Let's graduate...

together, okay?

A-

Arina...

I knew today was graduation day, but to think that we were already taking a course on love...

めざせ Aim at Love birds バカッパル

Scanslated by Hennojin

A- Arina...

Such a wild kid deserves this!

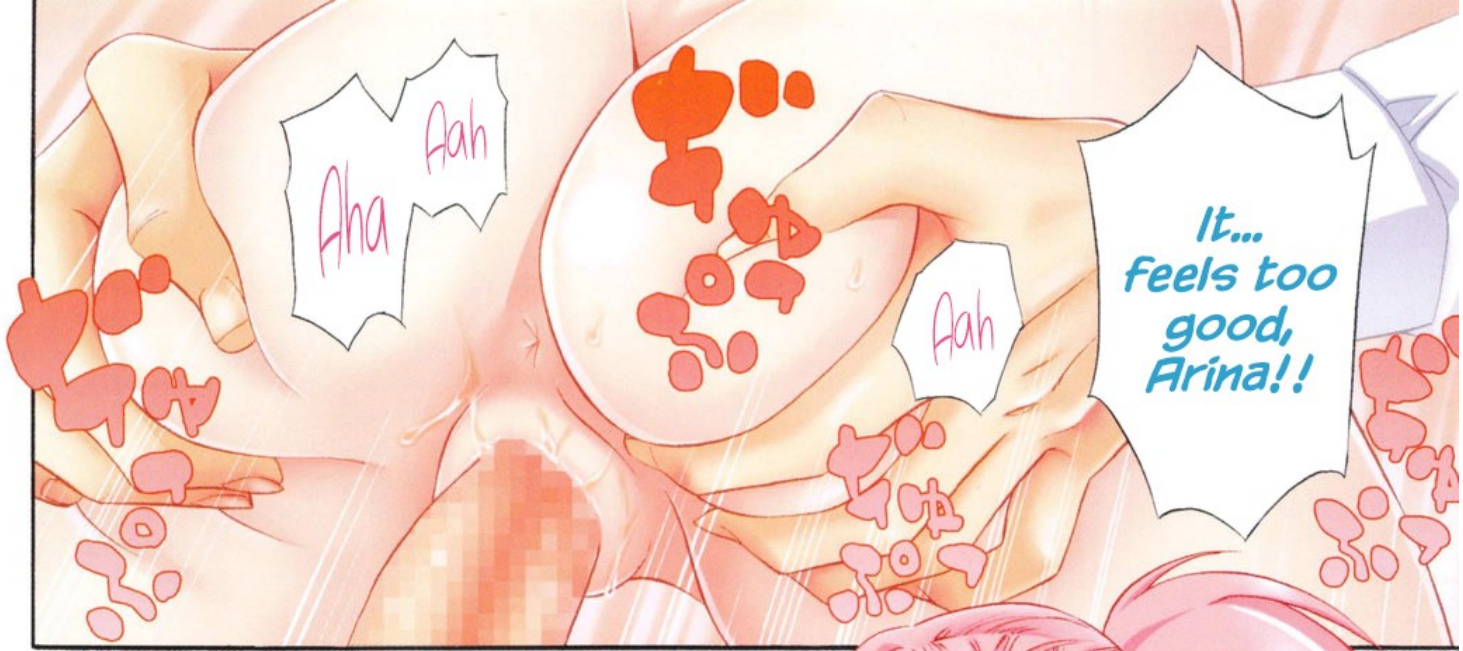

See? You calmed down. ♡

Uwah...

Do my insides feel good?

Ah... Ha
How is it?

Aah Aah

Aah

It... feels too good, Arina!!

