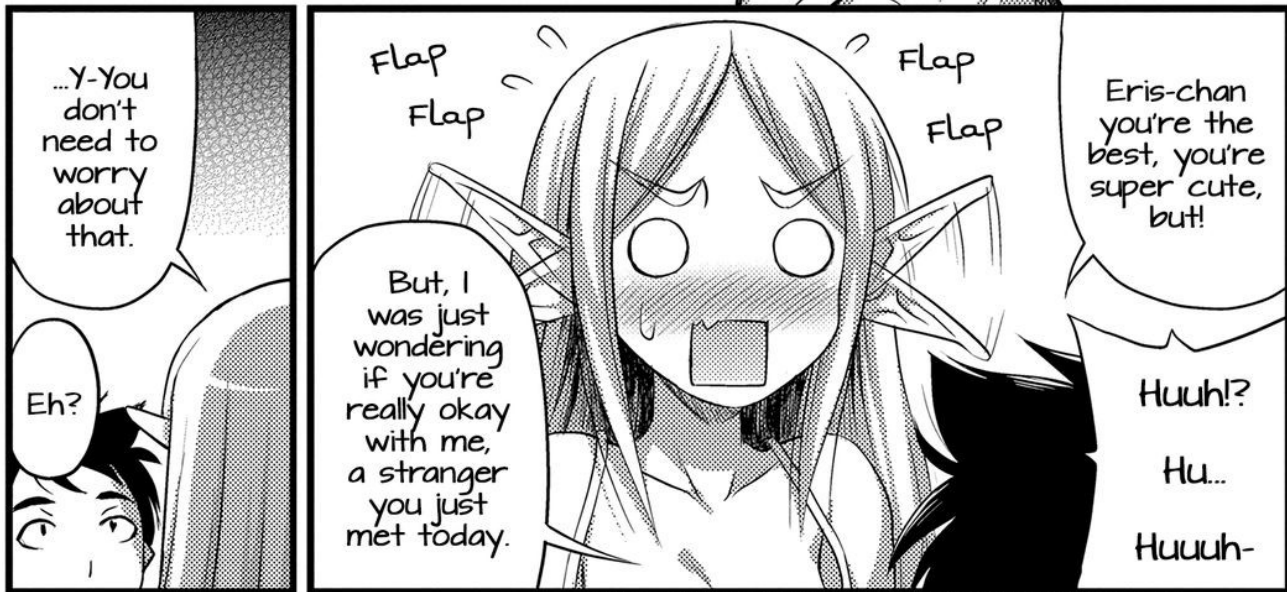

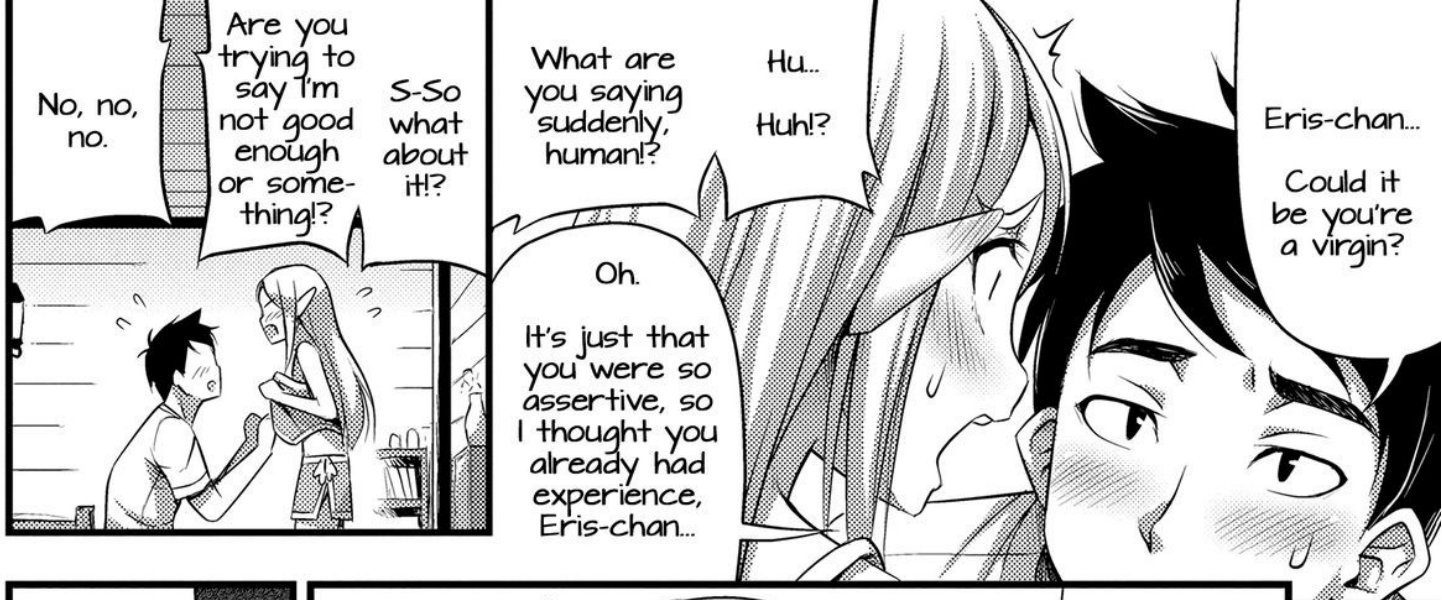

Geez...

