

Hello.

All I've heard is that...

I still have no exact idea.

Why this distant relative of mine came to live at my father's side of the family,

You're back early, Seïchirou-kun.

She wasn't exactly blessed with good parents.

Hey... It's been a while, Fondue.

What?

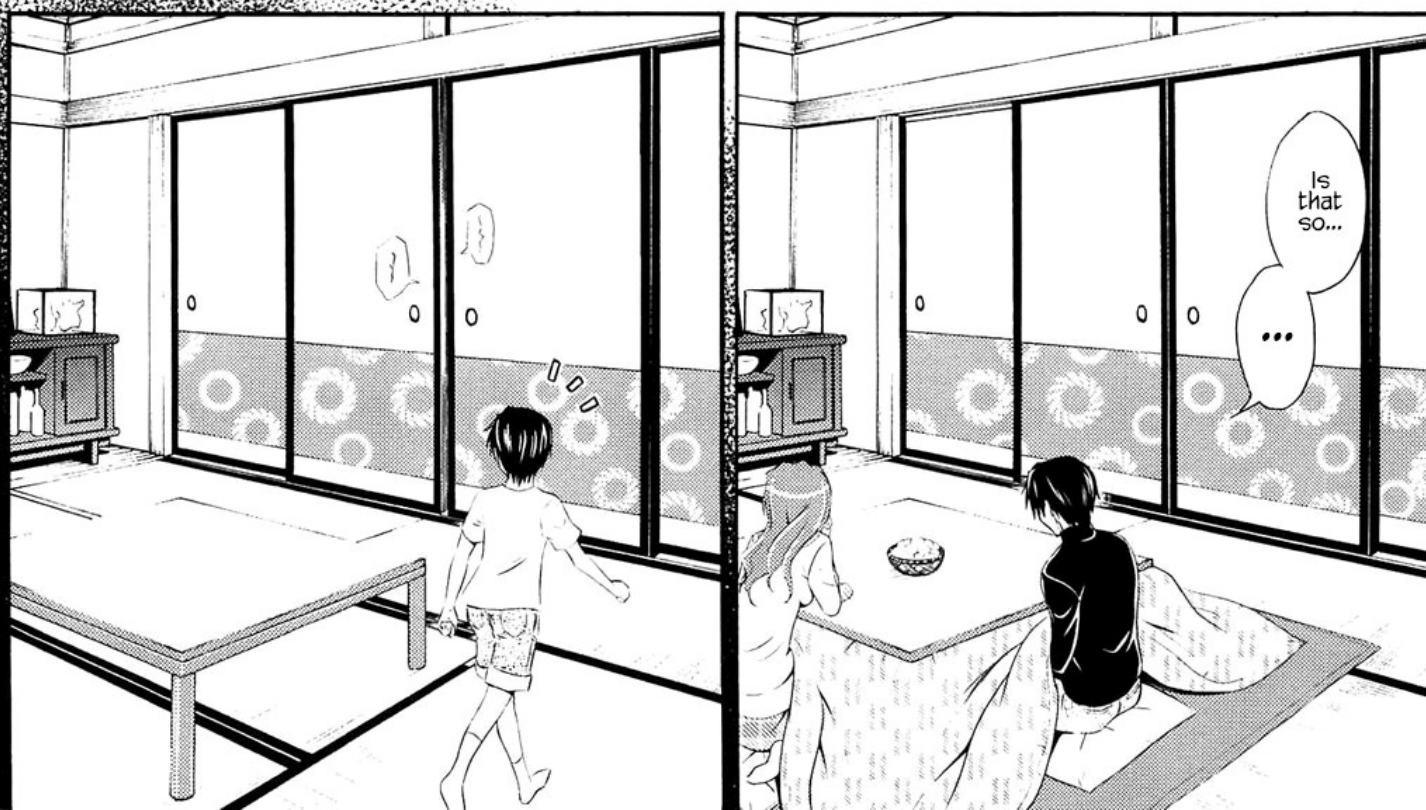

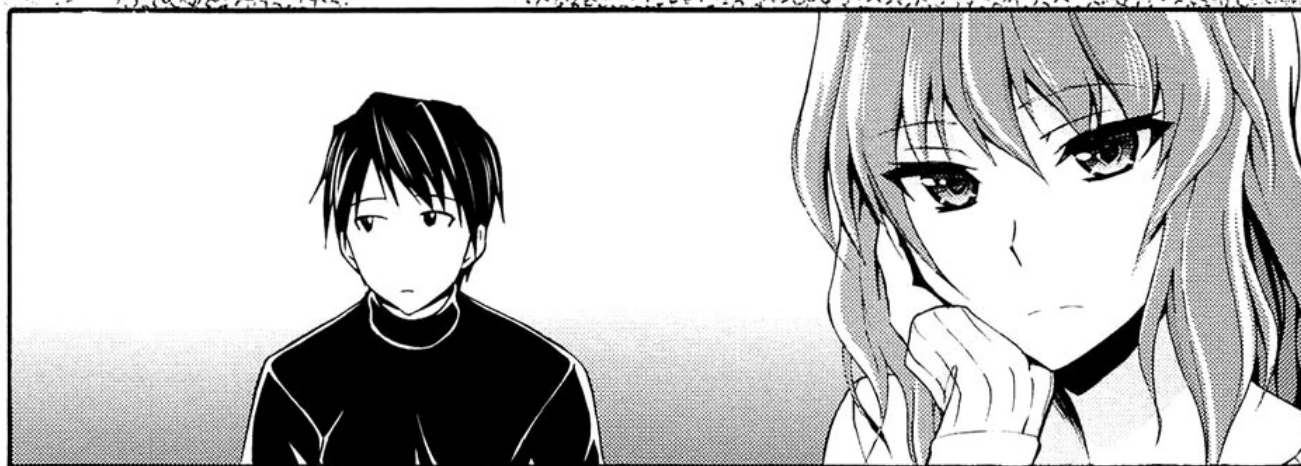

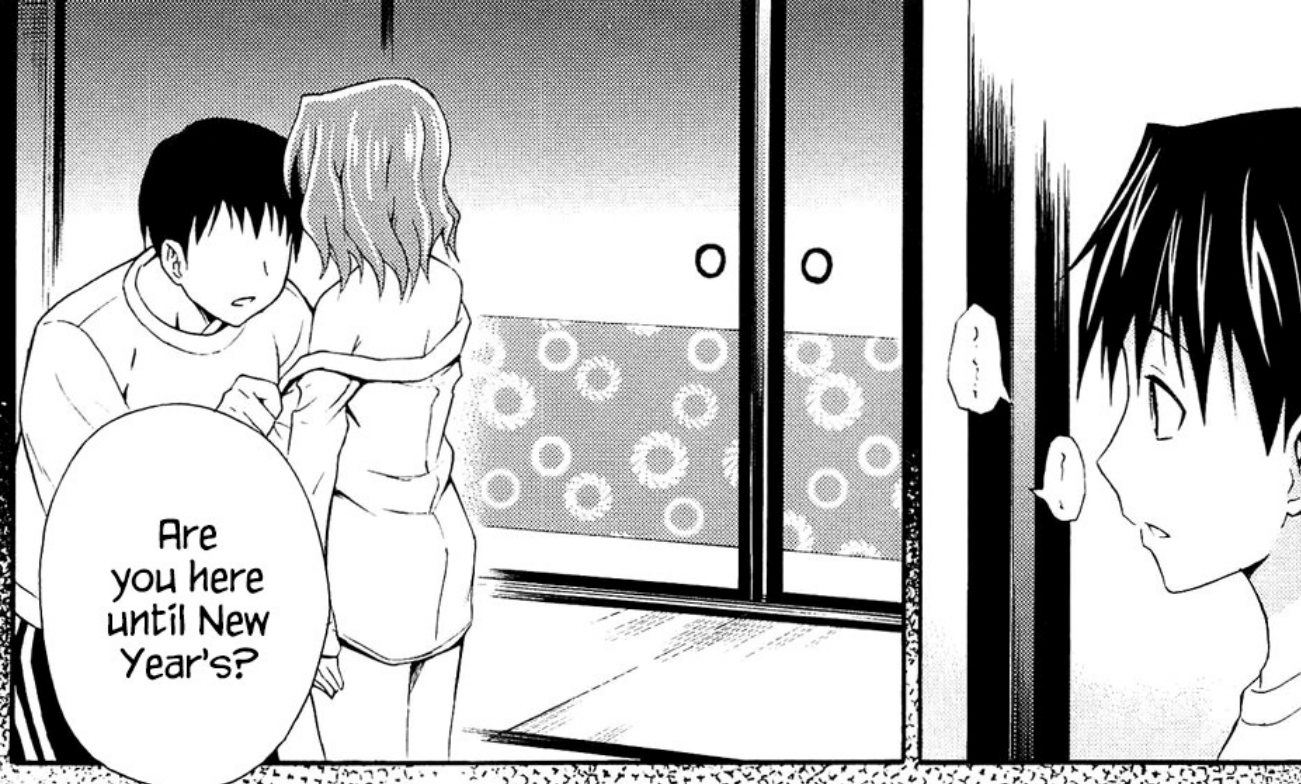

...