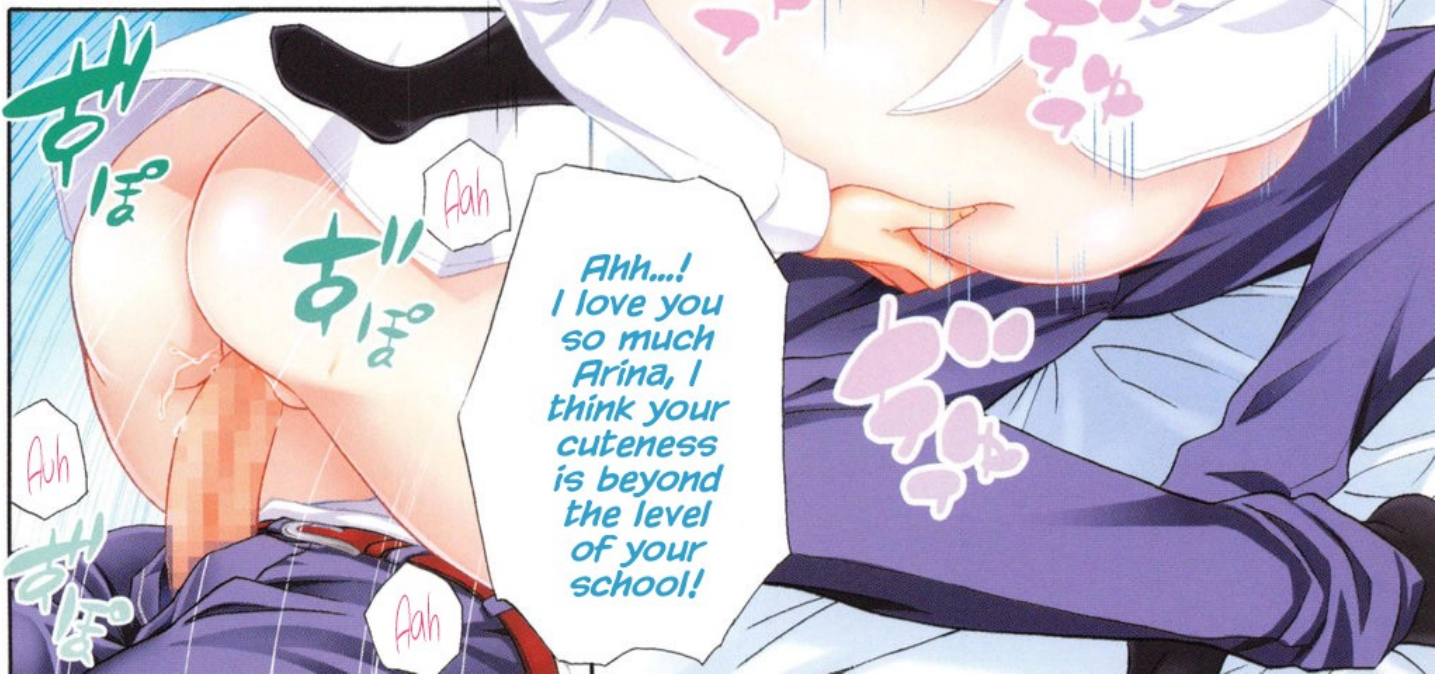

Whah

Haa

Nmh

Ahh...! I love you so much Arina, I think your cuteness is beyond the level of your school!

You should be glad to be doing something like with the cutest girl in the school!

あは

あは

Aah

Aah

あは

Aah

Ahh,
no.

I'm
gonna...
cum!

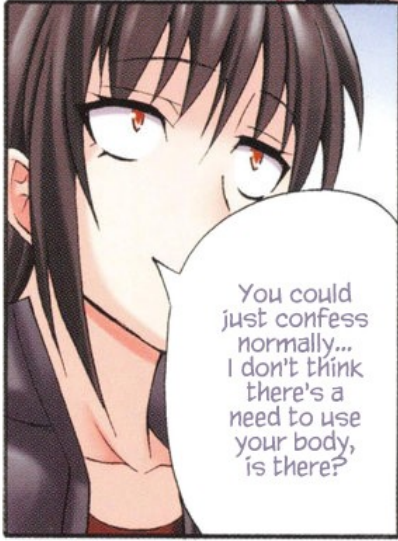

HAHAH

♡♡♡♡♡

I'll commence it after the graduation ceremony!

...And, that's the overview behind my plan for confession.

You could just confess normally... I don't think there's a need to use your body, is there?

Unfortunately, it is true that you are cute, but putting that aside...

This will be a success for sure! After all, I'm so cute that not even an idol could match me!

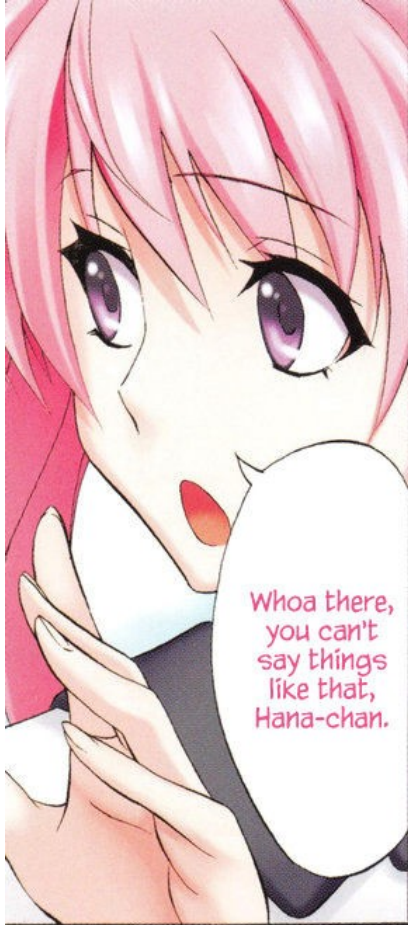

You're naïve, Hana-chan...