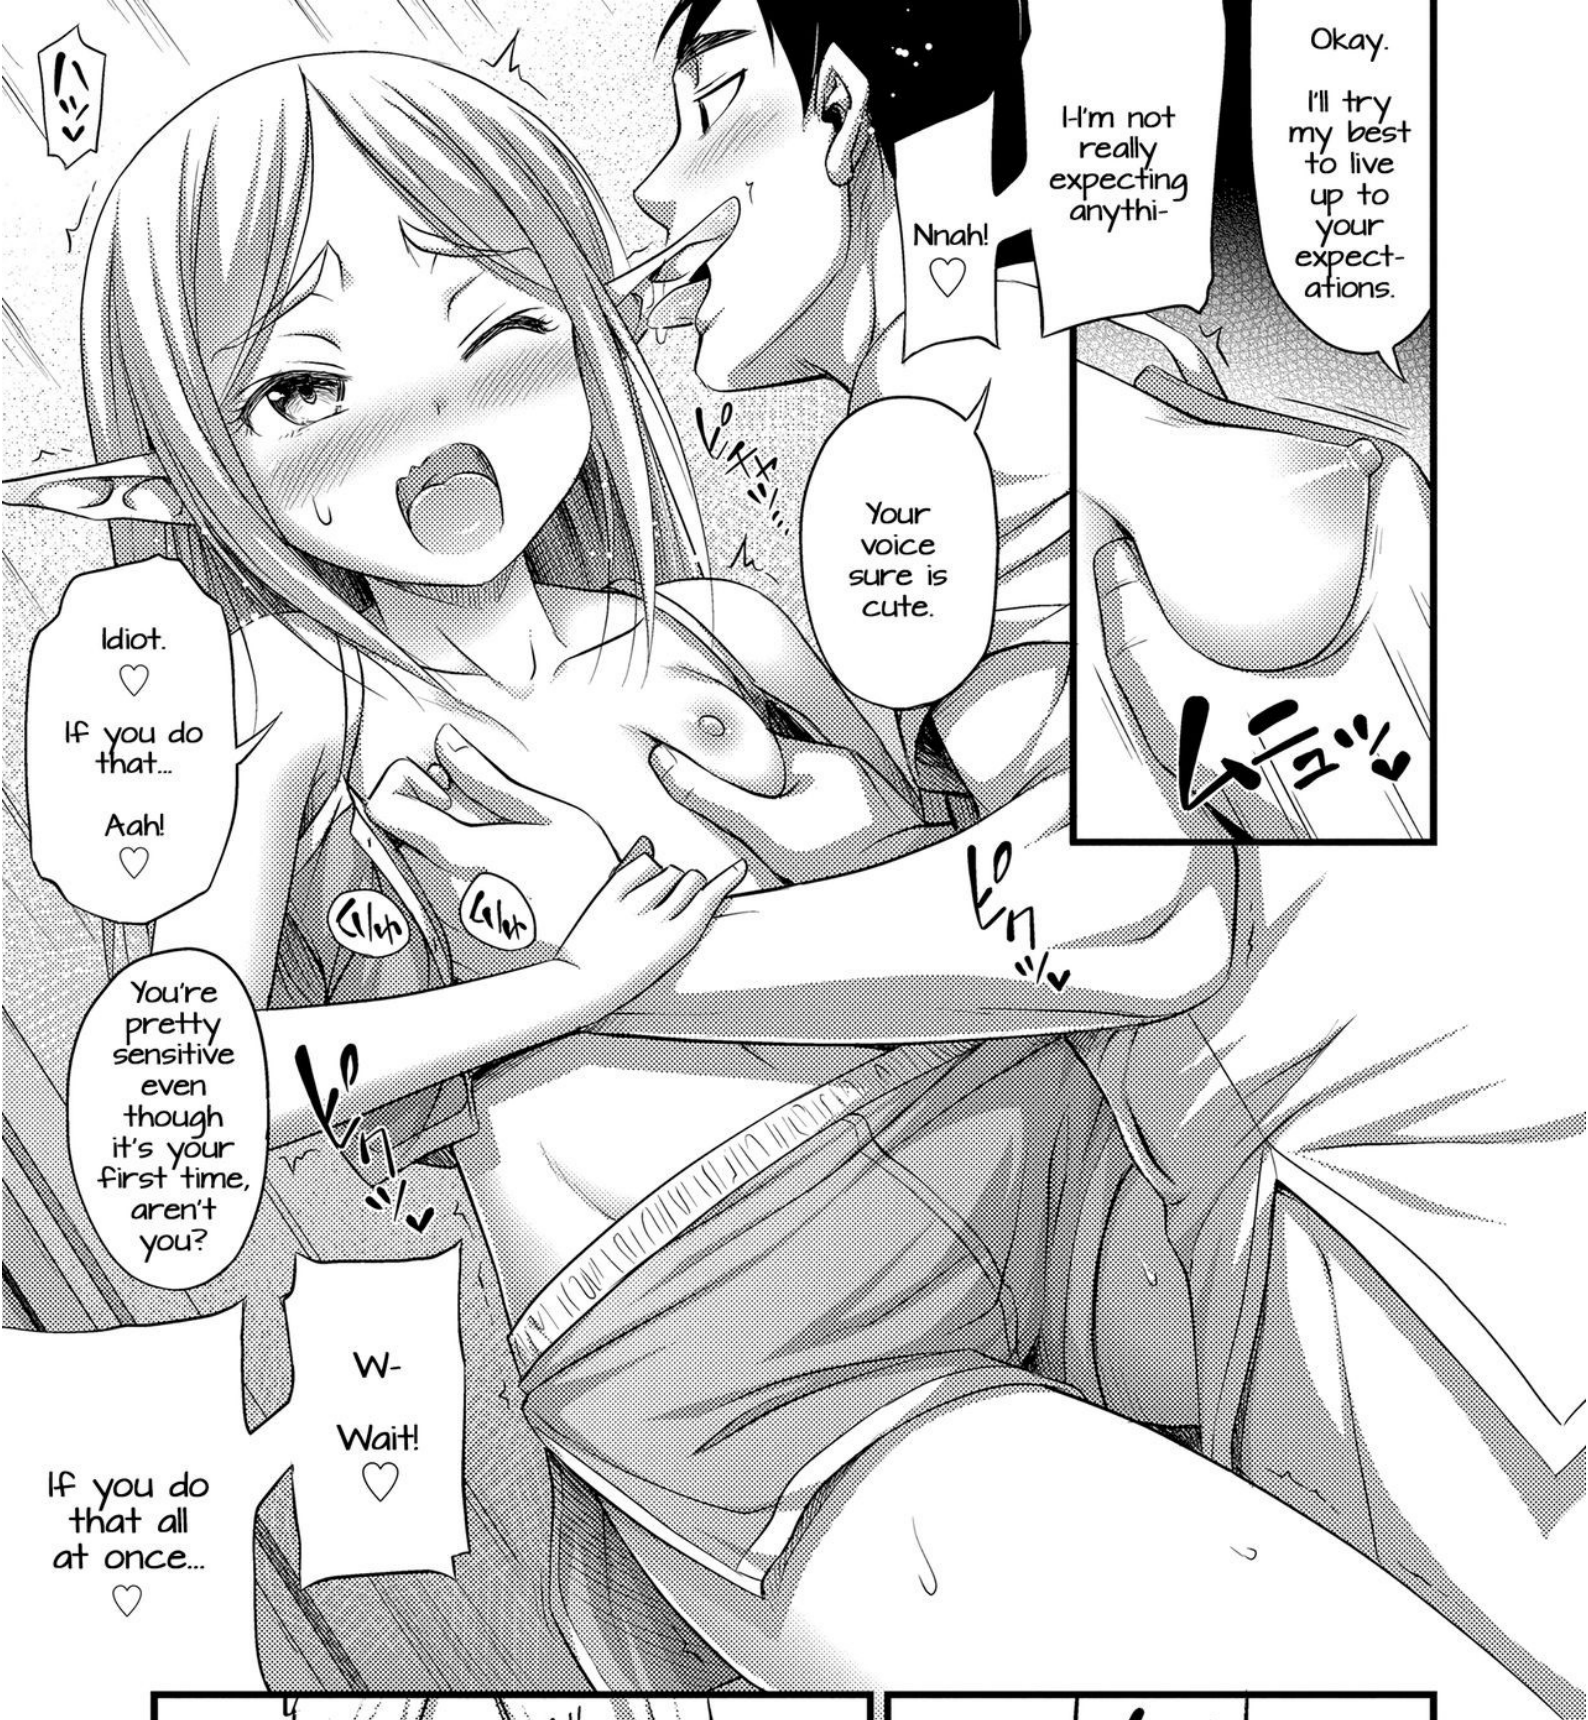

This is why
humans are
so-

Why are
you be-
coming so
aggressive
suddenly!

If this
is your
custom it
can't be
helped...

Yep...