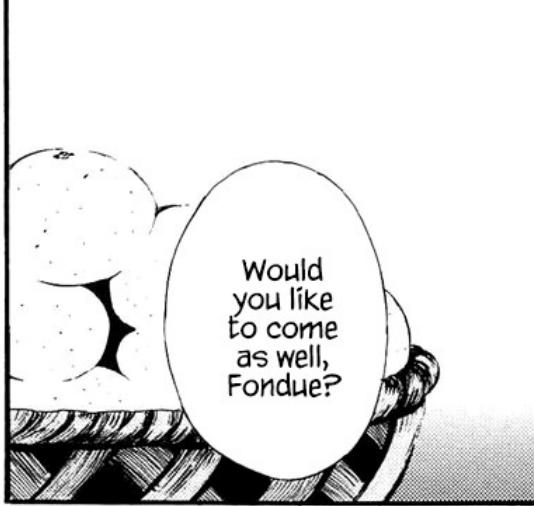

君の顔が好き

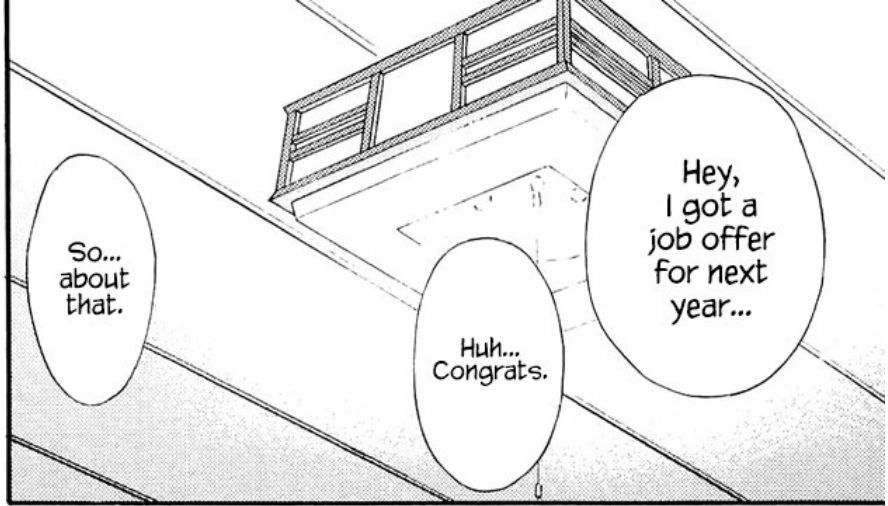

K I M I N O K A O G A S U K I

Would you like to come as well, Fondue?

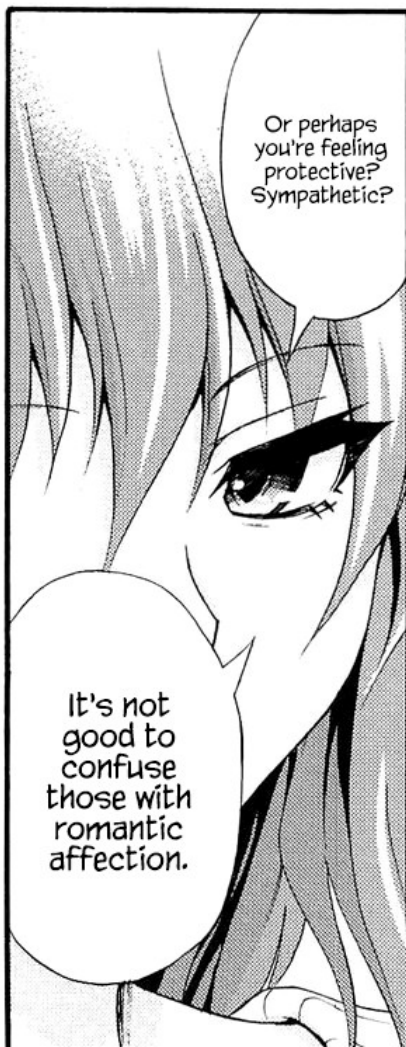

So... about that.

Huh... Congrats.

Hey, I got a job offer for next year...

What are you saying, Seiichi-rou?

Or perhaps you're feeling protective? Sympathetic?

It's not good to confuse those with romantic affection.

I'm not interested in trying to help you clear up your sense of guilt.

Oh... This was supposed to be a confession of sorts.

...Well, it is true that I wanted to do something about you, but...

But...

You're wrong, I...!