...So fuckin' annoying.

Even though he has someone on an idol-level right next to him!

Taisuke hasn't said a single thing to me besides the fact that he's graduating soon, y'know?

Whoa there, you can't say things like that, Hana-chan.

I'm certain that he won't fall over from just an average temptation!

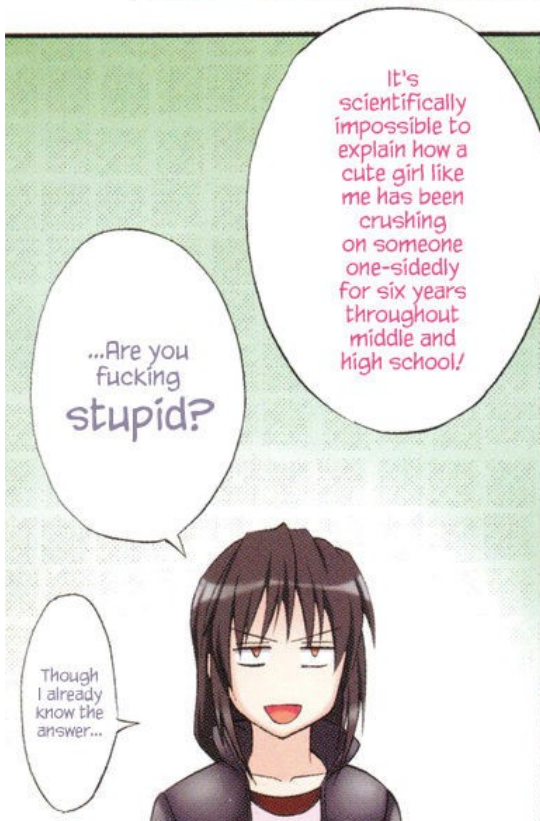

...Well, he does seem like quite the herbivore.

Not like I got eaten by anyone anyway!

Sorry for being a rotting piece of meat!

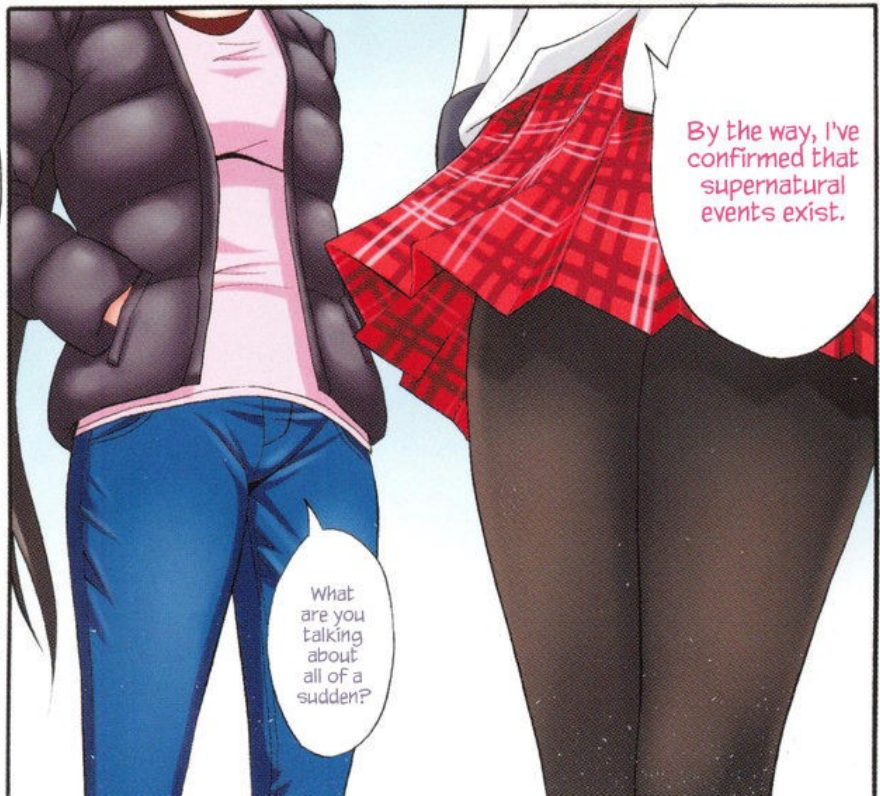

The fact that you're using such negative words is like admitting that you're a rotting piece of meat.