I'm not really expecting anything-

Okay.
I'll try my best to live up to your expectations.

Nyah!
♡

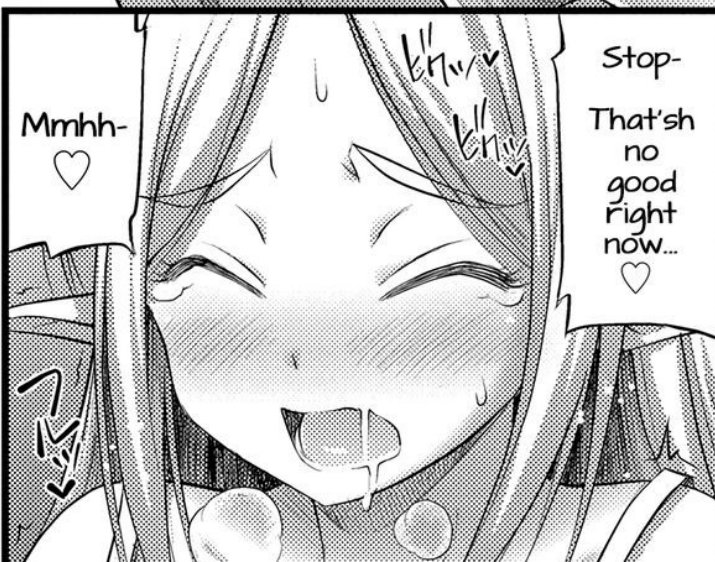

Your voice sure is cute.

Idiot.
♡
If you do that...
Aah!
♡

You're pretty sensitive even though it's your first time, aren't you?