We couldn't resolve the problem then since we were kids, and

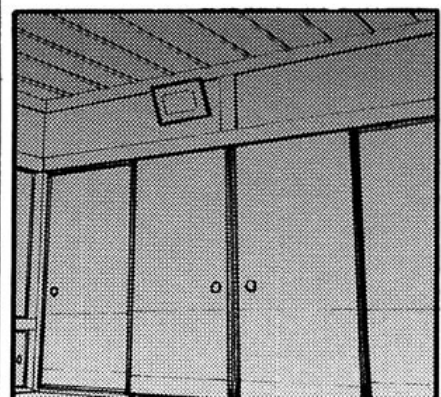

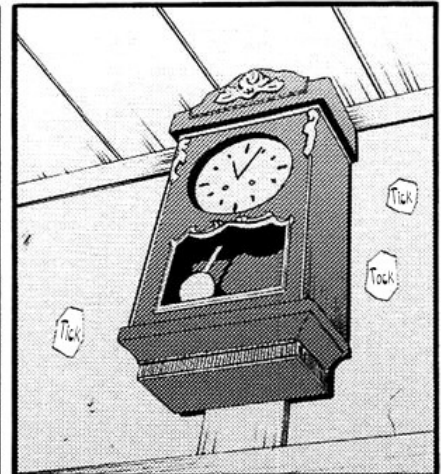

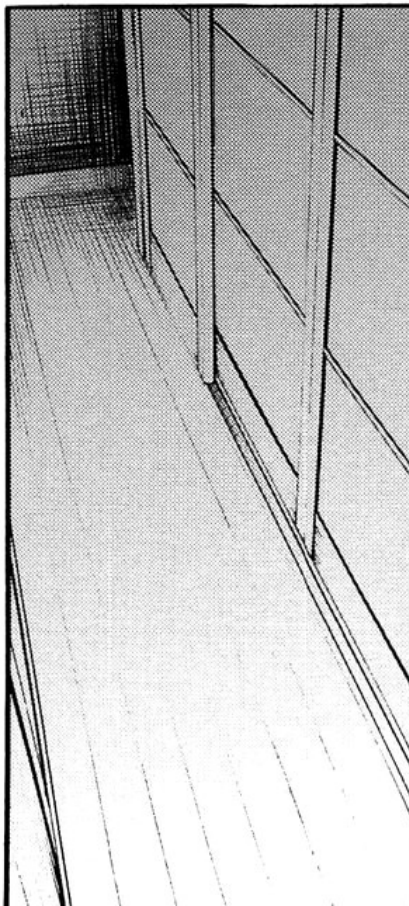

the issues that had to be resolved went away as we got older.

!?

That's all there is to it... Nothing's really new here.

I've thought about it some more.

We're in a house with elderly people, it might as well be night time.

What time do you think it is?

...Hey.

...

What?

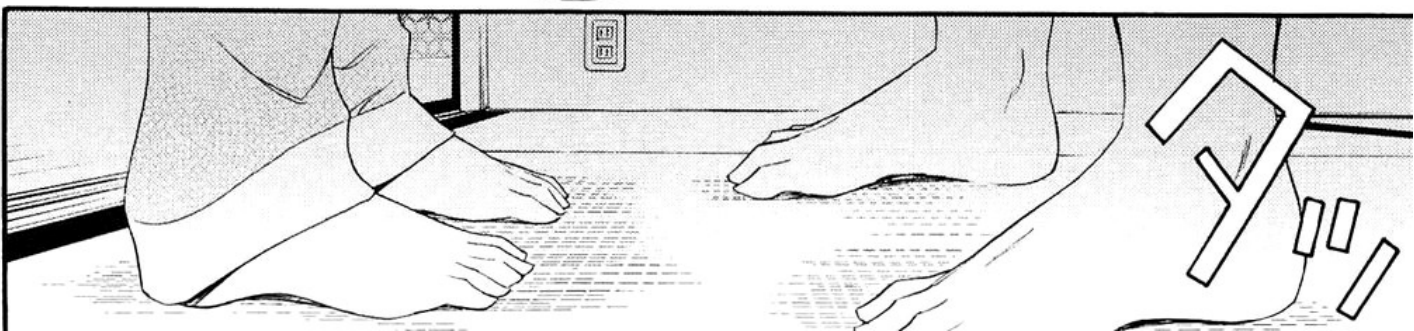

I thought about how I felt about you aside from those emotions.

It might be true that I'm feeling guilt or sympathy, but

...I'm only attracted to your looks!

*I've
always
liked
you!*

*Your face is
cute as hell!
In other words,
I fell for that
at first sight!*

If you're
talking
about when
we first met,
how long
ago was
that...?

...Are you
stupid?

That's
the worst
pick-up line
possible...

Sigh...

Believe
in your
outward
appearance
more!

Also,
your style
is great!
I've come
to like your
looks.

These are
Fondue's
breasts...

They're
so big...
and soft...

Her
nipples
are
hard...

Stop
talking
like that.

if you're
okay
with that,
then...

Well... My
body's not
exactly
pretty,
but

...You're
right. It's
not good
to talk
like that,
is it...

No
wait,
that's
too
big...!!

What do
you mean
"What is
that?" It's
my dick.

Huh?

Wai-!?
What
the hell
is that?

Ah...!?

Don't
be so
full of y-

...

Could it
be that
you're really
feeling it,
Fondue?

Hmm?