...Are you fucking stupid?

It's scientifically impossible to explain how a cute girl like me has been crushing on someone one-sidedly for six years throughout middle and high school!

Though I already know the answer...

By the way, I've confirmed that supernatural events exist.

What are you talking about all of a sudden?

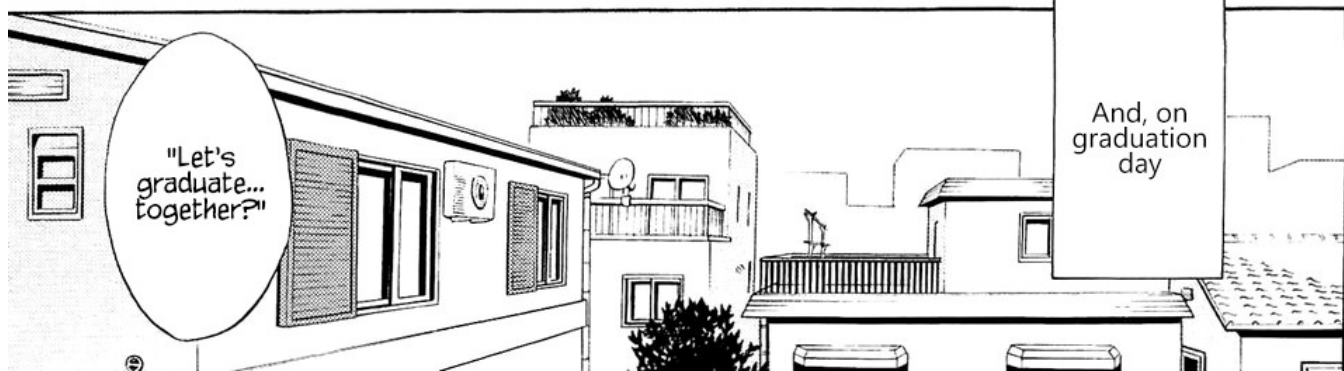

I already know that Taisuke's an idiot, so this will go perfectly.

You guys would just be an idiotic couple.

Arina... That's not what a love-bird is...

"Let's graduate... together?"