W-
Wait!
♡

If you do that all at once...
♡

Mmhh-
♡

Stop-
That's no good right now...
♡

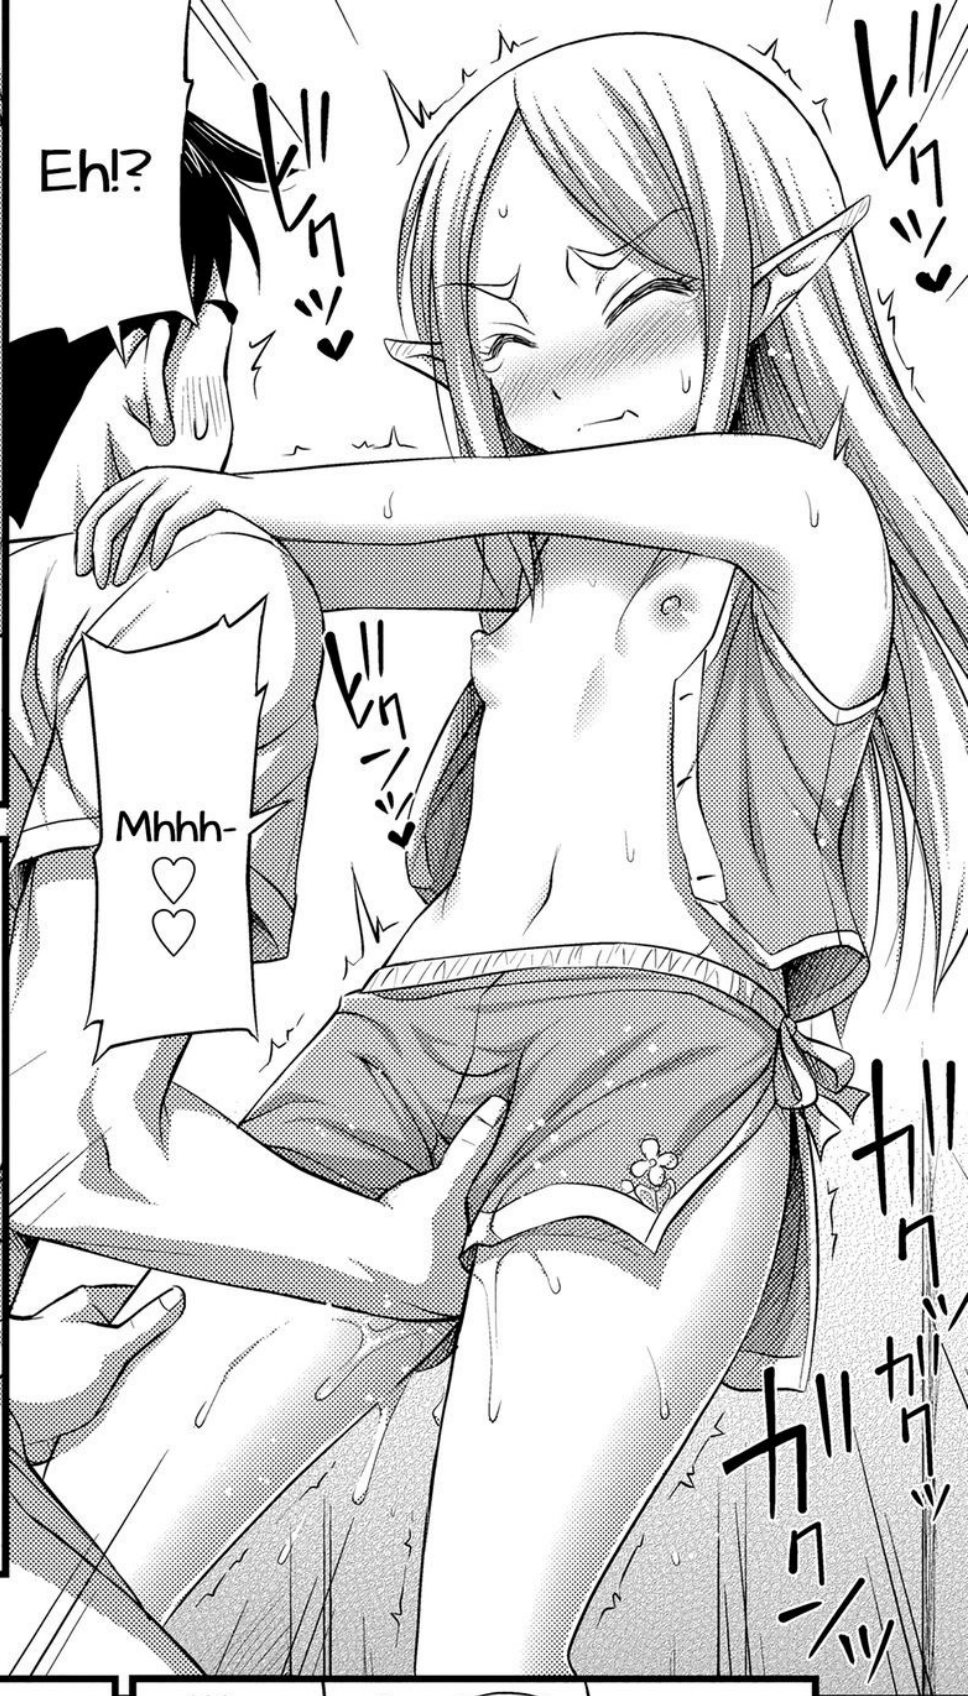

Phaah~
Th-
That's-
♡

I wonder how it is down here.

Eh!?

Well, I guess it's about time to put it in then.

Ahh-
Sorry, sorry.
My mistake.
Yeah.

I didn't cum!
D-Don't think you can make me cum... from only this much!

More like
I was
thinking
"Finally!"

Do-
Don't
make
fun of
me!

...Huh?
Is it
impossible
after
all?

Wow...
That's
gonna go
inside
me...

gulp

Nh-
♡

All
right...
then
here
I go.

Nhaa-
♡

Th...

The adventure
with a loli elf
I've dreamed
of is starting
now...!

I-It doesn't hurt...t.

...Does it hurt?

Akh...
♡

Phaa-
♡
Ah!
♡

She's stubborn...

...I see.

It doesn't hurt...
I'm fine!

There's no need to force yourself, you know?

Oooh...

Looks like you really are getting turned on.

Eep!
♡
My ears again!
♡

Your pussy is getting wet and it's becoming a little easier to move.

That's...
Phaaaaa-
♡

I heard elves get turned on easily with their ears.

I wonder if it's true.

I...
I came
again...

Naa-
♡

Haah-
♡

Uugh...
Idioot...

Did it
feel
that
good?

Haha-

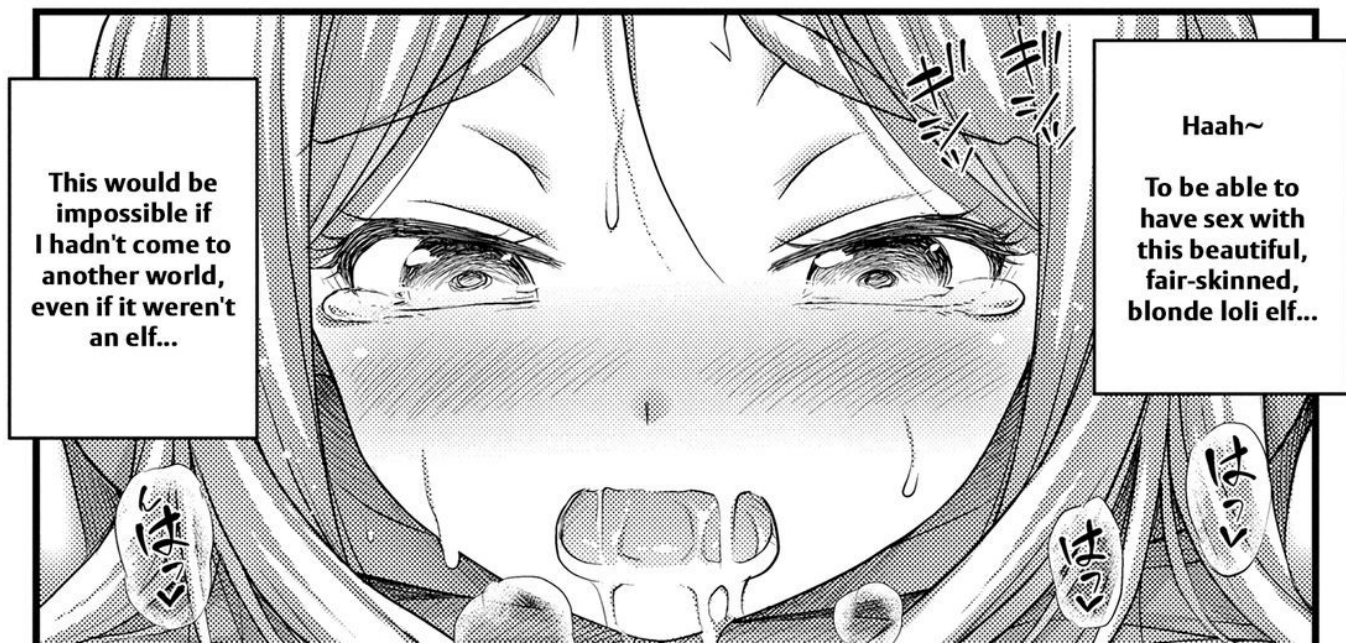

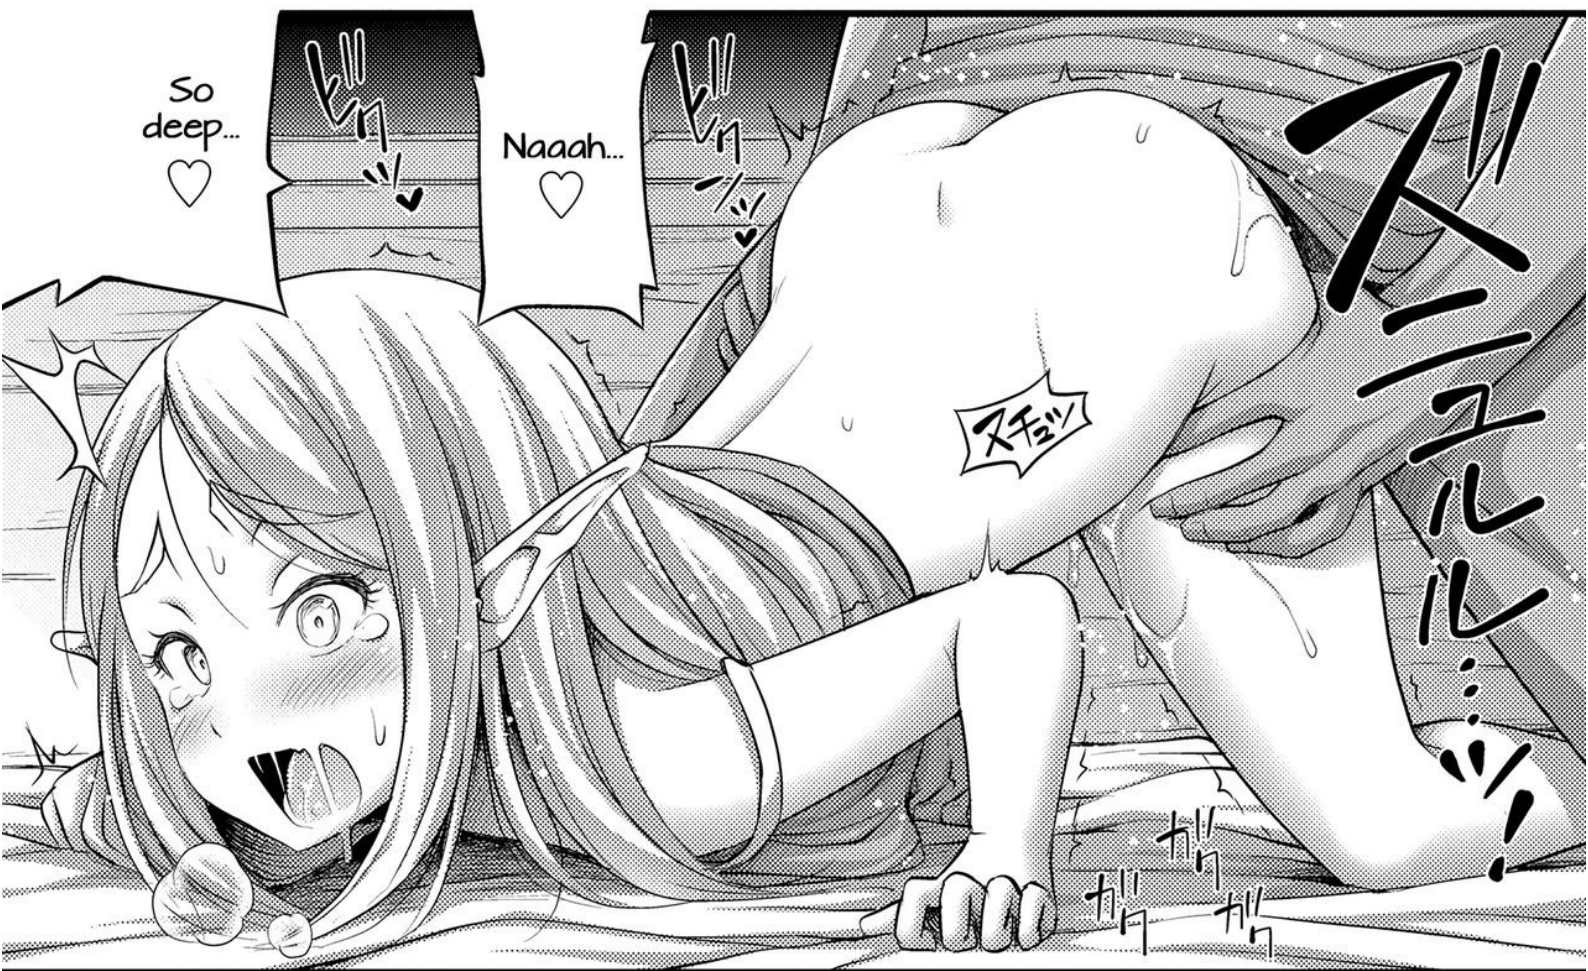

はぁ

Elves really
are strong-
willed, huh?

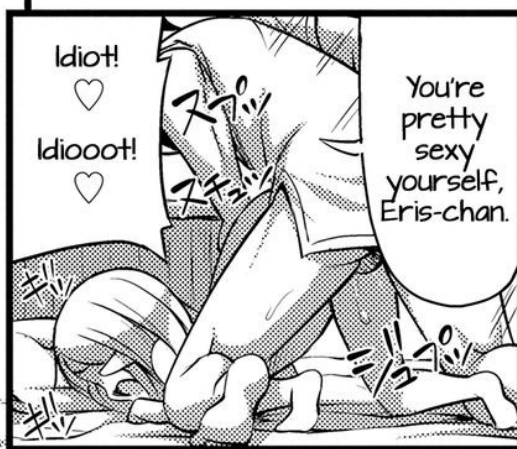

My
pussy
is
achiing-
♡

Oh nho-

This is
why you

You

You're
pretty

yourself,
Eris-chan.

Takeru!
♡
I can't wait-
♡
Cum-

♡

Eris-

I'm about
to cum,

It'sh

Something

insiiide-

Naaaah-

Wow...

Takeru,
your penis
just won't
stop...