And, on graduation day

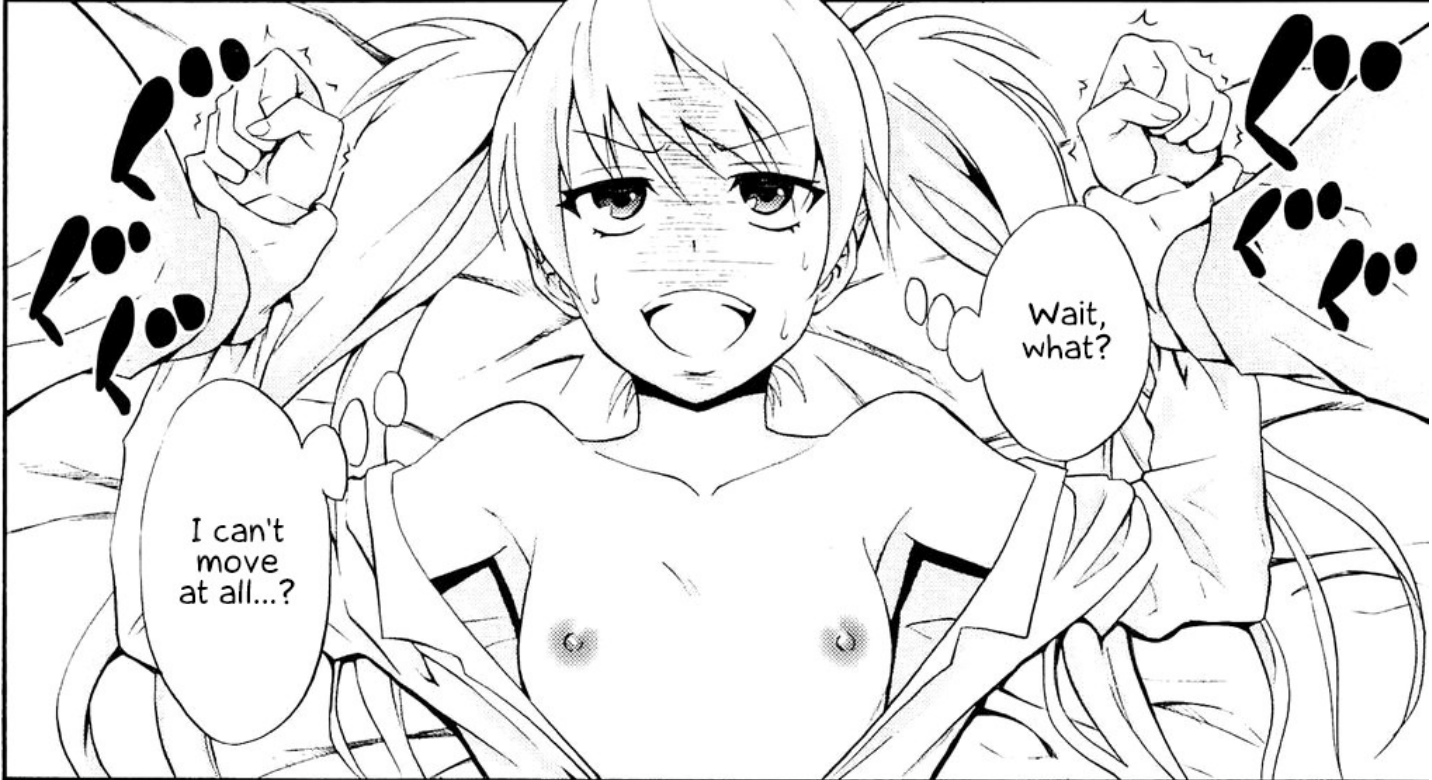

"You shouldn't be so greedy..."

I got him! Everything's according to plan so far!

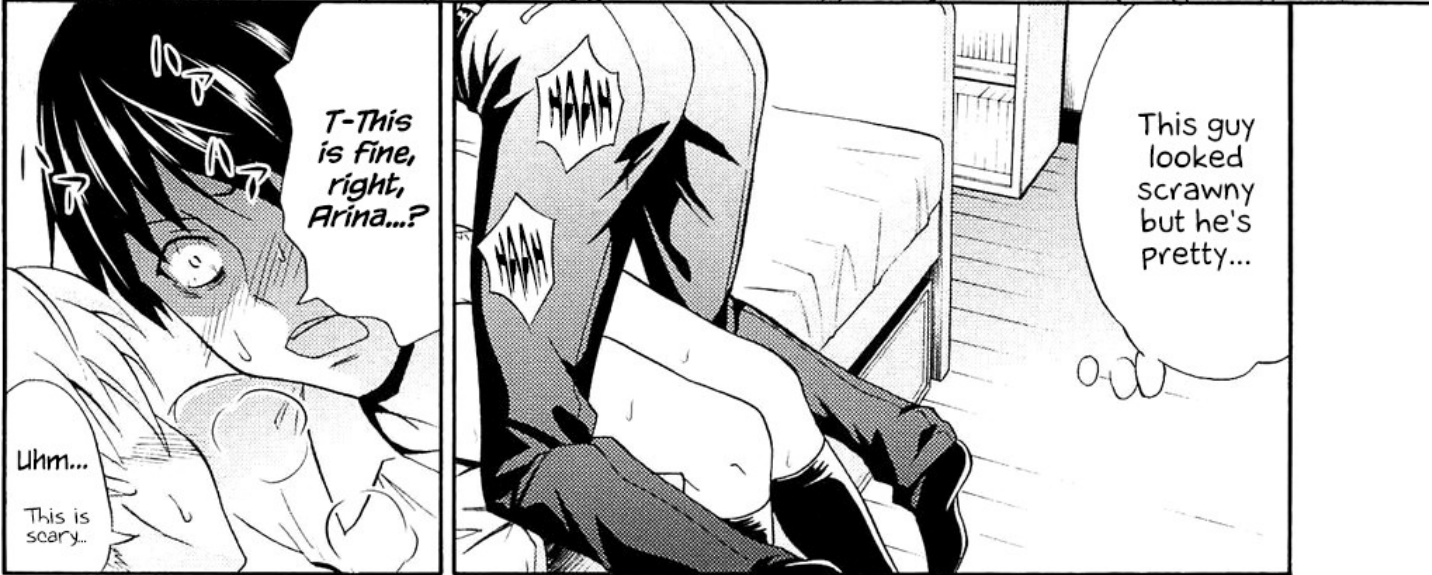

Arina!

Kyan ♡

Wait, what?

I can't move at all...?

T-This is fine, right, Arina...?

This guy looked scrawny but he's pretty...

Uhm...

This is scary..

!?

I was supposed to be in the lead...!

Mmph

...I'm gonna strip you.

Haah..

...What?

Ah!?!
Hey!!

Wai-
Sto-
Hey!!

You can't touch that place...

ちゅ
ちゅ
ちゅ

Smack

Eek!!

I underestimated
a man's
power!

To think that I,
someone with
basically an
idol status,
am just being
played around
with...

Rub
Rub

How...

How...

What the
hell, this is
amazing-

How
humiliating...
♥

Shit...

This virgin's getting so desperate...

Right?

It's okay, right?

Arina...

C-can I put it in now?

That's...!?

It's completely different from how I imagined it... Is this supposed to be average!?

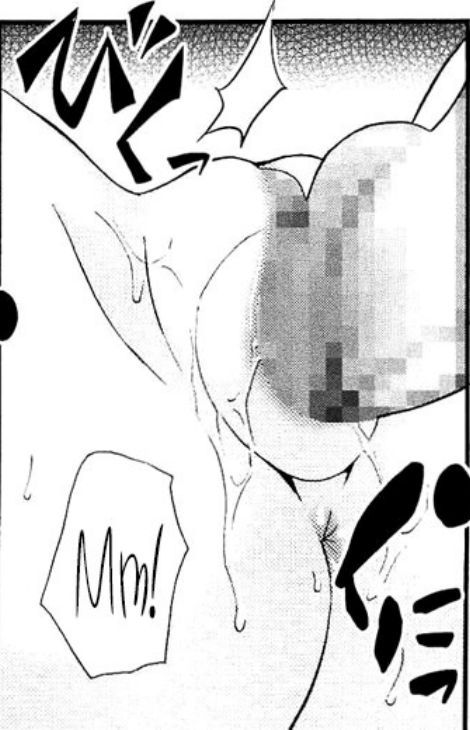

...fucking huge.

Uuh

Uuh

あははあ

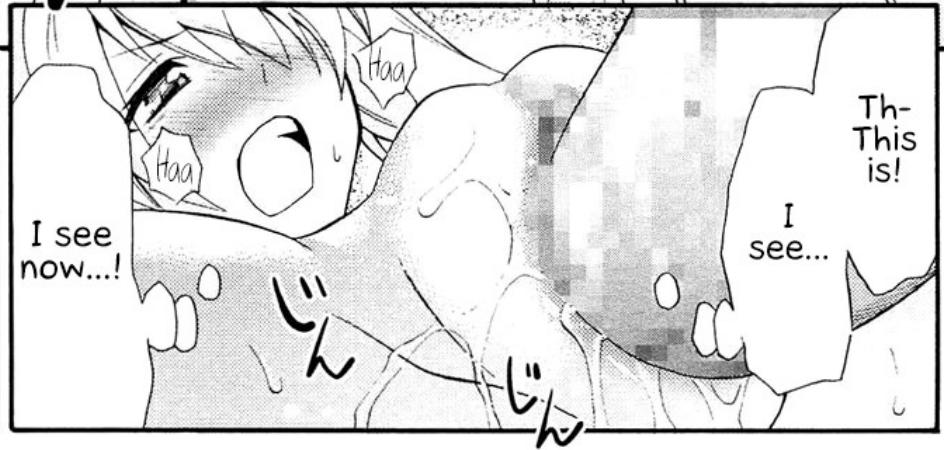

Mm!

I feel like I'm about to fly just from being touched...

If something like this goes inside...

あははあ

She let out her voice...

How interesting...

...For fuck's sake! He's been having his way with me this entire time...

Next, I'll fuck you from behind...

is too...

rough...

This

I'm the one being baited now...
♥

I'm not the one baiting him anymore...

Reckless-
ness is
a self-
evident
truth...

Well...
If you
come at
a virgin
like that...

And you
were so
greedy
without
having any
sense of
value...

Y'know...
To be
completely
honest,
I'm so cute
that even an
idol would
run away
barefooted,
don't you
think?

Well, it's
whatever
but...

If you
were that
pent up,
then you
could have
just...

!

Hm?

Love-
Bird
Plan

UZE

Hey,
don't
get
carried
a-

カハハハ

Well then,
I'll ask you
very slowly
and politely
for another
round.