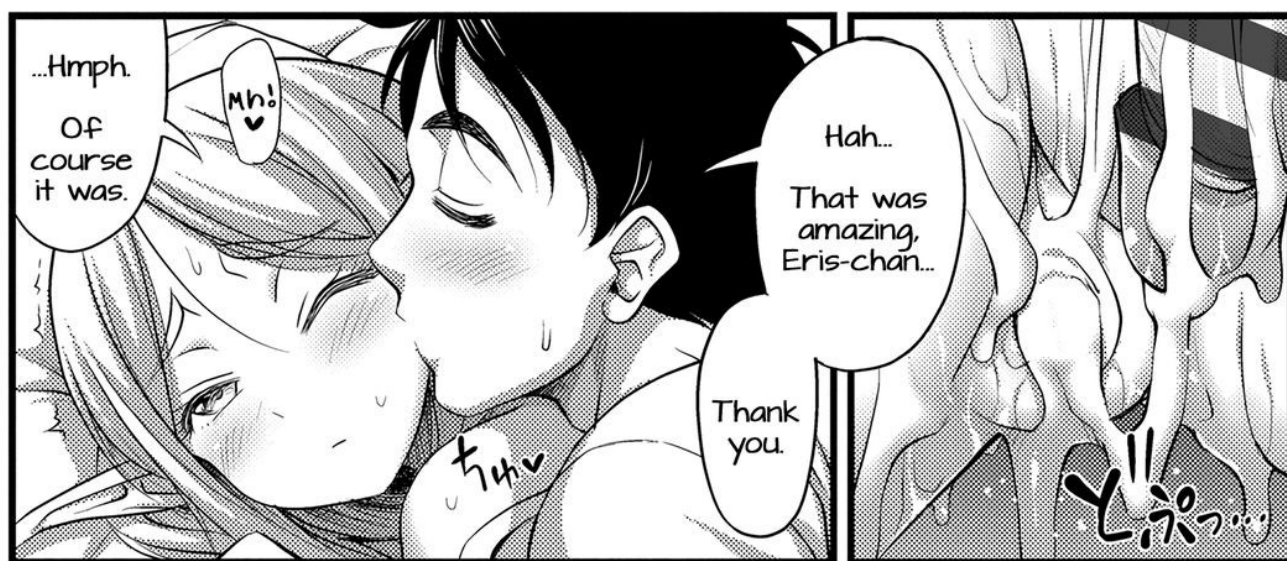

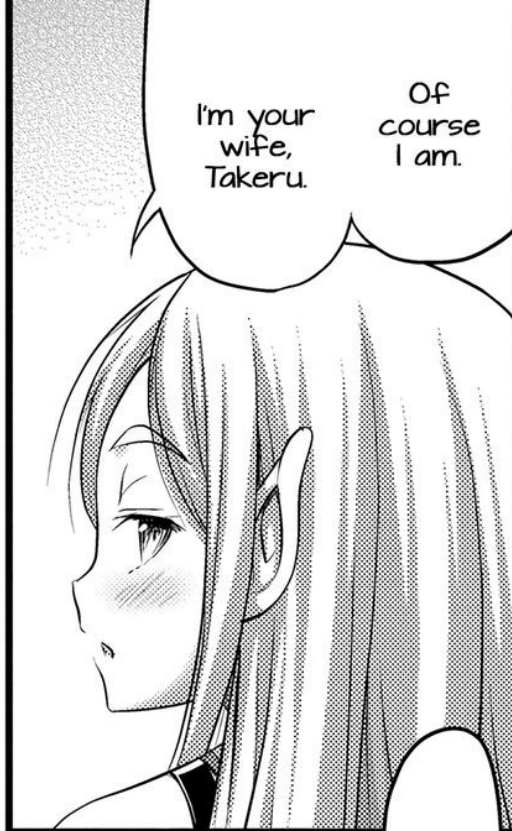

Nnh-

Nkh...

I'm your wife, Takeru.

Of course I am.

All right, let's get going.

...Eh?
Where?

...That's what you meant by "offering your body"!?

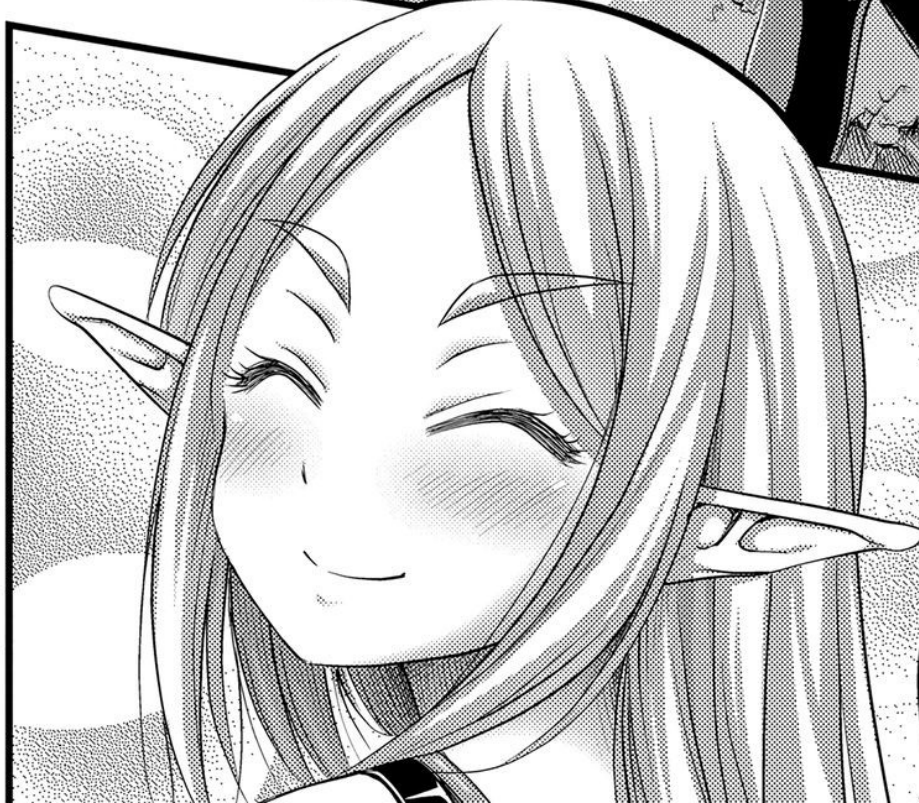

Come on, let's hurry up!

...Eh?

On an adventure, obviously!

You're an adventurer, aren't you?

No, I mean...
You're coming with me?

If it looks like something dangerous is going to happen to me...

Make sure you protect me, okay!?
